EDUCATION SECRETARIAT

Sanctions enhanced rate of Dearness Allowance to training substitutes appointed in place of Government primary school teachers under training at the same rate as is admissible to teachers on the lowest scale at an extra cost of Rs. 80,000 per annum from 1st July 1946.

READ—

Government Order No. E. 3686-7—Edn. 92-41-30, dated 23rd March 1942, sanctioning the payment of an allowance of Rs. 15 per month to the training substitutes in place of Government Primary School Teachers under training in V. T. C. Classes.

2. Government Order No. E. 5947-8—Edn. 42-42-104, dated 27th May 1944, sanctioning the payment of Dearness Allowance to the training substitutes and employees of Government Hostels, Municipal High Schools, Aided Institutions under private management and Sanskrit Pathasalas in the State.

3. Letter No. P1. 3640-510—45-46, dated 20th August 1946, from the Director of Public Instruction in Mysore, stating that the training substitutes appointed in place of Government Primary School Teachers deputed for training in the V. T. C. Classes are at present paid Dearness Allowance at the rate of Rs. 3 per month while the leave substitutes and temporary teachers in Primary Schools are paid Dearness Allowance on the same scale as other Government employees ranging from Rs. 12 to Rs. 15 per month; that they are drafted from the same approved list issued by the Public Service Commissioner and possess the same qualification and do the same work as the latter, and that it is equitable to treat them as others in regard to Dearness Allowance and recommending sanction for the payment of Dearness Allowance ranging from Rs. 12 to Rs. 15 per month to the training substitutes also with effect from 1st July 1946, involving an extra cost of about 80,000 (Rupees eighty thousand only) per annum.

ORDER No. E. 4334-35—Edn. 28-46-23, DATED BANGALORE, THE 9TH DECEMBER 1946.

The recommendation of the Director of Public Instruction in Mysore is sanctioned. The expenditure for the current year will be met from General Savings of the departmental budget for the year.

Issues orders *re.* the revision of certain "statements and form of application" for Recruitment to the Subordinate Services of Government.

READ—

Government Order No. E. 1103-1200—R. & P. S. 14-43-2, dated 31st August 1943, relating to the revision of certain forms and discontinuance among others Statement "D" in use in the Office of the Public Service Commissioner for Mysore.

2. Letter No. 5612, dated 17th April 1946, from the Public Service Commissioner, stating that the questionnaire in the existing forms A, B and E are not exhaustive enough to facilitate his office to verify at first sight vacancies to be advertised or appointments made, both interim and otherwise, and to check irregularities promptly and requesting approval of Government to the revised A, B and E Statements and form of application for appointment.

3. Unofficial Note No. P. C. 9, dated 8th July 1946, by the Secretary, Press Committee, suggesting that the headings of the forms may be printed one below the other, as the vertical printing reduces the use of paper to the minimum without causing any inconvenience.

4. Unofficial Note No. 7, dated 23rd August 1946 by the Public Service Commissioner, stating that there is no objection to the printing of the forms in the manner suggested by the Secretary, Press Committee, provided the entire matter is printed on one side.

ORDER No. E. 4454-520—R. & P. S. 70-45-3, DATED BANGALORE, THE 13TH DECEMBER 1946.

In view of the discontinuance of Statement "D" referred to in the Government Order dated 31st August 1943 read above, the Statement "E" will hereafter be treated as Statement "D."

The Statements A, B and D and the form of application for appointment are revised and appended hereto.

The Superintendent, Government Printing, is requested to have the forms printed as suggested by the Secretary, Press Committee, the entire matter being brought on one side and supplied to all the Unit Officers on indent.

LAW SECRETARIAT

he abolition of the cadre of Second Grade Munsiffs cts that there should be only one Grade of Munsiffs 250—40/2—450.

nment Order No. Fl. 2295-305—S. & A. 145-33-1, dated 3rd Septem- sanctioning revised scales of pay of the Officers of the Judicial ent.

ORDER NO. LAW. 1687-88—Cts. 59-46-2, DATED BANGALORE, THE 28TH NOVEMBER 1946.

n pursuance of Government Order dated 3rd September , read above, there are at present Two Grades of Munsiffs ollows and vacancies in the First Grade of Munsiffs ss a rule, being filled up by promotion of Second Grade siffs :—

First Grade Rs. 250—40/2—450.
Second Grade Rs. 150—25/2—250.

2. The High Court have brought to the notice of Govern- ent that it is anamolous to have two grades of Munsiffs First and Second Grade), that the pay of the Second Grade Munsiff is not sufficiently high to maintain dignity and command respect and have urged on the attention of Govern- ment that a revision of the pay and prospects of the Munsiffs, Second Grade, is urgently needed in the interest of efficiency and for securing competent persons for the posts of Munsiffs.

3. The High Court have accordingly proposed to abolish the cadre of the Second Grade Munsiffs and to have only one Grade of Munsiffs on Rs. 250—40/2—450, the starting pay of the Munsiffs being fixed at Rs. 200 during the probationary period of one year.

4. Government are pleased to sanction the above proposals of the High Court which involve an additional expenditure of Rs. 22,720 per annum and to direct that the period of probation in the case of recruits to the Munsiffs' Grade be fixed at one year.

5. A demand for the amount required on this account during the year 1946-47 will be placed before the Legislative Council at its Budget Session during June 1947, if it is found that it cannot be met either by the re-appropriation from the sanctioned grants of the Judicial Department for 1946-47 or from the anticipated savings in the budget grants of the department.

6. The Registrar, High Court, is requested to furnish a report to Government in this behalf before the end of March 1947.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Report on the working of the Department of Land Revenue, Survey and Settlement for the year 1945-46.

READ—

Letter No. Sec. 45, dated 18th September 1946, from the Commissioner for Settlement and Land Records in Mysore, submitting a report on the working of the Department of Land Records, Survey and Settlement for the year 1945-46.

ORDER No. R. 5834-45—L. S. 16-46-2, DATED BANGALORE, THE 24TH DECEMBER 1946.

1. Recorded.

2. The following are among the several special items of work attended to by the Departmental Staff during the year:—

(i) Seven Surveyors were employed for measurement of land acquired for the formation of an industrial suburb in Bangalore Taluk. The work was spread over 8 villages involving measurement of 184 survey numbers and 751 hissas comprising an extent of 1,128 acres and 17 guntas.

(ii) Seven hundred and seventy-nine survey numbers and 1,555 hissas with a total extent of 1,566 acres and 9 guntas spread over 9 villages were measured under Bairamangala Project in Closepet Taluk and under Maralwadi and Alahalli Tanks in Kankanhalli Taluk.

(iii) Measurement, classification and Bandha Pahani were completed in respect of 207 survey numbers covering an extent of 760 acres of lands surrendered to the Revenue Department by the Amrithmahal Department in the Hassan and Arsikere Taluks.

3. *Field Work done during the year.*—(i) Survey, classification, re-classification, bandhpahani and other miscellaneous works were carried out in 56 Inam villages involving 22,407 survey numbers comprising an extent of 8,012 acres and 28 guntas against 18,731 acres and 36 guntas in 93 Inam villages in the year preceding.

Detailed survey was conducted in 12 Inam villages, classification in 8 Inam villages, and re-classification in 2 Inam villages.

(ii) Survey settlement was introduced into five Inam villages.

(iii) The total number of darkhast phod and other miscellaneous records disposed of during the year was 82,277 as against 6,823 in the previous year. Classification work was done in 2,507 (1,994) villages in respect of 7,382 (7,714). survey numbers comprising 29,673 acres and 16 guntas (33,345 acres and 12 guntas). It is thus observed that the work pertaining to this item has shown a decrease.

(iv) The Land Records and Record of Rights staff detected 1,959 cases of encroachment involving an area of 376 acres and 19 guntas with a probable assessment of Rs. 1,130-8-10.

4. *Inams.*—The total number of land inams resumed during the year was 22, resulting in a decrease of Rs. 106-4-0 in the revenue under Jodi and a net increase of Rs. 150-4-0 in the land revenue.

5. *Remuneration to Patels and Shanbhogues.*—Decennial revision of Potgi was effected in respect of 548 villages, leaving a balance of 4,796 villages. Revision of Potgi in accordance

with Government Order No. R. 1744-55—L. R. 58-43-3, dated 3rd October 1944, was effected in respect of 803 villages, leaving a heavy balance of 10,414 villages. Potgi was fixed in respect of three inam villages and biennial revision in respect of 4 villages in the Irwin Canal Area was due. The disposal of work in arrears should be speeded up.

6. *Record of Rights Scheme.*—Hissa survey field work was done in two taluks and 13 Inam villages and Tapasin (check) work in respect of three taluks and 11 Inam villages. The number of hissas measured during the field season was 41,196 (71,050) and the number of hissas checked during the monsoon season was 101,212 (79,986). There is an increase in the number of hissas checked but a substantial decrease in the number measured, for which reasons are not forthcoming. The Record of Rights executive staff attended in addition to the preparation of the Records of Rights and Index of Lands Registers of three taluks and 11 Inam villages, the number of entries made in both these registers being 22,258 and 1,83,388 respectively. The Surveyors posted for mutation work measued altogether 31,351 hissas.

7. *Maps.*—During the year under report, maps of 85 villages were prepared as against 18 in the previous year. Changes and corrections made in the taluk and district maps were duly incorporated in 418 printed copies. The number of village, taluk, district and provincial maps supplied to the public and to the several departments on payment of cost was 2,547 and the amount realised therefrom was Rs. 3,245-14-0. The number of maps used for departmental work was 1,143 valued at Rs. 1,338-8-0. The total value of the maps in stock was Rs. 4,95,662-6-0.

8. *Tours and Inspections.*—The Superintendent of Land Records, Survey and Settlement toured for 105 days during the year and tested the work done by the Surveyors and re-tested the work done by the Supervisors and the District Survey Officers in all the district charges, and inspected also the Barsath Tapasin work, the preparation of Index of Lands and Record of Rights Registers, etc., in the districts where these items of work were in progress. The Superintendent of Land Records, Survey and Settlement inspected also all the seven District Survey Offices, the Office of the Record of Rights of the Special Deputy Amildar, Yelandur Jahagir, and 28 Taluk Offices and also conducted test inspections with a view to ascertain the stage of Land Records and Record of Rights maintenance work in Holenarsipur and T.-Narasipur Taluks. The District Survey Officers of Bangalore, Mysore and Kolar toured for more than 150 days while the touring of the others fell short of the prescribed period, that of the District Survey Officer, Tumkur and Chitaldrug, being the shortest, *viz.*, 104 days. The District Survey Officers have inspected in detail the survey records maintained in the Taluk Offices in their charge as also their own offices.

9. *Cost of the Department.*—The total cost of the department amounted to Rs. 3,28,444-4-3 (Rs. 3,50,851-7-3), of which the cost of the Land Records Department was Rs. 1,33,410-3-3 (Rs. 1,63,883) and the expenditure incurred on the Record of Rights Scheme (preliminary stage) Rs. 1,95,034-1-0 (Rs. 1,86,968-7-3).

GENERAL SECRETARIAT

Sanctions the revision of the scales of pay of the Forest Guards in the Forest Department.

READ—

Letter No. E. 293—44-45, dated 8th June 1946, from the Chief Conservator of Forests submitting his proposals for the revision of the scales of pay of the Forest Guards in the Forest Department.

2. Unofficial Note No. 7, dated 10th August 1946, from the same officer on the subject.

ORDER NO. A. F. 3108-9—Ft. 72-46-2, DATED BANGALORE, THE 18TH DECEMBER 1946.

The question of revising the existing scales of pay of the Guards in the Forest Department requires to be considered at present from many points of view. It is seen that the sanctioned cadre of the Forest Guards consists of 820 men in the permanent and 101 in the temporary establishment 6 grades in all on a fixed pay ranging *from* Rs. 11 to per mensem. Government consider that the Forest G though forming the lowest constitute by no means the important link in the executive service of the Forest De ment, that for the efficient protection of forests, a F Officer has to depend largely on the willing co-operation o Forest Guards, much of the success in the protection maintenance of the forest wealth in the State depend mainly on the alertness and vigilance of these Guards and though their work is of such great importance, their pres scales of pay are not in keeping with their responsibilities a the arduous nature of the work which exposes them to co siderable risks. It is also found that as the rules of recru ment now stand, though a Guard is eligible for promotion a Forester, only one out of every three vacancies falls to h share and that as the number of vacancies that becom available annually for being filled up by promotion is ver limited, there is no even flow of promotion from grade to grade resulting in frequent stagnation. The Chief Conservator o Forests has, in consideration of these circumstances, submitted proposals for a revision of the grades of the Guards into a progressive scale of pay of Rs. 17—1/5—22 involving an extra cost of Rs. 5,914 per mensem or Rs. 70,968 per annum and has requested sanction to the same as this would reduce the chances of stagnation and consequent loss of morale in the lower ranks.

2. Government have examined the question in all its aspects and are pleased to direct the adoption of the following grades involving an extra cost of Rs. 5,222 per mensem or roughly, Rs. 62,664 per annum :—

Permanent :	620 on Rs. 15—1/3—20
	200 on Rs. 20—1/3—25
Temporary :	71 on Rs. 15—1/3—20
	30 on Rs. 20—1/3—25

3. The Chief Conservator of Forests is requested to take all further action in the matter of giving effect to the revision of the grades of the Forest Guards as now ordered.

EDUCATION SECRETARIAT

Fixes the starting pay of Graduate teachers and Graduate training substitutes at Rs. 50 per mensem with effect from 12th December 1946.

READ—

Government Order No. E. 1712-13—Edn. 36-44-18, dated the 12th October 1944, sanctioning a higher starting salary of Rs. 44 per mensem in grade Rs. 35—3—65—5—100 to the Graduates taking up service in the Education Department temporarily for a period of two years in the first instance.

2. Government Order No. E. 3989-90—Edn. 36-44-52, dated the 15th February 1945, sanctioning the extension of the concession, referred to in the Government Order read above, to Graduate training substitutes also.

3. Letter No. H1. 1024-77 of 46-47, dated the 10th September 1946, from the Director of Public Instruction in Mysore, recommending, in the circumstances mentioned, sanction to the enhancement of the initial pay of Graduate teachers in grade Rs. 35—3—65—5—100 and of Graduate training substitutes to Rs. 50 per mensem.

4. Government Order No. E. 4118-19—Edn. 36-45-51, dated the 30th November 1946, sanctioning the continuance, for a further period of two years, of the higher starting salary to Graduates sanctioned in the Government Orders read above.

ORDER NO. E. 4744-45—Edn. 36-45-52, DATED BANGALORE, THE 30TH DECEMBER 1946.

The Director of Public Instruction in Mysore reports that the position of recruitment of Graduates in the department has not improved even with the initial pay of Rs. 44, that a large number of vacancies from the year 1942-43 are remaining unfilled for dearth of candidates and that, as a result, the work of many schools have suffered. He, therefore, recommends that sanction may be accorded to the enhancement of the initial pay of Graduate teachers in grade Rs. 35—3—65—5—100 and of Graduate training substitutes to Rs. 50 per mensem with effect from 1st July 1946.

In view of the difficulty of attracting Graduate teachers for employment in the Department of Education at the present revised initial pay, Government are pleased to direct that, in modification of Government Order dated the 30th November

1946 read above, the starting pay of Graduate teachers and of Graduate training substitutes be fixed at Rs. 50 per mensem with effect from 12th December 1946, pending the receipt of the report of the Pay Committee appointed to go into the question of the revision of the scales of pay in the several departments of Government. The extra cost required during the current year will be met from the sanctioned grants of the department.

Sanctions the revision of the scales of pay of Nursing Staff in the Medical Department.

READ—

Government Order No. M. 10749-51—Med. 178-42-16, dated 1st June 1945 passing orders on the report of the Committee appointed to examine the condition of the nursing services.

2. Letter No. C. 1119-33, dated 4th March 1946, from the Chief Medical Officer, Women's Hospitals in Mysore, furnishing proposition statements for revison of scales of pay of nursing staff of the women's section according to the scales proposed by the Committee referred to above and also indicating the extra staff required.

3. Correspondence ending with letter No.G.C. 392-72, dated 30th October 1946, from the Senior Surgeon forwarding similar statements in respect of the nursing staff in the men's section.

ORDER NO. M. 6963-7—MED. 42-46-10, DATED BANGALORE, THE 23RD DECEMBER 1946.

On account of the insistent demand made on the floor of the Legislative Council, for the improvement of the conditions of the nursing services, Government appointed a Committee consisting of officials and non-officials with the Senior Surgeon as Chairman to examine and submit necessary recommendations in the matter. While passing orders on the several recommendations made by the Committee, Government observed that uniformity and improvement in the scales of pay of this class of service were necessary and that that could be considered only after ascertaining the financial implications and requested the Senior Surgeon and the Chief Medical Officer to submit proposition statements in accordance with the recommendations of the Committee. The scales of pay suggested by the Committee are as noted below. The two Heads of Departments accordingly submitted proposition statements involving an extra cost of about Rs. 86,130-1-6 per annum in respect of the revision of scales of pay of the existing staff according to the scales suggested by the Committee. Meanwhile the question of revision of scales of pay was also considered by the Policy Committee for Public Health which also accepted the scales of pay referred to below, with the suggestion that the designation "Matron" may be changed to Nursing Superintendents and Sisters :—

Matrons Rs. 200—10—300 *plus* R.A. and U.A. Rs. 46-4-0 per mensem.
Sisters Rs. 125—5—150 *plus* R.A. and U.A. Rs. 35 per mensem.
Nurses, I Grade, Rs. 80—5/2—100 *plus* R.A. and U.A. 24 per mensem.
Nurses, II Grade, Rs. 55—5/2—75 *plus* R.A. and U.A. 24 per mensem.
Nurses, III Grade, Rs. 35—5/2—50 *plus* R.A. and U.A. 24 per mensem.

In consideration of the fact that nursing service forms an essential part of the hospital treatment, and that the right type of trained nurses in adequate numbers are not forthcoming on account of the low scales of pay obtaining at present, Government consider it necessary to revise the scales of pay so as to attract trained staff. They are accordingly pleased to sanction the scales of pay to the several classes of the nursing staff as noted below :—

Nursing Superintendents, I Grade, Rs. 200—10—300 *plus* R.A. and U.A. at Rs. 45 per mensem.
Nursing Superintendents, II Grade, Rs. 125—5—150 *plus* R.A. and U.A. at Rs. 35 per mensem.
Nurses, I Grade, Rs. 75—5/2—100 *plus* R.A. and U.A. 24 per mensem.
Nurses, II Grade, Rs. 45—5/2—70 *plus* R.A. and U.A. 24 per mensem.

The cadre of III Grade Nurses will be abolished.

According to the existing scales as shown in the proposition statements sent by the Chief Medical Officer and the Senior Surgeon, there are at present 16 members on the supervisory staff including an Assistant Matron in the Vani Vilas Hospital, and 265 nurses distributed over the existing grades. Government are also pleased to fix the strength in the several revised grades as noted below. They direct that there should be a First Grade Superintendent in each of the major hospitals—Victoria, Vani Vilas, Krishnarajendra and Cheluvamba Hospitals :—

Nursing Superintendents		I Grade	... 4
,,		II Grade	... 12
Nurses	...	I Grade	... 53
Nurses	...	II Grade	... 212

The benefit of the revised scales will be given effect from 1st November 1946. The revision of scales as indicated above is expected to result in an extra average cost about Rs. 1,13,800 per annum and this will be met out of the provision of Rs. 92,000 made in the current year's budget for the purpose.

A statement showing the distribution of the staff among the hospitals in charge of the Senior Surgeon and the Chief Medical Officer is also appended hereto.

They are requested to take very early action to give effect to the revision.

FINANCIAL SECRETARIAT

Prescribes the Budget Calendar for 1947-48.

ORDER NO. FL. 4719-89—G. F. 150-46-2, DATED BANGALORE, THE 2ND JANUARY 1947.

The attached Calendar for regulating the Budget Work for 1947-48 is approved. The object with which an interval of about a fortnight is allowed for items Nos. 3 and 14 in the Calendar is to secure an even flow of work in the Comptroller's Office and in the Secretariat and to avoid rush of work at the last moment. **All officers handling Budget papers are requested not to take up the entire interval but to strictly adhere to the dates fixed.**

2. All estimates require to be framed with the greatest possible care and with particular regard to sanctions and actual requirements. Those relating to heads of receipts should aim at forecasting the realizale result as closely as possible; and those relating to expenditure heads—Revenue and Capital—should be limited to absolute minimum requirements.

3. **No provision for schemes of new expenditure, whether sanctioned or not to which effect has not been given should be proposed for inclusion in the Comptroller's estimates.** The attention of all Heads of Departments is invited to this instruction, which should be strictly followed in the preparation and submission of their Budget proposals. **A list of such items, if any, requiring provision should, however, be sent to Government and Comptroller separately for consideration as provided in items 3 and 14 of the Calendar.**

4. Sanctions to establishment and other recurring charge which have not been communicated to the Audit Office on or before the 15th January 1947, need not ordinarily be taken into account in framing expenditure estimates relating thereto.

5. In the consolidated Budget Estimates, the totals of major heads should be worked to thousands of rupees and those of minor heads to even hundreds of rupees. This has to be kept in view in fixing the provision under individual heads of account.

6. The Chief Engineer for Irrigation and the Muzrai Commissioner are requested to take timely action to have the detailed estimates of the Irrigation Cess Fund and the General Muzrai Fund, respectively, sanctioned and transmitted as indicated in item No. 19 of the Calendar, to the Superintendent, Government Printing, for being printed and supplied to the members of the Representative Assembly and the Legislative Council along with the copies of the Provisional Budget Estimates.

7. The General Manager, Mysore State Railway is requested to have the Authorization Rolls and the Capital Budget Estimates sent through the Comptroller, to the Finance Department, with remarks of the Chief Auditor, for being dealt with in the same manner as the estimates of other departments.

8. The Registrar, Mysore University, is requested to get the estimates of establishment and fixed charges of the University verified by the Comptroller and approved by Government before compiling the provisional edition of the University Budget.

9. The Commissioner for Economic Development and Planning is requested to ascertain from the Heads of Departments and furnish to Government in the Finance Department, before the 31st of March 1947 a consolidated statement showing (1) Name of post-war scheme, (2) Sanctioned cost of the scheme, (3) Probable expenditure for 1946-47 based on actual expenditure already incurred, (4) Grant required for 1947-48, (5) Grant required for schemes (to be specified in column 1) which are not yet sanctioned but likely to be taken up in 1947-48, (6) Total grant for 1947-48 (columns 4 *plus* 5.)

10. The Superintendent, Government Printing, is requested to treat all Budget work as urgent and co-operate with the Comptroller in arranging for the issue of the different editions of the Budget on the due dates.

By Order,

M. SHAMANNA, *Finl. Secy.*

CALENDAR FOR BUDGET WORK, 1947-48.

By 1st February 1947.

1. Preparation by Heads of Departments (including Railways) of detailed Estimates of Expenditure (Appendices) on Salaries, Establishments and Allowances (Appendix B), Grants-in-aid (Appendix C) and Scholarships (Appendix D), including those relating to Road Fund, the Coffee Cess and Experimental Station Fund, the Record of Rights Fund, and the Elementary Education Funds.

Administration Report of the Mysore Government Insurance Department for 1945-46.

READ—

Report on the working of the Mysore Government Insurance Department for the year 1945-46 received with letter No. A.V.G. 2817, dated the 9th December 1946, from the Secretary, Mysore Government Insurance Department.

ORDER NO. FI. 4911-13—G. F. 16-46-2, DATED BANGALORE, THE 4TH JANUARY 1947.

Recorded.

During the year under review, 1,475 proposals were accepted in the Official Branch, out of which 1,281 resulted in the issue of policies for an assurance of Rs. 9,34,707 as against Rs. 7,53,866 in the previous year. There was a large increase in the Public Branch both in the number of proposals and number of acceptances. The total number of proposals received during the year was 11,936 as against 11,011 in the previous year. Of these, 10,229 proposals were accepted, of which 9,515 proposals resulted in policies assuring Rs. 1,15,03,100 as against 8,463 policies accepted for Rs. 95,04,600 in the previous year.

With a view to make the Public Branch more popular, action was taken during the year under review for simplifying the rules in certain respects. The maximum limit of assurance in the Public Branch was raised to Rs. 20,000 in the case of males and Rs. 10,000 in the case of females. The appointment of a whole-time Secretary has also since been sanctioned by Government. With a view to explore new channels to increase its utility to the public of Mysore, the department has launched a scheme for Motor Insurance business from 1st July 1946.

The working of the department during the year under review continued to be satisfactory.

ORDER THEREON NO. P. W. 3925-47—R. & B. 24-46-1, DATED BANGALORE, THE 19TH DECEMBER 1946.

In para 7 of the Government Order read above, it is stated that separate orders will issue regarding the amount and mode of recovery of District Board's share of expenditure in respect of marketing roads.

2. The Presidents of the District Boards, who were consulted in the matter, have intimated that the financial condition of all the District Boards is not satisfactory and expressed their inability to bear the special repair charges of marketing roads.

3. In view of the general inability expressed unanimously by all the District Boards due to their low financial position and of the fact that special repairs to the roads are required only occasionally, Government direct that in the event of unusually heavy deterioration of the marketing roads, the cost of such special repairs be met from the sanctioned grants under "24 A. Communications," the present responsibility of District Boards for their maintenance remaining otherwise unaffected. An amount equal to annual repairs grant paid till now by the District Boards for the maintenance of marketing roads together with establishment and tools and plant charges at 18 per cent be recovered from them. The District Boards may be required to pay the amount either in lumpsum at the beginning of each year or in instalments every month to the Executive Engineers concerned who should credit the same under "24 A. Communications" against a separate detailed head to be opened for the purpose by the Comptroller.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions the creation of the post of Commissioner for Settlement and Land Records.

ORDER No. 3204-9—C. B. 254-46-1, DATED BANGALORE, THE 8TH JANUARY 1947.

Under the existing orders, the Revenue Commissioner is also the Commissioner for Settlement and Land Records. Government consider it desirable that the two appointments should be separated and they are accordingly pleased to direct that the Department of Settlement and Land Records be placed in charge of a senior officer who will be full-time Commissioner for Settlement and Land Records.

2. The post of Superintendent, Land Records, Survey and Settlement, is abolished from the date from which the full-time Commissioner assumes charge.

3. Orders will issue separately appointing an officer to this post.

GENERAL SECRETARIAT

Transfer of the work relating to the sale of agricultural implements, manures, etc., to the Co-operative Societies in the State.

READ—

Letter No. 13681—C. S. 45-46, dated 21st May 1946, from the Registrar of Co-operative Societies recommending the transfer to the co-operative societies of the work relating to the sale of agricultural implements and manures.

Correspondence ending with U. O. Note No. 1. D. 197—46-47, dated 7th August 1946, from the Director of Agriculture expressing his views on the proposal for the transfer of the work relating to the sale of agricultural implements, manures, etc., to the co-operative societies in the State.

U. O. Note No. 2127—C. S., dated the 26th August 1946, from the Registrar of Co-operative Societies.

U. O. Note No. 223, dated the 14th November 1946, from the Comptroller to Government on the same subject.

ORDER No. A. F. 3823-7—AGRI. 219-45-4, DATED BANGALORE, THE 7TH JANUARY 1947.

Under the existing arrangements, the work in regard to the sale of manure, seeds and agricultural implements to the raiyats is being attended to by the Agricultural Inspectors in charge of the agricultural depots. This arrangement is reported to have denied to the raiyats and land-holders the services of the Agricultural Inspectors in technical matters. With the object of remedying this defect and releasing the Agricultural Inspectors and staff for more scientific work, proposals were called for from the Director of Agriculture and the Registrar of Co-operative Societies so as to relieve the Agricultural Inspectors of the charge of the Depots and to entrust the work of selling manure and implements to the Co-operative Societies on a commission basis.

The Registrar of Co-operative Societies has, in consultation with the Director of Agriculture, proposed that the work relating to the sale of implements and manure and seeds may be transferred to the Co-operative Societies on the following conditions:—

1. In places where the societies take up the depot work, the sales in the depots of the Department of Agriculture will cease.

2. The materials (agricultural implements and manures) will be delivered at the godowns of the societies at taluk headquarters.

3. A commission of 6¼ per cent will be allowed to the societies by the Department of Agriculture on all sales of implements.

4. Implements will be supplied to the societies by the Department of Agriculture according to demands in the area.

5. The term 'implements' includes cart materials also.

6. The societies will be responsible for the proper accounting and distribution of the stocks and for their safety.

7. The societies will be bound to follow the rules and instructions that may be issued in respect of the sales of the materials by the Director of Agriculture.

8. The stocks are liable to be withdrawn if the society is found to violate any of the rules or instructions issued in respect of sales.

9. The stocks entrusted to the society will be treated as on consignment account.

10. The society will have to pay once a month the proceeds of the sales during the previous month after deducting the commission due to the society on such sales and furnish a statement of accounts.

11. The society shall be bound to allow a commission of not less than 2 per cent to each individual purchaser in respect of all sales of agricultural implements and other materials (excluding manures).

12. In respect of manures, the Department of Agriculture will undertake to supply to the societies from time to time such quantities as may be required in the areas served by the societies, and a commission of one per cent on the sales will be allowed to the societies. The societies will sell the manures to the agriculturists, in accordance with Government Order No. A. F. 544-68—Agri. 290-42-2, dated 30th July 1943, etc., under the Grow More Food Campaign. On these sales also, the societies will be allowed a commission of one per cent.

The Director of Agriculture, who was further consulted in the matter, has agreed to the above proposals.

The Comptroller to Government, who was also consulted, is of opinion that the proposals of the Registrar of Co-operative Societies may be given a trial for a year or two and thereafter, in the light of experience gained, the question of increasing the addition to cost price in fixing the selling rate or reducing the commission to the societies or discount to the raiyats may be considered. According to the present proposals, the societies at taluk headquarters get a commission of 4¼ per cent on their own retail sales, while the rural societies get 2¼ per cent. The Comptroller suggests that even in the case of the former only 2¼ per cent may be allowed on the retail sales made by them to the raiyats and the retail selling rates maintained uniform, so as to prevent undue profit to these societies, thereby discouraging rural retail sales.

As regards transactions with the societies as on the consignment basis, the Comptroller considers that from the accounts point of view, the work in the Central Implement Depot will not be increased if the stocks are entrusted to the societies on a consignment basis. Even at present they should have kept individual accounts for all the Range Depots to exercise supervision over them and on the consignment system also the same number of accounts will be maintained as it is concerned only with the societies at taluk headquarters. Besides, the department is bound to feel greater responsibility under this system to supervise the work of the societies constantly. For these reasons, the consignment system is considered to be more desirable than the present arrangement.

In the circumstances, Government are pleased to accept the proposals for the transfer of the work relating to the sale of agricultural implements, seed, etc., to the raiyats from the agricultural depots to the co-operative societies, as agreed to by the Registrar of Co-operative Societies, on the terms suggested by the Comptroller and to direct that the scheme be tried for a period of one year in the first instance, the position being reviewed at the end of the period. They further direct that as a result of this arrangement the extra staff now given to the depots be reduced and some small subvention be given to the societies to encourage them to take up this work. Proposals in this behalf may be submitted by the Director of Agriculture for the orders of Government.

The Director of Agriculture and the Registrar of Co-operative Societies are requested to take immediate further action in the matter and to forward a report for the information of Government. The Registrar is also requested to see that only such of the societies which are functioning efficiently and in which he has confidence, are entrusted with this work. He will also see that proper accounts are kept by the societies in regard to these transactions. The Registrar is requested to send a list of societies to which he proposes to entrust this work for the information of Government. The Director is further requested to instruct the Assistant Directors to keep a close watch over the transactions, and bring malpractices, if any, in this respect to the notice of Government, through the usual channels.

LAW SECRETARIAT

Reviews the Administration Report of the Muzrai Department for the year 1945-46.

READ—

Letter No. Nl. Per. A. 20—46-47, dated the 5th November 1946, from the Muzrai Commissioner in Mysore, forwarding his report on the administration of the Muzrai Department for the year 1945-46.

ORDER NO. R. 6224-36—MUZ. 117-46-2, DATED BANGALORE, THE 8TH JANUARY 1947.

Recorded.

2. *Demand, Collection and Balance in respect of Properties pertaining to Institutions under Government Management.*—The total demand including the arrears of previous year (Rs. 1,56,399-1-10) in respect of the properties of institutions under Government management amounted to Rs. 4,48,587-2-5. A sum of Rs. 2,82,258-1-5 was collected and Rs. 5,137-5-8 was remitted during the year leaving a balance of Rs. 1,61,191-11-4 at the close of the year. The heaviest arrears are in the Bangalore District. The arrears pertaining to Shimoga, Tumkur and Hassan Districts continue to be heavy being over Rs. 20,000 in all cases and have in fact increased when compared to the figures for the previous year. The necessity for a substantial reduction of these arrears immediately by taking sustained and vigorous steps should be impressed upon the local Muzrai Officers.

3. *Muzrai Funds.*—The details of receipts and expenditure of the several Muzrai Funds are indicated below:—

Fund	Opening balance	Receipts	Total	Expenditure	Closing balance
	Rs. a. p.	Rs. a. p.	Rs. a. p.	Rs. a. p.	Rs. a. p.
1. General Muzrai Fund.	51,583 4 7	35,059 7 4	86,642 11 11	42,810 11 0	43,832 0 11
2. Chattram, Savings Fund.	77,515 1 11	67,015 14 9	1,44,531 0 8	51,669 0 7	92,862 0 1
3. Muzrai Establishment Fund.	65,162 10 2	39,947 1 2	1,05,109 11 4	28,659 1 4	76,450 10 0

4. *Income and expenditure of Muzrai Institutions.*—The total receipts of Muzrai Institutions in the State, including the opening balance of Rs. 22,09,079-0-8, amounted to Rs. 33,87,777-11-6 (30,75,295-0-0) and the total expenditure under the head amounted to Rs. 11,15,130-5-6 (8,66,215-15-4) leaving a closing balance of Rs. 22,72,647-6-0 (22,09,079-0-8).

5. *Puduvat Loans.*—There were 1,229 cases of puduvat loans involving a sum of Rs. 96,459-10-3 at the commencement of the year under report. One case of fresh loan was sanctioned during the year, the amount involved being Rs. 85-8-0. A sum of Rs. 17,770-7-10 in respect of 27 cases was collected during the year, leaving Rs. 78,774-10-5 as balance at the close of the year in respect of 1,203 cases. There were no collections in the districts of Bangalore, Mysore and Mandya, while collections in the districts of Hassan, Tumkur and Shimoga were meagre. Progress in the recovery of these loans has been very slow and not satisfactory. The Deputy Commissioners concerned should evince more interest in the matter of expediting recoveries.

6. *Construction and Repairs of Muzrai Institutions.*—Works involving an expenditure of Rs. 71,963-0-11 in the aggregate were completed during the year. Of the total number of those works, 123 were old and 77 new ones. Five hundred and six incomplete works involving an estimated cost of Rs, 3,72,766-0-2 were pending at the close of the year. The renovation of the famous temples at Belur and Halebid progressed during the year, a sum of Rs. 10,808-6-0 being actually spent for the purpose during the period. The total amount sanctioned up to the 30th June 1946 for these works amounted to Rs. 1,55,758-6-0.

7. *Inspections.*—The Deputy Commissioner, Mysore District, has inspected the largest number of Muzrai Institutions. The work of the Deputy Commissioners of Kadur, Tumkur, Chitaldrug, Mandya and Shimoga in this behalf requiries improvement.

S. KANAKARATNA RAJ, *Law Secy.*

Administration Report of the Department of Income-tax for 1945-46.

READ—

Report on the working of the Department of Income-tax for the year 1945-46 received with letter No. Dt. D.s. 41—13-47, dated 13th November 1946, from the Commissioner of Income-tax in Mysore.

ORDER NO. Fl. 5115-27—I. T. 4-46-2, DATED BANGALORE, THE 7TH JANUARY 1947.

Recorded.

2. *Working of the Act.*—During the year under report, the Income-tax Amendment Act No. XIX of 1945, introducing the "step system" of taxation in place of the "slab system" came into force with effect from the 1st of July 1945. Under this system, progressive rates of tax are applied to successive slabs of income in excess of a basic minimum of Rs. 1,500, with the result that the incidence of tax is more equitably distributed than before, since lower incomes secure substantial relief while the higher incomes, which are capable of bearing a heavier burden, are subjected to higher rates of taxation. Besides, relief in respect of "Earned Income" permitting of a deduction up to one-tenth of the earned income subject to a maximum of Rs. 2,000 has also been provided for. The Excess Profits Tax was also introduced in the State from 1st July 1945.

To cope with the increased work and in connection with the assessment of E. P. T., two additional appointments of Deputy Commissioners of Income-tax were sanctioned temporarily for a period of six months during the year. Orders were also issued sanctioning the organization of a separate Department of Income-tax under a full-time Commissioner of Income-tax, though the scheme could not be given effect to during the year.

3. *Demand, Collection and Balance.*—The net demand under income-tax was Rs. 72,64,024 (Rs. 1,03,80,103), of which a sum of Rs. 47,33,619 (Rs. 90,90,461) was collected. The decrease is mainly due to fall in the income of Gold Mining Companies and Textile Mills. The net demand under super-tax was Rs. 57,92,825 (Rs. 77,70,003), of which a sum of Rs. 40,20,246 was collected. The net demand under Excess Profits Tax was Rs. 25,56,705 and the collection was Rs. 7,24,224.

4. *Incidence of Tax.*—The incidence of tax, per head of population under income-tax calculated on the resultant demand was Rs. 1-0-4 as against Rs. 1-6-10 in the preceding year. Under super-tax, the incidence was Re. 0-11-6 as against Rs. 1-2-3 in the preceding year.

5. *Appeals.*—There were 663 (579) appeals of which, 329 (309) were successful. Out of 58 (42) cases which came up for review, 42 (22) were disposed of.

6. The working of the department continued to be satisfactory.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Appoints the Comptroller to Government as an additional member of the Committee for Revision of Salaries.

READ—

Government Order No. 2484-2569—C. B. 178-46-1, dated 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and ministerial (non-gazetted) and inferior service establishments of Government.

Letter No. C.R.S. 110—46-47, dated 27th December 1946, from the Chairman, Committee for Revision of Salaries, recommending that the Comptroller to Government may be appointed as a member of the Committee.

ORDER NO. 3248-65—C. B. 178-46-2, DATED BANGALORE, THE 9TH JANUARY 1947.

Government are pleased to appoint the Comptroller to Government as an additional member of the Committee constituted in the Government Order read above.

V. VEDAVYASACHARYA, *Chief Secy.*

GENERAL SECRETARIAT

Records the Administration Report of the Gardens Department for the year 1945-46.

READ—

Letter No. 115—H, dated 19th November 1946, from the Superintendent, Government Gardens, forwarding the annual report on the working of the Government Gardens and Hill Stations in the State during the year 1945-46.

ORDER NO. A. F. 3739-99—G. G. 24-46-4, DATED BANGALORE, THE 6TH JANUARY 1947.

Recorded.

Mr. K. Keshavagopal Naidu, B.Sc., B.Sc. F. (Edin.), was in charge of the department during the year and Mr. M. H. Mari Gowda, M.Sc., held charge of the office of Assistant Superintendent.

With a view to improving the Development of Horticulture in Mysore, Mr. G. H. Krumbiegal, F.R.H.S. (Retired Director of Horticulture), was appointed as Consulting Architect and Horticultural Adviser to Government.

Consequent on the abolition of the post of Director of Horticulture, a fresh allocation of work was made delegating certain powers to the Assistant Superintendent, Government Gardens.

Increase in the number of Gardens.—In addition to the existing Gardens under the control of the department, the District Office and General Hospital Gardens at Mandya were taken over under the management of the department during the year.

Scientific Work.—Among the several kinds of seeds and plants of economic and ornamental value introduced, mention may be made of the following :—

1. Seeds of Hevea braziliensis were received from Dr. G. T. Kale, D.Sc., Librarian, Indian Institute of Science, Bangalore, and they are under trial ;
2. Hybrid orchids—six varieties—brought from Australia were presented by Mr. B. Viswanath.

Experimental work on fruit culture was carried on at the Fruit Nursery, Lal-Bagh, and the Government Orchard, K. R. Sagar. Some of the rare varieties of fruits, such as Butter fruit (Persea gratissima), Bananas, seedless guava, and new varieties of mangoes are being propagated to make them popular.

Propagation of plants of economic importance and ornamental and fruit-yielding varieties was done on a large scale in order to meet the demands of the hobli-workers as well as the general public.

Maintenance and Improvement of Gardens.—All the gardens under the control of the department were maintained in an efficient condition in spite of the failure of the rains and the extreme drought which are unfavourable for garden operations, and several minor works were carried out in many of the Parks and Gardens. The Cubbon Park and the Lal-Bagh at Bangalore maintained their popularity as centres of recreation, while the Curzon Park and the Gordon Park at Mysore

provided similar attraction. The Daria Dowlath Bagh and the Gumbaz Gardens at Seringapatam and the Brindavan Gardens at Krishnarajasagar continued to attract many visitors and holiday-makers.

The Mysore Horticultural Society.—The Society maintained its popularity with the help and co-operation of the Horticultural Department and continued to be an important centre for spreading a knowledge of horticulture. It has a present membership of 240. The half-yearly horticultural shows were held on the 4th and 5th August 1945 and the 2nd and 3rd February 1946, and the exhibits, including those of the vegetable section, were of high standard. The annual subvention of Rs. 1,000 from Government to the Society was continued for 3 years from 1946-47 in order to enable it to stabilise its financial position and carry on its useful work in promoting gardening and providing other facilities, such as the supply of seeds, etc., to the members.

Hill Stations.—The Nandi Hill Station and the Sri Krishnarajendra Hill Station at Kemmangundi continued to be popular as health resorts during summer, the total receipts for the year being Rs. 7,175 and Rs. 1,627, respectively. In order to popularise the Sri Krishnarajendra Hill Station, lighting arrangements were made for four months during the season at a cost of Rs. 200 per mensem. Besides a large number of pilgrims, sight-seers, holiday-makers and excursionists, many distinguished visitors, including His Highness the Maharaja of Kapurthala, the Honourable Lieutenant Colonel Sir Philip Gaisford, Resident in Mysore, His Excellency the Commander-in-Chief of India, His Highness the Rajasaheb of Bilkha, Sir Archibald Rowlands and Sir Edward Benthall visited the Hill Stations during the year.

The work of the department during the year continued to be satisfactory.

G. O. No. 1013—C. B. 229-43-3, dated 13th July 1944, abolishing the post of Director of Horticulture with effect from 13th July 1944, the date of retirement of *Rao Bahadur* H. C. Javaraya from service.

2. G. O. No. G. 2477-84—G. G., dated 26th—27th January 1944, placing Mr. K. Nanjappa, Superintendent, Government Gardens, on special duty in connection with the "Vegetable Production Scheme" in the State.

3. Government Notification No. G. 6256—G. G. 22-43-5, dated..... appointing Mr. Keshavagopal Naidu, B.Sc., B.Sc.F. (Edin.), Sub-Assistant Conservator of Forests, as Superintendent, Government Gardens, temporarily during the absence of Mr. K. Nanjappa, Superintendent, Government Gardens, on special duty.

4. Correspondence ending with letter No. Fl. 4—44-45, dated 25th July 1946, from the Director of Agriculture submitting proposals for the continuance of the Vegetable Production Scheme and Horticultural work and for the reversion of Mr. K. Nanjappa, Special Officer, Vegetable Production Scheme, to the Gardens Department, as Superintendent, Government Gardens.

ORDER No. A. F. 3902-61—G. G. 33-46-2, DATED BANGALORE, THE 10TH JANUARY 1947.

In January 1944, a scheme for vegetable production in Mysore and Bangalore was sanctioned with a view to arranging for a regular supply of vegetables to the Military during the period of war and for stimulating the production of vegetables for civilian consumption. Mr. K. Nanjappa, F.R.H.S., Superintendent, Government Gardens, was placed on special duty and in direct charge of the scheme under the general supervision and control of the Director of Agriculture. The period for which the entertainment of the Special Officer and his establishment was sanctioned expired on 30th July 1945 and they are being continued from that date, pending consideration of the general question of the continuance of the scheme in its present or modified form.

The Director of Agriculture, who was consulted in the matter, has reported that though the demand for vegetables for the Military has ceased, the need for increasing the production of vegetables for civilian use continues and that it is necessary to continue the work on the "Grow More Vegetables" scheme on a modified scale, and has suggested (1) that Mr. Nanjappa may be reverted to his permanent post as Superintendent, Government Gardens, (2) that the Horticultural Section may be placed under the administrative control of the Director of Agriculture, (3) that Mr. Nanjappa may, in addition to his duties as Superintendent, Government Gardens, be placed in charge of District Horticultural Work and vegetable farms, his status being raised to that of the head of a section of the Agricultural Department, with a revised grade pay of Rs. 300—25—600 and (4) that the vegetable section may be continued as a separate section with a junior officer in immediate charge of it, who will work under the general control of the Superintendent, Government Gardens.

On an examination of these proposals, Government consider that it is not proper that an officer should be in independent charge of the Government Gardens Department and at the same time be subordinate to the head of another department. They therefore direct that the following revised arrangements be brought into effect for the management of the Gardens Department and the continuance of the vegetable production work in future :—

1. Mr. K. Nanjappa, F.R.H.S., Special Officer, Vegetable Production Scheme, will revert to his original charge as Superintendent, Government Gardens, and be continued to be placed in charge of the work on the "Grow More Vegetables" scheme. The Government Grass and Vegetable Farms and the Horticultural Section, with the connected district establishments, will be retransferred from the control of the Agricultural Department to that of the Gardens Department. In view of the increased duties and responsibilities, the grade pay of the Superintendent, Government Gardens, will be revised to Rs. 400—30—700 and Mr. Nanjappa started on Rs. 550 in the grade.

2. Mr. K. Keshavagopal Naidu, B.Sc., B.Sc.F. (Edin.), who has his permanent lien in the Forest Department, and whose services have been lent to act as Superintendent, Government Gardens, *vice* Mr. K. Nanjappa, on other duty, will be permanently retained in the Gardens Department and he will be styled Gazetted Assistant to the Superintendent, Government Gardens, on the same grade as the present grade of the Superintendent, Government Gardens, *viz.*, Rs. 200—40/2—400, with an initial pay of Rs. 320 in the grade. He will assist the Superintendent, Government Gardens, in respect of all works relating to the development of Horticulture in the districts, where the demand for fruit economic and fuel plants and seeds is constantly increasing, and where it is necessary to start district nurseries and organise sales depots in order to meet the demand.

The present Assistant Superintendent will be designated as Second Assistant to the Superintendent, Government Gardens, and be given the maximum pay of the grade of Rs. 125—10—175.

Government observe that it is essential that the districts so far neglected in respect of horticultural work should be attended to and that they hope that the arrangements now sanctioned will accelerate the work in this direction.

Government further direct that Mr. M. H. Mari Gowda, Assistant Superintendent, Government Gardens, be deputed for training for six months at the Kew Gardens and other places in Great Britain. The Superintendent, Government Gardens, is requested to submit necessary proposals to enable Mr. Mari Gowda to proceed in April-May to London.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report of the Police Department for the year 1945-46.

READ—

Letter No. C. 304 of 46-47, dated 5th October 1946, from the Inspector-General of Police in Mysore, submitting the report on the administration of the Police Department for the year 1945-46.

ORDER No. P. 4565-74—POL. 122-46-3, DATED BANGALORE, THE 17TH JANUARY 1947.

Mr. S. Narayana Rao, M.A. (Hons.), was in charge of the department throughout the year.

2. The total sanctioned strength of the Police Force during the year under report was 10,625 officers and men, of whom 8,065 were permanent and 2,560 temporary. The total cost of the Force under all heads was Rs. 35,66,000. Of 8,738 Constables, 6,456 Constables were literate. Eight hundred and forty-seven recruits were enlisted to the Constabulary during the year. There were 313 vacancies at the close of the year; and this is attributed to the non-availability of recruits of the right type. As the scale of pay of the Constabulary has been since improved in June last, it is hoped that it will be possible to secure recruits of the right type.

3. The year witnessed an increase in the number of grave crimes from 6,235 in the previous year to 6,775. The increase is attributed to the unfavourable seasonal conditions and the difficulty of securing of livelihood. The increase occurred under all heads of grave crime, except dacoity and murder and cattle theft. The number of cases of robbery rose from 63 in the previous year to 73, of house-breaking and theft from 2,024 to 2,145 and of ordinary theft from 3,455 to 3,952. Cases of murder, however, fell from 122 to 103, of dacoity from 33 to 16 and of cattle theft from 538 to 486.

4. There was a decrease in the total number of true cognizable cases under the Indian Penal Code from 7,049 in the previous year to 6,711. The number of cases reported under special and local laws was 9,871, while in 1939-40 it stood at 18,748. The marked and substantial decrease in six years requires an explanation. The number of cases reported under the Defence of India Rules, as applied to Mysore, decreased from 5,833 in the previous year to 3,874. One thousand and sixty-four cases were pending in the courts and 238 with the Police at the end of the year. It is scarcely necessary to impress upon the Police and the Magistracy the need for the prompt disposal of these cases.

5. The total value of property reported as lost, rose from Rs. 7,19,624 in 5,542 cases in the previous year to Rs. 7,81,688 in 6,619 cases during the year under report. There was also a corresponding increase in the value of property recovered from Rs. 3,44,169 to Rs. 3,54,107. The percentage of the value of property recovered to that lost was 45·29 as compared with 47·8 in the previous year. The percentage in Kolar District has been very poor for the past three years, being only 25·2, 27·3 and 28·8, respectively. This is not satisfactory.

6. The total number of cases disposed of under Class I to V was 8,301 and the percentage of conviction to cases disposed of was 30·35, which shows an increase of nearly 5 per cent over last year's figures but is still short of the percentage of 41·8 reached in the year 1942-43.

7. The Criminal Investigation Department attended as usual to the work of compiling the Criminal Intelligence Gazette and the collection and dissemination of useful information regarding professional crime and criminals. A series of doping cases, which were previously untraced, were detected during the year. District Intelligent Bureaus have been formed in districts with a view to work in collaboration with the Central C. I. D. for prompt exchange of information regarding crime and criminals.

8. The number of cases referred to the Police by Magistrates under Section 202, Criminal Procedure Code, was 476 against 506 in the previous year. Although the number of cases referred is less than in the last year, there is still a noticeable tendency on the part of the Magistrates to prefer making such references to the Police. The District Magistrates are requested to issue suitable instructions to the Magistrates concerned to minimise the number of such references to the extent practicable and warranted in the circumstances.

9. The Finger Print Bureau continued to function satisfactorily. In last year's report it was stated that the question of introducing the single print system and training of a Foot Print Expert would be taken up, but the report does not indicate if any steps have been taken in that direction.

10. One hundred and eight persons were put up under the Security Provisions of the Criminal Procedure Code, against 219 persons in the previous year and 83 in 1942-43. Cases involving 20 persons were pending at the close of the year.

11. Four hundred and ninety-one accidents were caused y motor vehicles, of which 183 were caused by military vehicles. Seventy-one accidents resulted in loss of life; of hese, 13 were due to military vehicles.

12. As observed in the review on the previous year's report, the information furnished in the report regarding the work done by the Police under the Motor Vehicles and Taxation Act is meagre. Information has not been furnished as desired by Government, in regard to the number of prosecutions and convictions for rash and negligent driving and the number of prosecutions and convictions under each head of offence under the Motor Vehicles and Taxation Act separately in respect of the Cities of Bangalore, Mysore and the Districts.

13. The Fire Brigade Units in Bangalore and Mysore Cities rendered valuable service in bringing under control ten outbreaks of fire during the year and in saving property worth several lakhs.

14. The working of the department during the year was satisfactory.

State Administration Report of the Sericultural Department.

READ—

Report on the working of the Department of Sericulture during the year 1945-46 received from the Superintendent of Sericulture in Mysore with his letter No. 156, dated the 2nd November 1946.

2. Report on the working of the Silk Filature Expansion Scheme during the year 1945-46 from the Special Officer, Silk Filature Expansion Scheme in Mysore, received with his letter No. 1106, dated the 3rd September 1946.

ORDER No. D. 4445-57—Seri. 13-46-3, DATED BANGALORE, THE 23RD JANUARY 1947.

Recorded.

Market Conditions.—Consequent on the cancellation of Cocoon Control Order during August 1945, and the supersession of the Silk Control Order by the Mysore Silk (Control of Distribution) Order, 1945, the price of cocoons went down to Re. 0-14-0 a lb. by the end of September 1945, but rose to Rs. 2-0-0 a lb. early in December 1945. The price of cocoons fluctuated violently from January 1946 onwards, registering Rs. 4 a lb. in April 1946 and Rs. 1-8-0 in June 1946.

Mulberry Cultivation and Research Experiments, Seed Campaign and Propaganda.—The area under mulberry cultivation which stood at nearly 71,000 acres during 1944-45 increased to 81,292 acres during 1945-46. Many sericulturists adopted with satisfactory results methods demonstrated by the department for improving cultivation by raising bush mulberry. Groundnut cake powder for purposes of manure was in short supply due to the diversion of groundnut for food purposes. Research and experiment work received greater attention and included, among other items, sex ratio in silk worm moths, laboratory technique, duration of copulation and vitality of foreign race male moths.

The possibility of extending silk industry in other parts of the State continued to be explored. Chennagiri Taluk is an instance in point. The Harijan colonists of Alakere and Hasige-Kaval-Grama in Kunigal Taluk attempted to irrigate the gardens, and reaped a fairly good harvest in spite of adverse seasonal conditions.

Seed Campaign.—There were 3,240 selected seed rearers in pure Mysore race during the year under report as against 2,660 during 1944-45. The Sericultural Department of Madras purchased large quantities of seed cocoons. There was remarkable improvement in the yield of seed cocoons. A silk farm at Krishnarajendra Hill Station, Tarikere Taluk, has been started to increase the supply of disease-free layings of hill stock. Seventeen Government Grainages and 109 Aided Grainages worked during the year under review, but the output of disease-free layings was not satisfactory due to various causes, scanty rainfall being one of them. Intensive work continued in the sericultural villages of the Rural Welfare Centres at Closepet and Dodballapur.

Facilities for sericultural education were provided as usual and 36 students completed their training during the year, 20 students being under training drawn from several parts of India, such as Nepal, the Punjab, Ceylon and Travancore.

Post-war Schemes.—Nine schemes of post-war developments were formulated and passed by the Committee of Sericulture. Government have sanctioned four of them and the remaining are under the consideration of Government (*vide* particulars given below*)

***Schemes formulated by the Committee of Sericulture.**

1. Central Sericultural School.
2. Establishment of a Sericultural Research Institute.
3. Starting of two new Hill Stations for rearing foreign races of silk worms.
4. Seed supply.
5. Supply of manure to sericulturists.
6. Mulberry nursuries.
7. Starting of seed cocoon farms.
8. Co-operation.
9. Equipping four cocoon markets with stifling arrangements for storage of cocoons.

Schemes sanctioned by Government.

Scheme Nos. 1 and 5 have been sanctioned; starting of a silk farm on the Krishnarajendra Hill Station as a part of scheme No. 3 and two Government Grainages at Magadi and Sugganahalli as a part of scheme No. 4 have also been sanctioned.

Special Features during the year under Review.—The Mysore Cocoon Control Order, 1943, was cancelled from 8th August 1945. The Mysore Silk Control Order, 1943, was superseded by the Mysore Silk (Control of Distribution) Order, 1945, and was in operation throughout the year.

The Silk Filature Expansion Scheme under which silk was supplied to the Government of India for war purposes was terminated with effect from 31st August 1945 consequent on the cessation of hostilities. The Government Silk Filature, Kankanhalli, established on behalf of His Majesty's Government for production of silk for war purposes, was purchased by the Government of Mysore and is being run as a Government concern. Reelers and rearers got a bonus of Rs. 43,99,849 during the year under report under the procedure of distribution of surplus initiated as part of the Silk Filature Expansion Scheme. The Sericultural Development Fund built up under the same scheme amounted to Rs. 38,37,979 at the end of the year.

The Silk Conditioning and Testing House established at Channapatna did good work and tested filature, Italian and domestic basin silks and issued certificates.

READ—

Report on the Administration of the Public Health Department for the calendar year 1945, received from the Director of Public Health with his letter No. V. S. 492, dated 9—18th November 1946.

ORDER No. M. 8194-223—P. H. 12-46-4, DATED BANGALORE, THE 23RD JANUARY 1947.

Recorded.

2. *Public Health.*—Public health was generally satisfactory with decrease in the incidence of malaria and small-pox. There was an increase in the incidence of plague. Eight thousand and sixteen deaths from plague were reported during the year as against five thousand three hundred and fifty-seven in the previous year. With a view to prevent the spread of this disease, anti-plague inoculations, cyanogasing and fumigation were undertaken. Three lakhs, thirty-seven thousand and forty-one houses were cyanogased in 46 towns and 1,230 villages. Six lakhs fifty-two thousand nine hundred and forty-six anti-plague inoculations were done. Deaths due to cholera were 786 as against 768 in previous year and deaths due to small-pox were only 864 as against 2,681 in the previous year. There was an appreciable fall in the number of deaths due to Malaria. Thirty-four thousand five hundred and thirty-six died of malaria as against 40,556 during the previous year. Of these, 7,649 occurred in Malnad areas and 26,641 in Maidan areas. Effective malaria control operations were in progress. Seventy-six rural health units were in operation during the year.

It is observed that in Malnad, the Malarial mortality is as high as 39·1 as compared with 12·8 in the Maidan. This indicates that greater attention to the general health condition of expectant mothers and also to the extension of maternity benefits in this area are necessary.

3. *Vital Statistics.*—The scheme of centralisation of compilation of vital statistics worked satisfactorily in the three Districts of Bangalore, Shimoga and Mandya and the three Cities of Bangalore, Mysore and Kolar Gold Fields. The introduction of the scheme into the remaining districts has since been ordered to be extended.

During the year under report, the total number of births exceeded the number of deaths by 13,617. The total number of births during the year was 113,385 as against 117,965 during the previous year, the birth rate being 15·1 and the total number of deaths was 99,768 as against 112,711 during the previous year, the death rate being 13·3.

4. *Public Health Institute.*—During the year, a total of 13,632 specimens were examined in the Bacteriological Section, 1,857 in the Chemical Section and 232 cases with 1,120 articles in the Medico-legal Section. A total of 358,000 doses of anti-cholera vaccine, 6,440 doses of T. A. B. vaccine and 473,190 doses of anti-plague vaccine were prepared.

5. *Vaccine Institute.*—The total quantity of vaccine lymph produced at the Institute during the year was 797,400 and 498,600 doses of vaccine were issued.

6. *Bureau of Health Education.*—During the year, 36 cinema shows were organised in different rural places. The Unit participated in Baby Week Celebration at the Mysore Iron and Steel Works, Bhadravati, and at the Baby Week Celebration of the Bangalore Woollen, Cotton and Silk Mills, Ltd. As usual, a Health Exhibition was arranged during the Dasara Season wherein a special plague section was formed exhibiting the nature of the disease and the method of control.

7. *Bureau of Malariology and Epidemiology.*—Control of malaria has become a very important public health problem in the State. Malaria control work was continued in the Cities of Bangalore and Mysore, Mudigere, Adwala, Tavarekere, Maralvadi, Jog, Banavar, Kanagal, P. K. T. Sanatorium, Mysore, Thippagondanahalli, Sakrepatna, Anemahal, Sundakere and Malali. Malaria control work was continued in several Health Units. During the year under report, Health Units were established at Seringapatam, Bannur, Arakere, Forest area in the Heggaddevankote Taluk, Marconahalli Channel area, Kunigal Taluk, and Vani Vilas Sagar area, Chitaldrug District. The Annual Spleen Survey of Bangalore City was conducted during the year. The spleen rate was found to be 2·18 as against 0·38 in the previous year and this increase in the spleen rate is reported to be due to the inclusion of Binnypet and Kempapur Agrahar Schools in the survey where there was an out-break of malaria in 1943 and 1944. During the year under report, malaria survey work was conducted in the villages round Keralapur and Ramanathapur and villages round about Malur in Kolar District.

The Guinea worm staff visited 399 villages. Three hundred and thirty-one wells were examined. Two hundred and twenty-three wells and nurseries were restocked with cyclops and fish.

8. *Maternity and Child Welfare.*—The Superintendent visited about 39 maternity homes in all the districts and the work of the Midwives was inspected.

A scheme for the introduction of maternity and child welfare in the villages round about Bangalore is under consideration.

A lecture on maternity service was arranged at the Intermediate College for Women at Mysore.

9. *General.*—Classes for the training of Sanitary Inspectors were held during the year. The Superintendent, Bureau of Malariology, was on deputation to Delhi for attending the meeting of the Malaria Advisory Committee of the Research Fund Association.

The work of the department was satisfactory during the year.

FOOD SECRETARIAT

Reviews the Administration Report of the Civil Supplies Department for the year 1945-46.

READ—

Letter No. T4. 6464—46-7, dated 27th November 1946, from the Controller of Civil Supplies in Mysore forwarding a report on the working of the Civil Supplies Department for the year 1945-46.

ORDER No. C. 4330—Co. 29-46-2, DATED BANGALORE, THE 21ST JANUARY 1947.

Recorded.

The Civil Supplies Department was constituted in the year 1944 in connection with the administration and enforcement of control orders regarding various consumer goods other than food, kerosine oil and sugar, promulgated by the Government under the Defence of India Rules as applied to Mysore. Mr. E. V. Ganapati Iyer, B.Sc., continued to be in-charge of the Civil Supplies Department as Controller of Civil Supplies during the period under review. In view of the increased work under the Textile Control Orders in several directions, the appointment of an Additional Controller of Civil Supplies with the rank and status of a Deputy Commissioner, to be mainly in charge of Textiles was sanctioned in Government Order No. 797-8—C. B. 76-45-1, dated 1st September 1945, during the year and Mr. A. S. Khaleel, B.A., B.L., Deputy Commissioner, was appointed as Additional Controller of Civil Supplies from 10th October 1945.

Textiles.—Under the All-India Cloth Distribution Scheme (which envisages the allotment of pre-determined quotas of cloth to various deficit zones in India on the basis of a *per capita* allotment of 12 yards from the surplus production centres like Bombay, Ahmedabad and Sholapur), the quantity of cloth allotted to the Mysore State which is included in the South Deficit Zone from the surplus production centres from month to month is being obtained through the selected importers against purchase authorities issued by the Textile Commissioner to the Government of India and arrangements were made by the department to distribute the available supplies of both local and outside mill made goods evenly throughout the State with the help of the Cloth Distribution Committee. The Textile Commissioner to the Government of India, who visited Mysore during February 1946, was impressed by the satisfactory arrangements made by the department for the equitable distribution of cloth in the State.

In view of the limited supplies of mill made cloth in the State, necessary action was taken by the department to conserve the local production of powerloom goods for being distributed along with the mill goods and to fix the prices of these goods so as to keep them more or less on a par with the mill goods.

With a view to prevent excessive purchases of cloth by individuals on the one hand and indiscriminate sales by the retailers on the other, cloth coupons have been issued to the Food Ration Card-holders of Bangalore and Mysore Cities. Approved shops and Fair Price Depots were started in several parts of the State with a view to make available to the consumers the required varieties of cloth at controlled rates.

Under the All-India Yarn Distribution Scheme, 1,621 bales of yarn per month have been allotted to the State and the same were distributed through the nominees *cum* wholesaler selected by the department to the retailers. A special supply of 1,500 bales of yarn was made to the State for affording relief against famine to weavers in the State.

Special attention has been paid by the department to check hoarding and blackmarketing of articles by the dealers and 307 cases were booked under the Textile Control Orders by the inspecting staff of the department. In thirty of these cases, prosecutions have been launched against the offenders while in 245 cases departmental action has been taken by suspending or cancelling the licenses or administering warnings to the dealers concerned and the remaining 32 cases are under several stages of investigation.

Paper.—The undermentioned Control Orders in respect of paper continued to be in force during the year under report. The prices of several varieties of papers were reduced as a result of the promulgation of the new Paper Price Control Order, 1946. Thirty-three newspapers continued to be on Canadian News Print and thirty-three as Mysore Emergency News Print. As a result of a cut in the Canadian News Print ration to certain journals by the Government of India, the Mysore Paper Mills have been requested to increase the manufacture of the Emergency Newsprint. The supply position of paper for the year under report was not quite satisfactory.

Consumer Goods.—With the cessation of hostilities, the supply position of articles covered by the Consumer Goods (Control of Distribution) Order, 1945, improved to a considerable extent, as a result of which many of the articles have been removed from the schedule of the said order. The only articles that were under the schedule during the period are :—

(i) Lead copying and coloured pencils.
(ii) Silk yarn and thread.
(iii) Artificial silk yarn and thread.
(iv) Pure and artificial silk.
(v) Hand knitting wool.
(vi) Woollen fabrics.
(vii) Umbrellas and parts of umbrellas.
(viii) Kerosene hurricane lamps.
(ix) Cycle and cycle spare parts.
(x) Woollen and worsted weaving and machine, knitting yarn.

Cement.—The supply position of cement also improved to a considerable extent due to the cessation of hostilities. The price of cement was also reduced during the year.

Brass and Copper.—The brass and copper sheets are allotted to the State by the Government of India for the purpose of manufacturing hand-made utensils and the same are distributed to the manufacturers all over the State. With the improved supply of brass and copper sheets, the prices of utensils have come down.

Silk.—The Mysore Silk (Control of Distribution) Order, 1945, was promulgated in the State on 11th September 1945, in supersession of Silk Control Order. The main provisions of the new Control Order consisted in (1) licensing the dealers in silk and (2) prohibition of exports of silk from the State without permits from the Controller of Civil Supplies. The ceiling prices of the several grades of charka and filature silk were fixed under the Mysore Hoarding and Profiteering Prevention Act, 1944, parallel to Government of India Notifications issued in this behalf. A Silk Advisory Committee consisting mostly of non-official members representing several silk interests was constituted to advise the Controller of Civil Supplies in matters of policy relating to the administration of the Control Orders.

Drugs.—The Drug Control Order, which came into force from June 1944, was continued during the year. There were in all 351 Drug licenses representing 36 wholesalers, 273 retailers, four manufacturers, four manufacturers restrict Licenses, four retailers restricts licenses and 30 purchase permits.

Forty-four cases of infringements under the order were noticed by the department during the year, of which 20 were disposed of with a warning, 12 by suspension of licenses, two by cancellation of licenses, two by prosecutions, the balance of eight pending investigation.

Though the supply position of certain classes of drugs was better than the previous year, yet certain drugs of an essential nature, *viz.*, quinine and anti-anæmic drugs were in short supply. Acute shortage was felt during the year in respect of certain invalid and infant food products. Arrangements were however made by the department for an equitable distribution by a cautious rationing of these articles, by way of permits.

General.—The working of the department was on the whole satisfactory.

REVENUE SECRETARIAT

Directs the revision of the scales of pay of Amildars and Deputy Amildars to Rs 175—25/2—250 and Rs. 125—25/2—175, respectively, with effect from 1st June 1946 pending the recommendations of the Pay Committee.

READ—

Government Order No. R. 3318-23—L. R. 277-23-1, dated the 5th February 1924, fixing the scales of pay of Amildars and Deputy Amildars at Rs. 150—25/2—250 and Rs. 100—5—125, respectively.

2. Correspondence ending with letter No. A1-432—46-17, dated the 17th October 1946, from the Revenue Commissioner in Mysore, submitting proposals for the revision of the scales of pay of Amildars and Deputy Amildars.

ORDER No. R. 6761-82—L. R. 82-46-6, DATED BANGALORE, THE 23RD JANUARY 1947.

The existing scales of pay of Amildars and Deputy Amildars fixed in 1924 have remained at the same level for over two decades. There has been a considerable enlargement in the activities of Government since then in several directions, with a corresponding increase in the work and responsibilities of these officers. The question of revising their scales of pay has been engaging the attention of Government for some time past and the Revenue Commissioner, who was requested to go into the question and make his recommendations, has suggested that the scales of pay of these officers may be revised to Rs. 200—25/2—300 and Rs. 150 (Fixed), respectively

Pending detailed recommendations by the Committee recently constituted to examine the adequacy or otherwise of the existing scales of pay of Government servants, who have also been requested to examine the scales of pay of the lower Gazetted Staff, Government consider that immediate relief has to be given to the Amildars and Deputy Amildars and are accordingly pleased to direct that the scales of pay of these officers be revised to Rs. 175—25/2—250 and Rs. 125—25/2—175, respectively, with effect from 1st June 1946. The special minima for Acting Amildars and Acting Deputy Amildars will be raised to Rs. 175 and Rs. 125, respectively, with effect from the above date.

Report on the administration of the Excise Department for the year 1945-46 together with the necessary statements received with letter No. B8-46—46-47, dated 13th November 1946, from the Excise Commissioner in Mysore.

ORDER No. S. R. 2768-79—Ex. 61-46-2, DATED BANGALORE, THE 28TH JANUARY 1947.

Recorded.

Country Spirits.—The term of contract with the Mysore Sugar Co., Ltd., for the manufacture and supply of liquors in their Distillery at Mandya was further extended for a period of two years, *i.e.*, till the end of June 1947. The prices of molasses arrack, jaggery arrack and special liquors, payable to the Sugar Company, remained the same as in the previous year.

The manufacture and sale of special liquors out of jaggery was discontinued as the use of jaggery for the manufacture of liquors was prohibited. However, the Company was permitted to supply special liquors manufactured out of molasses spirit at the rate of Rs. 2-7-0 per gallon (naked).

The number of shops licensed for the retail vend of molasses arrack (and jaggery arrack in bulk) was 528 (528). No new shop was opened during the year. The number of shops for the sale of bottled liquors also continued to be 28 during the year.

The consumption of arrack of 35° U. P. (molasses and jaggery) was 417,216 gallons (371,612) showing an increase of 45,604 gallons over the previous year. There was increase in consumption in all the districts except Bangalore. The general increase in consumption is attributed to the better earning capacity of the drinking classes. The consumption of special liquors including jaggery arrack was 16,178 gallons (14,472). The increase of 1,706 gallons was in the districts of Bangalore, Tumkur, Hassan, Kadur and Shimoga, while there was decrease in the other districts. The increase is stated to be due to the non-availability of imported foreign liquors while the decrease in other districts is reported to be due to the increase in the consumption of arrack and to the increase in the import of Indian-made foreign liquors.

The incidence of consumption of arrack per 100 of the population was 5'92 (5'31) proof gallons.

Rectified and Denatured Spirits.—The licenses issued to Chemists and Druggists, charitable institutions and industrial concerns in the State were 55 (46). During the year, 15,630 (13,474) gallons of rectified spirits were issued from the Distillery, Mandya. Of the total issue, 9,164 gallons were issued "underbond" for consumption in the State and Civil and Military Station and the balance of 6,466 gallons was exported outside the State.

The Distillery continued to be under the executive control of the Deputy Commissioner, Mandya District.

The rates of duty on the spirit contents of medicinal preparations continued to be the same as in the previous year. 979'838 (1,452'46) proof gallons of spirituous medicinal preparations were imported into the State. The duty realised thereon amounted to Rs 6,535-5-0 while 3,714'21 (6,911'678) proof gallons were exported by the three Pharmaceutical Industrial Concerns.

The licenses issued for the possession, use and sale of denatured spirits were 115 (121) and 16'548 (3,349) gallons of denatured spirits were issued from the Distillery. Of this, 8,577 gallons were for local consumption and the balance of 8,371 gallons exported outside the State including Civil and Military Station.

Toddy.—The revenue from toddy amounted to Rs. 1,05,65,361-11-7 (85,35,776-8-9) comprising shop rentals totalling Rs. 88,04,798-2-11 (Rs. 68,52,507-11-5), tree tax Rs. 16,83,579-5-4 (Rs. 16,13,428-3-5) and tree rent Rs. 76,984-3-4 (Rs. 69,840-9-11).

Malt Liquors.—Three licenses were issued for the sale of country beer as in the previous year. 121,833 (188,400) gallons were consumed during the year. Out of this quantity 75,489 gallons were consumed by the Military and the balance sold by the several licensees in the State. The revenue realisation from malt liquor amounted to Rs. 57,716-5-11 (Rs. 62,068-13-9).

Foreign Liquors.—During the year, 63 (57) licenses were issued for the sale of foreign liquors. 12,397 (9,789) gallons were consumed and the realisation under license fees amounted to Rs. 60,824 (Rs. 59,016).

Hemp Drugs.—Ganja was cultivated on an extent of 74 acres and 1 gunta. The total yield was 349 maunds and 12 seers (308 maunds and 29 seers). The stock of issuable ganja including the previous year's balance on 1st July 1945 was 9,100 seers, of which 8,212 seers (8,935) were consumed, showing a decrease of 693 seers. The number of shops licensed for the sale of ganja continued to be 260 as in the previous year. The total revenue derived amounted to Rs. 11,24,712 (Rs. 9,83,526).

Opium.—The number of shops licensed for the sale of opium was 85 (85). The consumption of opium was 569 (452) seers resulting in an increase in consumption by 117 seers. The issue price of opium was enhanced from Rs. 100 to Rs. 140 per seer of 80 tolas. The total realisation under this head was Rs. 1,28,141 (Rs. 1,24,265).

Offences.—The total number of offences during the year was 4,721 (4,649). Of these, 727 (602) cases related to heinous offences. Including the 333 (384) cases pending disposal at the beginning of the year, the total number of cases for disposal was 5,054 (5,033). Out of this, 4,221 (4,303) cases were disposed of departmentally, 625 (597) cases sent up for trial in courts, leaving 208 (333) cases pending at the end of the year.

Finance.—The total demand under Excise Revenue for 1945-46 was Rs. 1,99,92,815 10-0 (Rs. 1,78,75,632-10-4) including Rs. 73,178-5-0 outstanding at the beginning of the year. The demand of Excise Revenue amounted to Rs. 2,00,65,993-15-0 (Rs. 1,78,89,459-15-5). A sum of Rs. 1,98,91,115-15-3 (Rs 1,78,07,107-3-2) and Rs. 20,348-8-8 (Rs. 4,960-10-11) were collected towards current demand and old arrears, respectively. A sum of Rs. 38-0-7 (Rs. 4,213-12-4) was remitted leaving a balance of Rs. 1,54,491-6-6 (Rs 73,178-5-0) outstanding at the close of the year. The expenditure of the department during the year amounted to Rs. 4,78,665-8-6 (Rs. 4,85,029-10-8).

Prohibition.—The prohibition experiment in the Rural Welfare Centre at Closepet and Channapatna Taluks was continued during the year. With the exception of one arrack, one ganja and two toddy shops in Closepet Taluk, the rest of the excise shops in the area remained closed.

The grant-in-aid of Rs. 2,500 per annum to the Mysore State Temperance Federation was continued during the year and the Federation carried on propaganda in favour of temperance throughout the year. Orders were passed raising the grant to the Federation from Rs. 2,500 to Rs. 3,500 per annum with effect from 1st July 1946.

Observation.—The working of the department was on the whole satisfactory.

Reviews the Administration Report of the Agricultural Department for the year 1945-46.

READ—

Letter No. H. C. Per 35—45-7, dated the 15th November 1946, from the Director of Agriculture in Mysore, submitting the Annual Administration Report of the Agricultural Department for the year 1945-46.

ORDER NO. A. F. 4213-303—Agri 95-46-3, DATED BANGALORE, THE 25TH JANUARY 1947.

Recorded.

Personnel.—Mr. M. J. Narasimhan, B.A., continued to be in charge of the department during the year.

The Bee-keeping Section, with its establishment, was transferred from the Agricultural Department to the Veterinary Department.

The Coffee Experimental Station, Balehonnur, was ordered to be handed over to the Indian Coffee Board, but it continued to be under the management of the department, pending arrangements being made by the Board to take over control of the Station.

Government sanctioned the establishment of an Agricultural College at Hebbal during the year. The College, with the First Year Class, was started in the month of June 1946.

"Grow More Food" Campaign.—The work connected with this scheme continues to be one of the most important activities of the Agricultural Department. Maximum efforts were put forth to encourage the raiyats to grow short-term crops. A scheme was sanctioned to encourage the cultivation of kar-ragi, kar-paddy and jola in the water-received areas of Krishnaraja Sagara, Irwin Canal, Vani Vilasa, Marcondahalli and Kanva and under the Bhadra Channel and the dry beds of rivers and tanks in the State. Various concessions were sanctioned in this connection, and these included grant of lands free of assessment, issue of seed free of cost, grant of bonus for production, supply of manures and implements at concession rates, grant of rewards to village officers and leading agriculturists. These measures met with great success. As a result, an area of 15,723 acres under irrigated ragi and 6,544 acres under paddy was brought under cultivation with the expectation of an approximate yield of 78,000 pallas of ragi and 38,000 pallas of paddy, respectively. The cost on account of the concessions allowed in this connection amounted to Rs. 2,35,800.

The new "RAB" method of raising paddy and ragi nurseries was popularised all over the State, and as a result practically the entire area of irrigated ragi was sown with the seedlings raised by this method. The raiyats are beginning to realise that this brings in an increased yield.

During the year, seeds worth about Rs. 15 lakhs and manures worth Rs. 12·4 lakhs and implements worth about Rs. 16 lakhs were distributed under the "Grow More Food" campaign. The subsidy allowed to the raiyats amounted to Rs. 6½ lakhs.

Vegetable Production Scheme.—Owing to the adverse seasonal conditions and the scarcity of food and fodder crops, the agriculturists were not so keen on the cultivation of vegetables and many preferred to grow staple crops, such as irrigated ragi, jola, etc. Vegetable seeds worth Rs. 5,183 were sold by the department to the public and the raiyats. A total quantity of 436,500 lbs. of vegetables was sold to the public from the Government Farms. In addition, about 3,000,000 lbs. of green grass produced at the Sunkal and Kormangala Farms were supplied to the public of Bangalore, when there was acute shortage of fodder for cattle. Fifteen thousand five hundred and twenty-two Railway maunds of Simla seed potatoes, costing Rs. 3,55,167, were imported during December 1945 and January 1946 and distributed to potato-growers. The potato crop was good. The total yield was about 11,975 tons, of which 3,100 tons were allotted to the Military and 332,500 lbs. were supplied to the deficit areas of Chitaldrug and Tumkur. The total receipts from the four farms attached to the Vegetable Section were Rs. 64,945-2-3. With the cessation of the War, the scheme for the supply of vegetables and potatoes required for the use of the Military personnel was dropped and the question of the future working of the Vegetable Section was under the consideration of Government during the year.

SCIENTIFIC SECTIONS.

Botanical Section.—Selection work under ragi was pursued to obtain better yielding strains. The sugarcane setts of H. M. 661, H. M. 647 and H. M. 645 were distributed on a large scale. The season was adverse to cotton over large areas. The scheme for groundnuts and the Pulse Scheme, sponsored by the Imperial Council of Agricultural Research, made progress. Trials are being conducted at the Hessarghatta Fruit Research Station on apples, pine-apples, peeches, papayas, etc., and work on the control of pests and diseases of fruits is making progress.

Chemical Section.—Pot culture experiments on ragi, application of nitrogenous manures to potatoes, hardening of paddy seeds before sowing, "RAB" treatment of paddy nurseries are in progress and they have yielded useful data that could be tried in the fields on a large scale.

A total of 29,000 tons of compost was produced during the year. The number of municipalities that adopted the manufacture of compost from town wastes was 45 and over 100 persons were trained in the manufacture of compost.

Mycology Section.—Spraying materials valued at about Rs. 2,00,000 were supplied by the department. Arrangements were made for the destruction of culms and stubbles of wheat in Hassan and Chitaldrug Districts, as a precaution against the spread of rust.

Entomology Section.—Preventive measures were taken against the attack of earhead pest on jola in Mysore District, jola wingless grasshopper in Chitaldrug District and Coffee Stem Borer in Hassan and Kadur Districts. A total area of 1,114 acres of summer ragi was got protected by light earthing against stem borer. Studies on parasites of sugarcane top-borer, potato tuber moth pink borer on jola, etc., were undertaken. Tests with D. D. T. as control for stored pests were also made.

Paddy Section.—The paddy expansion scheme was in its fifth year of operation. Experiments with Russian paddy and Ceylon paddy were under progress at the Hebbal Farm.

Engineering Section.—A quantity of 6,577 tons of steel was supplied to the agriculturists. Tractors negotiated 476 acres of land and bull-dozers were engaged in land-clearing

operations in Channagiri Taluk. In view of the large demand from the raiyats for all types of machinery and service, the expansion of this section is under consideration.

Experimental Farms.—Work in the various farms was continued during the year. At the Hebbal Farm, experiments with "Green manuring" proved very encouraging. At the Irwin Canal Farm, 1,213 maunds of ordinary jaggery, 406 maunds of clean jaggery, 12 maunds of sugar and 3,477 lbs. of activated carbon were manufactured.

At the Babbur Farm, experiments were conducted in dry lands on cas or, togari and millets.

At the Nagenahalli paddy breeding station, it was found that under Mysore conditions early planting of paddy was essential for a higher yield and that the system of supplying water in the channel from 10th June to 10th January should not therefore be altered.

Agricultural Education.—The total strength of the Agricultural School at Hebbal was 58. There are 35 scholarships available to students, 24 being paid by Government and the rest by the District Boards and private bodies. All the students of the first and second year classes were promoted to the next higher class and out of 28 students who sat for the examination, 25 passed.

The S. K. V. D. Patasala, R. K. Sala and the Somanahalli Agricultural School had a strength of 15, 3 and 19, respectively.

Agricultural Colonies.—The three colonies in the Irwin Canal Area and the colony at Marconahalli worked satisfactorily with 29 and 12 colonists, respectively.

Several Post-war Development Schemes have been drawn up by the department. Some of these have been sanctioned and the others are in various stages of progress.

General.—The work of the department was on the whole satisfactory.

Letter No. E. C. Agri. 509—45-46, dated 7th January 1946, from the Secretary, Committee for Agriculture, submitting a scheme for the multiplication and distribution of improved strains of paddy seed and for the supply of manure to the raiyats at concession rates.

Letter No. C. F. 402—45-46, dated 19th March 1946, from the Secretary, Co-ordination and Finance Committee, on the subject.

Letter No. C. T. 51—45-46, dated 17th April 1946, from the Director of Agriculture, submitting detailed proposals in the matter, for the consideration of Government.

ORDER No. A. F. 4360-74—AGRI. 185-45-2, DATED BANGALORE, THE 27TH JANUARY 1947.

Mysore being a paddy deficit State even in the normal times, to the extent of two million pallas per annum, and the present food supply position being such as to emphasize the need for taking up measures to make the State self-sufficient with regard to rice, the Director of Agriculture has drawn up a five-year scheme with a view to bringing an increased area under paddy and popularising improved strains of paddy among the agriculturists.

The main purpose of the scheme is ultimately to distribute 83,000 pallas of improved strains of paddy per annum and also artificial manure to the agriculturists in order to increase production. With this end in view it is contemplated to establish a basic farm of 40 acres in each district and a number of seed plots on raiyats' farms to obtain the required quantity of seed and to give the raiyats a subvention of Rs. 10 each per acre, for harvesting seed paddy separately and to induce them to take to the cultivation of improved strains of paddy on an extensive scale and also to supply manure at a concession rate of 25 per cent below the cost price.

The scheme is estimated to involve a capital expenditure of Rs. 76,500 for the basic farms and a net recurring expenditure which increases from Rs. 3·40 lakhs in the first year to Rs. 12·19 lakhs in the fifth year. It is expected that an extent of 2½ lakhs of acres in the several districts could be brought under improved strains of paddy in five years, resulting in an increase in the yield by two pallas per acre on an average.

The Director of Agriculture has also proposed the following staff for the successful working of the scheme :—

(*a*) Deputy Director's Office.—

(1) One Deputy Director in grade Rs. 700-50/2 800 to be in charge of the scheme.

(2) Assistant for seed and manure distribution work in grade Rs. 125 –25/2—300.

(3) One clerk in grade Rs. 50—5—80.
Three clerks in grade Rs, 30—5/2—50 each.
Three peons on Rs. 12 each.

(*b*) District Staff.—

(1) One Senior Agricultural Inspector in grade Rs. 100—5—120 for each Circle to assist Circle Officers in the distribution of seed and manure in the district. Nine Inspectors for nine districts.

(2) Two Agricultural Inspectors, one in grade Rs. 70—5—100 in charge of the Government District Basic Farms and the other in grade Rs. 40—3—70 to supervise the seed farms in the raiyats' fields in the district which will be about 1,000 acres in extent. Both will attend to the supervision of the seed farms, collection of seed, etc. Total 18 Inspectors.

(3) Five Fieldmen in grade Rs. 30—3/2—45 for each district for supervising the District Basic Farm as well as the seed farms in the raiyats' fields. Total 45 for 9 districts.

Second year—6 Fieldmen for each district as the area of the seed farms in the raiyats' fields would be increased	...	54
Third year—7 Fieldmen	...	63
Fourth year—8 Fieldmen	...	72
Fifth year—9 Fieldmen	...	81

(4) One Clerk in grade Rs. 30—5/2—50 for each district basic farm and other district work. Nine for 9 districts.

(5) One peon for each district basic farm on Rs. 12. Nine for 9 districts.

The scheme was considered by the Committee for Agriculture on the 21st and 22nd September 1945 and also by the Co-ordination and Finance Committee which accepted the same subject to the following modifications :—

(1) The size of the basic farms may be reduced from 40 acres to 20 acres, with a corresponding reduction in cost.

(2) The subvention to the raiyats in respect of the supply of manure may be limited to three years in the first instance and fixed at 25 per cent in the first, 15 per cent in the second and 12½ per cent in the third year.

(3) The entire amount of subvention may be added to the price of seed grains and recovered from the purchasers.

(4) The scale of establishment proposed may be reduced to 18 Agricultural Inspectors; 30 Agricultural Fieldmen in the first year rising to 50 in the third year and 10 clerks and peons.

The scheme, as approved by the Co-ordination and Finance Committee, involves a non-recurring expenditure of Rs. 51,000 and recurring expenditure of Rs. 16,42,180 and has been assigned the first priority.

After a careful consideration of the scheme, Government are pleased to accept the recommendation of the Co-ordination and Finance Committee and to accord sanction to the scheme with the following modifications :—

(1) The officer in charge of the "Grow More Food" campaign will also be entrusted with this work as there is no need for a separate Deputy Director for this purpose.

(2) As regards the staff for the nine basic farms (one in each district), one Agricultural Inspector is sanctioned for each farm and he will be assisted by two fieldmen.

(3) The price of the improved seed may be fixed without reference to the subsidy paid for manure supplied to the demonstration farms.

Sanctions the Starting of a Tile Factory at Gudibanda.

READ—

Correspondence ending with letter No. D. 5-137—43-4, dated 20th September 1946, from the Director of Industries & Commerce, forwarding for sanction, proposals for starting a Tile Factory at Gudibanda at an estimated expenditure of Rs. 29,000 (recurring Rs. 8,000 and non-recurring Rs. 20,975 or Rs 29,000 in round figures) and stating that the expenditure will be met from the Rural Industries grant for the year 1946-47.

ORDER No. D. 4522-24—I. & C. 465-45-11, DATED BANGALORE, THE 25TH JANUARY 1947.

On a representation received from several citizens of Gudibanda that a tile factory be started there in view of the natural resources and facilities available and that the factory may in due course be handed over to the Gudibanda Town Municipality, the Director of Industries and Commerce was requested to forward a report in the matter. The Director reports that he discussed the matter with the Vice-President of the Municipality and other non-officials at Gudibanda, and that after investigating the question, he has selected a suitable site for locating the factory and recommends that in view of the suitability of the clay of the tank at Gudibanda and the availability of an abundant supply of fuel and labour, a tile factory may be started at the place at an estimated expenditure of Rs. 29,000 (recurring Rs. 8,000 and non-recurring Rs. 20,975 or Rs. 29,000 in round figures).

2. As regards the Industries Department taking action to start the factory in co-operation with the Municipality at Gudibanda, it is stated that much delay and inconvenience will be caused in arriving at a decision, both as regards the site and other details for starting the factory and that it would therefore be preferable to consult the local body after bringing the factory to a working condition, and transfer it to them later on if possible.

3. As there are no local people who can take up the construction of the tile factory, though there is real need for tiles, the recommendation of the Director for starting a Government Tile Factory in Gudibanda at an estimated expenditure of Rs. 29,000 (rupees twenty-nine thousand) is sanctioned, the charges being met from the Rural Industries grant for the year 1946-47. The Director is requested to take immediate steps for starting the factory. The question of transferring it to Municipal management will be considered later.

Reviews the report on public instruction for the year ending 30th June 1946.

READ—

Letter Nos. G. 2-3361-145 of 45-46, dated 9th November 1946 and No. G. 2-3361-145 of 46-46, dated 23rd December 1946, from the Director of Public Instruction in Mysore submitting the report on public instruction for the year ending 30th June 1946 and his concluding remarks thereon, respectively.

ORDER No. E. 5555-614—EDN. 92-46-5, DATED BANGALORE, THE 27TH JANUARY 1947.

Recorded.

2. *Direction.*—Mr. M. Sultan Mohiyuddin, M.A., LL.B., M.Ed., continued to be in charge of the department from 1st July 1945 to 27th June 1946, when on his appointment as Vice-Chancellor, University of Mysore, he handed over charge of his office to Dr. K. N. Kini, M.A. (Hons.), A.M., Ph.D., Dip. Edn., on the afternoon of the 27th June 1946 and Dr. Kini continued as the acting Director of Public Instruction for the remaining part of the year.

As the rapid growth and development of education of all grades in the State during the past decade or so had greatly increased the volume of administration and inspection work and the changing conditions had necessitated more satisfactory arrangements to deal with new problems, sanction was accorded to the re-organisation of the administrative system of the Education department, so as to secure greater effectiveness in administration and control and efficiency in the general working of the Department. The re-organisation was given effect to from 13th May 1946. Twenty-seven additional ranges were opened during the year, 23 in connection with the introduction of the scheme of compulsory attendance and four in connection with the opening of 400 more primary schools under the expansion scheme. A suitable re-distribution of the several ranges was also made.

3. *Touring and Inspection.*—The Director of Public Instruction (Mr. M. Sultan Mohiyuddin) toured for 65 days, visited or inspected 380 institutions and offices and attended 197 meetings. The inspection and itineration of all the District Educational Officers and Assistant Inspectors (now called Inspectors) were generally adequate and satisfactory.

4. *Statistics.*—The following statement shows the number of public institutions, classified according to management and their strength as on 1st March 1945 and 1st March 1946:—

Serial number	Management	1st March 1945		1st March 1946

Government consider that it is necessary to improve the pay and prospects of the Tutorial staff of the University to provide sufficient scope for promotion to the existing staff who have been stagnating for some time in the lower grade and to attract the right type of graduates in future and direct therefore that the scales of pay of Assistant Professors and Lecturers in Arts and Science Colleges be revised as follows at a total cost of Rs. 8,42,453 1/3 per annum, involving a total extra cost of Rs. 2,43,306 2/3 per annum as per statement appended :—

		Revised grade Rs.	*Number*
Assistant Professors.—	I	350—25/2—400	12
	II	250—25/2—350	44
Lecturers.—	I	200—10—250	52
	II	150—10—200	104
	III	100—10—150	155
		Total	367

(These 367 posts include the posts sanctioned to the Intermediate Colleges at Davangere and Hassan).

Government are also pleased to direct that these revised scales of pay be given effect to from 1st December 1946, the extra cost during the current year being met out of the general savings of the sanctioned grants of the University Budget for the current year or from an additional grant to be made for the purpose, if so required.

Necessary provision will be made in the budgets of the University for future years.

The Registrar is requested to submit to Government for approval, a statement showing the allocation of the Assistant Professors and Lecturers into the revised grades at a very early date.

K. THIPPERUDRIAH, *Edn. Secy.*

GENERAL SECRETARIAT.

Records the Annual Report of the Government Museum for the year ending 30th June 1946.

READ—

Letter No. 231, dated the 15th—22nd November 1946, from the Director of Industries and Commerce in Mysore, submitting the Annual Report the Government Museum, Bangalore, for the year ending 30th June 1946.

ORDER No. D. 4276-77—Mus. 3-46-2, DATED BANGALORE, THE 13TH JANUARY 1947.

Recorded.

Visitors.—The number of persons who visited the Museum during the year under report was 490,079 as against 393,275 during the previous year. Distinguished scientists that came to Bangalore from all parts of India in connection with the meeting of the thirty-third session of the Indian Science Congress visited the Museum.

2. *Museum Advisory Committee.*—The Museum Advisory Committee met once during the year and surveyed the work done so far in connection with the rearrangement of exhibits in the different sections of the Museum. The Committee considered the desirability of undertaking a systematic excavation of the ancient site and temple mounds of the ancient Hoyasala capital of Halebid which would be useful both for the discovery and preservation of ancient monuments as also the acquisition of antiquities for the Museum. They were also of the view that antiquities and works of art could also be recovered from the excavation in such large numbers as to enable scholars to form a clear idea of the civilization of Mysore during the pre-Hoysala, Hoysala and later times. A special grant of Rs. 10,000 was sanctioned by Government for the purpose.

3. *Industrial.*—With a view to illustrating the possibilities of utilisation of the geological wealth of the country for the development of industries, several geological products, presented by the Geological Department, were displayed in the Museum.

4. *Educational.*—A regular course of guide lectures to students from primary schools and explanatory talks to illiterate visitors formed an essential feature of the educational work of the Institution. More than 3,120 students belonging to 69 educational institutions, accompanied by 222 teachers, paid study visits to the Museum.

5. *Exhibitions.*—The Museum participated in the All-India Industrial Exhibition held at Bombay in February 1946. An exhibition of antiquities was organised by the Department of Archæology in the Central College, Bangalore, in connection with thirty-third Session of the Indian Science Congress.

6. *General.*—The construction of a new Museum building on a suitable site is under consideration. The question of the establishment of District Museums in all the district headquarter towns is also under consideration. The Curator was deputed to attend the annual meeting of the Museums Association of India which was held in Madras from 31st December 1945 to 1st January 1946.

DEVELOPMENT SECRETARIAT

Reviews the report on the working of the Industries and Commerce Department for the year 1945-46.

READ—

Correspondence ending with letter No. B. 2-46-47, dated the 29th November 1946, from the Director of Industries and Commerce in Mysore, forwarding the report on the working of the Industries and Commerce Department for the year 1945-46.

ORDER No. D. 4587-91—I. & C. 190-46-3, DATED BANGALORE, THE 29TH JANUARY 1947.

Recorded.

2. *Large Industrial Establishments.*—There were 301 (313) large industrial establishments working in the State during the calendar year 1945, employing on an average 88,849 (81,154) persons. Of these, 272 (283) were perennial factories and the remaining 29 (30) were seasonal.

The number of cotton mills working in the State at the end of the year 1945-46 remained the same as in the last year, *viz.*, nine. Of these, 4 were engaged in the manufacture of both cotton cloth and yarn, 3 in the manufacture of cloth only, one in the manufacture of yarn only and one in the manufacture of hosiery. Six woollen mills (5) were working in the State with 365 looms (165), 9,002 (9,002) spindles and 1,000 charakas and the total quantity of woollen goods produced amounted to 10,617,059 lbs. (9,897,483 lbs.). These mills also produced woollen carpets and druggets.

3. *Financial and other Assistance to Industries.*—As in previous years, the department continued to render financial and technical assistance to private industrialists for the development of small scale industries. Loans to the extent of Rs. 3,805 (Rs. 9,000) were disbursed to 7 (5) persons under the Industrial Loan Rules and the rates of ordinary and penal interest levied on the loans were reduced from 6 per cent to 4 per cent and 9 per cent to 6¼ per cent, respectively, with effect from April 1946. The loans recovered during the year amounted to Rs. 28,402 (Rs. 19,300). The scheme of granting loans to the educated unemployed to start industries of their own is reported to be popular. A sum of Rs. 19,862 relating to the loans granted during the year 1944-45 and another sum of Rs. 22,259 relating to the year 1945-46 were disbursed to 14 and 11 persons, respectively, during the year under report. The question of raising the present limit of Rs. 2,000 which is the maximum amount of loan fixed under the scheme to Rs. 5,000 is under consideration of Government separately. Technical assistance by way of erection and repair of industrial plant and machinery belonging to private concerns was also continued, as also the supply of duty free salt and of rectified spirits, either duty free or at concession rates. Arrangements were also made for the supply of iron and steel and of coal and coke and machinery required by private industrialists and companies.

4. *Industrial Concerns worked by the Department.*—(1) *Central Industrial Workshop.*—As in the previous year, the workshop was engaged in supplying the requirements of the several Departments of Government and Government Aided Concerns and private parties in respect of all kinds of repairs and manufacture of machinery. During the year under report, the output and sales amounted to Rs. 1,65,738 (Rs. 1,66,282) and Rs. 1,54,122 (Rs. 1,70,000), respectively.

(2) *Sri Chamarajendra Technical Institute, Mysore.*—The institute imparted training in high class fine arts modelling, metal work, inlay work, ivory and sandalwood carving as in previous years. There were 154 (165) students receiving training in the several sections and the scholarships paid to them amounted to Rs. 8,044 (Rs. 8,278). In addition to these, 12 students of the Depressed Classes were trained in carpentry and 10 of them received a scholarship of Rs. 25 per mensem each and the other 2 of Rs. 15 per mensem each. Two students received training in block-making for cloth-printing and were given scholarships at Rs. 15 per mensem each. The production and sales amounted to Rs. 1,07,240 (Rs. 56,174) and Rs. 1,14,990 (Rs. 82,962) respectively.

(3) *District Industrial Workshop, Shimoga.*—The value of work turned out during the year was Rs. 4,476 (Rs. 4,639) and the total sales amounted to Rs. 4,543 (Rs. 4,477).

(4) *The Arts and Crafts Depot, Bangalore.*—The total value of stock handled was Rs. 4,09,119 (Rs. 2,79,098) and the sales amounted to Rs. 1,70,534 (Rs. 1,37,621), yielding a net profit of Rs. 13,906 (Rs. 12,820).

5. *Rural and Cottage Industries.*—The number of Rural and Cottage Industries Centres remained the same as in last year, *viz.*, 45 and attention was mainly devoted to the consolidation and intensification of work in these centres during the year. A brief account of work done in some of the important centres is given below :—

(*a*) The hand-paper making centres at Badanval and Hosur continued to manufacture paper, envelopes and letter-heads, while work in the centres at Bangalore and Hassan was further developed. Nine candidates were under training in the Bangalore and Hassan Centres. The total production and sales in these two Centres aggregated Rs. 4,750 (Rs. 5,358) and Rs. 2,400 (Rs. 4,036), respectively.

(*b*) *Village Tanneries.*—The village tanneries at Doddasiddavvanahalli and Hulikunte trained 18 students and 11 more were under training during the year. The output and sales of the tannery at Hulikunte amounted to Rs. 2,750 and Rs. 2,500, respectively. Arrangements are being made for the early completion of the building for transferring the tannery at Malvalli to Mangalwarpet near Chennapatna.

(*c*) *Leather Stitching at Doddasiddavvanahalli.*—The Centre trained 14 students and 5 were under training during the year.

(*d*) *Button-making at Doddasiddavvanahalli and the Rural Welfare Centre at Anandapuram.*—Nine students were under training in these two centres. The combined output and sales of the tannery, leather-stitching and button-making sections of the Centre at Doddasiddavvanahalli amounted to Rs. 3,750 and Rs. 4,600, respectively.

(*e*) *Pottery.*—The Pottery Centres at Closepet and Dodballapur trained 13 students and 7 more were under training. The output and sales of the centres amounted to Rs. 3,180 and Rs. 2,920, respectively. Articles worth Rs. 840 were produced in the pottery-ware section of the industrial school at Chikmagalur and the sales amounted to Rs. 640.

(*f*) *Smithy.*—Eleven candidates were trained and 18 were under training in the Smithy Centre at Closepet. The total production and sale of both the centres at Closepet and Malvalli (where three candidates were trained) amounted to Rs. 9,550 and Rs. 8,180, respectively.

(*g*) *Brass Work.*—The Brass Work Centre at Nagamangala continued to manufacture furniture fittings, door handles, etc., and articles worth Rs. 1,800 (Rs. 630) were manufactured and the sales amounted to Rs. 750 (Rs. 2,350).

(*h*) *Mat-Weaving.*—The number of Mat-Weaving Centres working during the year under report was 15, *viz.*, Hiriyur, the centre located in the Central Industrial Workshop, Bangalore, Dodballapur (Town), Dodballapur Rural Welfare Centre, Alur, Hassan, Anandapur, Giddobanahalli, Closepet Rural Welfare Centre, Labour Colony, Kolar Gold Field, Nagamangala, Chikmagalur, Badanval and Bellur. The centres trained a large number of candidates (including students of the Depressed Class) in mat-weaving during the year. The combined output and sales of all the centres aggregated Rs. 9,150 and Rs. 6,680, respectively.

(*i*) *Rattan.*—The industrial schools at Hassan, Shimoga and Chikmagalur trained a number of candidates in rattan work and the total output and sales amounted to Rs. 3,060 and Rs. 2,720, respectively.

(*j*) *Other Cottage Industries.*—The Carpentry Centre at Ankanahalli (near Closepet), the Volegari section at the Industrial School, Channapatna, and the Coir Manufacturing Centres at Arsikere and Malgal (near Channapatna) continued to do good work during the year.

The department participated in several exhibitions held in and outside the State and demonstrated the importance and usefulness of cottage industries.

6. *Progress of Schemes sanctioned in recent Years.*—(1) *Famine Relief Work at Doddasiddavvanahalli.*—With a view to finding employment for some of the Adikarnatakas during the recent famine, a special section for "Chappal" manufacture was opened at the Doddasiddavvanahalli Leather Stitching Centre in May 1946. A sum of Rs. 7,150 was spent for the purchase of raw materials and payment of wages. About 600 pairs of "Chappals" were manufactured.

(2) *Amelioration of the Depressed Classes.*—Eighty-five candidates were selected for training on scholarships of Rs. 25 each per mensem. Training was given in mat-weaving, carpentry, leather-stitching and smithy. Twenty-two candidates who were found fit to start industries of their own were given the requisite equipment free at an approximate cost of Rs. 3,500.

(3) *Training of Candidates as Instructors in Rural Industries.*—Twenty candidates were selected for training under the above scheme and they were given scholarships of Rs. 25 each per mensem for a period of six months.

(4) Arrangements are being made by the department to give effect to the following schemes :—

(*a*) Establishment of a coir industry at Nanjangud.

(*b*) Manufacture and supply of machinery and appliances to private people who propose to start cottage industries.

(*c*) Purchase and supply of machinery and appliances such as sewing, braiding machines to home industries institutions on certain terms.

(*d*) Starting of certain cottage industries in the Rural Welfare Centre at Anandapuram at an estimated cost of Rs. 21,000.

(*e*) Training of six lady candidates in tailoring in the Occupational Institute, Bangalore, on a scholarship of Rs. 25 each per mensem.

7. The following schemes relating to the development of cottage industries are under consideration of Government :—

(*a*) A three-year plan for the development of cottage industries.

(*b*) The starting of two major home industries institutions, one at Bangalore and the other at Mysore.

(*c*) The starting of a Tile Factory at Gudibanda.

(*d*) The starting of certain cottage industries in the Rural Welfare Centre area, Closepet.

(*e*) The starting of hand-paper units at Hassan and Nanjangud.

8. *Industrial Surveys.*—With a view to starting certain rural industries, industrial surveys were conducted in 54 villages of the Magadi Taluk and in the Rural Welfare Centre areas of Anandapuram, Dodballapur and Closepet.

9. *Industrial Schools.*—The number of industrial schools under the control of the department remained the same as in last year, *viz.*, nine. The Director states that the strength of the schools did not improve to the extent expected, when enhanced rates of scholarships were sanctioned, due probably to the increased cost of living and the high rates of wages ruling in factories. The S. L. N. Industrial School, Bangalore, and the Methodist Mission Industrial School, Tumkur, continued to receive annual grants of Rs. 3,000 and Rs. 2,412 during the year. Besides these, there were 23 home industries classes receiving grants-in-aid from the department. The total number undergoing training in these classes and also in the industrial schools was 1,037 and 335, respectively. The industrial school for women, Channapatna, continued to impart training for gosha women in tailoring, zari work, embroidery, etc. In order to enable students to undergo training in industrial subjects in recognised institutions outside the State, scholarships of the total value of Rs. 1,200 were granted during the year.

10. *Administration of Special Acts*—(1) *The Mysore Weights and Measures Act.*—The compulsory use of certified standard weights and measures is being enforced in important trade centres in the State under this Act and the number of areas notified for this purpose was 60. The department sold weights and measures of the value of Rs. 5,023 (Rs. 4,982); Rs. 22,020 (Rs. 17,542) units of weights and measures were tested and stamped during the year and a sum of Rs. 1,432 (Rs. 1,165) was realised as testing fees. Prosecution proceedings were instituted in 22 (67) cases and a sum of Rs. 156 (Rs. 791) was recovered as fines.

(2) *The Mysore Patents and Designs Act.*—Thirty-one (29) applications for patents were filed during the year. Five (6) of these originated in Mysore, 17 (19) in other parts of India and 14 (4) abroad. The fees collected in respect of applications for patents and designs and other proceedings under the Act amounted to Rs. 4,560 (Rs. 3,824).

(3) *The Mysore Factories Act.*—The total number of factories coming within the purview of the Act stood at 434 (413). Of these, 401 (377) were perennial and 33 (36) were seasonal factories. The average number of persons employed daily in all the notified factories was 67,693 (57,640). The health of the employees in almost all the factories continued to be generally good. There were 1,165 (1,171) recorded accidents, of which 6 (7) were fatal, 46 (9) serious and 1,113 (1,155) minor accidents.

(4) *The Mysore Cotton Ginning and Pressing Factories Act.*—There were 24 (23) ginning factories working at the beginning of the year. The Ginning Factory at Maddur had suspended work this year also. The total quantity of cotton ginned and pressed during the year was 12,300 (27,796) bales. All the factories were inspected during the year.

(5) *The Mysore Maternity Benefit Act.*—The total number of women employed in the several industrial concerns (private as well as Government owned) was 8,870 (6,525) and 194 (665) women received a sum of Rs. 7,099 (Rs. 7,458) as maternity benefit.

(6) *The Mysore Boilers Act.*—The total number of boilers at the end of the year was 296 (286), of which 283 were in commission and 13 were not working. The total number of boilers inspected during the year was 215 (276). A sum of Rs. 9,790 (Rs. 10,500) was collected as boiler inspection fees. There were no prosecutions during the year.

11. *Posts and Telegraph Offices.*—At the end of the year, there were in all 588 (587) post offices in the State, of which 4 (4) were head offices, 85 (85) combined sub-offices, 47 (46) sub-offices and 452 (461) branch offices. The number of Telegraph Offices working in the State was the same as in last year, *viz.*, 85; of these, 18 (18) were guaranteed Telegraph Offices and the remaining 67 (67) were non-guaranteed ones.

12. *Wireless Licenses.*—The number of radio licenses issued during the year was 4,714 (4,370) and the total amount of fees collected, inclusive of sur-charge, was Rs. 50,346 (Rs. 48,874), 9 (2) prosecution cases were launched during the year; of these, 7 were disposed of with fines ranging from Rs. 50 to Rs. 5, one was under trial in the court and the other was compounded on payment of dues by the party concerned.

13. The administration of the department continued to be satisfactory.

Sanctions the Revision of Scales of Pay of Sanitary Inspectors.

READ—

Government Order No. L. 4244-65—L. B. 105-33-15, dated 17th December 1934, passing orders regarding the pay and prospects of Sanitary Inspectors in the State and sanctioning the revision of scales of pay of Sanitary and Assistant Sanitary Inspectors at Rs. 35—2—55 (Efficiency Bar) 4—57 and 25—1—35, respectively.

2. Correspondence ending with letter No. C. S. Estt. 37, dated 15—25th May 1946, from the Director of Public Health, submitting proposals for the revision of the scales of pay of Sanitary and Assistant Sanitary Inspectors.

ORDER NO. M. 8678-703—P. H. 118-45-6, DATED BANGALORE, THE 3RD FEBRUARY 1947.

The question of improving the scales of pay of Sanitary and Assistant Sanitary Inspectors was engaging the attention of Government for some time past. The Director of Public Health submitted proposals in 1944 for the revision of the scales of their pay; but his proposal was not taken up for consideration on the ground that there was then under consideration the general question of the standardising the scales of pay of establishment in the several departments. The Director again reported that, in view of the nature of the work to be turned out by this class of people and the condition prevailing elsewhere, in respect of their pay and prospects, it was necessary to consider the question of improving the pay and prospects of the Sanitary Inspectors just to keep up efficiency in service by paying them well enough commensurate with their general and technical qualifications and the arduous nature of work, and submitted proposals for the revision of the scales of pay of Sanitary and Assistant Sanitary Inspectors as noted below together with the proposition statement with the suggestion that out of the total number of 470 Sanitary Inspectors, the number in the senior grade, *viz.*, Rs. 60—4—100 be fixed at 200 and the rest in the junior grade, *viz.*, Rs. 35—2—55. The extra cost involved in the proposal came to Rs. 7,663 43/45 per mensem or Rs. 91,967 7/15 per annum as verified by the Comptroller.

(a) Senior Sanitary Inspectors ...	Rs. 60—4—100
(b) Junior Sanitary Inspectors ...	Rs. 35—2—55

2. Government are pleased to sanction the proposal of the Director of Public Health for revising the scales of pay of Senior and Junior Sanitary Inspectors as proposed by him and to fix the number in the senior grade at half of that in the junior grade according to which the number in the senior grade will be 156 and that in the junior grade 314. The extra average cost will amount to about Rs. 72,554 2/15 per annum.

Government Order No. Fl. 1305-54—G. F. 70-18-1, dated the 3rd September 1918 delegating to certain Heads of Departments, the power to grant to Gazetted, Officers of their Department, privilege leave up to a period of one month provi ded that no substitute is required.

2. Government Order No. Fl. 4382-442—G. F. 209-25-1, dated the 5th February 1926, directing that Heads of Departments who are authorised to sanction privilege leave up to one month to Gazetted Officers working under them, be empowered to make in charge arrangements in such vacancies and sanction the charge allowances admissible under Article 91 of the Mysore Service Regulations.

ORDER NO. FL. 5920-5970—G. F. 184-46-2, DATED BANGALORE, THE 7TH FEBRUARY 1947.

According to Article 408 of the Mysore Service Regulations, the Heads of Departments are not authorised to grant furlough to Gazetted Staff and can sanction only privilege leave up to one month to Gazetted Officers and make in charge arrangements during such vacancies.

With a view to avoid unnecessary correspondence and delay in sanctioning leave and making in charge arrangements, Government consider that it is necessary to delegate further powers to the Heads of Departments in this respect and they accordingly direct that Heads of Departments specified in Appendix 'O' of the Mysore Service Regulations be permitted to sanction privilege leave and furlough either by itself or combined with other leave to Gazetted Officers provided the total period does not exceed two months and only in charge arrangements are made in the consequential vacancy. They are also authorised to sanction the charge allowance admissible under the Mysore Service Regulations in such cases.

Necessary amendment to the Mysore Service Regulations will issue separately.

LAW SECRETARIAT

Sanctions the re-organisation of the Income-tax Department.

READ—

Government Order No. Fl. 2065-2130—I. T. 29-45-1, dated 1st October 1945, constituting a separate Department of Income-tax, under the control and supervision of a full time Commissioner of Income-tax and stating that separate orders would issue regarding the powers, duties and jurisdiction of the several officers and also about the ministerial and menial establishments required for the department.

2- Correspondence ending with letter No. C. 45- 46-47, dated the 12th November 1946, from the Commissioner of Income-tax in Mysore, Bangalore, forwarding proposals regarding the reorganisation of the Department of Income-tax.

ORDER NO. FL. 5991-5993—I. T. 29-45-3, DATED BANGALORE, THE 7TH FEBRUARY 1947.

In October 1945, the Department of Income-tax which was till then under the control of the Excise Commissioner in Mysore, Bangalore, was constituted into a separate independent department under the control and supervision of a full-time officer of the designation of the Commissioner of Income-tax. It was ordered that he should have the following staff of officers to man the department :—

(1) Two Deputy Commissioners of Income-tax in grade Rs. 600—50/2—800.

(2) Six Income-tax Officers (including one for the City of Bangalore) in grade Rs. 200—25/2—250—40/2—450.

(3) Twelve Inspectors in grade Rs. 100—10—150.

2. The whole-time Commissioner of Income-tax, who took charge in August 1946, has examined the question of how best to give effect to the re-organisation and he is of the opinion that for the present it is not possible to completely divest the Revenue Department of its association with the work relating to income-tax and that it is desirable to continue the existing arrangements with the Revenue Department, regarding the work of assessment and collection of tax during the period of transition. He has accordingly submitted proposls for augmenting the staff of the department with a view to give effect to the scheme of separation keeping this point in view.

3. After a consideration of all the aspects of the case, Government approve of the suggestion of the Commissioner and are pleased to sanction the additional staff of officers and the establishment as now noted below :—

There are at present two permanent Deputy Commissioners of Income-tax and two temporary Deputy Commissioners of Income-tax whose term of office expired in November 1946, but who are continued temporarily pending orders on the re-organisation proposals. In lieu of the four Deputy Commissioners, sanction is now accorded to increase the permanent strength of the Deputy Commissioners from two to three in grade Rs. 600—50/2—800.

The Deputy Commissioners of Kadur, Shimoga and Chitaldrug Districts will continue to be *ex-officio* Deputy Commissioners of Income-tax. The other Deputy Commissioners of Districts will be completely divested of the work relating to income-tax.

The *powers* and *jurisdiction of the Deputy Commissioners will be as under:*—

Designation of the Officers and their Headquarters	Territorial jurisdiction	Pecuniary jurisdiction
1. Deputy Commissioner of Income-tax, Bangalore City Division, Bangalore.	(1) Bangalore City. (2) Bangalore North Taluk. (3) Bangalore South Taluk.	All assessment work other than salary and company cases of and above Rs. 10,000 and appeals against the orders of the Income-tax Officer, City Circle, Bangalore.
2. Deputy Commissioner of Income-tax, Companies' Circle, Bangalore.	(1) Whole State.	All assessment work of companies and of assessment of salary cases of and above Rs. 15,000 and all appeals against the orders of Income-tax Officer, Salaries and Non-resident Refund Circle.
	(2) Bangalore District [excluding City and the two Taluks (North and South) of Bangalore] and Kolar Districts.	All assessment work of and above Rs. 15,000 and all appeals against the orders of Income-tax Officer, Bangalore Circle.
3. Deputy Commissioner of Income-tax, Mysore Division, Mysore.	(1) Mysore City.	All assessment work of the City other than Salary and Company cases.
	(2) Mysore District. Mandya District. Hassan District. Tumkur District.	All assessment work other than salary and company cases, of and above Rs. 15,000. All appeals against the orders of Income-tax Officers of Mysore and Arsikere Circles.
4. Deputy Commissioner of Income-tax, Kadur District, Chikmagalur. 5. Deputy Commissioner of Income-tax, Shimoga District, Shimoga. 6. Deputy Commissioner of Income-tax, Chitaldrug District, Chitaldrug.	The limits of their respective districts.	(1) All assessment work other than salary and company cases of and above Rs. 15,000. (2) All appeals against the orders of Income-tax Officers of the Shimoga Circle (comprising of Shimoga and Kadur Districts) and Chitaldrug Circle comprising of Chitaldrug District.

4. For the purpose of administration of Income-tax Law, the whole State is divided into 7 Income-tax Circles, each under the control and supervision of an Income-tax Officer on a pay of Rs. 200—25/2—250—40/2—450.

The *powers* and *jurisdiction of these officers and their headquarters are as under* :—

Designation and Headquarters of the Officers	Territorial jurisdiction	Pecuniary jurisdiction
1. Income-tax Officer, Salaries Circle, Bangalore.	Whole State.	All assessment work of salary cases under Rs. 15,000 and all non-resident refund cases.
2. Income-tax Officer, Bangalore City Circle, Bangalore.	Bangalore City, Bangalore North and South Taluks.	All assessment work up to Rs. 10,000 other than salary and company cases.
3. Income-tax Officer, Bangalore Circle, Bangalore.	Bangalore District (excluding the two taluks of Bangalore and Bangalore City) and Kolar District.	All assessment work other than salary and company cases, under Rs. 15,000.
4. Income-tax Officer, Mysore Circle, Mysore.	Mysore District (excluding Mysore City) and Mandya District.	All assessment work up to Rs. 15,000 other than salary and company cases.
5. Income-tax Officer, Arsikere Circle, Arsikere.	Tumkur District and Hassan District.	Do do
6. Income-tax Officer, Shimoga Circle, Shimoga.	Shimoga District and Kadur District.	Do do
7. Income-tax Officer, Chitaldrug Circle, Chitaldrug.	Chitaldrug District	Do do

(As a result of the above arrangement, all the Revenue Sub-Division Officers in the State and the Special Magistrate of Kolar Gold Fields will be completely divested of their income-tax jurisdiction).

In addition to these seven Income-tax Officers, sanction is accorded to the appointment of an extra officer of the same status and rank who will be designated Headquarters Assistant to the Commissioner. Thus there will be an increase in the strength of officers by two in addition to the six officers already sanctioned in the Government Order read in the preamble.

5. *Establishment.*—The Government Order dated 1st October 1945 contemplated the appointment of 12 Inspectors of Income-tax on a pay of Rs. 100—10—150. Government agree with the Commissioner that for the present it would be sufficient if 10 of these posts are filled up. Their work will generally be confined to towns and other centres of trade. In special circumstances and in particular cases, the Circle Officer or the Deputy Commissioner, as the case may be, may depute them to conduct enquiries and collect information in rural areas also.

The ministerial and menial establishments sanctioned to the department are as indicated in the Annexure to this order (not published in the Gazette)

6. The Amildars and Deputy Amildars in charge of taluks and their subordinate executive will continue to render the same assistance to the Department of Income-tax in respect of furnishing information, serving of processes, etc., as hitherto.

7. The Commissioner of Income-tax is requested to give effect to the re-organisation as early as practicable.

8. As regards the extra cost involved during the current year, action will be taken to place a demand before the Legislative Council on receipt of details from the Commissioner of Income-tax, necessary provision being made in the budgets of future years.

ELECTRICAL AND RAILWAY SECRETARIATS

Reviews the Administration Report of the Electrical Department.

READ—

Letter No. 12821 dated the 1st—2nd November 1946 from the Chief Electrical Engineer, submitting the Administration Report of the Electrical Department for the year 1945-46.

ORDER NO. EDS. 2025-48—Elecl. 121-46-9, DATED BANGALORE, THE 28TH JANUARY 1947.

1. *Demand, Collection and Balance.*—The gross demand for the year was Rs. 1,06,74,605 including the previous arrears of Rs. 5,60,787 against the Budget and Revised Estimates of Rs. 99,02,000 and Rs. 1,05,11,000, respectively. Under "Receipts" the actual collection amounted to Rs. 1,03,33,031. The accumulated balance at the end of the year was Rs. 9,02,361. The increase in arrears is due to non-recovery of arrears outstanding in the previous year and also to arrears outstanding from other Government Departments, Municipalities, Village Panchayets and Krishnarajendra Mills during the year under review. Suitable steps should be taken by the department for the early recovery of the outstandings.

2. *Working Expenses.*—The Working Expenses including the contribution to Depreciation Fund and Provident Fund under "Power" and "Telephones" amounted to Rs. 39,30,475 and Rs. 59,685 respectively, as against Rs. 38,13,349 and Rs. 39,281 in the previous year. The percentage of working expenses to revenue work out to 37·84 per cent against 41·07 per cent in the previous year.

3. *Revenue Receipts.*—The net revenue for the year amounted to Rs. 63,42,871, after adjusting the contribution to the Depreciation Fund, the Provident Fund and the Pension Fund, as against Rs. 55,19,128 and Rs. 71,14,218 during the years 1944-45 and 1943-44.

4. *Capital Outlay.*—The total capital outlay during the year under "Power" excluding stocks and suspense amounted to Rs. 1,07,89,940 against the revised estimate of Rs. 1,69,20,000. The heavy lapse under this head is due to large works like Jog and Mysore-Bhadravati Transmission Second Circuit having been retarded for want of materials and other unforeseen difficulties that prevailed.

The capital outlay incurred during the year on automatic telephones was Rs. 27,903 against the revised grant of Rs. 45,000. The work of extending the telephone exchange at Bangalore by an additional 400 lines was under progress.

5. *Total Capital Expenditure.*—The total capital expenditure on the Hydro-Electric Works and Telephones to end of the year under review was Rs. 7,41,95,235.

6. *Electrification of Towns and Villages.*—An expenditure of Rs. 30,956 was incurred during the year on the electrification of towns and villages which had been undertaken during the previous years. During the year under review, no town or village was electrified. The total expenditure on the rural electrification schemes was Rs. 71,41,021.

7. *Irrigation Pumps.*—An expenditure of Rs. 2,99,957 was incurred on the work of extending power lines to irrigation pumps. The total number of irrigation pumps at the end of year was 822 as against 707 in the previous year.

8. *Power Generated.*—The total energy generated in Killowatt hours was 303,659,300 against 285,989,000 in the

previous year. The maximum demand on Generating Stations at Sivasamudram and Shimshapura went up to 69,745 H.P. (52,030 K.W.)

The total energy consumed during the year was 231,701,536 units as against 220,722,860 units in 1944-45.

The *per capita* consumption of electrical energy in the State during the year was 31 units as against 30 units in the previous year.

9. *Power and Lighting Installations.*—At the end of the year under review, there were 6,219 power installations and 56,038 lighting installations as against 6,906 and 53,261 during 1944-45.

10. *Depreciation Fund.*—The amount credited to the Depreciation Fund was Rs. 14,76,774 including a sum of Rs. 1,30,000 for the Krishnarajasagara Dam and the total amount that stood at the credit of the fund was Rs. 1,33,47,556.

11. *Contribution Works.*—The cost of the works executed for other Departments of Government amounted to Rs. 1,10,471 as against Rs. 3,54,473 of last year.

12. *Stores.*—The total value of the stores purchased during the year under review was Rs. 1,07,36,504 as against Rs. 84,73,633 during 1944-45 and Rs. 30,70,766 during 1943-44. A sum of Rs. 71,12,994 was spent on foreign purchases and Rs. 36,23,510 on local purchases.

13. *Inspections.*—Out of 12 Sectional and 53 Sub-sectional Offices which had to be inspected during the year under review, 6 Sectional Offices and 23 Sub-sectional Offices were inspected by the Auditor and his Assistants.

14. *Accidents.*—There were 15 cases of fatal accidents, out of which 5 related to departmental employees and the remaining 10 to non-departmental men.

15. *Interruptions.*—There was one pre-arranged shut-down lasting for 5 hours and 40 minutes on the Kolar, Mysore and Bangalore transmission systems and 3 unforeseen interruptions lasting for 53 minutes due to Station trouble.

16. *Jog Hydro-Electric Works—Electrical Portion.*—The actual outlay incurred during the year was Rs. 64,49.463 as against the revised grant of Rs. 1,12,35,000. The first Generator is expected to be serviced during the early part of 1947.

17. The working of the department continued to be satisfactory during the year under review.

R. RAMAKRISHNA, *Elecl. Secy.*

Reviews the Administration Report of the Railway Department for the year 1945-46.

READ—

Letter No. A. 454, dated the 7th November 1946, from the General Manager, Mysore State Railway, submitting the Administration Report of the Railway Department for the year 1945-4 .

ORDER NO. R. S. 1949-99—RY. F. 34. G. 46-47, DATED BANGALORE, THE 5TH FEBRUARY 1947.

Recorded.

2. *Administrative Changes.*—Mr. H. Rangachar, M.A., was in charge of the department as General Manager and was succeeded by Mr. M. Venkatesh, B.E., A.M.I. (Mech.) E., A.M.I. Loco., E., on 1st April 1946.

3. *Open Lines.*—The open line mileage owned by the State and the District Boards was 757'75, the same as in last year. Of the total mileage, 9'88 miles comprise the broad-gauge line of the Kolar Gold Field Railway branch which is worked by the Madras and Southern Mahratta Railway.

4. *Lines worked by the State.*—The total capital invested on all the State lines amounted to Rs. 712'89 (Rs. 703'02) lakhs. The Capital outlay during the year was 9'87 (1'48) lakhs. The total gross earnings of all the State lines were Rs. 180'40 (Rs. 168'60) lakhs. The working expenses, including contribution to the Depreciation Fund, amounted to Rs. 124'46 (Rs. 118'22) lakhs, the surplus profits and guaranteed interest being Rs. 1'52 (Rs. 2'03) lakhs. The net revenue to Government was Rs. 54'42 (Rs. 48'35) lakhs.

There was an increase of Rs. 11'80 and Rs. 6'07 lakhs in Gross and Net Revenues, respectively. The percentage of return on Capital and the gross earning for the year 1945-46 were the highest on record.

5. *Lines worked by M. & S. M. Railway.*—The gross earnings of the lines worked by M. & S. M. Railway (Kolar Gold Field Railway) amounted to Rs. 2'44 (Rs. 2'24) lakhs. The working expenses amounted to Rs. 1'21 (Rs. 1'46) lakhs resulting in a net earning of Rs. 1'23 (Rs. 0'78) lakhs.

6. *Depreciation Fund.*—The opening balance of the Depreciation fund was Rs. 128'50 (Rs. 90'01) lakhs. A sum of Rs. 42'97 (Rs. 40'96) lakhs was contributed to the Fund from the revenues of the Railways. After deducting a sum of Rs. 3'77 (Rs. 2'47) lakhs on account of replacements and renewals charges, there remained a closing balance of Rs. 167'71 (Rs. 128'50) lakhs at the end of the year.

The expenditure on depreciation works during the year under review is not adequate. Major improvement works still remain to be worked out. The programme of expenditure has to be worked out in full without allowing large amounts to lapse if rehabilitation and improvement of rolling stock and permanent way have to be effectively secured.

7. *Stores.*—The year opened with a balance of stock valued at Rs. 20'82 (Rs. 19'04) lakhs. Stores of the value of Rs. 39'14 (Rs. 22'55) lakhs were added during the year. Stores valued at Rs. 34'79 (Rs. 20'75) lakhs were issued, leaving a closing balance of Rs. 25'17 (20'82) lakhs at the close of the year.

8. *Train Service.*—There was a slight increase in passenger train services as compared with the previous year. The speed of the passenger trains was reduced to admit of putting on more coaches to accommodate passengers. Most of the trains that were cancelled on account of war conditions were reintroduced.

9. *Accidents.*—There were no accidents of a serious nature involving loss of life, except 16 cases of tres pasers who were injured and killed.

There were 10 cases of derailment of goods trains and eight cases of passenger trains due to different causes and 18 cases of parting of trains due to the breakage of coupling screws of goods vehicles.

10. *Engineering Works.*—The work relating to the strengthening of the Bangalore-Mysore track and the remodelling of the goods yards at Bangalore and Yeswantpur was in progress. An engineering survey of a line to connect Chitaldrug with Royadrug was sanctioned. Among the schemes that are under consideration are electrification of certain sections, remodelling of several stations, improving the standard of track, providing additional quarters to the staff, formation of engineering workshops, and reorganisation of the Signals Branch.

11. *Relief to Employees.*—Two months' pay as War and Victory Bonus was given to all non-gazetted employees of the department in recognition of the strenuous work done by them during the period of War. Interim relief was also sanctioned to the employees, pending the examination of the question of reorganisation of the department. The payment of Dearness Allowance was continued during the year at enhanced rates.

12. *Post-War Schemes.*—Up-to-date traffic train control system, Suburban Electric Railways for Bangalore, electrification of Mysore-Bangalore City Section, improved signalling arrangements, construction of new quarters for essential staff, improvement of communications, Chamarajanagar-Satyamangalam-Mettupalyam Railway and arrangements for traffic survey for the proposed Bhatkal Harbour are some of the important development schemes in the post-war Railway plan. Necessary steps must be taken to ensure prompt and satisfactory execution of the schemes as and when they are sanctioned.

13. *Local Advisory Committee.*—The first meeting of the newly constituted Advisory Committee was held on Saturday the 25th May 1946, and the members were kept fully informed of the important problems pertaining to Railway administration.

14. *General.*—Though the work of the department is noted to be generally satisfactory, it has to be stated that much remains to be done to improve the efficiency of train services and the amenities to the travelling public. The department must endeavour to see that the scheduled departure and arrival train timings are kept up as far as possible. The train miles per train engine hour which works to an average of 8'64 is very low and necessary measures should be

taken to raise this figure suitably. In spite of the extra staff sanctioned and the fairly good progress made during the year under review, a very large number of claims cases are seen to be still pending disposal and the duration of pendency is also large. It is hoped that every effort will be made to speed up the disposal of claims cases and to bring down the number of pending cases during the current year. Representations are being repeatedly made that ticketless travel is still going on, on a large scale. Stringent measures should be taken so as to bring this evil effectively under control. Necessary steps should also be taken to organise the fuel economy campaign without further delay.

(NOTE.—Figures for the previous year are shown in brackets after those pertaining to the year 1945-46.)

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Records the Administration Report of the Co-operative Department for the year 1945-46.

READ—

Letter No. 6350, dated 24th December 1946, from the Registrar of Co-operative Societies forwarding the report on the working of the Co-operative Societies in Mysore during 1945-46.

ORDER NO. A. F. 4597-756—C. S. 33-43-2, DATED BANGALORE, THE 18TH FEBRUARY 1947.

Recorded.

Mr. M. D. Venkate Urs, B.A., was in charge of the department during the year except for certain short periods in September and November, December 1945 and January and February 1946 when he was on leave, and during his absence Mr. S. Muninanjappa, B.A., B.L., Deputy Registrar of Co-operative Societies, was in additional charge of the duties of the Registrar. Two new Divisional Offices of Assistant Registrars of Co-operative Societies, one at Mandya and the other at Chikmagalur, were sanctioned in Government Order No. A. F. 1966-7—C. S. 59-43-8, dated 18th October 1945, bringing the total number of Divisions to 10 as against 8 in the previous year.

The number of societies of all classes at the close of the year was 2,526 (2,500). Eighty-six societies were registered and the registration of 60 societies was cancelled, so that the net increase in the number of societies during the year was 26 (93). The progress achieved by the societies during the year is reflected in the increase in their membership, working capital, deposits, and reserve fund. They had a total membership of 226,595 (212,534), with a share capital of Rs. 75,80,679 (Rs. 69,84,516) and a total working capital of Rs. 363,88,094 (Rs. 312,05,879), including deposits amounting to Rs. 169,09,315 (Rs. 156,97,453), and the reserve fund built up by them amounted to Rs. 43,84,350 (Rs. 42,91,405). The profits earned by the societies, however, decreased from Rs. 8,94,582 in 1944-45 to Rs. 8,70,322 in the year under report. The decrease in net profits of the agricultural and non-agricultural societies is attributed to the fact that many of the societies ceased to deal in the purchase and sale of food-stuffs and that the loan transactions also decreased considerably.

Central Institutions.—There were four Central Banks at the end of the year. As in previous years, the Apex Bank continued to be the sole agency for the grant of short and intermediate term credits to the affiliated Primary Societies and for the financing of all House-Building Societies in the State. The working of this Bank showed improvement under almost all heads. There was a noticeable improvement as regards loans outstanding against the members and the recoveries during the year.

Primary Societies—Agricultural.—The number of these societies was 1,803 (1,763) excluding 75 Land Mortgage Co-operative Societies, with a total membership of 89,412 (81,429) and a total working capital of Rs. 53,72,722 (Rs. 49,66,620). Of these societies, 1,664 were ordinary credit societies, 27 agricultural supply societies, 46 marketing societies, 28 grain banks and 38 miscellaneous societies. Of the marketing societies, again, the Malnad Areca Marketing Society, Ltd., Shimoga, the Achanahalli Cardamom Co-operative Society Unlimited, Sakleshpur, the Arsikere Cocoanut and Copra Marketing Society, Ltd., Arsikere, the Sakleshpur Bee-keepers Co-operative Society, Ltd., Sakleshpur, the Arsikere Cotton Marketing Co-operative Society, Arsikere, and the Ganjam Fig Marketing Co-operative Society, Ltd., Seringapatam, deserve special mention for their good work. The working of the Grain Banks is reported to be not satisfactory owing to unfavourable seasonal conditions and the passing of the Grains Procurement Order by Government.

Non-Agricultural Societies.—The total number of these societies at the end of the year was 643 (557) including 416 credit institutions, 151 consumers societies, 47 weavers' societies and other industrial societies and 7 miscellaneous types of institutions. They had a total membership of Rs. 1,22,420 (1,17,128) and a total working capital of Rs. 217,04,542 (Rs.194,46,008). Besides the consumers societies, as many as 430 ordinary credit societies, both in urban and rural areas, undertook the distribution of controlled articles and food grains. The Departments of Food and Civil Supplies have recognised these societies as suitable agencies for the distribution of consumers goods to the public. The appreciation by the public of the services rendered by these institutions, as evidenced by the incessant demand for membership in the well-established consumers societies and for more

societies of this type even in the rural areas, is a hopeful augury for the expansion and development of distributive co-operation.

The Employees' Societies, numbering 200, also did good work in this direction. Of the Depressed Class Societies, the Chickkanahalli Cobblers' Co-operative Society, the Doddasiddavvanahally and Sondekola Adikarnataka Societies have registered good progress during the year. Some of these societies deputed their members to the Bangalore Industrial Schools for training in the manufacture of leather goods. The improvement of this class of societies, to absorb all skilled workers, is engaging the attention of the department.

Land Mortgage Scheme.—Besides the Mysore Central Co-operavive Land Mortgage Bank, Ltd., 75 Primary Land Mortgage Societies were functioning at the close of the year in 72 taluks and 3 sub-taluks and a portion of a taluk. Both the Land Mortgage Bank and the Land Mortgage Societies have worked satisfactorily in spite of adverse conditions. Since its inception, the Bank has sanctioned long-term loans amounting to Rs. 35,76,672 in 3,205 cases; and the amount actually disbursed in 3,099 cases amounted to Rs. 34,25,057.

Co-operation in Malnad.—There were 443 (436) societies, including 17 Land Mortgage Societies, functioning in the Malnad. They had a total membership of 35,712 (35,110), with share capital, deposits, and working capital amounting to Rs. 9,88,708 (9,33,389); Rs. 10,75,356 (9,44,056); and Rs. 49,57,944 (39,43,526) respectively. The reserve fund of all the societies amounted to Rs. 6,30,780 (5,91,269) and they earned a net profit of Rs. 1,73,527 (1,58,292) during the year.

Disputes and Litigation.—The disposal of disputes during the year formed 80·1 per cent as against 77·7 per cent in the previous year. In spite of the special staff sanctioned by the Revenue Commissioner for the execution of the co-operative decrees in certain taluks, there were 6,105 decrees pending execution at the end of the year. Government consider that the number is still large and hope that more vigorous steps will be taken by the Co-operative and Revenue Departments to reduce this pendency appreciably during the current year.

Small Savings Scheme.—This scheme was introduced in August 1944, and a Special Officer of the grade of Assistant Registrar was sanctioned to assist the Registrar in the work connected with the scheme. It is satisfactory to note that the scheme has proved quite a success as evidenced by the purchases of National Savings Certificates to the value of Rs. 28,16,065 up to the end of June 1946. The scheme is reported to be gradually becoming popular and the Registrar is requested to continue to devote special attention to making it more popular particularly among the rural folk.

Cost of Administration.—The expenditure on the working of the department during the year amounted to Rs. 1,76,671. The societies have also spent a sum of Rs. 7,32,464 on management charges.

The working of the department during the year was on the whole satisfactory.

Government note with satisfaction that the Co-operative Movement is steadily gaining ground in the State both in rural and urban areas and that the department has been working out a number of development schemes calculated to enhance its popularity and extend its sphere of influence and usefulness.

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Sanctions the proposals of the Superintendent of Veterinary and Animal Husbandry Services for the starting of two Sheep Breeders Associations, one each in Chitaldrug and Tumkur Districts.

READ—

Correspondence ending with letter No. A4-2452—46-47, dated 28th September 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting proposals for the starting of Sheep Breeders' Associations in Chitaldrug and Tumkur Districts.

ORDER No. A. F. 46-5-18—A H. 49-46-6, DATED BANGALORE, THE 8TH FEBRUARY 1947.

The Superintendent, Veterinary and Animal Husbandry Services, submitted to Government in February 1946, proposals for the re-organisation of the grades of pay of the staff of the existing Associations as well as for the starting of two new Associations at Tumkur and Chitaldrug. It was considered that the revision was not so urgent and that it might well wait for a more favourable time.

As regards the starting of two new Associations at Tumkur and Chitaldrug, the Superintendent was requested to make a separate reference specifying the need for these Associations and the cost involved.

The Superintendent has accordingly submitted proposals for the starting of Sheep Breeders' Associations in the Districts of Tumkur and Chitaldrug. He reports that the Districts of Tumkur and Chitaldrug are predominantly sheep rearing areas and that the sheep rearing public have taken a great interest in the improvement of their flocks and that the absence of these Associations is being acutely felt by them and that a sub-office to each of these Associations is also necessary to give relief to the main Association located at District Headquarters. He, therefore, recommends that two Associations, one each in Tumkur and Chitaldrug Districts, with a sub-office to each of them may be sanctioned at a non-recurring expenditure of Rs. 1,000 and a recurring expenditure of Rs. 3,360 for the first year for each Association as detailed below :—

Abstract.

	Rs.
Tumkur District ...	4,360
Chitaldrug District ...	4,360
Grand Total ...	8,720

He adds that the expenditure during the current year may be met out of the anticipated savings in the budget grants of the Department under "Sheep Breeding Operations", necessary provision in this behalf being included in next year's budget under "Sheep Breeding Farms".

The Board of Agriculture and the Finance and Co-ordination Committee of the Mysore Economic Conference have also considered the scheme and have commended it for the consideration of Government.

On a careful examination of the question, Government are pleased to sanction the proposals of the Superintendent, Veterinary and Animal Husbandry Services with the following modifications as regards the number and scale of pay of the staff :—

(1) The Sheep Inspector will be allowed a grade pay of Rs. 40-3-70.

(2) The Fieldman will be allowed a fixed pay of Rs. 30 per mensem.

(3) One Shearer in grade Rs. 20-1-25 will be allowed to the main office.

The expenditure during the current year will be met out of the anticipated savings in the current year's budget provision under "Sheep Breeding Operation".

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

Sanctions a scheme for the introduction of Artificial Insemination of animals as a measure of live-stock improvement in the State.

READ—

Government Order No. A. F. 4166-7—A. H. 38-44-4, dated 14th March 1945, sanctioning the purchase of Artificial Insemination Equipment for the Veterinary Department.

Government Order No. A. F. 4177-8—A. H. 63-45-4, dated 21st February 1946, sanctioning the deputation of two Veterinary Inspectors for training in the technique of Artificial Insemination in animals at the Imperial Veterinary Research Institute, Izatnagar, for a period of two weeks.

Government Order No. A. F. 1564-9—A. H. 27-46-2, dated 20th September 1946, sanctioning the deputation of another batch of six men for the same training.

Letter No. A1-94—45-46, dated 10th October 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting a scheme for the introduction of Artificial Insemination of Animals as a measure of live stock improvement in the State.

ORDER NO. A. F. 4619-25—A. H. 27-46-6, DATED BANGALORE, THE 8TH FEBRUARY 1947.

The Superintendent, Veterinary and Animal Husbandry Services, reports that recent experiments in advanced countries have proved that artificial insemination of animals possesses many advantages over the natural method and is by far the most efficient and economical method of improvement of live-stock on a large mass scale.

He accordingly proposes that two centres, one at Bangalore and the other at Mysore, may be started as adjuncts to the respective Veterinary Hospitals, where large numbers of cows are brought for being serviced by the bulls stationed there so as to make artificial insemination service available at both the centres free of cost in the initial stages, a fee being gradually introduced for such service when it has gained the confidence of the general public, the scale of fee for service by the natural method being doubled in the meanwhile.

He also suggests that one pedigree Scindhi bull, one selected buffalo bull and one outstanding Hallikar bulls may be maintained at each of these two centres exclusively for artificial insemination purposes and that the present bulls may also be maintained during the first two years for being used for natural service till the time the new artificial insemination becomes popular.

The Superintendent further states that when all the Veterinary Inspectors deputed for training are fully qualified and the equipment for which orders have already been placed is received, it will be possible to start sub-stations at the head-quarters of other districts and also at Taluk head-quarters. The total expenditure for starting the two centres at Mysore and Bangalore and working them for one year is estimated at Rs. 21,700 (capital cost at Rs. 13,800 and recurring Rs. 7,9 0) as detailed below and is proposed to be met from the lumpsum grant of Rs. 2,00,000 provided for post-war development schemes in the current year's budget.

STATEMENT OF EXPENDITURE.

Non-recurring :—

		Rs.
1.	Cost of one Scindhi pedigree bull ...	750
2.	Cost of one Murrah and one Hallikar pedigree bull.	1,200
3.	Purchase and erection of one Nissen hut for accommodating bulls and laboratory.	2,000
4.	Purchase of one Refrigerator ...	1,000
5.	Artificial insemination apparatus—Russian pattern with accessories for cattle and sheep.	500

8.	Furniture	300
9.	Books and literature	100
	Total for one centre ...	6,900
	Total for two centres ...	13,800

Recurring :—

1.	Allowance to Veterinary Inspector at Rs. 50 per mensem.	600
2.	Pay for one stockman at Rs. 40-2-60 ...	480
3.	One Laboratory Attendant or Veterinary Compounder on Rs. 25 per mensem.	300
4.	Pay of 3 Care-takers at Rs. 10-1-15 ...	360
5.	Feeding charges for 3 bulls at Rs. 50 per mensem per bull.	1,800
6.	Provision of prizes for selected artificial insemination calves.	110
7.	Contingencies	300
	Total for one centre ...	3,950
	Total for two centres ...	7,900

The Superintendent, Veterinary and Animal Husbandry Services, has solicited orders of Government on the following :—

(1) To introduce the scheme of artificial insemination of cattle and to start two centres, one at Bangalore and the other at Mysore, for a period of five years in the first instance ;

(2) To undertake artificial insemination of cows free of cost and to enhance the fee for natural service from Re. 1 to Rs. 2 per service ; and

(3) To incur the capital and recurring expenditure during the first year (as per details noted above) out of the budget grant provided for the post-war scheme of the Veterinary Department, proposals for incurring similar expenditure in subsequent years being provided for in the usual course.

In the circumstances stated above, Government are pleased to sanction the proposals of the Superintendent, Veterinary and Animal Husbandry Services, with the modification that the allowance to the Veterinary Inspector may be fixed at Rs. 25 instead of Rs. 50 as recommended by the Superintendent.

DEVELOPMENT SECRETARIAT

Sanctions the abolition of the post of the Director of Textiles and the appointment of two Assistant Directors to the Department of Textiles.

READ—

G. O. No. D. 7844-7910—I. & C. 601-43-1, dated 8th June 1944, sanctioning *inter alia*, the creation of the post of a Director of Textiles in connection with the revised arrangements made for the conduct of the work connected with Government Industrial Concerns and aided companies.

2. Correspondence ending with letter No. E. 175—46-47, dated 22nd August 1946, from the Director of Textiles, requesting in the circumstances stated, sanction of Government for the appointment under him of two Assistant Directors on a pay of Rs. 200—40/2—400, one for general supervision and another with technical qualifications for dealing with technical matters.

ORDER No. D. 4979-81—I. & C. 20-45-11, DATED BANGALORE, THE 17TH FEBRUARY 1947.

With a view to making satisfactory arrangements for the supply of yarn to handloom weavers and protecting, in general, the cottage weaving industry, a separate department called the Department of Textiles was created in G. O. read above. The Department was placed under the control of the Director of Textiles.

Since the inception of the Department of Textiles, the Director has been urging, from time to time, the creation of two posts of Assistant Directors for his Department. He has reported that the activities of his department have increased considerably on account of the increase in the number of yarn depots to 60 and of the production (relief) centres to 10 and requested sanction of Government for the appointment for two well qualified Gazetted Assistants for his department in the grade of Rs. 200—40/2—400.

While the above proposal was under the consideration of Government, the Director of Textiles (Mr. B. K. Murthy) requested to be retired from service and his request was complied with by Government.

Government have carefully considered the position arising from the retirement of Mr. B. K. Murthy and have come to the conclusion that there is no need for the appointment of a Director of Textiles in the present circumstances. The post of the Director of Textiles is hereby abolished and the work transferred to the Director of Industries and Commerce in Mysore.

Two Assistant Directors will, however, be appointed—one of them to be in-charge of the handloom production of cotton and silk goods and the other in charge of the technical side of the development relating to all textiles including woollen textiles and the furnishing of designs, etc. The former Assistant Director will for the time being be attached to the Controller of Civil Supplies and will guide the Inspectors appointed to assist in fixing the prices of cloth. The other Assistant Director will work under the supervision and control of the Director of Industries and Commerce. Power looms will also come under the charge of the two Assistant Directors in the respective spheres indicated for them.

Regarding the Assistant Director who will be in-charge of handloom and cotton goods, the Controller of Civil Supplies is requested to submit proposals about the scale of pay for the Assistant Director and the necessary staff required to work under him. Mr. D. R. Gunduraj, Director of Textiles in-charge, is appointed as Assistant Director and is posted to work under the Controller of Civil Supplies.

As regards the other Assistant Director, the Director of Industries and Commerce is requested to submit his proposals on the above basis, including the revision and re-allocation of staff, etc., now working in the Office of the Director of Textiles.

Sanctions the constitution of a Committee to examine and report about the Fire Insurance Scheme.

READ—

Correspondence ending with letter No. F. 268, dated 12th August 1944, from Mr. E. V. Ganapati Iyer, the then Controller of Civil Supplies, forwarding certain proposals for the organisation of a Fire Insurance business in the State on a Joint-Stock basis.

ORDER No. D. 5082-88—I. & C. 77-43-17, DATED BANGALORE, THE 14TH FEBRUARY 1947.

Mr. E. V. Ganapati Iyer reported to Government that there was good scope in the State for organising a fire insurance scheme on a joint-stock basis and proposed, among other things, the constitution of a committee, composed of both official and non-official members, to consider the essential preliminary arrangements to be made, to draw up the necessary Memorandum and Articles of Association of the proposed Fire Insurance Company and to secure the other necessary facilities for the formation of the Company. While considering this proposal, Government deputed Mr. M. S. Narasimha Sastry, B.A., Assistant Secretary, Mysore Government Insurance Department, to collect information regarding the volume of fire insurance business in the State, with a view to ascertaining whether "*prima facie*" there was a scope for floating a Company to handle the business. Mr. Narasimha Sastry also visited Madras and Bombay in order to secure additional information in regard to the working details of the scheme, by interviewing the officers of the various insurance companies established in those places. He has now submitted a report on the result of his investigations and it is gathered therefrom that it is possible to organise the business in Mysore as suggested by Mr. Ganapati Iyer.

Government are accordingly pleased to direct that a Committee consisting of the undermentioned official and non-official members be constituted. The Committee is requested to examine the question in all its details and submit definite proposals at an early date for the orders of Government. The Home Minister will be the Chairman of the said Committee and Mr. M. S. Narasimha Sastry, B.A., Assistant Secretary, Mysore Government Insurance Department, will be the Secretary to the Committee :—

1. Home Minister (*Chairman*).
2. The Secretary to Government, Financial Department.
3. The Secretary, Mysore Government Insurance Department.
4. Mr. E. V. Ganapati Iyer, B.Sc., Director of Sandalwood Oil Factories.
5. Mr. B. G. Appadorai Mudaliar, B.A., B.Sc., etc., Director of Industries and Commerce in Mysore.
6. The President, Mysore Chamber of Commerce, Bangalore.
7. The Manager, The Bank of Mysore, Ltd., Bangalore.
8. Mr. R. Rama Setty, Cotton Merchant, Davangere.
9. Mr. B. N. Gupta, M.R.A., Bangalore.
10. Mr. M. L. Srikantiah, B.A., B.L., Editor, "Mathru Bhoomi," Bangalore.
11. Mr. N. P. Govinda Gowda, B.A., M.R.A., President, District Board, Kadur.

FINANCIAL SECRETARIAT

Sanctions the grant of Interim Relief to Government Employees drawing a pay of Rs. 250 and below per mensem.

READ—

Government Order No. 2482-2569—C. B. 178-46-1, dated 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and the ministerial non gazetted and inferior service establishment of the several departments of Government.

2. Letter No. 243—C. R. S., dated 5th February 1947, from the Secretary, Committee for Revision of Salaries, forwarding an extract of the proceedings of the meeting of the Committee held on 3rd February 1947, relating to the grant of interim relief.

ORDER No. FL. 6350-6419—S. & A. 114-46-2, DATED BANGALORE, THE 25TH FEBRUARY 1947.

Several representations have been made both to Government and to the Committee for Revision of Salaries by the Non-Gazetted Staff of the several departments of Government urging the need for the grant of immediate relief as an interim measure, pending the consideration of the question of the revision of the scales of pay and Government decision thereon. The Committee for Revision of Salaries have felt that the question of the grant of interim relief did not fall within the purview of the Committee and have forwarded the representations to Government for such needful action as is deemed necessary in the matter.

After a consideration of the question of the grant of interim relief, Government are of opinion that, as the examination of the scales of pay of the subordinate staff by the Committee and a report thereon would take some more time, some urgent relief as an *ad interim* measure is considered necessary and they are accordingly pleased to direct that one month's pay may be given as bonus by way of interim relief to all Non-Gazetted Staff, as also such of the Gazetted Staff who are in receipt of a pay of Rs. 250 per mensem and below.

The grant of this bonus is subject to the following conditions :—

(1) This bonus is not admissible to Railway Employees or employees of Government Industrial Concerns who have already been granted bonus during the current year.

(2) For purposes of calculating the bonus, pay may be taken to include permanent pay, temporary pay and acting allowance.

(3) The pay for the purpose of the grant of bonus is the pay of the individual concerned as it stood on the 1st February 1947.

(4) This bonus is admissible to only such of the employees who have put in a minimum service of at least 90 (ninety) days or three months as on *1st February 1947*.

The expenditure on account of the grant of interim relie may be charged to a separate head under "32-B. Expenditure connected with the War," the charge relating to the Fund Head and the Departments for which expenditure is chargeable to working expenses being debited to the respective Heads.

The Comptroller to Government is requested to intimate the exact amount necessary to meet the above payment in due course so that a demand may be placed before the Legislative Council at its next Session.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Issues instructions regarding the execution of the First and Second Stages of the Industrial Suburb Scheme, Bangalore, by the City Improvement Trust Board, Bangalore.

READ—

Government Order No. L. 10656-64—Ml. 190-43-3, dated 26th April 1945, sanctioning the first stage of the scheme for the formation of an Industrial Suburb to the West of Bangalore City, at an estimated cost of Rs. 22,42,000.

2. Letter No. 1945—45-46, dated 28th May 1946, from the Chairman, City Improvement Trust Board, Bangalore, requesting orders of Government on the following Resolutions passed by the City Improvement Trust Board at its meetings held on 13th March 1946 and the 30th March 1946, regarding the first and the modified second stage of the Industrial Suburb Scheme and the shifting of the present Bamboo Bazaar and Timber Yard to the Industrial Suburb area :—

Resolution dated 13th March 1946.

"Resolved that the acquisition of lands for both the Northern and Southern portions of the Industrial Suburb be notified and taken up simultaneously in order to provide sites for every type of industry and that Government requested to appoint a Special Land Acquisition Officer exclusively for the purpose."

"Resolved that the new Bamboo Bazaar and Timber Yard be located to the north of the Mysore-Bangalore Railway line and on both sides of the new road to be formed from the new Railway goods yard on the Magadi Road to the Sirsi Circle on the Mysore Road."

Resolution dated 30th March 1946.

"Resolved that the modified estimate at a cost of Rs. 19,15,000 fo the second stage of the Industrial Suburb be prepared and sub mitted to Government for sanction."

ORDER NO. L. 11863-9—ML. 111-46-2, DATED BANGALORE, THE 27TH FEBRUARY 1947.

In the Government Order dated 26th April 1945 read above, sanction was accorded to the first stage of the scheme for the formation of an Industrial Suburb to the West of Bangalore City, at an estimated cost of Rs. 22,42,000. Acquisition proceedings in respect of the lands have been ordered to be taken under Section 17 of the Land Acquisition Act.

2. It is reported that about 406 acres of land have already been acquired for the first stage and that action is being taken to take possession of these lands by the Trust Board.

3. It is stated that most of the applicants for sites in the Industrial Suburb area have asked for allotment of sites in the Southern portion of the Industrial Suburb, where the ground is at a lower level and much more even than in the northern portion and that the Trust Board has, at its meetings held on 13th March 1946 and 30th March 1946, resolved that the first and the modified second stage of the scheme be taken up simultaneously, with a view to meet the demand for sites for new industries.

4. It is further stated that about 50 acres of land would be required for locating the small industries which are now established within the City Municipal limits and that the sites proposed to be formed in the first stage of the scheme would not be suitable for the installation of heavy machinery and equipment and that water cannot also be tapped easily in this area.

5. Subsequently, the Trust Board has, at its meeting held on 19th August 1946, resolved that 4,000 sites may be formed in the area earmarked for the first stage of the Scheme for residential purposes. This will be quite near to the second stage of the Industrial Suburb area and when Factories are started there, it would be possible to house in this area, the labourers employed therein.

6. After a careful consideration of the recommendations of the Trust Board, Government are pleased to accord general sanction to the following proposals :—

(1) Formation of the "Northern Zone" of the Industrial Suburb, by acquiring about 230 acres of land in the Yeswanthapur and Kethamaranahalli villages and to allot sites therein for locating the Soap Factory, Kirloskar's Factory and similar other concerns, requiring the use of Railway sidings.

(2) Modified second stage of the Industrial Suburb Scheme involving the acquisition of 577 acres and 38 guntas of land and estimated to cost about Rs. 19,15,000 as recommended by the Board for locating the Bamboo Bazaar, Timber Yard, and big and small industries, pending submission of detailed estimates for these schemes.

(3) To modify the Government Order, dated 26th April 1945, read above by substituting in place of the First Stage of the Industrial Suburb, a residential extension consisting of 4,000 sites. This extension is also intended to provide for housing the labourers working in industrial establishments.

7. The Deputy Commissioner, Bangalore District, is requested to take immediate action for the acquisition of the lands referred to in (1) and (2) *supra* after ascertaining the correct details of survey numbers, khatedars and the extent to be acquired in each survey number. The declaration statements in this behalf may be submitted to Government under Section 17 of the Land Acquisition Act. Government further direct that the following industries may be allotted sites in the Industrial Suburb area, after the acquisition proceedings are completed:—

(1) Mysore Government Soap Factory ... 20 acres
(2) Messrs. Kirloskar Co. ... 20 acres

Applications for sites to locate industries from persons whose lands were acquired for the industrial suburb area should receive special consideration.

8. The Chairman, City Improvement Trust Board, is requested to submit proposals in regard to the conditions to be laid down for the disposal of sites for industrial purposes or otherwise in different localities of the Industrial Suburb areas.

9. Orders regarding the employment of a separate Land Acquisition Officer for the Trust Board, to acquire the lands on behalf of Government will be issued separately.

10. Government further direct that the Industrial Suburb area should be limited on the Mysore Road to the end of the Railway chord line and where the Airmec and other Factories are located and that the construction of Factories beyond this limit should not be permitted. With a view to preventing other buildings coming up in the area, and to have effective control over this area, the area between the Magadi Road and Mysore Road and a little beyond the Mysore Road should also be acquired and kept reserved. A map showing the entire area with clearly defined boundaries should be prepared without delay and two copies thereof submitted to Government for record. A notification defining the boundaries will issue separately.

11. The Chairman, City Improvement Trust Board, and the Deputy Commissioner, Bangalore District, are requested to take steps to give effect to these orders with the utmost expedition.

Letter No. Sm. 156—45-46, dated the 20th December 1946, from the Director of Agriculture in Mysore, proposing the extension of the concessions referred to in the above order for one more year, that is, during the summer of 1947 also.

Letter No. A9. 1178—46-47, dated the 23rd December 1946, from the Deputy Commissioner, Mandya District, on the subject.

ORDER NO. A. F. 4943-966—AGRI. 52-46-7, DATED BANGALORE, THE 22ND FEBRUARY 1947.

On account of the failure of rains last year, a scheme, was undertaken for the cultivation of Kar-grains in the water-receded portions of Krishnarajasagara, Irwin Canal Farm Bhadra Channel, Vani Vilas Sagara and in the dry beds of tanks and certain concessions were sanctioned by Government, in their orders, dated 7th February and 11th April 1946, read above. The Deputy Commissioner, Mandya District, has proposed that the concessions sanctioned by Government for the cultivation of Kar-ragi in the Irwin Canal Area may be continued and the Director of Agriculture has also proposed that the concessions granted in Government Order, dated the 7th February 1946 may be extended to all the growers of irrigated ragi in the State during the summer of 1947. The latter officer estimates that nearly 20,000 acres in the Irwin Canal Area, 3,000 acres in the Tumkur District and 2,000 acres under the Kanva Project are likely to be brought under irrigated ragi during the ensuing summer. The cost of the concession, at the present concessional rate of manure, *viz.*, Rs. 15 per acre, is estimated to be Rs. 4,12,500 in respect of all the 27,500 acres proposed to be brought under irrigated ragi and it is proposed to meet this expenditure from the provision under "32-B-13 (*a*) Grow More Food Campaign Subsidy towards the sale of manures and seeds at reduced rates" in the current year's budget. The total yield is estimated to be 80 to 90 thousand pallas of ragi, based on a conservative estimate of three pallas per acre. In the circumstances mentioned, Government are pleased to sanction the above proposals of the Director of Agriculture.

Letter No. El. 4431-187—46-47, dated the 27th January 1947, from the Director of Public Instruction, stating that some of the failed S. S. L. C. candidates as well as those who were declared E.P S. (Passed) in previous years have represented that the present rules which impose a restriction on the number of times that a failed school candidate is allowed to take the S.S.L.C. Examination in private and the interval of two years within which candidates declared E.P.S. have to apply for supplementary certificates have resulted in great hardship and have requested that their difficulties might be solved by removing the restriction imposed by these rules and recommending, in the circumstances mentioned, that the rules 19 and 29 of the S.S.L.C. rules in force be ordered to be deleted as resolved by the Secondary Education Board.

ORDER No. E. 6845—EDN. 65-46-8, DATED BANGALORE, THE 26TH FEBRUARY 1947.

The recommendation of the Director of Public Instruction is sanctioned.

ELECTRICAL SECRETARIAT

Issues certain clarification regarding guarantees to be furnished by applicants for power supply to irrigation pumps irrespective of their capacities.

READ—

Government Order No. EDS. 2561-87—Elecl. 115-45-3, dated the 4th May 1946, sanctioning certain proposals in regard to revised rates and conditions for power supply to irrigation pumps for a period of two years with effect from 1st November 1945.

2. Letter No. C. 549—13549, dated the 7—12th November 1946, from the Chief Electrical Engineer, stating that in cases of installations exceeding 3 H. P. (Nominal) the limit of Rs. 3,000 referred to in the Government Order, dated the 4th May 1946, read above has to be correspondingly raised, and that according to the procedure followed from 1st November 1945, in the case of such installations, line minimum may be waived in all cases where the capital cost does not exceed Rs. 1,000 per N. H. P. and that 8 per cent guarantee be insisted upon where the cost exceeds the limit of Rs. 3,000 but does not exceed Rs. 5,000/3 or Rs. 1,666 2/3 per N. H. P., and that as the Auditor, Electrical Department, requires specific orders of Government approving the procedure referred to above, sanction may be accorded.

ORDER No. EDS. 2296-3022—ELECL. 137-46-2, DATED BANGALORE, THE 20TH FEBRUARY 1947.

After a careful consideration of the matter, Government are pleased to issue the following clarification regarding guarantees to be furnished by applicants for power supply to irrigation pumps, *irrespective of their capacities*:—

(1) Power supply to irrigation pumps be arranged only after obtaining an agreement from the consumer that power supply will be taken for a continuous period of five years and the applicant guaranteeing to pay the horse power minimum specified in the schedule of rates, so long as the cost of power supply to each pumping set does not exceed Rs. 3,000.

(2) Whenever the cost per pumping set exceeds Rs. 3,000 but is within Rs. 5,000, a guaranteed return of 3 per cent on the capital cost be insisted upon.

(3) Whenever the capital cost is Rs. 5,000 and above per pump a guaranteed return of 5 per cent be insisted upon.

K. SRINIVASAN, *Secy., Food Dept.*

Passes orders reviewing the report on the working of the Food Supplies Department for the year ended June 1946.

READ—

Correspondence ending with letter No. C. 374—46-47, dated the 12th November 1946, from the Director of Food Supplies, forwarding the Administration Report of the Food Supplies Department during the year ended June 1946.

ORDER No. S. D. 7108-28—A. 63-46-4, DATED BANGALORE, THE 26TH FEBRUARY 1947.

Recorded.

2. *Administration.*—Mr. G. Sundara Rao, B.A., and Mr. K. Srinivasan, B Sc., continued to be the Director of Food Supplies and Additional Director of Food Supplies, respectively.

3. *Rainfall and Production.*—The rainfall during the calendar year 1945, was only 29·49 inches as against 39·18 inches during 1944 and was below the average for the past 35 years by 8·24 inches. Even this scanty rainfall was neither timely nor evenly spread and the rain failed when it was needed most with the result that the crops failed and the production during 1945-46 fell short by 90,201 tons in the case of rice and 205,249 tons in the case of millets as compared with the yield during 1944-45.

4. *Procurement of Foodgrains.*—The quantities of foodgrains acquired during the year under the Articles of Food Acquisition (Harvest) Order were as under:—

		Pallas.
1.	Paddy	14,49,433
2.	Ragi	2,52,380
3.	Jola	49,285
4.	Other millets... ...	2,856
5.	Wheat	372
	Total	17,54,326 pallas or 175,432·6 tons.

These figures represent a drop of 7,59,508 pallas or 75,951 tons as compared with the total quantities of foodgrains acquired during 1944-45.

5. *Imports from outside.*—In response to our representations to the Government of India for assistance to get over the difficult situation created by the serious shortage in local production and procurement, the Director-General of Food and other Officers of the Food Department of the Government of India visited the State to obtain information personally of the actual conditions in the State. His Excellency the Viceroy was also pleased to pay a visit to the State and tour the affected areas to acquaint himself with the seriousness of the prevailing conditions. In view of the food shortage throughout India the Government of India sent a Food Delegation to Britain and America to plead with the Combined Food Board for larger allotments from Overseas and Mysore was represented in the Mission by the then Dewan of Mysore, *Pradhanasiromani* N. Madhava Rau, C.I.E. Mr. Hoover, Ex-President of the United States of America and President Truman's Representative and his Party of Experts visited Mysore to study the food situation in the State. Though as a result of our representations and the Food Mission's visit to Washington the Government of India were able to allocate provisionally 137,000 tons of foodgrains to Mysore from out of the allotment promised to India by the Combined Food Board, the overseas allotment was subsequently reduced to 42,000 tons on account of the non-realisation of the tentative allotments promised by the Combined Food Board.

The following were the quantities of foodgrains imported during the year under the allotments made by the Government of India from Provinces and States in India and from overseas:—

	Tons.
Rice	66,561
Millets	19,688
Wheat	31,826
Wheat Products	8,621
Gram	13,089
Total ...	139,785

6. *Distribution of Foodgrains.*—The number of sales depots and ration shops functioning in the various districts at the end of the year under report was 2,266 as under:—

	Rationed Areas.	*Other Areas.*	*Total.*
Government Depots ...	49	537	586
Co-operative Society Depots ...	62	471	533
Municipal Depots ...	7	22	29
Village Panchayet Depots ...	...	834	834
Private Licensed Merchants ...	262	...	262
Others ...	22	...	22
Total ...			2,266

Arrangements were continued as during 1944-45 to make supplies of rations to the employees of large factories, establishments, etc., through their employers. Coffee Planters were allowed to take bulk supply of foodgrains required for their labour in quantities sufficient for six to nine months at a time. Bulk supplies were also made to the Mysore State Railway which had its own organisation, for distribution of foodgrains to its employees.

7. *Rationing.*—Statutory rationing was extended to the towns of Chikmagalur, Channapatna, Mandya, Tiptur and Chamarajnagar. Owing to the adverse seasonal conditions and the consequent deterioration of the food position, the general scale of foodgrain rations was reduced to 12 ounces per head with effect from the 17th February 1946, and severe austerity measures were imposed in addition, by the promulgation of the Mysore Food (Restriction in Service of Meals in Catering Establishments and Others) Order, 1946, the Mysore Milk (Use in Catering Establishments) Order of 1946 and the Mysore Bread Rationing Order.

8. *Central Nutrition Advisory Committee.*—On the advice of the nutrition expert of the Government of India, a Central Nutrition Advisory Committee for the State was constituted in G. O. No. S. D. 8523-38—R. 28-45-13, dated 23rd May 1946, to advise Government on matters relating to nutrition

9. *Storage and Preservation of Foodgrains.*—Owing to the fact that large stocks of foodgrains such as rice, wheat, wheat products, maize and millets were imported from outside

the State, the problem of providing suitable accommodation for them assumed greater importance during the year. In addition to the several private buildings taken on rent, six turn missen sheds, each having a capacity of 10,000 bags, were erected near the Bangalore City Railway Station at a cost of Rs. 78,630. The purchase of ten more sheds was sanctioned during the year for erection in Bangalore City and other important railheads in the State to meet the increased demand for accommodation.

It is observed from the report that the Foodgrains Storage and Preservation Committee held only five meetings during the year. In view of the large stocks held by Government the work of inspection and pest control should receive continuous attention and the Director of Food Supplies is requested to arrange for the Committee to meet at least once a month.

10. *Sugar Production.*—The stock position of sugar at the commencement of the year under report was very low giving cause for anxiety and the production during the year was also estimated to be only 11,800 tons, on account of the drop in the area under sugarcane planting owing to the failure of rains, the consequent low level of water in the Krishnaraj Sagar, and want of adequate quantities of oilcake and fertilisers. In view of the big gap between estimated production and actual requirements of sugar in the State, various measures had to be adopted to step up production and economise use of sugar. Crushing of sugarcane by raiyats for the manufacture of jaggery in some of the villages in the Irwin Canal area was prohibited, in order to secure the contracted quantities of sugarcane to the Sugar Company for conversion into sugar. A cut had to be imposed in the sugar rations to consumers and in the quantities issued to hotels and restaurants. The above measures enabled the Sugar Company to build up its stocks and increase its production to 17,500 tons of which 500 tons were supplied to Coorg and another 2,000 tons allotted to Travancore and Cochin after supplying the quota needed for Mysore.

11. *Other Controlled Commodities*:—

(*a*) Control over the movement, price and distribution of jaggery was continued.

(*b*) Pulses were also brought under the Basic Plan of the Government of India and procurement of the allotments made by the Government of India was made through Government agency and the consignments were handed over on receipt at the destination stations in the State to selected merchants for distribution to consumers according to the procedure laid down by the Department.

(*c*) A total ban was imposed on the export of groundnut seeds, horsegram and cotton seeds. Restrictions *re* the export of chillies, tamarind and onions except under permits were continued.

As, owing to failure of rains, the output of groundnut seeds was low a reciprocal arrangement was entered into with the Government of Madras for the supply by them of 6,450 tons of groundnut seeds in exchange of 4,300 tons of gingelly seeds from Mysore.

(*d*) Control over Vegetable Oil Products was introduced by the promulgation of the Vegetable Oil Products Control Order, 1945, under which power was taken to regulate distribution, to control prices and to prescribe a minimum standard of quality of the products. There were 1,379 dealers licensed by the Food Supply Department to sell these products.

12. *Food Councils.*—The Central Food Council, Bangalore, the Bangalore and Mysore City Food Councils and all the District Food Councils were reconstituted during the year making them more representative of the Houses of Legislature and other local interests.

13. *Preservation of Livestock.*—Restrictions over the export of cattle, sheep and goats were continued during the year. The following quotas were, however, sanctioned during the year :—

To Coorg—40 bullocks, 14 cows, 216 he-buffaloes and 1,600 sheep and goats per mensem.

To Coimbatore—120 sheep per mensem for the use of the Naval Personnel.

To the Pasteur Institute, Coonoor—96 sheep per mensem.

To the Southern Army at Bangalore—30,000 sheep, 50,000 goats and 60,000 poultry, for the calendar year 1946.

To the Madras Province—Eight thousand work bullocks and 2,500 he-buffaloes for the calendar year 1946.

With a view to prevent slaughter of young stock, the slaughter of cows and she-buffaloes below 15 years of age, and bulls, bullocks and he-buffaloes under 10 years of age was prohibited in Government Notification No. S. D. 757—C. 120-44-46, dated 1st August 1945.

To prevent depletion of poultry, restrictions were also imposed over the movement of fowls and eggs from the State to places outside, by the promulgation of the Mysore Fowls and Eggs (Movement) Control Order, 1945.

14. *Transport.*—On account of the failure of crops in the year the problem of expeditious movement of foodgrains both by rail and by road assumed very great importance. An officer of the status of a head of the Department conversant with problems relating to rail transport was appointed for arranging expeditious rail movement of foodgrains imported by the State from the Indian Provinces and States and from overseas.

There were eighty-one lorries with the Food Supplies Department engaged in internal transport at the commencement of the year and 117 more were acquired during the year. It is observed from the report that 159 lorries were being run under departmental control and management. The question of disposal of these lorries and transfer of transport work to private agency should be expedited.

15. *Kerosene Oil.*—It is observed that supplies to the State were increased from 18,000 units (144,000 gallons) to 36,000 units (288,000 gallons) per month during the year. There was also a reduction in the sale price of Kerosene during the year.

16. *Supply of Fuel and Charcoal.*—There was an improvement in the supply of fuel and charcoal in Bangalore City. Fuel was obtained through the Bangalore Fuel Supply and Transport Company, and charcoal through the Contractors fixed up by the Forest Department.

In Mysore City, Fuel Supply was in charge of the Mysore City Municipal Council who have been given the necessary lorries to facilitate transport. A special staff of one Forest Ranger and two Fuel Inspectors has been sanctioned by Government for supervising the stocking and issue of fuel in the depots.

17. *Standard Cloth.*—The Director of Textiles continued to be in charge of the scheme of distribution of standard cloth. It is observed from the report that there were only 9½ lakhs of yards of cloth on hand at the end of the year. The Director will speed up the disposal of the stocks and close the standard cloth depots without any further loss of time.

18. *General.*—Owing to the low production of foodgrains in the State and the reduction of overseas quota to Mysore consequent on the curtailment of the original allotments of the Combined Food Board to India, the food position caused great anxiety to Government during the latter part of the year. Various measures had to be adopted to reduce consumption and conserve the available stocks for utilisation in the difficult months during 1946-47. The scale of rations to agriculturists was reduced from 1·2 lbs. to 1·0 lb. or from 1/2 a seer to 1 2/3 pavu per head. Wheat and wheat products were issued in lieu of millets, and in order to place them within the reach of the rural population the sale price of wheat and wheat flour were fixed at four seers and 7 lbs. per rupee respectively. Substitute foodstuffs such as bengalgram, horsegram, groundnuts and pulses were made available in rural depots in substitution of millet ration and as supplementary food. To supplement the meagre scale of rations and to make up for the lack of adequate quantities of nutritious food, evaporated milk, milk powder and dehydrated potatoes were obtained and arrangements were made for the free distribution of reconstituted milk to children and expectant and nursing mothers in the distress districts of the State. Action was taken to start demonstration kitchens for popularising the use of uncommon foodstuffs and for running free kitchens for the indigent and the destitute among the rural population.

The officers and the staff had a very difficult task and Government are glad to note that the work of the Department was satisfactory.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Directs the conversion of Gudibanda Sub-Taluk into a pucca Revenue Taluk, with effect from the 1st July 1947.

READ—

Government Order No. R. 7048-109—L. R. 341-21-1, dated the 19th June 1922, directing, *inter alia*, the abolition of Gudibanda Sub-Taluk, with effect from the 1st July 1922 as a measure of retrenchment.

2. Government Order No R. 10-70—L. R. 60-22-5, dated the 26th September 1922, directing that as it was found necessary to retain the Sub-Taluk of Gudibanda for administrative purposes, it shall continue as a Revenue Sub-Taluk.

3. Correspondence ending with letter No. C. 10-C. 899—46-47, dated the 13th September 1946, from the Revenue Commissioner in Mysore, recommending sanction to the conversion of Gudibanda Sub-Taluk into a pucca Revenue Taluk and the construction of a road between Darinayakanapalya and Gudibanda over the hills and through the intervening forest area.

4. Un-official Note No. 28 of 1946-47, dated the 12th December 1946, of the Chief Conservator of Forests in Mysore, furnishing his opinion in the matter of the formation of a new road from Darinayakanapalya to Gudibanda, running through the forest area.

5. Further correspondence ending with letter No. C. 10-C. 818—46-47, dated the 2nd January 1947, from the Revenue Commissioner in Mysore, on the subject.

ORDER No. R. 8316 410—L. R. 319-45-10. DATED BANGALORE, THE 28TH FEBRUARY 1947.

Prior to 1882, Gudibanda was a Revenue Taluk comprising of the six hoblis of Gudibanda Kasaba, Somenahalli, Nagaragere, Darinayakanapalya, Mandikal and Namagondlu. During the year 1882 the taluk was abolished and the several hoblis were added on to the neighbouring taluks. On account of the repeated representations of the people of the area the present Sub-Taluk comprising of two hoblis, *viz.*, Gundibanda and Somenahalli, was constituted. Although this Sub-Taluk was ordered to be abolished in the year 1922, as a measure of retrenchment, it was found necessary to continue it on grounds of administrative convenience.

2. For some time past the people of the Sub-Taluk have been urging incessantly for its reconversion into a pucca Taluk and the matter has also come up for discussion in both the Houses of Legislature. During the visit of His Highness the Maharaja to Gudibanda in the month of January 1946, representations were made for early conversion of the Sub-Taluk into a Taluk. In pursuance of the policy of Government to convert all the Sub-Taluks in the State into Taluks, the Revenue Commissioner was requested to examine the question and submit proposals for the conversion of this Sub-Taluk. He has accordingly furnished the proposals of the Deputy Commissioner, Kolar District, in the matter, and has urged the immediate constitution of Gudibanda into a Taluk on grounds of administrative convenience and in the interest of the future development of the tract which forms the boundary of the State.

3. The salient features of these proposals are indicated below :—

(*i*) Constitution of a new Taluk with Headquarters at Gudibanda comprising of the existing 106 villages in the Kasaba and Somenahalli Hoblis; of 38 villages of Nagaragere Hobli and of 40 villages of Darinayakanapalya Hobli in Goribidnur Taluk, with a total revenue demand of Rs. 1,09,000 per annum;

(*ii*) continuance of the villages of Melya, Velapi and Hunasanahalli of Nagaragere Hobli of Kadabur, Siddanahalli and Jakkanahalli of Darinayakanapalya Hobli, in the Goribidnur Taluk on account of their proximity to Goribidnur;

(*iii*) construction of a new road 7½ miles long, running through the hills and the State Forest of Narasimha Devarabetta, Block No. 3, at an estimated cost of Rs. 44,300 to provide easy and safer access from the villages of Darinayakanapalya Hobli to the Headquarters of the new taluk; and the improvement at a cost of Rs. 14,000 of the existing District Board road for a length of three miles, the cost being met in the first instance by Government, subject to recovery from the District Board concerned later on;

(*iv*) entertainment of additional Revenue Establishment at a recurring cost of Rs. 5,740 and an additional Police Force for the Treasury at a cost of Rs. 972 per annum; and

(*v*) supply of furniture costing about Rs. 800 for use in the new Taluk Office.

4. The Chief Conservator of Forests in Mysore, who was consulted regarding the formation of the proposed road a portion of which passes through a State Forest, has opined that as the road will serve public interest and provide administrative convenience there is no objection to its formation and that the right of way now admitted over six feet of the existing foot-path may be extended over 18 feet of the road when it is formed, the forest growth removed during the formation of the road being made over to the Forest Department.

5. Government consider that the conversion of this Sub-Taluk has been pending for a long time and that it is therefore essential to give effect to it without further delay in the interest of administrative and public convenience. They are accordingly pleased to sanction the conversion of the Sub-Taluk into a Revenue Taluk with the 184 villages as proposed by the Devenue Commissioner with effect from 1st July 1947.

6. The Chief Engineer for Roads and Buildings in Mysore is authorised to take up the new road for execution immediately and push it through with all expedition, splitting up the work, if necessary, and entrusting the same to different contractors. The improvement of the existing road should also be attended to without delay. The District Board, Kolar, will take up the inter-village road from Goribidnur to Avalkonda and Venkatapura in Darihayakanapalya Hobli and bring it to completion as early as possible. Necessary action may be taken to obtain sanction of Government in the concerned departments, to the estimates for these roads.

7. The Revenue Commissioner is requested to submit proposals in the proper form for (i) the entertainment of the additional Revenue Establishment; and (ii) in consultation with the Inspector-General of Police, for the entertainment of the additional Police Force to guard the new Treasury at Gudibanda, at a very early date.

8. A notification indicating the villages comprised in the new Taluk will issue separately.

GENERAL SECRETARIAT

Reviews the Administration Report of the Veterinary Department for the year 1945-46.

READ—

Correspondence ending with letter No. C2-G1—4?-47, dated 23rd December 1946 from the Superintendent, Veterinary and Animal Husbandry Services in Mysore, forwarding the Administration Report on the working of the Veterinary Department for the year 1945-46.

ORDER NO. A. F. 5232-91—A. H. 80-46 3, DATED BANGALORE, THE 4TH MARCH 1947.

Recorded.

General Administration.—During the year, the Veterinary Department was separated from the Agricultural Department and was constituted as an independent Department of Veterinary and Animal Husbandry Services with effect from 1st July 1945. Dr. P. M. Narayanaswamy Naidu, B.Sc., L.V.P., Sc.D., F.F.A.S., assumed charge of the Veterinary Department on 3 th June 1945 and continued to be in charge throughout the year. He also continued to be in additional charge of the posts of Special Poultry Officer and Dairy Officer, which were vacant during the year.

Mr. C. V. Govinda Rao continued to act as Veterinary Assistant Superintendent. The post of Assistant Superintendent, Livestock Section, was retrenched, and the post of Personal Assistant was sanctioned and Mr. G. N. Srikantiah, Veterinary Inspector, was appointed to the new post with effect from 1st May 1946. Messrs. P. U. Nayar, K. Ranganatha Rao and J. Muniyappa and Dr. B. S. Bhimachar continued to be in charge of their respective sections of the Department.

All the District Veterinary and Livestock Officers continued to be in charge of their respective districts throughout the year. Mr. Aswath Sastry, Veterinary Inspector, was promoted as District Veterinary and Livestock Officer and posted to the charge of the Kadur District.

Veterinary Section.—The year was particularly unfavourable for the livestock of the State in general owing to adverse seasonal conditions. The price of fodder and concentrate was abnormally high. Fodder and concentrate depots were opened in Tumkur and Chitaldrug Districts by the Revenue Department. Jungle hay in large quantities was made available to the public by the Forest Department by throwing open the jungles for the free grazing of the village cattle. Most of the Amrit Mahal Kavals were also thrown open for free grazing of the cattle.

Rinderpest was at a very low ebb during the year. There was a marked decrease in mortality from Rinderpest while the mortality from Black-quarter was high as compared with last year. The total number of outbreaks registered was 5,599 (4,660). The number of animals protected by preventive inoculation was 253,397 (258,114). The number of out-breaks of anthrax was 1,022 (1,033) and the number of animals protected by vaccination was 8,973 (8,153). Sixty-eight (105) outbreaks of sheep-pox were registered and 68 (107) were attended to, conducting 16,383 (21,834) vaccinations. The incidence of the Hæmorrhagic septicæmia disease was practically the same as in the preceding year. Three hundred and thirty-eight (250) outbreaks were registered and 27,460 (16,906) protective inoculations were performed.

At the commencement of the year there were 92 (89) Veterinary Hospitals and Dispensaries in the State. Twenty-five (3) more dispensaries, consisting of 21 Hobli and 4 Taluk status institutions were opened during the year, bringing to total to 117 (92) hospitals and dispensaries at the end of the year. The total number of fresh cases admitted for treatment was 386,550 (338,031) and the number of operations and castrations performed was 21,965 (25,501) and 55,185 (61,164), respectively. Sixty-five thousand and ninety one cases (56,421) were treated on tour and 42,485 (52,622) castrations were performed. Sanction of Government was accorded to the constitution of a Board of visitors for each of the Bangalore and Mysore Veterinary Hospitals. The Board for the Bangalore City Veterinary Hospital visited the hospital five times and offered valuable suggestions regarding the improvements to be effected to the Institution. The Board for the Mysore City Veterinary Hospital met only once and gave valuable suggestions for enhancing the usefulness and efficiency of the Institution.

Thirty-seven (35) Municipalities enlisted the services of the local Veterinary staff for the inspection of animals meant for slaughter. The Bangalore City Municipality continued the services of a whole time Veterinary Inspector and the Mysore City Municipality also have decided to do so. It is hoped that other Municipalities, too, will take advantage of the services of the Veterinary Staff for the purpose.

Rural Development Work.—This consisted of the work done by the Veterinary Department in the villages of the selected hoblis under the Rural Reconstruction Drive Scheme as well as the work connected with the Rural Welfare Centres at Closepet, Dodballapur and Anandapuram. The staff attended 135 Hobli Advisory Meetings. One hundred and twelve breeding bulls, consisting of 48 Hallikar, 24 Amrit Mahal, 13 Sindhi and 27 Murrah buffaloes, were distributed free of cost, and 31 bulls were awarded premia under the Livestock Improvement Scheme. One hundred and fifty-four improved types of rams and bucks and 343 birds including cockerels were distributed in selected villages. Fifty-six breeding bulls were supplied to selected village panchayets.

One Livestock show was held in the promises of the Rural Welfare Centre, Closepet, in April 1946 and prizes were given for selected bulls, cows, etc. The policy of distributing fertile eggs for hatching and cockerels in villages at concession rates was continued at the Rural Welfare Centre, Closepet. As Bee-keeping did not thrive well in this centre, the work was stopped.

At the Rural Welfare Centre, Dodballapur, also one day cattle show was held in conjunction with the village officers' meeting and prizes were distributed to the owners of selected cattle. In this centre 67 (53) cockerels and 100 (380) fertile eggs were distributed and 40 bee-hive boxes were distributed in 12 villages served by the Centre on a subvention basis. During the year a new Centre at Anandapuram came into existence. The Veterinary staff fully co-operated in the activities of this Centre, as also of the other two Centres.

Veterinary Education.—With a view to securing the necessary technical personnel to meet the increased requirements of the Department, sanction of Government was accorded to the deputation of candidates for training in the various Veterinary and Dairy courses, *viz.*, I.D.D. and Post-graduate courses of Dairy Training, Animal Nutrition, Poultry Research, Poultry Husbandry, Animal Husbandry, Fresh Water Fisheries, Artificial Insemination methods, etc.

Poultry Section.—The Superintendent, Veterinary and Animal Husbandry Services, was in additional charge of this section. At the beginning of the year there were six poultry

units at Dodhallapur, Hebbal, Closepet, Somanahally, Hunsur and Ajjampur. The unit at Somanahalli was wound up as the place was found unsuitable for raising poultry and in its place a new unit was started at the Yellachihalli Sheep Farm. The strength of the birds in all the Poultry Units at the close of the year was 1,781 (1,833). The total receipts, including the value of young stock raised during the year, was Rs. 10,591 (13,966) against an expenditure of Rs. 28,314 (Rs. 18,328). The cash receipts amounted to Rs. 6,376 (Rs. 5,234). Improved Poultry and Eggs were exhibited at the Mysore Dasara Exhibition, the Kadur District Conference and the Cattle Fair held at Subramanya Ghati.

Amrit Mahal and Livestock Sections—Amrit Mahal Section.—The reorganisation of the Amrit Mahal Section was sanctioned during the year and Mr. S. K. Venkata Rao was placed in charge of the Section with effect from 22nd November 1945. The strength of the four Government Amrit Mahal herds was 887 (935). The total demand under all heads of the Amrit Mahal Section amounted to Rs. 51,697 (Rs. 33,689). A sum of Rs. 39,878 (Rs. 19,180) was collected, leaving a balance of Rs. 80,614, including the arrears of previous years. The Superintendent, Veterinary and Animal Husbandry Services, is requested to see that strenuous and vigorous efforts are made for the recovery of the arrears. An extent of 4,365 (3,541-24) acres of land was leased out for a total horsegram gutta of 136,554 (104,495) seers. An extent of 150 acres in Kattaya Kaval, Hassan Taluk and of 463 acres and 30 guntas in the Beekanahalli Kaval of the Kadur District were surrendered to the Revenue Department. The seven aided Cattle Breeders under the Aided Cattle Breeders' Scheme, continued to function.

The total strength of the Cattle Breeding Stations, including the Hebbal Dairy Farm, was 2,074 (2,035) and 41 animals were sold during the year.

Sheep Section.—The six Sheep Breeders' Associations continued to work during the year. The total number of members of all the Associations at the end of the year was 2,243 (1,991). The strength of the sheep in the Associations was 77,646 (76,557). One hundred and eleven (150) stud rams were distributed through these Associations and 766 (580) Scrub rams were castrated among the members' flocks. The Sheep Section organised exhibitions of improved sheep and goats and arranged for demonstrations of improved sheep husbandry methods at the various District and Taluk Conferences, Fairs and Rural Welfare Centres. Seven Government Sheep Farms, in addition to the subsidised farm at Halaganahalli in Goribidnur Taluk, continued to work as usual. There was a high rate of mortality of animals in the farm on account of adverse seasonal conditions.

Bee keeping Section.—On 1st July 1945, when the Veterinary Department was bifurcated from the Agricultural Department, the Bee-keeping Section was transferred to the control of the Veterinary Department along with other Sections. Thirteen Bee-keeping centres in the State continued to work. The year was specially unfavourable for bee-keeping work, due to adverse seasonal conditions. Under the Rural Reconstruction Drive Scheme, hives were distributed in the villages throughout the State. In addition to hiving and distribution of Bee-colonies, the Bee-keeping staff helped the Bee-keepers with regard to the maintenance of colonies, extraction of honey, etc.

Fisheries Section.—A scheme for the development of fisheries of the State was given effect to and three areas, *viz.*, Krishnarajasagar, Shimoga and Kolar were selected for fishery development. The fisheries were permitted to be exploited by the issue of licenses for fishing in the rivers and tanks. A scheme for starting a Fishery Research Station and Aquarium was sanctioned by Government at Krishnarajasagar for the study of bionomics and life histories of local food fishes and other fishery problems.

Rai Bahadur Dr. S. L. Hora, Director of Fisheries, Bengal, and Prof. B. K. Das, Professor of Zoology, Hyderabad, visited the Fishery Laboratory at Bangalore.

Serum Institute.—The Institute continued to manufacture, on a commercial scale, several sera and vaccines employed in combating the outbreaks of contagious diseases among the livestock. The Research Section also continued to undertake investigations on the various problems connected with the diseases of livestock. The preparation of Anti-rabic vaccines for animals was also continued in the Research Section. A total quantity of 1,052,924 unit doses of different biologicals were manufactured, of which 1,087,398 unit doses were distributed. Of these, again 4,41,209 unit doses were utilised in the State for the control of contagious diseases among the livestock and the remaining 646,089 doses were sold to other States and Provinces. The total expenditure of the Institute during the year was Rs. 1,07,299 and the total revenue realised Rs. 2,01,978, accounting for a net profit of Rs. 94,679.

New Schemes.—During the year many new schemes of development were sanctioned by Government at a total cost of Rs. 5,19,000. The schemes that were implemented related to livestock improvement, opening of the rural veterinary dispensaries, control of parasitic diseases, starting of Government Sheep Farms including a subvention farm, a comprehensive scheme for machine-shearing of sheep, development of fisheries, control of tuberculosis among the cattle, treatment of mares of the Kunigal Stud Farm and training of the Veterinary personnel.

The work of the Department greatly expanded and continued to be satisfactory during the year.

Reviews the Administration Report of the Forest Department for the year 1944-45.

READ—

The Report on the Administration of the Forest Department in Mysore for the year 1945-46, received from the Chief Conservator of Forests in Mysore, with his letter, dated 26th October 1946.

ORDER NO. A. F. 5133-92—FT. 53-46-3, DATED BANGALORE, THE 28TH FEBRUARY 1947.

Recorded.

2. *Control.*—Mr. C. Abdul Jabbar, Chief Conservator of Forests, continued in charge of the Department till 2nd November 1945, when he proceeded on leave preparatory to retirement, Mr. P. Krishnaswamy Rao, Conservator of Forests, Shimoga Circle, succeeded Mr. C. Abdul Jabbar and held charge of the Department till the 6th April 1946, when he took leave preparatory to retirement and retired from service on the 9th June 1946. Mr. D. L. Sathe, M.A., I.F.S (Retd.), assumed charge of the Office of the Chief Conservator of Forests on the forenoon of 6th April 1946 and was in charge of the Department during the remaining part of the year.

A second circle of Superintendence, on line with the Shimoga Circle, comprising the Revenue Districts of Mysore, Mandya, Bangalore and Kolar, was constituted during the year, with Headquarters at Mysore, as it was found that the work in these districts had increased considerably with the expansion of the fuel plantation programme and there was necessity for a separate Conservator for supervising the work of the Divisional Officers. The new Circle started functioning with effect from 27th November 1945. Mr. P. Krishnaswamy Rao continued in charge of the Shimoga Circle till the 27th November 1945 when he was succeeded by Mr. M. A. Muthanna. Mr. N. Venkataramiah, District Forest Officer, Mysore, was promoted to the post of Conservator of Forests, Mysore, created during the year and took charge on the 27th November 1945.

In order to overcome the organisational difficulties experienced earlier in arranging for a sustained flow of adequate supplies of fuel and charcoal to the Mysore Iron and Steel Works and also to meet the needs of the Mysore Paper Mills, Ltd., a separate division, designated as "The Fuel Supply Division," was constituted at Bhadravati and placed under the charge of a Senior Assistant Conservator of Forests. The Division started functioning from the 29th November 1945.

3. *Area of State Forests.*—There was neither addition to nor alteration in the areas of the several kinds of forests, and the total area of State Forests and Plantations was the same as in the previous year, *viz.*, 3,855·87 square miles.

4. *Reservation and Settlement.*—Out of 151·45 square miles of forest area reserved for settlement under Section 4 of the Mysore Forest Regulation, the settlement of two blocks comprising an area of 1·34 square miles in Kolar District was

completed during the year. The progress made is not satisfactory. Settlement work should be pushed through with greater vigour.

5. *Village Forests.*—No new village forests were constituted during the year. As observed last year, the tendency to disafforest village forests and surrender them for cultivation continues, sometimes with the free consent of the panchayets concerned, and this has to be checked. The village forests being under the control of the Revenue authorities, Government desire to impress on them the necessity and desirability of seeing that the work relating to the improvement of these forests is carried out in co-operation with the Forest Department and according to a programme previously drawn up. As the formation of village forests is an important item of the Rural Development Scheme, Government hope that all departments concerned will spare no efforts in this direction and substantial progress will be registered in the coming year.

6. *Forest Surveys and Working Plans.*—Fourteen forests covering an area of 50 square miles were surveyed during the year. Plans to regulate the exploitation of bamboos over 314·67 square miles of forests in the Bangalore District were sanctioned and the valuation survey of 64·32 square miles of forests in the Bangalore District was completed. Out of 3,855·87 square miles of State Forests, 2,023·96 square miles have been provided with working plans.

7. *Buildings, Communications and Miscellaneous Works.*—The total expenditure on buildings this year amounted to Rs. 15,963 as against Rs. 37,851 last year. Inclusive of 25½ miles of game roads in the Mysore District, 35 miles of new roads and 1½ miles of cart track were formed during the year. One permanent and eight temporary bridges were constructed. Five hundred and forty-four miles of the existing roads and 93 miles of bridle paths and cart-tracks were also repaired. The expenditure incurred on new and repair works amounted to Rs. 30,567 and Rs. 31,551 as against Rs. 17,516 and Rs. 46,167 respectively in 1944-45.

8. *Forest Offences including Sandal Damage Cases and Cases of Sandal Smuggling.*—No cases of sandalwood smuggling were reported during the year. This, however, suggests the need for greater vigilance on the part of the special staff entertained to detect such cases. One petty case of illicit distillation of sandal oil in Bukkapatna Range, Tumkur District, ended in the conviction of the accused. Ninety-six case of damage to sandal trees were pending disposal with the Revenue Authorities at the beginning of the year and 26 cases were reported to them during the year. Of these 122 cases, 37 were disposed of leaving a balance of 85 cases. The disposals are not satisfactory. A sum of Rs. 965 was recovered towards compensation for damage to sandal trees. The total number of forest offences for the year was 1,780. Including 58 cases yet under investigation, 232 cases in all were awaiting disposal at the close of the year. On account of the prevailing high prices, timber smuggling in the forests of the Shimoga Circle is reported to have become a serious menace, and the special arrangements introduced in September 1944 to check it with the help of a mobile party of police and forest officers was continued during the year. One hundred and thirteen cases were detected by the special staff, 95 cases were compounded, 11 prosecuted and 7 are still under departmental action. Compensation and value of produce confiscated in the cases disposed of departmentally amounted to Rs 3,401 and Rs. 6,126, respectively. A sum of Rs. 42,360 was realised towards penalty as against Rs. 25,609 in the previous year. It is, however, to be observed that the proportion of cases compounded is high and that prosecutions on a larger scale are likely to produce a more salutary effect.

The arrangements in the Bangalore and Mysore Cities for checking the import of forest produce into the municipal limits continued to work satisfactorily.

9. *Protection from Fire.*—No serious cases of forest fire were reported during the year. The total expenditure on fire protection was Rs. 46,034 as against Rs. 48,172 in the previous year.

10. *Grazing in State Forests.*—A very severe drought was experienced during the year, especially in the maidan districts of Chitaldrug, Tumkur and Kolar. Almost all the State Forests in the three districts and the adjoining forests in the malnad districts of Kadur and Shimoga were thrown open for free grazing. Three lakhs seventy-nine thousand two hundred and fifty-six cattle are reported to have grazed in the State Forests as against 391,545 in the previous year. The apparent fall in the incidence of grazing is due to the absence of information regarding the number of cattle that grazed free in the several forests thrown open for grazing. The revenue realised under "grazing" was Rs. 67,393 as against Rs. 66,488 in the previous year. Departmental collection of grass was also undertaken and 899 tons of Karada grass were collected, baled and supplied to the Deputy Commissioners of Chitaldrug, Tumkur and Kolar Districts for distribution among the needy raiyats. The expenditure of Rs. 35,854 was incurred in this connection.

11. *Sylviculture and Afforestation.*—An extent of 1,326½ acres of plantations, both of timber and fuel species, was formed during the year as against 1,345 acres in the previous year. The slow progress is explained to be due to acute labour shortage and unfavourable seasonal conditions but Government trust that with the introduction of mechanical appliances in the coming year, it will be possible to make better progress in this direction.

The existing teak plantations in the several divisions were extended by 217 acres. The Wattle plantations on the top of Channarayabetta in the Kolar District were further extended by 10 acres. One hundred and fifty acres of fuel plantations were formed in the area exploited for supply of fuel and charcoal to the Mysore Iron and Steel Works, Bhadravati. In the Maidan divisions, 875 acres were stocked with casurrina and 500 acres of irrigable area under the Irwin Canal were transferred to the Department for raising irrigated plantations. An extent of 1,791 acres was cleared and made ready for stocking in the planting season. The area under pyrethrum stands at 65 acres. The Cinchona plantations of 15 acres at Kemmangundi were maintained. Two thousand pepperment runners were put out in Tanagebyle plantation area, where they are reported to have come up well and more intensive cultivation of this species is on the programme for next year. The formation of teak and fuel plantations on a larger scale requires immediate and sustained attention of the Department in view of the prevailing shortage and the increasing demand for these articles.

All the permanent nurseries were maintained in good condition.

The establishment of a Sylvicultural Research Station at Bangalore, and as a preliminary step a survey of the timber and fuel resources of the State is under consideration.

12. *Exploitation of Timber.*—Eight lakhs ninety-three thousand two hundred and sixty-nine cubic feet of logs were collected during the year which shows an increase of 176,399 cubic feet over the figure of the previous year. Of the quantity available for disposal including the balance of the previous year, 438,148 cubic feet were utilised for conversion into sleepers, cart-wheel materials and sizes in demand and 545,647 cubic feet were marketed as against 225,419 cubic feet and 570,182 cubic feet respectively in the previous year. With the end of the war, it was possible to meet the indents of the Mysore Railway and Electrical Departments for sleepers and poles almost in full. Four thousand one hundred and eighty-three poles of assorted dimensions, 96,888 sleepers and 62,949 cubic feet of sawn sizes were prepared during the year. A quantity of 96,326 cubic feet of logs and 17,466 cubic feet of sawn sizes were supplied to the various industrial concerns, etc., during the year.

Removals by private agencies accounted for the extraction of 342,280 cubic feet of timber. A major part of this was extracted for industrial purposes by concession holders. The Mysore Plywood Corporation, the Mysore Match Company, the Western India Match Company, the Mysore Timber Company and the Bangalore Wood Industries were some of the industrial concerns which availed themselves of this concession.

13. *Sandalwood.*—Two thousand seven hundred and ninety-six tons of rough dressed wood were collected and brought to the Kotis during the year as against 1,586 tons in the previous year. One thousand six hundred and seventy-six tons of assorted wood were supplied to the Sandal Oil Factory for distillation. The rates for sale of sandalwood were stepped up from time to time to bring them in line with the market prices, which reached a peak of Rs. 5,000 per ton during the year.

Attention was paid to the development of lac cultivation. The Chief Conservator of Forests has since submitted a scheme to develop lac cultivation and to make the State self-sufficient in regard to requirements of crude lac within the next five years. The scheme has recently been sanctioned by Government.

14. *Fuel Supplies.*—As in previous years, the Department rendered valuable assistance in arranging supplies of fuel and charcoal at prescribed rates to the civilian population. These supplies by the Forest Department enabled the Food Supply Department to exercise control over prices in respect of supplies obtained from other sources.

The Department collected and supplied 121,831 tons of fuel and 663,358 bags of charcoal (equivalent to 111,395 tons of fuel), making a total of 233,226 tons; of this, 175,052 tons were supplied to the Mysore Iron and Steel Works, (20,125 tons in excess of the supply made last year) and 13,539 tons to the Sandal Oil Factory and other industrial concerns located at Mysore and Shimoga. Sixteen thousand eight hundred and seventy-one tons of fuel were supplied to the Civil Supply authorities at Bangalore, which was in addition to the quantities obtained by them from lessees of forest coupes.

The policy of encouraging the industrial concerns to take up exploitation of fuel coupes themselves has now been adopted. Coupes are laid out in forests in accordance with the working plans and handed over to the concerns for extraction of fuel, the Department being entitled to cover the value at seigniorage rates. This arrangement is a departure from the previous practice of disposing of annual coupes in auctions and has led to an increase in the area handed over for exploitation by private agency.

15. *Financial.*—The Department had another prosperous year. The Revenue, excluding realisations by sale of sandalwood oil, reached the high level of Rs. 47 36 lakhs and exceeded that in the previous year by Rs. 3·94 lakhs. The expenditure for the year amounted to Rs. 22·63 lakhs, showing a decrease of Rs. 1·36 lakhs over that of the previous year. The net surplus was Rs. 24·73 lakhs as against Rs. 19·42 lakhs in 1944-45.

16. *Game and Game Laws.*—Including the two cases of last year, the number of cases dealt with during the year was 16, of which 9 were disposed of during the year.

The control of the Forest Department over fishing in certain areas specified in G. O. No. A. F. 3616-20—Agri. 78-42-8, dated 9th February 1945, came to an end, and the Superintendent, Veterinary and Animal Husbandry Services, was empowered, under Rule 8 of the Rules framed for the Preservation of Game and Fish, to take control over any waters in the State (not being reserved waters) for purposes of development of fisheries.

No new Game or Tiger Preserves were formed during the year.

17. *Elephants.*—The total strength of the elephants at the end of the year stood at 46, including the two elephants still under training in the Palace Gajasala as against 55 in the previous year. The general condition of the elephants was satisfactory and they were, as usual, employed for timber dragging and shikar purposes. As in the previous year, wild elephants caused considerable damage to field crops and necessary staff was employed in 15 centres in Mysore and Hassan Districts for scaring and driving back the elephants deep into the forests. Altogether 12 elephants were destroyed in these operations.

The Forest Rangers' School is being continued for the training of a fresh batch of recruits.

The question of improving the scales of pay of the executive staff of the Department is under the active consideration of Government.

The work of the Department continued to be satisfactory.

FINANCIAL SECRETARIAT

Sanctions the constitution of a Financial Branch for the Agricultural Department.

READ—

Government Order No. Fl. 6047-9—G. F. 164-44-6, dated 8th February 1946, directing the constitution of a Financial Branch in the Agricultural and Veterinary Departments and requesting the Comptroller to submit proposals for additional staff at a minimum cost in consultation with the Director of Agriculture and the Superintendent, Veterinary Services.

2. Letter No. Fl. 5-128—13-14, dated 3rd March 1946, from the Director of Agriculture, requesting in the circumstances explained therein, sanction of Government to continue the present post of the Accounts Assistant so that the Department may continue to have the services of that Officer to supervise and advise in all matters relating to financial transactions on the administrative and that the Account Assistant's post may not be converted to that of of the Financial Assistant.

Letter No. Est 497—5-6 dated 13th November 1946, from the Superintendent, Veterinary and Animal Husbandry Services, stating that consequent on the bifurcation of the Veterinary Department from the Agricultural Department the constitution of a single Financial Branch for both the Departments will not be conducive to smooth working and that the question of formation of a separate Financial Branch for the Veterinary Department may be taken up when the several post-war schemes are fully implemented.

Unofficial No. 1282—Es., dated 20th October 1946, from the Comptroller to Government, submitting proposals for the extra staff for the Financial Branch.

ORDER NO. F. L. 6558-61—G. F. 204-46-3, DATED BANGALORE, THE 4TH MARCH 1947.

After examining the proposals, Government consider that as the state of affairs in the Agricultural Department is such that it requires undivided and unremitting attention and that it is necessary to constitute a Financial Branch exclusively for the Agricultural Department in partial modification of the Government Order of 8th February 1946, the powers, functions and other details relating to the constitution of the Branch being the same as those already laid down in the said order. The audit work of the Veterinary Department (both Central and Local) may be continued to be attended to by the Comptroller's Office for the present.

It is expected that much of the Accounts work in the Agricultural Department will get reduced by the formation of the Financial Branch. But as the Director has reported that it is not possible for him to spare any hands for the new branch, from his Office, the question may be deferred for consideration at a later stage after the Financial Branch has commenced to function and the work reorganised and readjusted between the administrative accounts section of the Agricultural Department and the Financial Branch. The undermentioned staff is now available for the formation of the new office and in addition the following extra staff would be necessary according to the details furnished by the Comptroller.

Agricultural Department.

One Assistant Comptroller.
Two Second Grade Superintendents.
Two Peons.

Comptroller's Office.

		Rs.
Five First Grade Clerks—		
(a) First Grade Superintendent	...	1=160—10—250.
(b) Second Grade Superintendents		2=118—6—160.
(c) First Grade Clerks	...	10=40—3—70—5—100
(d) Second Grade Clerks	...	4 30—2—50—2 E. B. 60.
(e) Typists	...	2 30—3—60
(f) Attenders	...	2 1 (20—1—25) and 1 (15—1—20).
(g) Peons	...	2 11—½—15—2
Total	...	23

In view of the heavy arrears existing in the Department and of the increased work consequent on the enlargement of the activities of the Agricultural Department, Government are pleased to sanction the extra staff as above. The total staff sanctioned is indicated in the annexure to this Order.

Government also agree with the Comptroller that as the Financial Assistant is not merely an Audit Assistant to the Comptroller but also an Accounts Assistant to the Director and is required to render necessary advice to the Director in the administration of Financial transactions, maintenance to proper accounts, preparation of budget, etc., there is no need for having a separate Accounts Assistant to the Director after the Financial Branch is formed, if at any future date, the need for an Accounts Assistant is felt, the question of giving a Non-Gazetted Accounts Assistant against the present post of Head Accountant in the Office of the Director may then be considered.

The Comptroller is requested to take early steps for posting the extra staff and for giving effect to the formation of the Financial Branch early, the question of reduction of staff in the Director's Office being examined after the new office has functioned for some time and the work is organised and readjusted.

ANNEXURE

Directs that Government Employees should not stand as sureties to Loans and Advances taken from Government by private individuals.

O. M. No. FL. 6466-6536—G. F. 201-46-2, DATED BANGALORE, THE 3RD MARCH 1947.

OFFICIAL MEMORANDUM.

It has come to the notice of Government that Government Employees are standing as Sureties to Loans and Advances taken from Government by private individuals for agricultural, industrial and other purposes for which loans are usually granted under departmental rules.

Government employees are hereafter strictly prohibited from standing Surety to such loans and the authority competent to sanction the loan should see that the surety of an employee of Government is not accepted.

Necessary amendments to the Mysore Civil Account Code and the Rules to the conduct of the public servants incorporating the above rule will be issued separately.

M. SHAMANNA, *Finl. Secy.*

Sanctions Daily Allowance to Resident Members of Committees, at the same rates as Non-official Non-resident Members for the days they attend the sittings of the Committees.

ORDER No. F. L. 6613-6683—S. & A. 24-45-5, DATED BANGALORE, THE 7TH MARCH 1947.

Under the existing rules, non-official resident members of some Committees are eligible for daily allowance or sitting fees, while the same privilege has not been extended to members of certain other Committees. As it is considered desirable to have a uniform set of rules, Government are pleased to direct that resident non-official members of the several Committees constituted under authority be allowed the same rates of daily allowance (or sitting fees) as non-official non-resident members for the days they attend the sittings of the Committees.

The necessary amendment to the Mysore Service Regulations will issue separately.

IMPORTANT GOVERNMENT ORDERS

DEVELOPMENT SECRETARIAT

Conversion of the Government Lac and Paint Works, Mysore, into a Joint-stock Company under the name of "The Mysore Lac and Paint Works, Ltd."

READ—

Correspondence ending with letter No. B. 317, dated the 28rd September 1946, from the Director of Engineering and Chemical Industries, in the matter of the conversion of the Government Lac and Paint Works, Mysore, into a Joint-stock Company.

ORDER No. D. 5506-11—I. & C. 52-45-11, DATED BANGALORE, THE 5TH MARCH 1947.

The Government Lac and Paint Works, Mysore, is a small concern with a fixed capital of Rs. 44,000 and a working capital of Rs. 1,10,000. The question of transferring it to a public Joint-stock Company has been under the consideration of Government for some time past.

2. The Board of Management for Industrial Concerns resolved at their meeting held on the 28th June 1945, that the above concern may be transferred to a Joint-stock Company floated for the purpose with a capital of Rs. 10,00,000.

3. The Policy Committee for Industries and Commerce of the Economic Conference, which was consulted in the matter, also decided by a majority that the concern may be handed over to a Joint-stock Company.

4. The question was considered by Government in the light of the recommendations both of the Board of Management for Industrial Concerns and the Policy Committee for Industries and Commerce, and Government felt that they should not encumber themselves with the running or management of too many miscellaneous industries, but that they should take a very large interest in the starting and management of basic or key industries.

5. The Board of Management for Industrial Concerns were thereupon requested to take immediate further action to work out the further details of the scheme and submit them to Government. The Board accordingly forwarded proposals for the conversion of the concern into a joint company suggesting a panel of names for the provisional Board of Directors.

6. After examining the *pros* and *cons* of the matter, Government are pleased to direct that the Government Lac and Paint Works, Mysore, be converted into a Joint-stock Company with the title of "The Mysore Lac and Paint Works, Ltd." Government will take 30 per cent of the shares of the company on the following conditions :—

(1) Three of the Directors of the Company shall be nominated by Government, one of the Directors so nominated being the Chairman and Managing Director.

(2) The appointment of the Secretary and the General Manager must be made with the previous approval of Government.

(3) Government reserve the right, if they so desire, to have the accounts of the company inspected or audited by their own officers at their own cost.

7. The provisional Board of Directors will be composed of the following members :—

1. *Mushir-ul-Mulk* J. Mohamed Imam (Government Director and Chairman).
2. Mr. M. Ramaiah.
3. Mr. T. Chandranna.
4. Mr. Chennagiri Rangappa.
5. Mr. B. Rudra.
6. Mr. B. G. A. Mudaliar, Director of Industries and Commerce (Government Director).

8. The third Government Director will be nominated later on.

9. The Chairman is requested to take further necessary action in consultation with Government whenever necessary to float the company. He is requested to forward for the approval of Government the name of a person to be appointed as Secretary. To meet the preliminary expenses, a sum of Rs. 10,000 will be advanced out of the funds of the Government Lac and Paint Works in the first instance, the amount being adjusted towards Government share of the capital when the company is floated.

10. The Comptroller to Government has been requested to have the accounts of the concern audited up to the end of January 1947 and the balance sheet struck so that the valuation of assets and the goodwill may be arrived at.

11. The Registrar of Joint-stock Companies is requested to give all necessary assistance to the Chairman in the flotation of the Company.

Sanctions the modification of the rules regarding grant of Bicycle Advance.

READ—

Letter No. C. 2-11—46-47, dated the 11th October 1946, from the Superintendent, Veterinary and Animal Husbandry Services in Mysore, requesting sanction for waiving the restriction of granting advance for the purchase of cycles only to officials who are living in the extensions of Bangalore City and Civil and Military Station and the District Headquarter Towns in the State.

2. Un-official Note No. 123—M. A. D., dated the 29th November 1946, from the Comptroller to Government in the matter.

ORDER No. FL. 6934-7004—G. F. 211-46-2, DATED BANGALORE, THE 12—18TH MARCH 1947.

Under the existing rules the grant of bicycle advance is restricted to officials who are living in the extensions of Bangalore City and Civil and Military Station and in all District Headquarter Towns in the State, and who reside at a distance of not less than a mile from the offices in which they are employed.

Government consider that some inconvenience is caused to officials who are not working in District Headquarters by the operation of the existing rules and they are accordingly pleased to modify the rules as under :—

(*i*) The existing rules restricting the grant of the advance only to officials residing in Bangalore City, and Civil and Military Station and in all District Headquarter Towns is relaxed and Heads of Departments are authorised at their discretion, to sanction bicycle advance in respect of officials who are residing in other places, provided they certify that it is in the interests of the efficiency of service that the official concerned should maintain a bicycle.

(*ii*) The restriction of interval of five years between two advances is reduced to three years and such subsequent advances may be sanctioned by the Heads of Departments subject to the existing conditions.

(*iii*) Interest at the rate of 5 per cent will be charged on second and subsequent advances.

The Comptroller to Government is requested to issue necessary correction slip to M. C. A. C., Volume I.

EDUCATION SECRETARIAT

Sanctions the Rules for Grant-in-aid to Colleges affiliated to the Mysore University.

READ—

Letter No. Ex. 5-1084—44-45, dated 23rd August 1946, from the Registrar, University of Mysore, Mysore, submitting draft rules for grant-in-aid to affiliated Colleges and requesting approval thereto.

ORDER No. E. 6433-34—UNI. 85-45-4, DATED BANGALORE, THE 1ST MARCH 1947.

With a view to encourage private enterprise in respect of higher education, Government have been considering for some time past, the question of framing grant-in-aid rules in respect of private Colleges affiliated to the Mysore University. In the grant-in-aid rules approved by the University Council and sanctioned by Government, the following are the main features:—

(i) Colleges admitted to grant-in-aid shall be open to the students of all castes and communities without discrimination.

(ii) In the admission of students, there shall be no predominance of any one community as a result of discrimination against others.

(iii) The Colleges shall maintain accounts of income and expenditure in the prescribed form and manner.

(iv) The Managements shall not permit members of the College staff to take part in any political agitation directed against the authority of the Government or the University.

(v) Building grants shall not ordinarily exceed one-half of the total expenditure in the case of Colleges and two-thirds of the total expenditure in the case of Hostels.

(vi) The Managements of the grant-in-aid Colleges or Hostels shall refund the grant or portion of it in a prescribed ratio, if the building ceases, within 40 years of the grant, to be used for educational purposes.

(vii) Equipment grants shall not exceed one-half of the total cost.

(viii) Maintenance of grants shall not exceed one-half of the net expenditure.

Government are pleased to sanction the grant-in-aid rules, as appended hereto.

K. THIPPERUDRIAH,
Secretary to Government,
Education Department.

APPENDIX.

Rules for grant-in-aid to Affiliated Colleges.

Preamble.

For the purpose of encouraging private enterprise in imparting and extending higher secular education, colleges affiliated to the University of Mysore will be admitted to Grant-in-aid from Public funds subject to the rules hereinafter specified and with due consideration to the requirements of each locality and institution and also the funds available.

2. No grant under these rules can be claimed as a matter of right.

3. (*a*) Colleges admitted to Grant-in-aid shall be open to the students of all castes and communities without discrimination.

(*b*) In the admission of students there shall be no predominance of any one community as a result of discrimination against others.

(*c*) Provided that it shall be competent to the Managing Committee of a College to fill seats up to 50 per cent of the available number at their discretion; in respect of the remaining seats the Standing Orders of Government now in force, and to be issued hereafter in respect of the admission of students to the several courses of study, the reservation of seats in each branch of study for the distinct groups of students shall be strictly applicable.

Management of Grant-in-aid Colleges.

(i) Every College on behalf of which aid is sought shall be under the management of one or more persons recognised by the University of Mysore, who shall undertake to be answerable for the maintenance of the College and the fulfilment of all the conditions of recognition and aid including the due enforcement of such rules of discipline as are prescribed by the University from time to time.

(ii) The management shall, with the approval of the University appoint a person as correspondent to transact business on its behalf with the University.

(iii) No portion of the College income shall be used for other than the strictly educational purposes of the College.

(iv) The College shall maintain accounts of income and expenditure in the forms prescribed by the University and shall make the accounts available to the Auditors of the University for inspection.

(v) The management shall not permit members of the College staff to take part in any political agitation directed against the authority of the Government or in any agitation against the University.

(vi) The management shall submit to the University not later than the 1st of August every year financial statements in the prescribed form (Appendix I) which shall be countersigned by a competent Auditor not connected with the College. The decision of the University as to whether a person is a competent Auditor shall be final.

(vii) Misrepresentations of facts or presentation of wrong bill with false certificate or claim will not only render the drawer of the bill legally answerable but will also render the college liable to suspension or forfeiture of the grant.

(viii) Application for aid shall be made to the Registrar, University of Mysore, not later than the 1st of January preceding the academic year for which the grant is sought to such form as may from time to time be prescribed, and shall contain a declaration signed by *all* the members of the Managing Committee of the College to the effect that the conditions of affiliation and aid laid down in the Statutes and Ordinances of the University, as well as the conditions hereinafter laid down, will be fully observed.

GRANTS.

(A) BUILDING GRANTS.
(B) EQUIPMENT GRANTS.
(C) MAINTENANCE GRANTS.

A. Building Grants.

1. An application for grant shall be made in the prescribed form (Appendix II). The plans and estimates of the buildings shall be approved by the Public Works Department and by the University and duly certified by the designing agency approved by Government.

2. The following are the purposes for which building grants may be sanctioned :—

(i) To acquire lands and to purchase, erect or enlarge College and Hostel buildings for educational purposes.

(ii) To execute extensions, alterations and repairs to buildings.

3. The grant shall not ordinarily exceed one-half of the total expenditure in the case of Colleges, two-thirds of the total expenditure in the case of Hostels.

4. Before a grant is sanctioned satisfactory assurance must be given by the management that the funds at their disposal, together with the amounts of the grant applied for, will be sufficient for the construction of the building and that the building will be completed within the time prescribed by the Government.

5. (i) No portion of the sanctioned grant will be paid until the Management has executed a bond in the form prescribed in Appendix III.

(ii) The order sanctioning the grant shall specify the date by which the building should be completed, the period in no case being allowed to exceed three years.

(iii) In case the building is not completed within the period specified above, Government may notify the management to show cause for the delay in construction, and on sufficient cause not being shown, may call upon the Management to refund within a reasonable time prescribed, the portion of the grant as may have been drawn and if the Management fails to do summarily enter upon and take possession of the incomplete structure with the site on which it stands and all the buildings and materials lying thereon and take such steps and do such acts as Government may deem fit for the recovery of that grant.

6. Before recommending to Government the sanctioning of a building grant, the University shall examine the plans, estimates and specifications, in consultation with the Executive Engineer, if necessary.

7. When the grant applied for is to purchase a building due regard shall be paid to the following points :—

(i) Whether the right, title and interest to the building is established and whether the property will be made over to the College authorities.

(ii) Whether the building is suitable for the purpose of the College or Hostel in regard to sanitation, lavatory fittings, water supply, ventilation, lighting, adequacy of accommodation, size of rooms, furniture, play-grounds, etc.

8. Prior to the commencement of the construction of the building at least fifteen clear days' notice shall be given by the Management to the Mysore University and to the Executive Engineer of the District in which the building is proposed to be built. The Officers of the Public Works Department are required to inspect the work of construction.

9. During the progress of the work, every reasonable opportunity shall be afforded by the Management to the Officers of Public Works Department to inspect and examine the materials used, to take measurements and to verify whether the building is being constructed on the lines of the plan approved previously so as to enable them to issue the required certificate.

10. Whenever it is considered necessary for the convenience of the Management and for the early completion of the building that disbursement should be made in instalments as the work progresses, advances may be made from time to time by the University out of the sanctioned grant, if the University is satisfied that the work is progressing satisfactorily.

11. Such advances shall be sanctioned on bills supported by certificates from the officers of the Public Works Department stating that the work has been executed to their satisfaction in accordance with the vouchers for all expenditure incurred in connection with the work and a statement to the effect that the amount of expenditure in the bill has been incurred.

12. On completion of the work the Management shall furnish a certificate *signed by the Architect or the Engineer in-charge* of the work to the effect that the building has been completed generally in accordance with the plans and specifications which were submitted to Government on the basis of which the grant was sanctioned, and also a certificate to show that the full amount of the Government grant has been duly expended thereon, specifying also the total amount actually spent on building.

13. The total amount of grant to be actually disbursed shall be regulated by the cost of the work when finally completed and certified by an officer of the Public Works Department not lower in rank than that of an Executive Engineer. The total amount of grant so disbursed

shall not exceed one-half of the cost of buildings for Colleges, and two-thirds in the case of buildings for Hostels. If the expenditure actually incurred exceeds the original estimate a supplementary grant may be sanctioned not exceeding one-half or two-thirds of the excess as the case may be.

14. Grant sanctioned for the purposes mentioned above shall be drawn on the usual grant-in-aid bill form (Appendix IV).

15. In the case of buildings for which grants are sanctioned, it shall be competent for the University to forbid the use of such buildings or any portion thereon for such purposes as are considered by the University to be inconsistent with the object of the grant.

16. *Claims of Government.*—The Management of the College or Hostel shall refund the grant or portion of it as specified below if a building for the acquisition, construction, extension, alteration or repair of which a grant has been drawn, ceases within a period of forty years from the date of the final payment of the grant to be used for educational purposes approved by Government, the amount to be refunded shall be equal to the total Government grant multiplied by forty minus the number of years during which the building has been used for approved purposes and divided by forty. The Management shall refund the amount so fixed, before the expiry of six months from the date of demand. If the Management fails to make such refund, Government may enter upon and summarily take possession of the building till the amount is refunded. They may continue to be in possession and take such action to recover the amount as they may deem fit.

B. Equipment Grant.

1. No portion of a grant for the purchase of books, furniture or appliances shall ordinarily be paid until the University is satisfied that the purchase in aid of which the grant is made has actually been completed and that the books, furniture or appliances purchased have been approved by the University.

2. Grants shall not be given to meet the cost of seats or desks of a pattern which has not been approved by the University.

3. Grants shall not be given for the purchase of articles regarding which the University has not been previously consulted and for which aid has not been promised.

4. The Grant sanctioned, if any, shall lapse if the amount of grant is not drawn from the Treasury before the end of the financial year for which it was sanctioned.

5. Equipment grants may be sanctioned for the purchase of the following articles :—

(*a*) Benches, writing desks, reversible desks, stools, tables, chairs, black boards and easles.

(*b*) Almirahs and cupboards for the storage of chemicals, apparatus, tools, books, maps, models, specimens and materials for teaching appliances.

(*c*) Shelves for books.

(*d*) Work benches and drawing desks.

(*e*) Benches, tables, stools, shelves, almirahs and cupboards for practical work in Physics, Chemistry, Zoology, Botany, Geology, etc.

(*f*) Apparatus and appliances for the teaching of Physics.

(*g*) Chemicals, apparatus and appliances for teaching Chemistry and other subjects.

(*h*) Apparatus, illustrations, specimens and other appliances for teaching other technical subjects.

(*i*) Typewriters, Cyclostyle machines and duplicators.

(*j*) Reference books for teachers.

(*k*) Books for Students' Libraries.

(*l*) Approved Journals and Magazines.

(*m*) Maps, charts, diagrams and models.

(*n*) Clocks and time-pieces.

6. The amount of grant for the purchase of the above articles shall ordinarily be equal to but in no case greater than one-half of the cost of the articles, including incidental charges such as packing and freight.

7. For the purchase of articles no rates higher than the rates of the Stores Purchase Committee shall be ordinarily admissible.

8. Applications for Grants under these Rules shall be forwarded to the Registrar, Mysore University, in the prescribed form (Appendix V) not later than 1st December and shall be accompanied by details showing the number, description and price of each article which is proposed to be purchased.

9. *Claims of Government.*—If the College which has received aid under these rules has, within ten years from the date on which a grant under these rules is drawn, been closed, or diverted to other than

educational purposes approved by Government, nothing shall prevent Government from purchasing the articles towards the supply of which the grant was given, at a valuation to be fixed by the University. When Government purchase the articles at the valuation so fixed the Management shall be paid only the excess of the valuation over the amount already given as grant towards the original purchase. Alternatively, Government may direct that the articles be sold in auction. In such a case the proceeds shall be paid into the Government Treasury provided that if the proceeds exceed the amount of grant already paid towards the purchase of the articles, the difference shall be paid to the Management of the College.

C. Maintenance Grant

1. No grant shall be given or continued to any private College which has an average daily attendance per term of less than 30 pupils in the Intermediate or the Degree grade. The University may, however, relax this rule in special cases.

2. The College shall not ordinarily be eligible to the full annual grant sanctioned to it, unless it meets for not less than the number of working days fixed by the University for the institutions under its management. A proportional reduction will be made in the annual grade payable under the rules if the number of working days goes down.

3. The working day shall consist of not less than four hours of secular instruction. On Saturdays and partial holidays instruction for not less than two hours shall be given.

4. The maximum grant admissible to a private College shall be not more than one-half of the net expenditure (*i e.*, total authorised expenditure minus the fee income).

5. In calculating the Government grant, only those items of expenditure that are authorised by the University with the previous approval of Government, shall be taken into account, and no account shall be taken by the University of expenditure incurred by the Management of a College without its previous approval. The income from tuition fees is reckoned at the scales of fees not lower than those fixed under Ordinances, less the amount due to loss of fee-income on account of award of fee-concessions, and scholarships carrying free-studentships with them.

6. The fee-concessions detailed in Ordinances 37 and 38 of the Mysore University Act, III of 1933, will also be extended to such of the Colleges under private management as will continue to draw maintenance grants. Students studying in such Colleges will be eligible for the award of several kinds of scholarships sanctioned by Government for the University and also for other concessions obtaining in the Government Colleges.

7. Maintenance grant shall be sanctioned ordinarily for a term of three years, but are liable to revision at any time.

8. Applications for maintenance grant shall be made in the form prescribed in Appendix VI.

9. Applications for the renewal of grants shall be made in the same manner as original applications. In addition a statement should be forwarded showing the actual receipts and expenditure under each head for the previous year. Applications for renewal of a grant must be forwarded at least three calendar months before the expiry of the period of the existing grant.

10. The continuous closing of a College for three months without the previous sanction of the University shall involve the withdrawal of the grant.

11. The continuance, enhancement, reduction, suspension or withdrawal of grants once awarded depends generally on the condition of the Colleges as ascertained at the periodical inspections.

General.

Maintenance grants shall ordinarily be disbursed monthly on bills countersigned by the Registrar, Mysore University. Payment of grants shall be made only after pre-audit of the bills by the Chief Pay and Accounts Officer of the University.

Government Order No. A. F. 2200-2—A. H. 109-44-4, dated 2nd November 1945, sanctioning the Scheme for the control of parasitic diseases among the Livestock in the State for a period of one year.

2. Letter No. A. H. 710—44 45, dated 26th October 1946, from the Superintendent of Veterinary and Animal Husbandry Services submitting proposals for the continuance of the Scheme as a permanent measure.

ORDER No. A. F. 5592-96—A. H. 118-46-2, DATED BANGALORE, THE 26TH MARCH 1947.

A Scheme for the control of parasitic diseases among the livestock in the State was sanctioned in 1945 for a period of one year, as a temporary measure. The Superintendent of Veterinary and Animal Husbandry Services, while forwarding the progress report in regard to the Scheme, has stated that consequent upon the rapid extension of irrigation facilities in the State, the health performance and longevity of the State's livestock have been seriously threatened as a result of parasitic infestation which is a necessary evil associated with extensive irrigation. He has therefore stated that the Scheme may be made a permanent feature of the Departmental activity and programme so that suitable steps may be taken to investigate the variety of helminthic infestations to which the livestock are falling a prey and to adopt timely measures to minimise the loss.

The Policy Committee for Agriculture and the Finance and Co-ordination Committee have also suggested the consideration of a post-war scheme relating to this subject, giving it a high priority.

The Superintendent, Veterinary and Animal Husbandry Services, who was further consulted, has stated that the proposals submitted by him embrace the post-war scheme approved by the Policy Committee as well as the views of the Finance and Co-ordination Committee. He has, however, forwarded for the consideration of Government a modified statement of expenditure as noted overleaf in the light of the experience gained in connection with the working of the Scheme during the past year, and has requested orders of Government on the following points :—

1. To continue the Scheme on a permanent basis,
2. To provide the amount required in the budgets of the Mysore Serum Institute from next year onwards, and
3. To meet the expenditure during the current year out of the lumpsum grant of Rs. 2 lakhs provided for the post-war scheme of the Department.

The Superintendent has also requested approval of the action taken by him in permitting the continuance of the Scheme from 2nd November 1946, in anticipation of the sanction of Government.

In the circumstances, Government are pleased to sanction the proposals of the Superintendent of Veterinary and Animal Husbandry Services, referred to above.

(12) Construction of 90 additional units in Provincial Reserve Police Lines at Bangalore.

(13) Construction of Natural Science Block of Central College.

(14) Construction of New Infantry Lines at Mysore.

(15) Construction of Infantry Lines at Bhadravati.

(16) Construction of a Canopy over the statue of His Highness the late Maharaja of Mysore.

(17) Construction of a Radio Broadcasting Station at Mysore.

(18) Construction of Food Godowns at Shimoga, Sagar, and Bhadravati.

(19) Construction of Beggars' colony in Magadi Road, and

(20) Construction of Sri Jayachamarajendra Occupational Institute at Bangalore.

Communications—Roads and Bridges.—The expenditure under this head for works and repairs amounted to Rs. 51,55,238 of which a sum of Rs. 31,22,815 was spent on ordinary and special repairs of roads and bridges.

A total length of 2,675 9/16 miles of State Fund Road, was maintained during the year, of which 2,243½ miles are metalled roads. The expenditure incurred on annual maintenance and special repairs of these roads was Rs. 20,32,367. The average cost of maintenance works out to Rs. 759 per mile.

A total length of 1,788¼ miles of Marketing Roads was maintained of which 1,586⅜ miles are metalled roads. The outlay incurred on annual maintenance of these roads was Rs. 5,48,828. The average cost per mile is Rs. 307.

The total length of District Fund Roads maintained during the year was 1,810¾ miles of which 1,222⅜ miles are metalled roads.

The roads were maintained in as fair a condition as possible, consistent with the grants allotted.

Reconditioning of roads.—The reconditioning of first priority roads of Military importance continued to be in progress during the year.

Cement concreting of roads.—The Cement Concreting of roads was continued to be in progress during the year according to the five-year programme. A length of 34⅛ miles has been cement concreted.

Aerodromes.—The formation of an aerodrome at Maniahalli was completed with a total outlay of Rs. 1,27,840 and it is opened for service. The Aerodrome at Jakkur is since handed over back to the Public Works Department by the Military authorities and it is maintained by this Department.

Inter-village roads.—A total length of 460⅛ miles had been formed to end of the year under village inter-communications.

Bridges.—The important bridge works that were in progress during the year were the following :—

(1) Construction of a bridge over the Bhadra river near Holehonnur.

(2) Construction of a bridge over the Bhadra river near Kalasa in Mudigere Taluk.

(3) Construction of a bridge near Chandakavadi over Suvarnavathi.

(4) Chamarajnagar Taluk and construction of a bridge over the Cauvery near Paschimavahini.

The bridges over the Suvarnavathi river near Chandakavadi and over the Cauvery near Paschimavahini were completed during the year.

Bureau of Sanitary Engineering.—Twenty-one works relating to drainage were in progress, the outlay incurred thereon being Rs. 1,11,316. Six items relating to sanitary fittings to buildings were also completed with a total outlay of Rs. 1,20,041.

Revenue.—The revenue realised during the year under XIX Civil Works was Rs. 1,59,600 in respect of rent of buildings, staging bungalow fees, etc.

Condition of Accounts.—The accounts work in several Divisions suffered due to want of adequate and experienced staff and compilation of accounts and submission of returns due to higher offices were generally delayed. Necessary steps should be taken to avoid such delays.

Schedule of rates.—The schedule of rates for 1944-45 was continued to be followed during 1945-46.

Work of the Department.—Inspite of abnormal conditions still prevailing, the work of the Department continued to be generally satisfactory.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Revises the course of Training of the Probationary Assistant Commissioners as Magistrates.

READ—

Government Order No. 3865-924—C. B. 30-40-4, dated 21st April 1941, prescribing among other things, the course of training to be undergone by the Probationary Assistant Commissioners as Magistrates for the periods noted below:—

(1) Training as Third Class Magistrate ... 2 months
(2) Training as Second Class Magistrate ... 4 months

2. Correspondence ending with letter No. R. O. C. 832—46-47, dated 24th February 1947, from the Registrar, High Court of Mysore, stating that the exercise of Third Class Powers for only two months is too short to qualify a Probationary Assistant Commissioner for being invested with Second Class Powers and that before he can be recommended to be invested with Second Class powers, he should have exercised Third Class powers for at least four months satisfactorily and during that period he should have tried a fairly large number of cases.

ORDER NO. 4514-73—C. B. 328-46-1, DATED BANGALORE, THE 17TH APRIL 1947.

Government are pleased to direct that the total period of magisterial training prescribed for Probationary Assistant Commissioners be retained at six months, of which the training as a III Class Magistrate will be for four months and as a II Class Magistrate for two months.

ORDER No. A. F. 5695-700—A. H. 115-46-1, DATED BANGALORE, THE 5TH APRIL 1947.

A number of Post-War Development Schemes submitted by the several departments of Government and scrutinised by the Policy Committee and the Finance and Co-ordination Committee, have been engaging the active consideration of Government for some time past. In connection with the measures to be undertaken for the development of the Veterinary and Animal Husbandry Services in the Post-War period, the Veterinary and Animal Husbandry Department has formulated twenty-six schemes, as detailed below, including two schemes for the development of fisheries, involving, during a period of five years, a non-recurring expenditure of Rs. 23·57 lakhs and a recurring expenditure of Rs. 74·10 lakhs. These schemes relate mainly to the improvement of live-stock including milch cattle, sheep breeding, poultry farming, and bee-keeping and fishery development and include also schemes for the expansion of veterinary aid on a more extended scale, for the control of outbreaks of diseases and for attending to cattle ailments.

The several schemes formulated for consideration of Government are indicated in Statement I appended.

The schemes for the improvement of live-stock include free distribution of 150 stud bulls every year, the award of premia to 150 selected private bulls, at the rate of Rs. 100 per bull per annum under certain conditions and the organisation of 40 one-day hobli shows in selected villages as an encouragement to cattle breeding in rural areas. It is expected that this scheme will bring up 200,000 heads of superior type of cattle valued at two crores for the next five years. A scheme for the establishment of Cattle Breeding Stations, one for the Hallikars Cattle in Hassan District and one for the Malnad Giddas at Anandapuram and the starting of five more Amrit Mahal Economic Farms have also been formulated. The existing cattle breeding station at Ajjampur is also proposed to be expanded. These farms are expected to yield 750 stud bulls every year for distribution all over the State. There are also schemes for the establishment of farms for the improvement and propagation of a better type of milch cattle—one farm for Sindhi cows at Hessaraghatta and one in Habbanghatta Kaval—Hassan District for Hallikar Cattle and one for Buffaloes at Sulekere or Bhadravati in the Shimoga District.

The expansion of sheep breeding and improvement of production, utilisation and marketing of wool form an important part of the five-year development programme of the Veterinary Department. With this view, schemes have been formulated for establishing sheep farms in all the districts except Shimoga, which is unsuited for this purpose, to serve as breeding centres for producing stud rams of standard wool and mutton quality for distribution in the rural areas. To encourage sheep farming amongst the raiyats, subvention flocks are also proposed to be introduced in all the districts. The crude, uneconomic and slow method of hand-shearing now in vogue will be replaced by machine-shearing for which purpose machines have been imported and additional shearers employed. Sheep Breeders' Associations are proposed to be started for all the districts except Shimoga. Two milch goat farms are proposed to be started in the goat-breeding areas of the State, with a view to improving the milk yield of local goats.

A State-wide development of poultry farming is also to be undertaken by establishing additional poultry farm centres and improving the existing ones. These improvements will, it is expected, give about 150 thousand table eggs in addition to 15 thousand pullets and as many cockerels of six months' age for purposes of distribution.

With the dual purpose of providing a profitable side-line in poultry-farming and with a view to the biological control of the snails responsible for the spread of liver-fluke diseases in cattle and sheep in irrigated areas, it is proposed to establish duck farms in Maddur and Hessarghatta tanks. Veterinary aid on a more extensive scale to the agriculturists will also be made available and for this purpose 105 more dispensaries are proposed during the next five years.

These schemes, while being of greatest assistance to the agriculturist, will materially improve the cattle wealth of the State and are planned with the intention to increase the economic prosperity of the raiyat in a large measure.

A scheme for the development of bee-keeping is also included. This scheme provides for marshalling the bee-forces of the State for increased food production, in respect of not only agricultural crops but also of honey itself. The plan of work contemplated in the scheme is (a) to popularise and develop bee-keeping as a cottage industry throughout the

State by establishing bee-keeping centres, and (*b*) to introduce improved methods in honey tapping and collection and to improve the honey market.

With a view to developing and exploiting fresh water fishery resources in the State, to provide the much needed nutritive food to the people, two schemes for Fishery Development in the State have been proposed. Fishery development includes the improvement of fish productive capacity of rivers, tanks and reservoirs by effecting conservation measures and by stocking them with better species of fishes in large quantities. A scheme for the establishment of a Fishery Research Station and an Acquarium at Krishnarajasagar is proposed for the investigation of important fishery problems which is essential for proper development of fisheries and to impart knowledge of the acquatic life to the people.

These schemes were duly considered by the Policy Committee for Agriculture and further scrutinised and approved by the Co-ordination and Finance Committee with suggestions or modifications wherever considered necessary.

The Finance and Co-ordination Committee approved all the schemes excepting schemes Nos. 9, 15, 18, 21, 22 and 23 which are proposed to be dropped. The 20 schemes approved by the Committee involve a non-recurring expenditure of Rs. 12·93 lakhs and a recurring expenditure of Rs. 46·88 lakhs spread over a period of five years. The annual addition to the recurring expenditure at the end of the fifth year is anticipated to be roughly about Rs. 10·5 lakhs.

With a view to implementing the recommendations of the Committee and to facilitating the taking up immediately of the execution of the five-year programme, Government were pleased to sanction from time to time certain schemes, as noted below, either in full or in part as and when detailed proposals were received from the Superintendent, Veterinary and Animal Husbandry Services and circumstances warranted their being operated upon with success :—

Schemes Nos.—

1. Training of Veterinary Personnel.
2. Opening of Rural Veterinary Dispensaries.
3. Live-stock Improvement Scheme.
4. Starting of Sheep Farm in each District.
6. Introduction of subsidised flocks in the State.
7. Machine shearing of sheep on an intensive scale.
25. Establishment of Fisheries Research Station at Krishnarajasagar.
26. Development of Fisheries in the State.

Government are now pleased to convey general administrative sanction to 11 other schemes detailed in Annexure I. The Superintendent, Veterinary and Animal Husbandry Services, is requested to submit detailed proposals to give effect to them with special reference to the staff to be recruited and the scales of pay to be given to the various special jobs and other relevant details.

As regards the other remaining schemes, the Superintendent, Veterinary and Animal Husbandry Services, is requested to see that suitable action is taken as per instructions detailed in Annexure II and a report of action taken submitted to Government for information.

Government are also pleased to direct that Scheme No. 15 regarding the establishment of a Government Turkey Farm in the State be postponed and that Scheme No. 18 regarding construction of cattle dipping tanks be dropped.

They further direct that the Bee-keeping Section, which is at present under the control of the Agricultural Department, be retransferred to the Veterinary Department with its existing personnel and that the Hessarghatta Grass Farm, which is at present under the control of the Military Department, be transferred to the Veterinary Department.

The expenditure involved on account of the schemes sanctioned above will be met from the funds provided for post-war schemes in the budget of the Department during the current year.

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Sanctions a scheme for providing a short course of instruction to Agriculturists in improved methods of Agriculture.

READ—

Letter No. Ct. 74—46-47, dated 9th January 1947, from the Director of Agriculture, submitting a scheme for providing a short course of training to Agriculturists in improved methods of Agriculture.

ORDER NO. A. F. 5893-905—AGRI. 175-46-2, DATED BANGALORE, THE 16TH APRIL 1947.

The Director of Agriculture has reported that at the sixth meeting of the Board of Agriculture held on the 24th February 1945, it was resolved that a short course of training for a period of three to four months be instituted in each of the Kannada Agricultural Schools to train the Agriculturists of the neighbouring area and to give them visual instruction in improved methods of Agriculture. He is of the opinion that the most suitable season for visual demonstrations is from October to December but that the raiyats would be fully engaged with their own crops during this period and cannot afford to be away from their places for such a long time then. He proposes that the raiyats may be taken round the farms on an educational tour for about a fortnight instead of making them attend a regular course of training lasting three to four months and that with this end in view an agriculturist from each hobli in the State would be selected and formed into different groups for being taken round the Government farms in different places by the Circle Officers and instructed during their stay on the farms in the various improved methods of agriculture advocated and adopted by the Department with practical demonstrations as far as possible. The Director also proposes to select 364 agriculturists each year from different hoblis in the State and give each of them a lumpsum amount of Rs. 25 for the entire trip, towards their expenses such as railway fare, boarding charges, etc, at a total expenditure of Rs. 9,100, the scheme being tried for a period of five years.

The Scheme is reported to have been approved both by the Committee for Agriculture and the Co-ordination and Finance Committee.

In the circumstances, Government are pleased to sanction the scheme and to direct that it be tried for a period of five years in the first instance.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

Sanctions a Reduction in the Rate for Tractor ploughing of lands for cultivation.

READ—

Letter No. F. A. 38—15-46, dated the 28th January 1947, from the Director of Agriculture, regarding the proposal for reduction in the rate for tractor ploughing of lands for cultivation.

ORDER NO. A. F. 6046-57—AGRI. 176-46-2, DATED BANGALORE, THE 23RD APRIL 1947.

The Director of Agriculture has reported that it is usual for the Agricultural Department to recover ploughing charges from agriculturists for tractor ploughing of their lands, at a rate fixed by the department, based on the actual cost of materials used for running the tractors, the pay and allowances of the tractor staff and depreciation of machinery, and that the rate for tractor ploughing has thus been fixed at Rs. 12 per acre, in respect of the lands already under cultivation, a concessional rate of Rs. 4 per acre, under the "Grow More Food" Campaign, being charged in the case of virgin lands. He adds that in view of the representations recently made by certain agriculturists of Shimoga to Government in the matter, the rate for tractor ploughing of cultivated lands has been

reduced from Rs. 12 to Rs. 8 per acre, with effect from 1st December 1946 and that the Agricultural Engineer has been instructed to levy this rate until further orders in cases where tractors are hired for ploughing cultivated lands. The Director has requested formal sanction of Government to the same.

In the circumstances mentioned, Government are pleased to direct that the concessions now granted be continued till the end of June 1948 in the first instance.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

Sanctions a Post-War Scheme relating to the establishment of Breeding Farms for Milch Goats in the State.

READ—

Letter No. C. F./362—45-46, dated 16th March 1946, from the Secretary, Co-ordination and Finance Committee, furnishing the views of the Committee on the Post-War Scheme relating to the establishment of Breeding Farms for Milch Goats in the State.

2. Correspondence ending with letter No. A4-91—46-47, dated 15th November 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting revised proposals in the matter.

ORDER No. A. F. 5912-916—A. H. 163-44-10, DATED BANGALORE, THE 16TH APRIL 1947.

With the object of improving the goat population of the State by introducing the Milch Strain of goats and easing the milk situation in the State, the Director of Agriculture forwarded in May 1945 a scheme formulated by the Special Officer for Animal Husbandry. The scheme was considered by the Policy Committee of Agriculture and approved, providing for an expenditure, during five years, of Rs. 72,500 non-recurring and Rs. 70,000 recurring. The Co-ordination and Finance Committee also approved of the scheme subject to the following modifications :—

1. The number of imported goats to be limited to 50 does and 10 bucks on each farm.

2. The capital cost to be reduced to Rs. 43,000 in the first year and Rs. 7,000 in the second year, and the recurring expenditure to Rs. 7,500 in the first, Rs. 10,000 in the second and Rs. 11,500 in the next three years, the return also being reduced to Rs. 10,000. According to the Committee's recommendations, the scheme involves a total expenditure during five years of Rs. 50,000 capital and Rs. 52,000 recurring and is given second priority.

The Superintendent, Veterinary and Animal Husbandry Services, who was asked to send revised proposals on the basis of the amount suggested by the Co-ordination and Finance Committee, has sent up a revised scheme involving a capital cost of Rs. 68,750 and a recurring expenditure of Rs. 61,560 for five years for two farms as detailed in Statement I appended to this order. Against the total expenditure of Rs. 1,29,810, the Superintendent anticipated a total income of Rs. 27,400 for five years from the same number of bucks and does as indicated in Statement II. He proposed under this scheme, to import into the State two breeds of goats, *viz.*, the Jamnapari goats from U.P. and the Tellicherry goats from Malabar, with a view to taking up simultaneously the improvement of local goats both in the maidan and the malnad parts of the State, the exact places where the farms are to be located being fixed after the completion of the survey in progress.

In the circumstances, Government are pleased to sanction the scheme submitted by the Superintendent, Veterinary and Animal Husbandry Services. He is requested to take all further action to implement the scheme early.

Letter No. Ex. 1 Es. 44-45-46, dated the 7th January 1947, from the Registrar, University of Mysore, requesting sanction for the revision of the courses of study of the Engineering Diploma Examinations in the School of Engineering from three years to two years from the academical year, *i.e.*, from 1947-48 and for the additional grant of Rs. 14,520 (Rupees fourteen thousand five hundred and twenty only) required in this behalf.

ORDER No. E. 7605-11—UNI. 74-46-2, DATED BANGALORE, THE 17TH APRIL 1947.

There is a heavy demand for the Engineering Diploma Students both in the State and outside due to the rapid industrialisation and Post-War Schemes of Development and hence an urgent necessity has arisen to make available trained men, in larger numbers as quickly as possible. The Committee of Management of the Engineering School who examined this question recommend that one of the ways to accelerate the supply of trained hands is to shorten the period of the Diploma Course in Civil, Mechanical and Electrical Engineering, from three years to two years, as a temporary measure, by curtailing the summer vacation and other holidays and increasing the number of hours of work. They propose to give effect the revised course from the academical year 1947-48. The revision which involves additional staff and equipment is estimated to cost Rs. 35,000 (Non-recurring) and Rs. 15,020 (Recurring) during the first year. In the circumstances, Government are pleased to sanction the recommendation of the Managing Committee. Necessary provision for the purpose will be made in the Budgets for 1947-48 and onwards.

A statement showing the details of the extra non-recurring and recurring cost is appended to this order.

K. THIPPERUDRIAH, *Edn. Secy.*

FINANCIAL SECRETARIAT

Sanctions the grant of Charge Allowance to an officer who is placed in charge of the duties of an additional office, the pay of which is not more than that of his own substantive office.

ORDER No. Fl. 7777-7847—S. & A. 160-46-2, DATED BANGALORE, THE 5TH MAY 1947.

Under the existing rules (Article 96 of the Mysore Service Regulations) no allowance is admissible to an officer, who is placed in charge of the duties of an additional office, the pay of which is not more than that of his own substantive office.

In cases where it is considered that such an arrangement results in additional work and responsibility to the officer so placed in charge, it is but fair that he should be compensated for such additional work.

Government are accordingly pleased to order that when an officer is placed in charge of the duties of an additional office, the pay of which is not more than that of his own office for a period exceeding ten days, and the charge entails additional work and responsibility, the officer be allowed a charge allowance amounting to 1/10th of the minimum pay of the additional office or the duty allowance attached to the additional office, whichever is more.

The necessary amendment to the Mysore Service Regulations will issue separately.

Government Order No. Fl. 2815-85—S. & A. 56-46-2, dated the 17th October 1946, sanctioning revision of rules regarding the appointment of Typists and Steno-typists in future and for granting allowances to them in lieu of special scales of pay.

2. Official Memorandum No. Fl. 6121-6181—S. & A. 56-46-3, dated the 17th February 1947, issuing further instructions clarifying some of the points of doubt in the application of the Government Order referred to above in particular cases.

ORDER No. Fl. 7871-7940—S. & A. 56-46-5, DATED BANGALORE, THE 6TH MAY 1947.

It is reported that in some of the offices there are typists and steno-typists who have not passed any examinations but who by virtue of their long experience have acquired proficiency and are discharging their duties satisfactorily.

Government are pleased to direct that an allowance of Rs. 5 per mensem may be paid in such cases, if the officials have passed the age-limit of 45, considering them as having been exempted from passing the lowest standards of examinations, the other conditions specified in Government Order of 17th October 1946, remaining the same.

This allowance may be granted from 17th October 1946 from which date the rules have been revised.

Letter No. A1—Mis. 46-47, dated 14—15th November 1946, from the Director of Industries and Commerce on the above subject.

ORDER NO. A. F. 6542-47—AGRI. 190-46-2, DATED BANGALORE, THE 19TH MAY 1947.

As agriculture is the key industry supporting more than 70 per cent of the population of the State, the policy of Government has all along been to grant fallow lands for cultivation on generous terms. The Agricultural Department has been making strenuous efforts to increase the production of foodgrains. Nevertheless, the State is deficit in rice to the extent of 50,000 tons per annum and the condition of the agriculturists has not substantially improved. Having regard to these facts, agricultural development must accomplish now two things, *viz.*, the attainment of self-sufficiency in the production of foodgrains, and secondly, a substantive increase in the purchasing power of the agriculturists.

With this object in view, the Department of Agriculture has formulated, in connection with the measures of development proposed to be taken up by the various Government Departments in the Post-War period, 20 Schemes* as detailed below, involving a capital expenditure of Rs. 15 lakhs and a recurring cost of Rs. 76·28 lakhs, spread over a period of five years.

These Schemes were scrutinised by the Policy Committee for Agriculture and they were further scrutinised by the Co-ordination and Finance Committee with reference to their financial aspects and were approved with suggestions or modifications wherever considered necessary.

Six out of these Schemes (Nos. 10, 14, 16, 17, 19 and 20) have been either dropped or transferred to other departments, leaving 14 Schemes to be dealt with touching the expansion and development of the activities of the Agricultural Department in various directions.

With a view to implementing the recommendations of the Committee and facilitating the taking up immediately of the execution of the five-year programme, Government were pleased to sanction from time to time certain schemes, as noted below, either in full or in part as and when detailed proposals were received from the Director of Agriculture and circumstances warranted their being implemented with success :—

1. Measures for multiplication and distribution of paddy seeds and manures.
2. Starting of more Experimental Farms.
3. Manufacture of compost from agricultural waste.
4. Provision for an efficient Tractor Service in the State.
5. Starting of Kannada Agricultural Schools.

---

*1. Scheme for the multiplication and distribution of paddy seeds and manures.
2. Wide distribution of the improved agricultural implements in Mysore State.
3. Starting of more experimental farms in the State.
4. Starting of more demonstration farms in Taluk Headquarters in the State.
5. Manufacture of compost from agricultural wastes.
6. Tractor Service in the State.
7. Starting of additional Kannada Agricultural Schools in the State.
8. Short course of training to agriculturists in improved methods of agriculture.
9. Establishment of a Board of Agricultural Research.
10. Breeding and improvement of oil seeds.
11. Breeding of root crops.
12. Breeding, multiplying and preserving of seed potatoes.
13. Establishment of a Central Fruit Research Station at Hessarghatta.
14. Cultivation of essential oil plants.
15. Re-organisation of the Section of Agricultural Statistics and Agricultural Meteorology in the Agricultural Department.
16. Scheme for the processing of fibrous fodders to obtain nutritive material.
17. Scheme for the investigation of silk work residues and wastes for edible and industrial oil and cattle and poultry feed.
18. Investigation on the biological control of sugarcane stem borer and top borer, and paddy stem borer and cotton bool-worms and potato epilpchna beetles by means of the larval and egg parasites.
19. Research Scheme for the investigation and production of indigenous insecticides of vegetable origin.
20. Introduction of improved methods of Gur, Boora and Cottage Crystal Sugar productio .

The details of the above Schemes are given below :—

Measures for Multiplication and Distribution of Seeds and Manures.

Under this Scheme, it is envisaged to bring 12,000 acres under seed farms yielding about 83,000 pallas of improved seeds. The seeds thus produced will be enough to plant 2½ lakhs of acres of land and with the improved seed it is expected to increase the production by at least 2 pallas each acre. The Scheme also provides for the distribution of manure, agricultural implements and equipment at a concession rate with a view to stimulate agricultural operations. It is expected that the net result of the Scheme will be to wipe out the existing deficit of paddy requirements of the State.

Starting of more Experimental Farms.

The idea underlying the Scheme is to start agricultural experimental farms with a view to try out the results obtained in the research laboratories on the farm lands before they can be safely recommended to the cultivators. Further, the improved methods of agriculture can be practically demonstrated to the raiyat. For this purpose, it is proposed to increase the number of experimental and demonstration farms in each district. Problems peculiar to each area will be studied in detail on these farms.

Manufacture of Compost from Agricultural Waste.

With a view to a better utilisation of farmyard manure and to turn agricultural waste into manure, this Scheme has been sanctioned for organising by propaganda and demonstration, the production of compost by improved methods on an intensive scale in selected hoblis and has been gradually extended. It is expected that with a bonus of 12 annas per ton by way of inducement to the raiyat, 75,000 tons of compost will be produced in the first year itself.

Provision for Efficient Tractor Service.

Nearly 14 lakhs of acres in the State are lying unnecessarily fallow largely due to the fact that the "limits of cultivation by the available agricultural labour have almost been reached." The introduction of this Service would help to bring large tracts of virgin and fallow lands under the plough and would incidentally augment the total output of agricultural commodities in the State. Administrative sanction is being accorded to the introduction of a tractor service in all the maidan taluks of the State. The purchase of the tractors for this purpose has also been sanctioned.

Starting of Kannada Agricultural Schools.

To provide the necessary subordinate agency, particularly fieldmen for the several schemes, sanction has been accorded to the starting of two more Kannada Agricultural Schools in the Malnad area. In order to give agriculturists in all parts of the State opportunities to study improved methods of agriculture, a Scheme to select representatives from hoblis and to take them round the Government Farms, explaining the different phases of work done in the farm and giving them also practical demonstrations, has been approved.

Government are now pleased to convey general administrative sanction to the Schemes mentioned in Annexure I.

The Director of Agriculture is requested to submit detailed proposals with regard to the staff to be employed, the scales of pay to be given to them indicating the financial implications in respect of each of the schemes.

As regards the remaining Schemes, the Director of Agriculture is requested to see that suitable action is taken as per the instructions noted against each Scheme in (Annexure II).

The schemes already sanctioned and those now proposed to be sanctioned involve a total approximate expenditure of Rs. 11,92,980 non-recurring and a recurring cost of Rs. 42,89,624 during a period of five years.

The expenditure on account of these schemes during the current year will be met from the funds provided for Post-War Schemes in the Budget of the Agricultural Department.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

ANNEXURE I.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Reviews the Administration Report of the Revenue Department for the year ending with 30th June 1946.

READ—

"Letter No. C per. A. 1—46-47," dated the 5th November 1946, from the Revenue Commissioner in Mysore, forwarding a report on the working of the Revenue Department during the year ending with June 1946.

ORDER No. R. 11421-11506—L. R. 185-46-3, DATED BANGALORE, THE 21ST MAY 1947.

Rajasevaprasakta Mr. M. Seshadri, M.A., continued to be in charge of the Department till 17th June 1946 when His Highness was graciously pleased to appoint him as Minister. Mr. Syed Ghouse Mohideen, B.A., First Assistant to the Revenue Commissioner, was in charge of the current duties of the Revenue Commissioner during the remaining part of the year.

2. *District, Sub-Division and Taluk Charges.*—There were changes in the personnel of the Deputy Commissioners of Bangalore, Mandya and Chitaldrug Districts. A Development Officer of the status of an Assistant Commissioner was appointed for each District to attend exclusively to the Rural Development work. The posts of Special Land Acquisition Officers for Krishnarajanagar and Irwin Canal Works and for acquiring properties in Bangalore District for the several schemes were continued, as also the posts of Personal Assistants to the Deputy Commissioners of Tumkur, Shimoga and Hassan Districts. Two Probationary Assistant Commissioners, Messrs. C. S. Seshadri and R. Ananda Krishna, were appointed and three Revenue Probationers who completed their training were appointed as Amildars and posted to Taluk charges in the course of the year.

3. *Tours and Inspections.*—The Revenue Commissioner toured for 130 days in the year and inspected 13 Muzrai Institutions and eight Districts, five Sub-Division and 17 Taluk Offices. The Deputy Commissioner, Mandya, toured for the largest number of days *viz.*, 233 and the Deputy Commissoner, Chitaldrug, camped out for the largest number of days (138) and Inspected the largest number of villages-roadside and interior (1,138). The number of villages inspected by the Deputy Commissioner, Shimoga, was the lowest, *viz.*, 197.

All the Sub-Division Officers toured for more than the minimum number of days. The Sub-Division Officers of Mysore and Chikballapur inspected the largest number of villages (*viz.*, 1,346 and 1,317) while only 276 villages were inspected by the Sub-Division Officer, Mandya.

4. *Rainfall and Seasonal Conditions.*—Rainfall was considerably less during the year in all the Districts except Shimoga, the deficiency being most marked in the Maidan Districts of Kolar, Tumkur, Chitaldrug, and Bangalore. The rainfall during the cultivation season from June to November 1945 was less than in the corresponding period of the previous year and less than the average of the past 35 years in all the Districts, the deficiency being most marked in Chitaldrug, Kolar and Tumkur Districts, and in parts of Bangalore and Mandya Districts. Owing to the irregular and scanty south-west monsoon and the almost complete failure of the north-east monsoon, the outturn of all crops in general was very poor, except for wet crops in the Malnad and under large irrigation works and channels. Dry crops in particular were more or less a complete failure in some Taluks of Kolar and Tumkur Districts and in all the Taluks of Chitaldurg District. The prolonged drought caused by the failure of the monsoon caused scarcity of fodder and water almost everywhere in the Districts of Tumkur, Kolar and Chitaldrug and in parts of Bangalore (Nelamangala Taluk), Hassan (Arsikere and Holenarsipur Taluks), Shimoga (Channagiri Taluk) and Kadur

(Tarikere, Kadur and Chikmagalur Taluks) Districts. It is, however, gratifying that the early and copious rains in the period from March to May 1946 have considerably eased the situation as regards drinking water for men and cattle.

The agricultural stock remained generally healthy during the year, though there was great difficulty for fodder and water especially in the areas affected by drought.

The area under occupation increased from 81,67,651 to 81,90,524 acres, registering an increase of 22,873 acres; but the acreage under principal crops was on the decline and the outturn of the crops poor on account of unfavourable seasonal conditions. The prices of food grains and other commodities continued to rule high while on account of the low yield of crops, a considerable section of the agriculturists and the general public was hit hard.

DISTRESS RELIEF MEASURES.

5. Though no area in the State was declared as famine stricken under Section 48 of the Famine Code, relief was provided in every possible way to the people of Chitaldrug, Kolar and Tumkur Districts and parts of Shimoga, Kadur and Mandya Districts, where signs of distress were noticed early in November 1945 and deepened on account of the failure of the north-east monsoon. His Highness the Maharaja toured in the affected areas during January 1946, and was graciously pleased to order, among other measures of relief, the grant of remission and suspension of land revenue on a more liberal scale than the rules governing the ordinary seasonal remissions permitted. His Excellency the Viceroy and Mr. Hoover, Ex-President of United States of America, also visited the affected areas. The relief provided was mainly under the following heads :—

(a) *Liberalisation of the rules relating to suspension and remission of Assessment.*—The following are the additional concessions granted (*vide* Government Order No. R. 5177—R. M. 37-45-47, dated the 30th January 1946).

(i) Suspension of the collection of balance of wet and garden assessment.

(ii) Remission of one-half of the dry assessment and suspension of the other half.

(iii) A revenue Village to be treated as a Unit instead of a Hobli under the rules in force.

(iv) The condition of the previous harvests not to be a factor in deciding the grant of these concessions.

Remissions amounting to Rs. 10,85,303-3-11 were sanctioned and the collection of Rs. 7,54,977-1-8 was suspended. Seasonal remissions were sanctioned in respect of the lands under 5,991 tanks. The rules relating to seasonal remission were made applicable to rainfed wet lands also.

(b) *Providing employment to the labourers and poor agriculturists.*—Public Works such as, Tank Restoration Works, Tank Maintenance Works, and Inter-village Road Works were started in all the affected areas without insisting on the usual formalities prescribed for taking up such works. Seven hundred and twenty village works estimated to cost Rs. 5,51,212 and 413 Public Works estimated to cost Rs. 44,78,390 were taken up as distress relief works and the total outlay upto 30th June 1946 amounted to Rs. 2,52,933 under Village Works and Rs. 9,19,056 under Public Works. Twelve Spinning Centres were opened in Chitaldrug District and a sum of Rs. 8,000 was paid as wages to the 800 persons who received training.

(c) *Provision of free grazing facilities in State and District Forests and Amrut Mahal Kavals.*—Altogether 70 State Forests were thrown open for free grazing of cattle in the Districts of Chitaldrug (16), Tumkur (8), Kolar (34), Kadur (9) and Bangalore (3) and 8 Amrut Mahal Kavals were also thrown open for the same purpose.

(d) *Supply of Fodder.*—Nine hundred and fifty tons of Karada grass collected by the Forest Department, 100 tons of pressed hay spared from Sandur by the Southern Command, 53 tons of kar ragi straw and 384 tons of jola stalks purchased in Mandya District and 35,680 lbs. of ragi straw and 71,525 lbs. of paddy straw collected by the Fodder Relief Committee, Hassan District, were made available for sale in the affected areas at subsidised rates, through 46 Fodder Depots.

(e) *Gratuitous relief to the old, decrepit and the infirm and to gosha women.*—Free kitchens were opened to help the old and infirm persons and others who could not be employed in the Relief works. At the close of the year, there were 43 such free kitchens feeding 1,299 persons. Besides these free kitchens run by Government were 24 free kitchens organised by philanthropic gentlemen and local Relief Committees. Clothes were also distributed to the needy persons fed in free kitchens, out of the donation of Rs. 1,000 received from Messrs. The Mysore Spinning and Manufacturing Company, Limited. Government also sanctioned the proposal to supply free clothing to the needy inmates of the free kitchens.

(f) *Grant of Takavi and Land Improvement Loans.*—Additional allotments of Rs. 1,75,000 under Land Improvement Loans and Rs. 1,25,000 under Takavi Loans, were sanctioned to meet the increased demand caused by adverse seasonal conditions and loans amounting to Rs. 1,26,401 under Land Improvement Loans and Rs. 2,14,203 under Takavi Loans were actually sanctioned.

(g) *Grant of permission for the temporary cultivation of tank-beds and other inducements for raising short-term crops.*—An extent of 10,286 acres of tank-beds was thrown open for raising short-term crops like gidda-ragi and jola. Taking advantage of the concessions granted for raising food and fodder crops in the water-spread area of Krishnarajasagara from which water had receded during summer, jola crop was raised over an extent of 3,659 acres; and irrigated ragi was raised on a total extent of about 5,485 acres, making use of the water stored by the temporary building up of about 30 tanks in the Irwin Canal area, which had been breached as an anti-malarial measure. Seeds and manure were supplied by Government free of cost, and prizes were also given to persons who had grown ragi over large extents.

(h) *Subsidisation of Irrigation Wells.*—With a view to stimulating food production, a scheme for grant of subsidies for sinking and deepening irrigation wells was sanctioned in March 1946. It provides for the grant of a subsidy not exceeding 50 per cent of the estimated cost, subject to a maximum of Rs. 500 per well in the Districts of Chitaldrug, Kolar and Tumkur. In other Districts, the subsidy is limited to 25 per cent of the estimated cost, subject to a maximum of Rs. 250. The time for completing the wells, which was originally fixed at 30th June 1946, has recently been extended up to 30th June 1947 and the time for receipt of applications has also been extended up to 31st January 1947. Out of the allotment of rupees seven lakhs sanctioned during 1945-46 for grant of these subsidies, a sum of Rs. 4,75,260 had actually been disbursed to 1,848 applicants, before the close of the official year.

(i) *Supply of Drinking Water.*—To get over the difficulty for drinking water experienced in the affected areas, 826 wells were sunk or deepened and the Water Supply Schemes of Jagalur and Molakalmuru Towns were sanctioned. Grants were sanctioned for sinking bore-wells in Bharmasagara village in Chitaldrug Taluk and Sira in Tumkur District and for improving the bore-well at Midigesi in Madhugiri Taluk.

(j) *Irrigation Pumps worked by Electricity.*—Electric power was supplied at an estimated cost of Rs. 1,75,194 to work irrigation pumps to lift water from wells, required pumps being also supplied wherever necessary. A special concession rate of half anna per unit is charged for pumps used for growing food crops only. In Kolar District alone 313 pumping sets were brought into service during the year.

(k) *Medical Relief.*—Arrangements were made for the distribution of evaporated milk to children of school-going age and to expectant and nursing mothers in the affected areas, and for the distribution, in the Chitaldrug District, of 1,600,000 multi-vitamin tablets supplied by the Friends' Service Unit. The opening of 30 Medical Units in the affected areas was also sanctioned and Special Officers of the Medical and Public Health Departments were deputed to tour frequently in these areas to take immediate action in case of out-break of epidemics due to scarcity conditions.

(l) *Special measures sanctioned to ameliorate the conditions of the agriculturists.*—The following are the important concessions granted to agriculturists during the year:—

(i) Reduction of the bagayet assessment on lands in which areca is the main crop, by 25 per cent inclusive of the reduction of 12½ per cent already given

in the Malnad, with effect from 1944-45 (Government Order No. R. 18-29—L. R. 209-45-2, dated the 17th October 1945).

(ii) Grant of loans at the concessional rate of interest of 2 per cent per annum for the purchase of seed grain, ploughing cattle, fodder for cattle, and manure, for a period of two years (Government Order No. R 3322-33—R. M. 39-45-2, dated the 26th November 1945).

(iii) Levy of uniform rates of interest at 4 per cent per annum on both Takavi and Land Improvement Loans with effect from 1st April 1946 (Government Order No. Fl. 7192-7280—G. F. 281-45-2, dated the 12th April 1946).

(iv) Continuance of the levy of the reduced rate of Rs. 1-8-0 per mutation involving measurement, for a further period of two years from 25th October 1945 (Government Order No. R. 5243-56—L. S. 26-45-3, dated the 2nd February 1946).

) Continuance for a further period of two years from 1st July 1945 of the concessions granted to the raiyats of Malnad to remove fencing materials from State Forests to protect their crops.

The revival during 1945-46 of the concessions which were in force during the economic depression from 1933-34 to 1942-43 (Government Order No. R. 9680-91—R. M. 116-45-4, dated the 29th June 1946).

CULTIVATION.

6. (*a*) *General.*—An extent of 50,062 acres and 12 guntas of land bearing an assessment of Rs. 45,075-5-6 was taken up for cultivation during the year as against 61,602 acres 38 guntas with an assessment of Rs. 76,893-14-7 in the previous year. Deducting the area relinquished, there was a net increase of 38,514 acres with an assessment of Rs. 33,826-3-0, in the area under occupation.

The total area cropped during the year was 6,134,486 acres (6,605,816) showing a net decrease of 471,330 acres. The decrease to which all the Districts have contributed, is due to unprecedented failure of rains in Maidan Districts particularly, and uneven and ill-distributed rainfall all over the State generally during the year. The percentage of fallows to area under occupation was 25·1 (19·10) the highest being 37·8 in Shimoga District and the lowest 9·8 in Mysore District.

(*b*) *Special Projects.*—(i) *Vani Vilas Sagara, Hiriyur Taluk.*—Out of an extent of 10,180 acres of land available for cultivation, the net areas under occupation at the end of the year, was 9,329 acres and 7 guntas, the area cropped under "Karthike" and "Vaishaki" being respectively 7,063 acres and 5,262 acres 10 guntas.

(ii) *Marconahalli Reservoir, Kunigal Taluk.*—The area under occupation at the end of the year was 8,000 acres (8,308) against an irrigable extent of 10,432 acres, which was further reduced by 1,764 acres on account of prohibition of wet cultivation over a two-furlong zone as an anti-malarial measure. The arrears of contribution and water-rate left uncollected at the close of the year stood at Rs. 6,06,059-11-3 and Rs. 1,53,178-1-6, respectively. The arrears are still very heavy and every effort should be made to collect the balance and to bring the rest of the irrigable extent under cultivation.

(iii) *Irwin Canal.*—The total area under paddy, sugarcane and cotton in the area was 98,857 (88,226) acres. The area under paddy and sugarcane showed a further increase owing in the case of the former to the propaganda carried on by the several departments under the Grow More Food Scheme and in the case of the latter by the efforts of the Sugar Company. The area under cotton showed a further decrease. With a view to meeting the serious shortage of ragi in the State and as a measure of further inducement, the issue of seeds and manure, free of cost to the raiyats, for the cultivation of kar-ragi in the Irwin Canal area was ordered and a as result of this and intensive propaganda an extent of 5,485 acres was brought under cultivation in the area.

Against a total demand of Rs. 81,85,104 under contribution, water rate, etc., a sum of Rs. 15,53,704 (Rs. 13,70,008) was collected during the year. The percentage of collection to demand was 18·9 (17·9). The collections are very poor, and systematic and strenuous action is necessary on the part of the Special Establishment to reduce the arrears appreciably.

With a view to accelerate anti-malarial engineering works in the area, formation of two Sub-Divisions, each under an Assistant Engineer with the necessary establishment was sanctioned during the year. An Assistant Commissioner was also sanctioned for the Village Shifting Works.

A mixed committee of official and non-official gentlemen was constituted during the year to study and report on the irrigation system and health measures, etc., adopted in the Neera Canal area in Bombay Presidency, with the idea of solving similar problems arising in the Irwin Canal area.

(iv) *Bhadra Right Bank Channel.*—A total extent of 9,364 acres and 29 guntas (8,399 acres and 20 guntas) of land was under occupation at the end of the year.

(v) *Anjanapur Reservoir.*—An extent of 11,642 acres and 28 guntas (10,922 acres and 16 guntas) of land was under cultivation during the year. Crops in the atchkat of the reservoir were in good condition.

7. *Darkhasts.*—Out of 17,980 darkhasts received during the year 13,506 (8,026 by grant and 5,480 by rejection) were disposed of, leaving a balance of 4,474 (5,334) at the end of the year. The area granted was 37,339 acres and 25 guntas (38,320 acres and 38 guntas) realising a sum of Rs. 3,28,351-2-7 (Rs. 3,26,601-11-10). Although the percentage of disposals during the year was 75 (72), the pendency for more than 2 and 3 years was very heavy in Hassan and Bangalore Districts. The Deputy Commissioners concerned should pay greater attention to the disposal of all cases pending for over six months.

Under the Grow More Food Scheme, a total extent of 254,645 acres and 23 guntas (wet 21,076 acres and 23 guntas and dry 233,568 acres and 28 guntas) was granted from the commencement of the scheme up to the end of the year, excluding an extent of 39,314 acres and 9 guntas, the grant of which was cancelled owing to failure of the grantees to bring the land under cultivation within a year of grant. An extent of only 1,68,224 acres and 19 guntas (wet 12,153 acres and 1 gunta and dry 156,071 acres and 18 guntas) was actually brought under the plough till the end of the year. Every endeavour should be made to induce the grantees to bring the total area of land granted under cultivation and in case of failure to do so within the prescribed time, the Deputy Commissioners should strictly enforce the rules and resume the lands granted.

With the surrender of 500 acres to the Department during the year, the total extent of Amrut Mahal Kaval lands available for disposal was 91,321 acres and 16½ guntas. An extent of 4,076 acres and 21 guntas was disposed of during the year, leaving a balance of 87,244 acres and 35½ guntas at the end of the year. A sum of Rs. 716-15-0 was realised by disposal and the assessment fixed on these lands was Rs. 583-2-0, large extent of the lands being granted under the Grow More Food Scheme.

8. *Takrar Takthas.*—There were 36,690 cases of Takrar Takthas to be dealt with during the year. Of these, 30,674 were disposed of, leaving a balance of 6,016 at the end of the year. The pendency is large in the Bangalore, Mysore and Mandya Districts, being 1,520, 1,369 and 924, respectively. There are still several cases pending for over 2 to 5 years. The Deputy Commissioners concerned should pay particular attention to the disposal of these cases.

9. *Demand, Collection and Balance of Land Revenue.*—The total demand under Land Revenue including Revenue Miscellaneous was Rs. 1,46,66,658 (Rs. 1,46,20,649) and a sum of Rs. 1,13,74,253 (Rs. 1,32,88,686) was actually collected during the year, leaving a balance of Rs. 19,65,917 (Rs. 11,48,307), after deducting the amount remitted or written off as irrecoverable during the year, namely, Rs. 13,26,488 (Rs. 1,83,656). The percentage of total collection to total demand was 86·6 (92·1), the fall in collection being due mainly to adverse seasonal conditions on account of failure of rains during the year, which necessitated the grant of further concessions by way of remission and suspension of half wet and dry assessment in the areas affected by distress, in addition to concessions allowed under existing seasonal remission rules.

10. *Coercive Processes.*—The number of coercive processes of all kinds served during the year was 80,456 (94,311) and the amount realised thereby was Rs. 8,50,999 (Rs. 10,01,730).

11. *Execution of Co-operative Society decrees.*—There were 4,626 decrees for an aggregate sum of Rs. 6,92,519-5-6 for disposal during the year. One thousand eight hundred and fifty-five decrees were executed and a sum of Rs. 2,48,868-11-0 was recovered, leaving a balance of 2,771 decrees involving Rs. 4,43,650-10-6. As in last year, the pendency was heaviest in Bangalore District, *viz.*, 889 for Rs. 1,42,850. The Revenue Commissioner's proposals for expediting the execution of these decrees are awaited.

12. *Loans and Advances.*—Out of a total amount of Rs. 4,42,600 provided in the Budget for grant of Land Improvement, Takavi and Fruit Culture loans, a sum of Rs. 3,41,104 was actually disbursed during the year.

(i) *Takavi Loans.*—There were 2,230 applications for Takavi loans for an aggregate amount of Rs. 5,14,755 and 1,385 applications for a total amount of Rs. 2,22,550 were sanctioned, leaving a balance of 845 applications for an aggregate sum of Rs. 99,055 at the end of the year.

Out of a total demand of Rs. 1,72,253-10-0 a sum of Rs. 81,315-2-3 was actually collected, leaving a balance of Rs. 90,038-8-3 at the end of the year. The percentage of collection to demand was 53·53 (49·7). The arrears are still very heavy, particularly in the Tumkur District and vigorous efforts should be made to show an appreciable reduction in the coming year.

(ii) *Land Improvement Loans.*—Nine hundred and twenty-eight applications for aggregate amount of Rs. 4,11,930 were dealt with and 498 applications for a total amount of Rs. 1,15,000 were sanctioned during the year, leaving a balance of 430 applications for Rs. 1,34,050 at the end of the year.

Against a total demand of Rs. 1,46,847-10-0 the amount collected actually was Rs. 61,926-0-1 leaving a balance of Rs. 84,921-9-11 at the end of the year. The percentage of collection to demand was 50·75 (53·43). The collections being very unsatisfactory, the Deputy Commissioners should see that the arrears are reduced to the minimum in the next year.

(iii) *Loans to Coffee Planters.*—The special scheme for grant of loans to coffee planters was continued during the year. Out of a provision of Rs. 25,000 in the Budget, a total amount of Rs. 11,247-8-0 was actually disbursed in the Districts of Hassan (Rs. 9,100) and Kadur (Rs. 2,147-8-0).

(iv) *Loans for Digging Irrigation Wells.*—There were 17 applications for an aggregate loan of Rs 35,000 to be dealt with during the year. Seven applications for a total sum of Rs. 7,000 were sanctioned, leaving 10 applications for Rs. 28,000 pending at the end of the year.

13. *Tanks.*—One hundred and one major tanks and 145 minor tanks were restored during the year. Two hundred and seventy-four major tanks and 964 minor tanks were in need of urgent repairs. The value of earthwork done by ryots to major and minor tanks during the year amounted to Rs. 53,706.

14. *Record of Rights.*—The Record of Rights Scheme has been introduced in all the Government Villages and in many of the surveyed and settled Inam Villages. It reached the maintenance stage in the Krishnarajpet, Hunsur, Heggaddevankote, Kankanhalli and Hoskote Taluks during the year.

The number of mutation cases to be dealt with during the year was 244,780, of which 176,358 cases were disposed of, leaving a balance of 68,422 at the end of the year. The pendency is very heavy in the districts of Mandya, Mysore, Hassan, Bangalore and Tumkur, being 25,314, 15,752, 9,511, 7,078 and 5,137 respectively. The taluks of Maddur (10,811), Mandya (9,670), Kankanhalli (5,312), T.-Narsipur (5,641), Malvalli (3,952), Krishnarajanagar (2,146), and Hassan (2,141) have the largest number pending. The Amildars of these taluks should therefore be directed to see that the disposals are expedited and the pendency reduced appreciably at an early date.

Out of a total demand of Rs. 51,93,495 under Record of Rights fees, a sum of Rs, 42,76,241 was collected, leaving a balance of Rs. 9,17,254 (Rs. 9,43,433) at the end of the year. Under Mutation Fees, a sum of Rs. 9,19,608 was collected against a demand of Rs. 12,11,421, leaving a balance of Rs. 2,91,813 (Rs. 2,86,825) at the end of the year. The arrears are heavy in the districts of Mysore, Tumkur, Mandya, Bangalore and Hassan. The Deputy Commissioners concerned should see that the outstandings are recovered in the coming months. The total expenditure incurred on the scheme till the end of the year under report was Rs. 44,38,378.

15. *Debt Conciliation Scheme.*—The scheme was in force in 30 taluks during the year. Owing to favourable prices of foodgrains and other agricultural produce in recent years, the beneficent provisions of the Debt Conciliation Act were not freely availed of by the agricultural classes. Measure necessary for improving the working of the scheme are und examination.

16. The Special Scheme introduced in January 194 the amelioration of the conditions of the Depressed Cl continued to receive the attention of the Department a special grant for this purpose was raised to rupees tw for the year under report. 2. Government Notification No. S.D. 219—C. 103-44-10, dated 16th November 1944, fixing the purchase prices of foodgrains payable in accordance with clause 15 of the Articles of Food Acquisition (Harvest) Order, 1944, as amended from time to time.

3. G. O. No. S.D. 6932-42—C. 90-46-30, dated 22nd February 1947, sanctioning the payment of a bonus on foodgrains delivered to Government between 15th December 1946 and 30th April 1947, over and above the purchase prices payable under the Articles of Food Acquisition (Harvest) Order, 1944.

4. Letter No. H2—C. 7283—46-47, dated 2nd May 1947, from the Director of Food Supplies, recommending that in the circumstances stated the term of payment of bonus fixed in the Government Order of 22nd February 1947 read above, may be extended till the end of June 1947.

ORDER NO. S. D. 9947-58—C. 90-46-43, DATED BANGALORE, THE 28TH MAY 1947.

It is observed that due to the belated harvests resulting from untimely rains in November and December 1946, the full benefit of the object of giving the bonus has not been realised by the growers. Government are therefore pleased to direct that the term of payment of the bonuses sanctioned in Government Order dated 22nd February 1947 read above, be extended up to 1st July 1947.

This concession will not be extended further under any circumstances.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Accords sanction to a scheme for the Propaganda and Publicity under the Rural Drive Scheme—Post-war Plans.

READ—

Government Order No. 1564—V. P. 23-42-7, dated 22nd October 1942, issuing orders regarding the Rural Drive Scheme in the selected hoblis in the State.

2. Government Order No. L. 982-5—V. P. 29-45-1, dated the 10th October 1945, according sanction to the purchase of a Propaganda Van at a cost of Rs. 29,000 together with the recurring expenditure connected therewith for the Rural Development Department.

3. Letter No. E. C. 1895—46, dated the 18th April 1946, from the Commissioner for Economic Development and Planning, forwarding a scheme prepared by the Revenue Commissioner in Mysore for undertaking Publicity and Propaganda for Rural Uplift in the State.

ORDER No. L. 16573-97—V. P. 29-45-23, DATED BANGALORE, THE 31ST MAY 1947.

With a view to increasing the effect and utility of the work that is being done under the Rural Drive Scheme, the Central Advisory Committee for Rural Development have been urging for the establishment of a suitable organization for efficient propaganda and field publicity service. The Revenue Commissioner in Mysore has accordingly prepared under 'the Post-war Plans' a scheme for organising a publicity and propaganda section under the Rural Development Department. The object of the scheme is to undertake in the rural parts of the State intensive propaganda for educating the villagers to avail themselves of the several facilities that have been created by the Government for their benefit and also to stir them up to improve their standard of living. With this end in view, it is proposed to have a field publicity service with properly equipped propaganda vans to carry information to the home of the raiyts in regard to the activities of the several development departments of Government concerning rural welfare. Besides, pamphlets, placards, posters, models in clay and wood, and cinema films will be prepared and displayed in jatras, fairs and rural exhibitions. The publication of the departmental journal called 'Gramabhyudaya Mysore' will also continue under the guidance of Editorial Board to be newly constituted in this behalf. In order to carry out the scheme, it is proposed to have Publicity Officer at the head office with the necessary staff to work under him, both at headquarters and in the field.

The scheme has been recommended for adoption by the Commissioner for Economic Development and Planning, the Policy Committee for Education and the Committee for Finance and Co-ordination. Government consider that there is a great need for publicity and propaganda at present in regard to the measures undertaken for Rural Welfare and are accordingly pleased to sanction the scheme in its entirety.

Sanction is accorded to the purchase of eight vans at a capital cost of Rs. 2·28 lakhs for the supply of one van to each district and also to the expenditure of Rs. 8,772 per annum for the maintenance of each van. The films required for propaganda purposes will also be purchased and the additional staff employed as detailed in the appended statement.

Previous sanction of Government should be obtained for the employment of the Publicity Staff at the Head Office. The technical staff of an Engineer and a Service Assistant may be appointed as and when the need thereof arises, after the vans become available for use.

The total cost of the scheme is at present estimated at Rs. 5,55,440 (exclusive of the expenditure on the additional staff). The expenditure during the current year will be met

out of the lumpsum provision made in the State Budget under the 'Post-war Development Schemes.'

The Special Officer for Rural Development is requested to take necessary further action to give effect to the scheme as sanctioned by the Government.

The Heads of the Development Departments and the Deputy Commissioners of Districts are requested to extend their co-operation to the successful working of the scheme.

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Accords administrative sanction to the scheme for the introduction of a Tractor and Lorry Service in the State.

READ—

Letter No. E. C. Agri. 177—45-46, dated 28th August 1945, from the Secretary, Board of Agriculture, forwarding the resolution of the Board recommending the adoption of the scheme for the introduction of tractor service in all the taluks of the State.

Letter No. C. F. 50—45-46, dated 6th April 1946, from the Secretary, Co-ordination and Finance Committee, forwarding the resolution of the Committee on the subject.

Correspondence ending with letter No. O. T. 5—46-47, dated 22nd February 1947, from the Director of Agriculture, forwarding proposals in the matter for the consideration of Government.

ORDER No. A. F. 6967-73—AGRI. 18-45-9, DATED BANGALORE, THE 4TH JUNE 1947.

With a view to bringing larger areas of land under cultivation within comparatively short periods and on account of the depletion of the strength of cattle caused by Epidemic Diseases, there has been a wide and increasing demand for tractor service from all parts of the State. The tractors which are in use in the Agricultural Department at present are found insufficient to meet this demand.

The Director of Agriculture has accordingly prepared and submitted a scheme for the introduction of a tractor and lorry service in all maidan taluks of the State in order to facilitate intensive cultivation and also to bring under cultivation as much virgin land as possible within the next five years and to improve the present system of transportation of agricultural implements, seeds and manures which is found to be unsatisfactory by levering it with tractor service.

The following are the main features of the scheme :—

1. Each district will be provided with a unit consisting of 5 to 6 tractors to work together in a group either in one place or within close proximity to each other. This group system will enable the quick ploughing of large areas before the lands get dry and will also facilitate close supervision, timely repairs and proper maintenance.

2. The work under repairs and maintenance will be divided into three parts :—

(a) Field or work spot repairs,
(b) Base repairs, and
(c) Central workshop repairs.

3. The Assistant Directors of the Circles, will have the administrative control over the tractor service, the technical portion of the work being entrusted to the Tractor Engineer, who will have his Head Office at Bangalore.

The following is the staff required for the work :—

On the administrative side (for each unit)—
(1) One Supervisor,
(2) One Store-clerk, and
(3) One clerk.

On the Technical side (for each unit)—
(1) Mechanic,
(2) Six drivers, and
(3) Six helpers (cleaners) *plus* one driver and one helper for relieving duty.

As regards the Lorry services, it is proposed to allot to each District one or two lorries, which will be under the administrative control of the respective Assistant Directors, to provide for quick transport of implements, seeds and manures from the railheads to the interior depots and sub-depots. These lorries which are expected to be placed on the self-supporting basis will work in conjunction with the Food Supplies Department to get loads from the interior to the District Headquarters when they have to run empty. They are also proposed to be hired out to the public when they are free and are not used for the work. The technical work such as repairs, replacement, overhauling, etc., will be attended to by the technical staff of the tractor service.

The combined scheme of tractor and lorry service was considered by the Committee for Agriculture and Co-ordination and Finance Committee. The latter finally approved of the scheme involving an expenditure during five years of Rs. 3,00,000 non-recurring and Rs. 3,65,152 recurring. They observed that

Co-operative ownership of tractors may be encouraged by affording necessary financial assistance from Government and that a larger number of tractors may be purchased if possible, considering the position as to scarcity of cattle to meet the needs of expanded cultivation.

In view of the importance and urgency of the scheme, a meeting of the Director of Industries and Commerce, Director of Agriculture and the Superintendent, Central Industrial Workshop was arranged to discuss the subject with them from all points of view and all of them agreed that the scheme was a well thought out one and might be adopted.

After a careful consideration of the matter, Government are pleased to accord administrative sanction to the scheme for the introduction of a tractor and lorry service in the State.

The Director of Agriculture is requested to work out and submit to Government very early detailed proposals with regard to the staff to be employed, the scales of pay to be given, etc., indicating also the financial implications of the scheme.

Special Rates of Daily Allowance for halts at Simla and Madras.

READ—

Government Order No. Fl. 4951-5021—S. & A. 33-46-4, dated the 6th January 1947, sanctioning the continuance of the enhanced rates of daily allowance to officers of Government proceeding on duty to places outside the State, till the end of June 1947.

ORDER NO. FL. 8574-8643—S. & A. 33-46-6, DATED BANGALORE, THE 13TH JUNE 1947.

Under the existing rules, an officer proceeding on duty outside the State is eligible for special rates of daily allowance at two and a half times the rates admissible under the provisions of the Mysore Service Regulations (subject to certain minima) for halts at Bombay, Delhi and Calcutta and at one and a half times the rate for halts at other places outside the State.

As Madras and Simla are also specially costly, Government direct that the officers of Government halting at these places also be granted the same rates of daily allowance as are admissible for halts at Bombay, Delhi and Calcutta.

The above order will apply in respect of journeys performed on or after 1st May 1947.

Government Order No. S. R. 2246-66—Ex. 37-46-3, dated 4th December 1946, constituting a Committee to examine the question of introducing prohibition in the State.

2. Government Order No. S. R. 2230-43—Ex. 38-46-3, dated 4th December 1946, introducing total prohibition in Molakalmuru and Pavagada Taluks of Chitaldrug and Tumkur Districts respectively.

3. Letter No. P. C. O. 463-46, dated 17—19th May 1947, from the Chairman, Prohibition Committee, forwarding the Committee's Report.

ORDER NO. S. R. 4638-67—EX. 37-46-27, DATED BANGALORE, THE 17TH JUNE 1947.

Government have perused with great interest the report submitted by the Committee. They observe that the report is unanimous. Among the terms of reference, the most important was to consider the feasibility of introducing total prohibition and if feasible, to investigate the steps to be taken for the purpose. After an exhaustive survey of the conditions prevailing in the State, the Committee has come to the conclusion that prohibition is feasible and necessary. The Committee considered alternative methods of achieving this objective, and has recommended for adoption in the State a policy of achieving total prohibition in a period of five years by effecting a reduction in the number of excise shops and in the supply of intoxicants all over the State at a progressive rate of 20 per cent every year. The Committee has also recommended that in order to prevent unhealthy

competition among contractors whose co-operation should be enlisted in the interest of prohibition that the system of disposing of excise shops by public auction might be discontinued.

Government are pleased to accept these unanimous recommendations of the Committee and are pleased to direct that the reduction in the number of excise shops and in the supply of intoxicants should be given effect to from the next year, *i.e.*, 1947-48. As regards disposal of excise privileges, Government are pleased to direct that for the next year (1947-48), the system of auction may be discontinued as recommended by the Committee, the present licensees being given the option to continue as such, on a rental 20 per cent less than that for the current year. The Excise Commissioner has been instructed to take steps to implement this decision.

The Committee has made important recommendations on certain matters which are ancillary to the introduction of prohibition. These matters are under examination separately.

Government wish to place on record their appreciation of the thoroughness and expedition with which the Committee has dealt with the several aspects of this important question. They wish to convey to the Chairman and the Members of the Committee their thanks for the very valuable report.

FOOD SECRETARIAT

Passes orders revising the scale of Foodgrains Rations with effect from 25th June 1947.

READ—

G. O. No. S. D. 1663-73—R. 55-46-3, dated the 14th August 1946, revising the scale of rations throughout the State.

2. Correspondence ending with letter No. B1.-C. 1740—46-47, dated the 16th June 1947, from the Director of Food Supplies proposing reduction in the overall cereal rations.

ORDER NO. S. D. 10565-76—R. 55-46-19, DATED BANGALORE, THE 21ST JUNE 1947.

The food situation in the State has been under the active consideration of Government and for the last few months the position as could be visualised during the period till the next harvest has been causing considerable anxiety. The heavy and untimely rains during the months of November and December last year which have caused considerable damage in several areas in otherwise normal harvest, especially in the case of millets, have affected the quantum of surpluses for procurement available within the State from surplus holders. The harvests were therefore later than normal and there has been consequent time lag in the commencement of the food acquisition operations.

2. The grant of a special bonus in addition to the purchase prices of foodgrains voluntarily surrendered by producers was sanctioned till the end of April in the first instance and then extended to the end of official year. The figures would have been even lower, if this step had not been taken.

3. The stocks at present of all foodgrains are also lower than what they were during the corresponding period of last year. In addition, the prospects of obtaining additional supplies from outside the State are very uncertain, and the All-India position is itself far from satisfactory. The general food position in other parts of India has forced the administrations concerned to have recourse to a cut in the scale of rations in their respective areas. Although the year 1946 was one of the worst years that the State ever faced, the situation was tided over as more or less adequate supplies were received from Indian and foreign sources. This year, apart from small quantities of rice and millets allotted early in the year, no further quotas have been allotted to the State by the Government of India. Even out of the quantities allotted, a large proportion has not come into the State for various causes. There have been no allotments of wheat in particular since November 1946. Also, there has been an acute shortage in pulses. It was hoped, however, that conditions would improve and more adequate supplies would be made available by the Government of India, during the last few months, but these hopes have not materialised. The prospects of obtaining immediate additional supplies from outside are as uncertain as ever. The stocks that could be procured from surplus holders in the State have been mostly procured leaving only a small balance. These factors have compelled the Government to take early measures to conserve the stocks, such as they are, and make them last as long as possible, a course which is all the more essential, since the next harvest procurement will not start earlier than January 1948 for paddy, and the end of February 1948 for ragi. The Government have, therefore, after careful consideration, decided to adopt measures similar to those taken in Travancore, Madras and Bengal. The Government therefore direct that the scale of rations be revised as under with effect from the 25th June 1947.—

Cardholders.	*Scale of rations per head per day.* *Rice.*	*Millets.*	*Wheat.*	*Total.*

Government Order No. Fl. 1822-23—G. F. 64-43-4, dated the 4th November 1943, according sanction for dividing the State into three Divisions for organising the field work of the Insurance Department.

2. Letter No. 2361, dated the 22nd February 1947, from the Secretary, Mysore Government Insurance Department, requesting sanction for the creation of an additional post of an Assistant Secretary on Rs. 200—40/2—400 to the Insurance Department, on a permanent basis for the charge of the Bangalore Division.

ORDER NO. FL. 8775-77—G. F. 295-46-2, DATED BANGALORE, THE 18TH JUNE 1947.

The entire State is at present divided into three divisions for organising the Field Work of the Insurance Department with Headquarters at Mysore, Shimoga and Bangalore. The Mysore and Shimoga Divisions are placed in charge of the Gazetted Officers and the Bangalore Division is placed under the control of the Deputy Secretary and he has been given the assistance of a Superintendent of the Insurance Department for attending to the organising work. Even though a

full-time post of a Secretary has since been created, the wor of the Insurance Department has very much increased and the addition of the work of the Motor Insurance has further added to it. It is not, therefore, found possible for the Deputy Secretary to devote any attention to the work of the Bangalore Division. The creation of an additional post of an Assistant Secretary on Rs. 200—40/2—400 has, therefore, become necessary for the charge of the Bangalore Division.

In the circumstances mentioned, Government are pleased to sanction the post of an Additional Assistant Secretary on Rs. 200—40/2—400 to the Insurance Department on a permanent basis at an extra cost of Rs. 3,960 per annum, for the charge of the Bangalore Division.

The Secretary, Insurance Department is requested to submit proposals to Government for a redistribution of the jurisdiction on a more equitable basis.

Government are pleased to direct that Non-Official Ex-Ministers be given the same rates of Travelling Allowance as Retired Official Ministers under Article 493 of the Mysore Service Regulations, whenever such Non-Official Ex-Ministers are called upon by Government to undertake any work. If, however, they get elected to any body such as the Legislative Council or the Representative Assembly or the District Board, they will have the same status as other non-officials serving on these bodies for purposes of Travelling Allowance.

EDUCATION SECRETARIAT

Passes orders in the matter of liberalising the rules of Grant-in-aid to Municipal High Schools.

READ—

Government Order No. E. 1816-85—Edn. 69-40-48, dated 15th November 1941, directing that the grants to Municipal High Schools be fixed for a period of three years from 1942-43 at half the net expenditure (authorised expenditure less fee income) but not exceeding Rs. 100 per month per class irrespective of the number of sections in that class.

2. Government Order No. E. 3217-18—Edn. 53-44-10, dated 2nd January 1945 directing that the rule in respect of grants to Municipal High Schools in the State referred to in the Government Order read above, be continued to be in force for a further period of three years from 1945-46.

3. Correspondence ending with letter No. H3. 1842-141 of 46-47, dated 21st March 1947, from the Director of Public Instruction, in the matter of liberalising the rules of grant-in-aid to Municipal High Schools.

ORDER NO. E. 8978-88—EDN. 90-46-5, DATED BANGALORE, THE 19TH JUNE 1947.

The question of liberalising the rules of grant-in-aid to Municipal High Schools has been under the consideration of Government for some time past. A number of representations has been made to Government by the Managements of Municipal High Schools requesting that the Municipal High Schools may be placed on a par with Aided High Schools in respect of payment of maintenance grants. This question is also being urged on the floors of both the Houses of Legislature.

The Director of Public Instruction who was consulted in the matter states that the present rules of maintenance grants to Municipal High Schools are not sufficiently liberal, that the resources of many Municipalities which have taken up the responsibility of High School Education are very slender and that it is necessary to lighten their burden by extending to them the same rate of maintenance grant which is applicable to the private Aided High Schools. He therefore, recommends that Rule 2 of the Rules for Management of Municipal High Schools (Appendix II, Mysore Education Manual, Volume VII) be modified as follows :—

Existing Rule.

"The Government grant to the school shall be not more than half the net authorised expenditure (*i.e.*, total expenditure minus fee income), subject to a maximum of Rs. 100 per mensem per class irrespective of the number of the sections in a class."

Rule as modified.

"The Government grant to the school shall be not more than three-fourths of the net authorised expenditure *i.e.*, total authorised expenditure minus income from tuition, admission and penal fees."

The recommendation of the Director of Public Instruction is sanctioned. The modified rule will be given effect from 1st July 1947.

8. Correspondence ending with letter No. 8376—E., dated 20th May 1947, from the Chief Engineer for Irrigation, forwarding proposals for the formations of additional Ranges for the restoration of minor tanks in the State.

ORDER NO. P. W. 8534-9—EST. 92-46-4, DATED BANGALORE, THE 17TH JUNE 1947.

On the recommendations of the Policy, and Finance and Co-ordination Committees, Government in their Order dated 6th December 1946 sanctioned a scheme for the restoration of 4,800 minor tanks in the State during the next ten years at a cost of Rs. 240 lakhs and proposals were also called for from the Chief Engineer for Irrigation for constituting more ranges in addition to the existing ones for expediting the execution of the above scheme.

2. So far, five Ranges with headquarters at Sorab, Hunsur, Thirthahalli, Madhugiri and Channarayapatna and a Special Sub-Division at Chikmagalur have been sanctioned from time to time for the restoration of minor tanks in the State.

3. The Chief Engineer for Irrigation has forwarded the following proposals for implementing the scheme sanctioned by Government in their Order, dated 6th December 1946, in its entirety :—

(i) Formation of additional six Ranges.

(ii) Conversion of the existing sub-division at Chikmagalur into a Range.

(iii) Continuance of the already existing five ranges and the additional seven ranges referred to in (i) and (ii) *supra* for a period of two years with the establishment as shown in the annexure, and

(iv) The grant of a construction allowance of 20 per cent and 10 per cent to the staff of the Ranges in the Malnad and Maidan, respectively.

4. The Chief Engineer has also suggested that the powers of sanction to estimates, payment of bills and acceptance of tenders by these Range Officers have to be suitably modified to ensure quick and better progress in works.

5. Government are pleased to sanction the proposals No. (i), (ii) and (iii) of the Chief Engineer for a period of two years in the first instance.

6. The question of grant of construction allowance to the staff of the Ranges is reserved for separate consideration.

7. As regards revising the powers of sanction of the Range Officers, the Chief Engineer is requested to forward separate proposals in this behalf after the formation of all the Ranges. He is also requested to intimate direct to the Comptroller, and the Auditor, Public Works Department, the headquarters of each Range and the details of establishment proposed for each Range.

3. Government OrderNo. A. F. 1797-8—Agri. 257-45-12, dated the 17th September 1946, according sanction to the continuance of the Town Refuse Composting Scheme for a further period of three years from 1st August 1945, as a post-war scheme.

4. Correspondence ending with letter No. Ct. 77—46-47, dated the 29th April 1947, from the Director of Agriculture, on the subject.

ORDER No. A. F. 7389-401—AGRI. 207-45-5, DATED BANGALORE, THE 26TH JUNE 1947.

The Director of Agriculture has submitted a scheme for organising the conversion of the rural wastes into compost manure. Under the scheme it is proposed to extend this activity to a large number of villages in the State within a period of 5 years. During the first year, work in 14 hoblis at a rate of one in each taluk will be taken up. From the second year onwards, the scheme will be extended to all the 9 districts in addition to two more taluks in each of the districts with the result that the scheme will be operative in 32 taluks. In subsequent years the expansion of work will go on at the rate of 18 fresh taluks per year, so that by the end of the fifth year all the taluks in the State will be benefited. Since simultaneously the number of hoblis where the scheme is in operation will also be increasing, it is estimated that in all about 250 hoblis covering approximately 10,000 villages in the State would be benefited in the course of five years.

In each district there will be a District Assistant, drawn from the cadre of Agricultural Inspectors and the work in each taluk will be under the charge of a Compost Demonstrator. The Bio-Chemist, Composting Scheme, will supervise the entire scheme and give technical guidance while the other staff of the present Town Compost Scheme will co-operate in the working of the proposed new scheme and render necessary assistance. Field staff to carry out propaganda and demonstrations, is also provided. The Bio-Chemist, Compost Scheme, who is in charge of the Town Refuse Compost Scheme, is drawing Rs. 300 from August 1945 in grade Rs. 125—25/2—300. As the work is of an arduous nature and as the officer has to tour extensively, the Director has recommended that he may be given a new grade of Rs. 300—25—600 and started on Rs. 400 per mensem, on assuming charge of the scheme. The Director also proposes that he may be given an allowance of Rs. 100 per mensem in addition to his pay, during the first year when he will be in additional charge of this scheme. It is further proposed to give an allowance of Rs. 20 per mensem to an Assistant Bio-Chemist of the Town Refuse Compost Scheme as he will be entrusted with the additional work in respect of this scheme and later to take him on his pay in the same grade *viz.*, Rs. 100—15/2—175 for full-time employment in this scheme.

The Director further reports that the Scheme was discussed at the fourth meeting of the Board of Agriculture and also at the first meeting of the Committee for Agriculture and was approved. Subsequently, it was considered by the Co-ordination and Finance Committee and approved by them with a non-recurring expenditure of Rs. 56,250 and a total recurring expenditure of Rs. 2,49,293 in a period of five years.

In order to stimulate increased production of manure by the raiyats of the village, the Director proposes to pay the villagers during the first year a cash bonus on the targets fixed in advance. For this purpose, he suggests two targets, *viz.*, Target A and Target B. Target A fixes the production of compost of 150 C.Ft. and Target B of 100 C. Ft. of manure per year per head of cattle. A bonus of annas 12 and annas 6 per ton (50 C. Ft.) of compost prepared for A and B Targets respectively is also proposed to be paid. For the award of the bonus, the Director proposes to consult the village panchayets and to enlist the active co-operation of Gramasudharakas and on their recommendation and after the State Bio-Chemist of the Compost Scheme is satisfied with the production results, payment of bonus will be made. He further proposes to award a silver cup costing about Rs. 200 to the hobli that produces the highest tonnage of compost.

It is explained that the compost produced in this scheme will be the property of the raiyats and not of the Government. Thus, while there will be no direct income to Government from this scheme, it is expected that the money spent on it will result in the production of larger quantities of manures, the use of which will result in yield of more crops, and will contribute towards increasing the agricultural prosperity of the State. The scheme, as worked out by the Director of Agriculture, involves an expenditure of Rs. 56,250 non-recurring and Rs. 2,48,790 recurring over a period of five years.

In the circumstances, Government are pleased to sanction the proposals of the Director of Agriculture with the observation that the scheme should be put into operation in rural parts as early as possible.

The schedule of expenditure, the details of the staff sanctioned and the programme of work to be carried out are detailed in the statements I, II and III appended to this order.

Records with Government Review thereon the Administration Report of the Department of Labour in Mysore for the year ended June 1946.

READ—

Adiministration Report of the Labour Department for the year ended June 1946 received with letter No. A. 2043—46-47, dated 17th—23rd December 1946 and letter No. K. 1944, 46-47, dated 29th January 1947 from the Commissioner of Labour in Mysore, Bangalore.

ORDER No. S. R. 4898-4909—L.W. 58-46-6, DATED BANGALORE, THE 28TH JUNE 1947.

Recorded.

General.—Labour conditions in the Industrial concerns were generally peaceful, except in the Kolar Gold Field, where a prolonged general strike prevailed from 7th January 1946 to 22nd March 1946 involving 19,000 workers. The strike terminated as a result of an agreement promoted between the parties by the Commissioner of Labour with the co-operation of the District Magistrate and the Superintendent of Police. Minor Labour strikes in some of the comparatively smaller Industrial concerns were brought under control.

The Labour Exchange was re-organised and expanded for facilitating the absorption of demolished personnel in Civil life. The Commissioner of Labour was appointed *Ex-Officio* Director for Re-settlement and Employment in Mysore. A whole-time Deputy Director of Re-settlement and Employment was appointed to be in charge of the re-organised Regional Employment Exchange. Out of the 412 men who registered their names, 33 persons were absorbed in the vacancies reserved in the Government service. Nine persons were recommended for being granted facilities for further education. Twenty-eight persons were given lands in the land Colonisation Scheme. Seventeen persons sought lands at either upset price or free of cost. Nineteen persons were recommended for various technical training courses.

Labour-Welfare.—Two model Recreation Centres in the working class areas in Bangalore City run by the Labour Department afforded recreation and other facilities such as indoor games, reading rooms, library, bhajana parties, etc., to Labourers. The provision of amenities and welfare measures continued to receive the attention of the employers of Labour in the State. The employers of large Industrial concerns continued to afford extra facilities to their employees such as housing, canteens, bathing ghats, dhoby khanas, milk supply centres, medical aid, maternity homes, free ambulance service, etc., and creches for workers' children. Some industrial concerns provided temple and bhajana mandirs, co-operative stores, grain depots for their workers. The Kolar Gold Mining Companies continued to distribute food-grains to their employers at subsidised rates. The Debt Redemption Scheme of the Mysore Iron and Steel Works, Bhadravati, was working satisfactorily. Educational facilities such as grant-in-aid schools for children and running adult literacy classes were also provided in certain establishments. The employees in Government Industrial concerns were afforded facilities for contribution towards Provident Fund and Service Gratuity.

There were 59 Associations of Employees functioning under the Mysore Labour Act, 1942, during the year with a Membership of 30,285.

Industrial Disputes.—There were 28 industrial disputes pending before the Chief Conciliator at the beginning of the year. Thirty-four cases were referred to the Chief Conciliator bringing the total number of cases to 62 for instituting conciliation proceedings. Out of 62 cases, settlements were

eached in three cases and 23 cases were withdrawn. Failure of reconciliation in twenty cases was reported and published and 16 cases were pending. Two industrial disputes in which conciliation proceedings failed were referred to the Court of Arbitration.

Workmen's Compensation Act.—There were in all 2,729 (3,278) cases of injuries by accident in respect of which a sum of Rs. 2,95,486 (3,73,838) was paid as compensation under the Mysore Workmen's Compensation Act. Out of these compensation paid in respect of occupational diseases, particularly silicosis in Kolar Gold Fields, amounted to Rs. 1,86,801 as against Rs. 2,72,124 in the previous year. The proposal for conducting a survey of occupational diseases was approved by Government and the appointment of a Medical Officer to conduct detailed survey was sanctioned.

Labour Welfare Board.—The Labour Welfare Board continued its activities during the year and reviewed the labour conditions. The following were some of the important subjects considered by the Board :—

(1) Measures to be taken under the Labour Act in the event of lightning strikes.
(2) Preventing employment of school-going children in Beedi Factories.
(3) Proposals regarding starting of training centres in Cottage Industries like Toy-making at Kolar Gold Fields.
(4) Registration of the Hotel Worker's Association under the Mysore Labour Act.
(5) Introduction of Legislation regarding Weekly Holidays Act.
(6) Opening of a Civil Dispensary for the benefit of Nandydroog Mines.
(7) Investigation of conditions of Women Labourers.

The Board also considered the following resolutions passed by the State Women's Conference held at Davangere:—

(i) Extension of Maternity Leave.
(ii) Reduction of working hours for women in Factories.
(iii) Provision of Creche for children in Mill and Factories.
(iv) Provision for conveyance to employees if the distance from their house be more than a mile.
(v) Increase of leisure interval in Factories.
(vi) Appointment of a Committee to consider Welfare of Women.

In September 1945 three Lady Members were nominated to represent the interests of women labourers on the Labour Welfare Board.

The Minister for Labour as the Delegate for Mysore attended the Seventh Labour Conference held at New Delhi during November 1945 accompanied by the Labour Commissioner as his Adviser.

Out of the three candidates sent to Bombay for under, going training in Mill Labour Officers' Course in 1944, one is now on Foreign service with the Government of India and the other two have since been appointed as Assistant Commissioner of Labour. The proposal in respect of the appointment of three Labour Probationers was sanctioned.

The following are among the important proposals which were sanctioned during the year :—

(1) Re-organization of the department and placing it and the staff on permanent and pensionable basis.
(2) A statistical section for the collection, compilation and publication of statistics.
(3) Executive Assistants to the Assistant Commissioners of Labour for the collection of Statistics, inspection of Labour Associations and to promote Labour Welfare.
(4) Appointment of a whole-time Assistant Commissioner of Labour for Bangalore Division with the necessary staff.

Labour Legislation.—Questions relating to Industrial Diseases Act with special reference to Silicosis, amendment of the Mysore Labour Act, Enactment of Employment of Children Act, unemployment Insurance Scheme for Industrial Workers and Rules for the Conduct of Elections to the Executive Committee of Labour Associations registered under the Mysore Labour Act, were under the consideration of Government.

Government Order No. D. 5727-8—I. & C. 121-44-8, dated the 7th February 1946, sanctioning the Expansion Scheme of Government Yarn Depots and Production Centres in the State.

2. Correspondence ending with letter No. E. 471—46-47, dated the 17th January 1947, from the Director of Textiles in Mysore, submitting proposals for the creation of New Divisional Offices at Mysore and Tumkur instead of the present Shimoga and Kolar Divisions and another office at Bangalore for procurement and distribution of yarn in addition to the existing Office.

3. Letter No. 1300—Books, dated the 30th January 1947, from the Comptroller to Government, forwarding the proposition statement duly verified by him.

4. U. O. Note No. E. 668—46-47, dated the 13th March 1947, from the Additional Director of Industries and Commerce in Mysore, agreeing with the proposals made by the Director of Textiles.

ORDER NO. D. 7265-6—I. & C. 121-44-20, DATED BANGALORE, THE 5TH JUNE 1947.

The Director of Textiles reported in May 1946 that as per the decisions arrived at at the meeting of the Textile Superintendents held in his chambers on 20th February 1946, he was issuing orders for the creation of divisional offices at Mysore and Tumkur instead of the present Shimoga and Kolar Divisions and another office at Bangalore for yarn procurement and distribution work in addition to the existing divisional office at Bangalore and requested approval of Government for his proposals. Subsequently he reported in his letter dated the 17th January 1947, that the new divisional office at Mysore and the office of the Additional Textile Superintendent, Bangalore, in charge of yarn procurement and distribution had already been created and were functioning in addition to the existing divisional office at Bangalore and that the divisional office at Kolar would be closed and the new office at Tumkur would be opened shortly. He also stated that as the Additional Textile Superintendent in charge of yarn procurement and distribution work was also in charge of the Government Central Yarn and Cloth Depot, Bangalore, and as that office was functioning with the assistance of the staff, etc., sanctioned for that depot there was no need to entertain extra staff or to incur extra expenditure in that behalf and that the two new offices at Mysore and Tumkur would have to incur the undermentioned recurring and non-recurring charges :—

NON-RECURRING EXPENDITURE—(proposed only).

RECURRING EXPENDITURE.

		Rs.
Rent at Rs. 50 per mensem for each office	... 50 × 12 × 2 =	... 1,200 only.
		1,200

The Comptroller to Government while forwarding the proposition statement has stated that the proposals would involve an extra cost of Rs. 369 1/3 per mensem or Rs. 4,432 per annum under permanent establishment against a reduction of a like sum under temporary establishment.

The Additional Director of Industries and Commerce in charge of the textile section, who was consulted, has stated that the re-distribution of districts as proposed among the three Textile Superintendents with headquarters at Tumkur, Bangalore and Mysore would be conducive to efficient management of work in the Textile Department.

Government are pleased to sanction the proposals of the Director of Textiles. The proposition statement as sanctioned is appended to this order.

EDUCATION SECRETARIAT

Sanctions the Establishment of a Teachers' Training College, Mysore, as a Constituent College, under the control of the Mysore University from 1947-48.

ORDER NO. E. 9105-9—UNI. 120-46-8,, DATED BANGALORE, THE 20TH JUNE 1947.

READ—

1. Government Order No. E. 5720-22—Edn. 10-25-5, dated the 14th April 1926, according sanction to take over the Marimallappa's High School under the control of Government.

2. Memo No. E. C. 2338—45-46, dated 21st June 1946, from the Commissioner for Economic Development and Planning in Mysore, Bangalore, forwarding the resolution of the Committee for Education regarding the establishment of a Teachers' Training College, in the State.

3. Letter No. C. F. 456-9—46-47, dated 28th September 1946, from the Secretary, Co-ordination and Finance Committee, Bangalore, forwarding the resolution of the Committee conveying the general approval to the skeleton scheme for re-organising the training arrangements on more satisfactory lines, for graduate teachers and the establishment of a Teachers' Training College in the State.

4. Letter No. Ex. 3-773—43-44, dated 5th November 1946, from the Registrar, Mysore University, submitting proposals for the establishment of a Teachers' Training College in Mysore.

5. Un-official Note No. 45—46-47, dated 26th December 1946, from the Director of Public Instruction on the subject.

6. Un-official Note No. Ex. 3-773—43-44, dated 15th January 1947, from the Registrar, Mysore University, on the same subject.

The B.T. Course which extends over a period of one year is at present conducted by the Mysore University and the B.T. Classes form part and parcel of the Maharaja's College at Mysore, a separate staff being provided therefor. The practical training for the students of the B.T. Classes is arranged in the several local High Schools. The present syllabus of the Course is intended to train mostly teachers for high schools and there are no practising middle and primary schools.

The Policy Committee for Education and Committee for Finance and Co-ordination, on examining this question have recommended sanction to the establishment of an independent Teachers' Training College to provide trained teachers for all grades of schools, including the Inspectorate of the Department of Education and that the University might revise the present course of study suitably and make necessary arrangements in the matter.

The University who were requested to make definite proposals for implementing the above recommendations state that the present arrangement of the B.T. Classes being attached to the Maharaja's College, Mysore, has hampered

the functioning and development of the B.T. Course to a great extent and that, in the present times of changing educational values, it is very necessary to see that the Teachers' Training College is properly organised so as to equip teachers with a sound knowledge of educational principles and technique and methods of educational investigation and researches. The University have therefore proposed the establishment of a Teachers' College in Mysore as a constituent College of the University, with a view—

(1) to provide training to graduate teachers already in service but are untrained, and to graduates who desire to enter the teaching profession either as teachers in Middle and High Schools or as Inspecting and Supervising Officers, and

(2) to establish an experimental and research educational laboratory in order to initiate, stimulate and guide experiment and research in education. The College is to have practising schools of all the three grades, namely, High, Middle and Primary, attached to it, with a limited number of sections to allow organisation of teaching on proper lines and experimentation in methods of teaching and organisation, the present practice of teaching in the local High Schools being however continued with a view to provide adequate teaching practice to students under supervision. The practising schools to be attached to the College are proposed to be equipped on up-to-date lines to serve as model institutions in the State, the Headmaster and the staff of these schools being selected, on tenure basis, and on grounds of merit from the Department of Education, out of teachers of experience and ability. Further it is proposed to locate the College at Marimallappa's High School, Mysore, taking over the control of the building and equipment of the above school from the Department of Education and to construct the extra block to meet the requirements of the College.

The Director of Public Instruction who was consulted in the matter has stated that there is no objection to the University taking over the Marimallappa's High School with its buildings and appliances, but the University will have to consider in this connection the following points mainly affecting the financial aspect of the scheme :—

(1) That the Middle School Section which is now attached to the Marimallappa's High School has to be taken over by the Uuiversity.

(2) That the Marimallappa's High School, which was formerly an aided one and was taken over by Government in accordance with Government Order No. E. 5720-22—Edn. 10-25-5, dated 14th April 1926, subject to certain conditions stipulated for the running of the school in the Government Order referred to above and in the subsequent proceedings of the District Judge, Mysore, permitting alteration in the then existing scheme of the management of the trust, have to be adhered to by the University. These conditions are: —

(*a*) that the present name of the school should be retained, (*b*) 65 Lingayet students or 40% of the total number of students of this community studying in the High School, whichever may be greater, should be treated as free students, the students of the other communities being awarded freeships to the extent of 20% of their total strength as in other Government High Schools, and (*c*) the advisibility of giving preference to Lingayet students in the matter of admissions to the school should be kept in view so far as financial and other considerations may permit.—

(3) That, in view of the number of sections in the proposed Practising High and Middle Schools being less than the number of sections now existing in the Marimallappa's High School, certain financial adjustments are necessary between the Department of Public Instruction and the University.

(4) That the University would have to take over such of the gazetted officers, pandits and peons of the Marimallappa's High School which the Department may find it difficult to absorb.

The Registrar, Mysore University, who was further consulted in the matter has stated that (1) the Middle School Section of the Marimallappa's High School also will be taken up, the University adhering to the existing scheme of Management of the Trust and fulfilling the conditions therein as noted by the Director of Public Instruction ; (2) the University will be agreeable to any financial adjustment with the Department of Education that may be necessitated by the proposal to restrict the High School sections to six and the Middle School sections to four and (3) the University will be agreeable to select the staff from among the teachers in service in the Department of Education in consultation with the Director of Public Instruction and also to take over the gazetted officers, the pandits and peons whom the Department may find it difficult to absorb elsewhere. He has also stated that the details of financial apportionment as between the Education Department and the University may be worked out by mutual consultation after the scheme is sanctioned.

The cost of the scheme as proposed by the University is estimated to be Rs. 2 lakhs (Rupees two lakhs) non-recurring and Rs. 35,000 per annum recurring exclusive of the cost of the present buildings, equipment and staff.

In the circumstances, Government are pleased to sanction the establishment of a Teachers' Training College at Mysore as proposed by the University and as agreed to by the Director of Public Instruction, with the following modifications which do not involve any reduction in the estimated cost :—

The scale of pay of Assistant Professors should be of the revised grade Rs. 250–25/2–350, the pay of the Head Master of the Practising High School should also be Rs. 250—25/2—350. The scale of pay provided for the two clerks should be Rs. 60-4-80 and Rs. 30-2-50-2-60, as against the proposed scales of Rs. 60–5/2–80 and Rs. 30—5/2—60 respectively.

A provision of Rs. 50,000 for non-recurring expenditure and Rs. 25,000 for recurring expenditure has been made in the University Budget for 1947-48 and necessary provision will be made in future budgets of the University.

A statement showing the details of the scheme as sanctioned by Government involving a total cost of Rs. 2,34,365 is appended to this order.

The Registrar is requested to take immediate action for the opening of the College from the next academic year 1947-48.

PUBLIC WORKS SECRETARIAT

Sanctions the revision of the scales of pay of Surveyors and Sub-Overseers of the Public Works Department.

READ—

Government Order No. P. W. 5695-5716, dated 25th February 1944, sanctioning, among other things, a running grade of Rs. 60-5-125-10-175 for Engineering Graduates entertained as Surveyors in the Public Works Department.

2. Government Order No. P. W. 6295-310—Est. 19-45-12, dated 27th March 1946, according sanction to the grant of an initial pay of Rs. 80 per mensem in the grade of Rs. 60—5—125—10—175 to the graduates in Engineering and Rs. 50 per mensem in the grade of Rs. 35—5/2—80 to the Diploma holders in Civil, Mechanical and Electrical Engineering, both in service and to be entertained as Surveyors and Sub-Overseers, respectively, in the Public Works Department.

3. Correspondence ending with D. O. letter No. P. C. 429, dated 21st May 1947, from the Chief Engineer for Irrigation, forwarding proposals for further revision of the Scales of pay of Surveyors in the Public Works Department.

4. D. O. letter No. 572—C. R. S., dated 21st May 1947, from the Chairman, Committee for Revision of Salaries, on this subject.

ORDER NO. P. W. 98-100—EST. 11-46-22, DATED BANGALORE, THE 2ND JULY 1947.

The graduates in Engineering are at present entertained in the Public Works Department as Surveyors on Rs. 80 in grade Rs. 60–5–125/10–175, while the successful candidates from the School of Engineering are taken as Sub-Overseers on Rs. 35–5/2 80, with an initial pay of Rs. 50 to diploma holders and of Rs. 35 to certificate holders.

2. As a consequence of war and springing up of several new Industrial concerns and Post-War development schemes, there has been an abnormal demand for qualified technical men all over the country, and high initial salaries with superior prospects have been offered to them in the neighbouring provinces. It has not, therefore, been possible to get the required number of qualified men ; and consequently a large number of vacancies are left unfilled in the Public Works

Department. The Chief Engineer has been repeatedly urging for the revision of their scales of pay and has recommended the grant of an initial pay of Rs. 125 to the Graduates in Engineering.

3. The Committee appointed by Government for the revision of salaries have been considering the question and the Chairman, who was consulted in the matter, has intimated that the Committee have provisionally resolved that a scale of Rs. 40–2½–50/5–100 be given to the passed students of the School of Engineering, Certificate holders being started on Rs. 40 and Diploma holders on Rs. 50 per mensem in that grade; and that a grade pay of Rs. 100–8–140/10–200 be given to Engineering Graduates.

4. Government are pleased to sanction the recommendations of the Chairman of Pay Commission with the direction that Graduate Surveyors, on entrance to the Department, be started on Rs. 116 per mensem in the scale now sanctioned.

5. The Chief Engineer is requested to forward very early proposals regarding increments that may have to be granted to the existing incumbents in view of the revised scales coming into effect.

IMPORTANT GOVERNMENT ORDERS

FOOD SECRETARIAT

Directs that *Ad-hoc* Committee for Edible Oils and Oilseeds constituted in Government Order, dated 27th February 1942, be abolished.

READ—

Government Order No. S. D. 7139-70—C. 22-46-175, dated 27th February 1947, constituting an *Ad-hoc* Committee for considering questions relating to control of prices and distribution of oil and oilseeds in Mysore.,

2. Government Notification No. S. D. 8204—C. 22-46-198, dated 8rd April 1947, directing that control over the prices and movement of edible oils and oilseeds except cocoanut oil, be withdrawn until further orders.

ORDER No. S. D. 630-61—C. 22-46-224, DATED BANGALORE, THE 21ST JULY 1947.

Government are pleased to direct that the *Ad-hoc* Committee constituted in the Government Order of 27th February 1947, read above, be abolished.

EDUCATION SECRETARIAT

Directs that the Candidates selected for Overseas Training be permitted to travel by Air if they are prepared to meet the difference of cost between the Second Class (Sea) fare and Air Passage.

O. M. No. E. 914-984—EDN. 109-45-395, DATED BANGALORE, THE 26TH JULY 1947.

OFFICIAL MEMORANDUM.

Government have selected more than one hundred candidates for Overseas training during the years 1945-46 and 1946-47. The candidates are eligible for Second Class Passage. But cases of candidates applying for air passage in lieu of Second Class Passage are becoming common, on some plea or the other, some on the ground that they would not be able to reach their place of study in time if they were to travel by a ship and others on the ground that no seats are available in ships. It is very difficult to distinguish one case from the other and show exemption. It is the duty of the candidate to secure passage in time and conform to the facilities admissible under the rules.

As the grant of Air Passage instead of Second Class Passage by sea would involve heavy expenditure, Government direct that the candidates who want air passage instead of the Second Class Sea Passage be permitted to travel by air if they are prepared to meet the difference of cost between the Second Class (Sea) fare and Air Passage by themselves, or if they are willing to the difference being treated as a loan to be repaid by them on their return, out of their salary in suitable instalments.

In the case of lady candidates, however, air passage may be permitted and the cost thereof may be met by Government, as a special case, if they are financially unable to meet it.

Issues instruction *re* the appointment of over-aged candidates.

READ—

Government Order No. Fl. 1181-230—G. F. 14-22-1, dated 30th August 1922, delegating among others the power to appoint persons over twenty-five years of age in exceptional cases, to certain Heads of Departments.

2. Letter R. O. C. No. 418, dated 5th November 1946, from the Registrar, High Court of Mysore, stating that the power delegated in the matter of granting exemption to the appointment of persons over the age of twenty-five years, has been vetoed by the Public Service Commissioner and requesting that suitable instructions in the matter may be issued to him.

3. Letter No. 3918, dated the 24th February 1947, from the Public Service Commissioner, submitting detailed proposals regarding the appointment of over-aged candidates and grant of exemption from the prescribed age limit.

4. The proceedings of the meeting of the Standing Committee for Recruitment, held on 12th May 1947, passing the following resolution :—

"That in exceptional cases, Heads of Departments or Unit Officers might appoint temporarily over-aged candidates, but they should report the same simultaneously to the Public Service Commissioner and obtain sanction of Government through him and that in no case should appointments of over-aged candidates made by Heads of Departments be continued for more than three months without making such report to the Public Service Commissioner."

ORDER NO. E. 748 830—R. & P. S. 46-46-3, DATED BANGALORE, THE 24TH JULY 1947

Government are pleased to accept the resolution of the Standing Committee for Recruitment and direct that the Heads of Departments and Unit Officers should take action accordingly.

FINANCIAL SECRETARIAT

Passes orders on the Report of the Public Accounts Committee on the Audit Report and Appropriation Accounts for the year 1945-46.

READ—

Audit Report and Appropriation Accounts for the year 1945-46, received from the Comptroller to Government, with his letter No. 322—B. 2. dated the 3rd March 1947 and 1581—Books dated the 14th March 1947.

2. Report of the Public Accounts Committee thereon.

ORDER NO. FL. 737-806—G. F. 199-46-8, DATED BANGALORE, THE 25TH JULY 1947.

Recorded.

2. *Appropriation Accounts.*—The percentage of total savings under voted grants during 1945-1946 was 35·22 against 22·81 during the previous year. The savings were mostly due to shortage of labour and non-availability or non-receipt of machinery for which orders had been placed.

3. Excesses over grants were reported under 13 voted heads, the aggregate amount of the excesses being Rs. 1,05,60,220, which represents 15·17 per cent of the total appropriation as against 16·33 per cent in the previous year. Excluding the contribution to Funds (which are not real items of expenditure), the percentage of excess under actual expenditure will be only about 7 per cent of the total. The large excesses under Industrial Works are due mainly to increased purchases of raw materials under Sandal Oil Factory, Mysore Silk Weaving Factory, Electric Factory and Mysore Implements Factory. The excess under Railways is mainly due to an additional contribution of Rs. 10 lakhs to the Depreciation Fund.

The Committee has also examined the cases for the excesses under the several heads and recommended that the excesses be passed. A schedule of demands for excess grants on account of the above was accordingly presented to the Legislative Council on the 30th June 1947, and all the demands were passed.

4. With regard to the excess expenditure reported under non-voted heads, Government direct that the excesses as under be passed :—

			Rs.
1.	12 General Administration	...	31,370
2.	15 Pensions and Allowances	...	86,701
3.	Extraordinary Expenditure	...	20
	Total	...	1,18,091

Government direct that Departments should make every endeavour to utilise the grants to the fullest extent possible during the period of sanction and minimise lapses of grants voted by the Legislature.

In this connection, the Director of Public Instruction is requested to examine to what extent the Grant for Elementary Education could be treated as an outright grant in consultation with the Comptroller and submit for orders of Government detailed proposals in the matter.

The Committee has observed that with a view to popularise the Industrial Loans the existing rules require relaxation. The Director of Industries and Commerce is accordingly requested to examine the question and submit proposals for consideration by Government.

Audit Report.—The Committee has observed that arrangements should be made to provide the necessary staff to the Comptroller and there have also been discussions on this question in both the Houses of the Legislature. The whole question of recruitment to the Accounts Department is under the active consideration of Government and how best the recruitment position of the Audit Department could be improved will be examined separately.

Government regret to note that in spite of repeated observations there has been delay in closing the work accounts and direct that prompt action should be taken to see that the works are closed with the least possible delay.

Regarding outstanding objections relating to the Public Works Department, Government trust that in view of the constitution of a separate Audit Branch for the Public Works Department, the Chief Engineers will avail themselves of the technical advice of the Auditor and see that such irregularities are minimised.

It has been observed by the Committee that in the future reports the accounts of the Food Department should contain information regarding total quantity of food grains imported, details of loss, etc. Government direct that the report of future years should contain a statement, showing the quantity of each kind of food grain imported, the purchase price, freight and other charges, the selling price and subsidy involved. Details of loss on account of shortage, driage or deterioration, in the case of these subsidised articles may also be separately furnished.

The following additional information relating to Food Department may also be given in the Audit and Appropriation Report of future years :—

(1) the total number of irregularities,

(2) the number of depots involved, and

(3) the total amount involved.

As regards audit of depots in the Food Department, Government observe that the audit should be more effective considering the magnitude of transactions. A statement showing the number of depots audited, the period covered during the audit and the number of depots, left unaudited at the end of the year with explanations thereon might also be included in the reports of future years as desired by the Committee.

Sanctions the Budget Estimates for 1947-48.

ORDER NO. FL. 496-565—G. F. 150-46-6, BANGALORE, DATED THE 21ST JULY 1947.

In pursuance of Sub-section (1) to Section 32 of the Government of Mysore Act, 1940, the Budget Estimates of the State for the year 1947-48 were laid before the Representative Assembly and the Legislative Council which met from 28th May 1947 and 19th June 1947, respectively.

(2) The Estimates were dealt with by the two Chambers in two stages, *viz.*,

(i) a general discussion and,

(ii) the moving of resolutions in the Assembly and the voting of demands for grants in the Council.

(3) In the course of the voting of Demands for Grants in the Legislative Council one Cut Motion involving a reduction of Re. 1 under demand 19-A '25 Economic Conference' was carried. All the other demands were passed in full.

(4) The grants made by the Legislative Council and the several sums required to meet the expenditure on excluded heads are shown in the Schedule of Authorised Expenditure attached hereto.

(5) The Estimates as they finally stand anticipate a total revenue of Rs. 10,16,46,000 and provide for a total expenditure chargeable to Revenue of Rs. 10,13,18,999 resulting in a surplus of Rs. 3,27,001.

M. SHAMANNA,

Secretary to Government,

Financial Department.

In exercise of the power conferred by sub-section (1) of Section 34 of the Government of Mysore Act, 1940, I hereby authenticate the Schedule annexed hereto specifying—

(a) In column 3 thereof the Grants made for the year 1947-48 by the Mysore Legislative Council under Section 33 (5) of the said Act; and

(b) in column 4 thereof the several sums required to meet the expenditure on Excluded Heads during the year 1947-48.

Passes orders on the recommendations of the Malnad Development Committee, 1946, in so far as they relate to the Agricultural Departme nt.

READ—

Correspondence ending with letter No. C. T. 81—46-47, dated the 22nd January 1947, from the Director of Agriculture, forwarding a note on the recommendations made in the Report of the Malnad Development Committee, 1946, in so far as they relate to the Agricultural Department.

U. O. Note No. Al. 30—46-47, dated the 7th April 1947, from the Commissioner, Economic Development and Planning, on the subject.

U. O. Note No. 59—C. T. dated 21st May 1947, from the Director of Agriculture furnishing his further views and suggestions in the matter.

ORDER NO. A. F. 533-43—AGRI. 30-47-2, DATED BANGALORE, THE 6TH AUGUST 1947.

The recommendations of the Malnad Development Committee under "Agriculture" are as follows :—

1. A farm for each malnad District for the multiplication and distribution of paddy seeds and manure is necessary (Scheme 80).
2. Wider distribution of improved agricultural implements. (Scheme 81).
3. Starting of more experimental farms. (Scheme 82).
   i. Experimental farms for areca and other subsidiary crops should be opened at the following places: Sagar, Tirthahalli, Hosanagar, Mudigere, Sringeri, and Koppa.
   ii. A farm in each district for orange and other fruit cultivation and research and for the cultivation of spice crops such as nutmeg, pepper, clove, vanilla should be started.
4. Starting of more demonstration farms at Taluk Headquarters (Scheme 83).
5. Manufacture of compost from Agricultural waste (Scheme 84).
6. Introduction of Tractor service in the State (Scheme 85).
7. Starting of additional Kannada Agricultural schools (Scheme 86). Opening of two more schools in the interior of Malnad.
8. Breeding, multiplying and procuring seed potatoes (Scheme 91). Investigation of the feasibility of growing potatoes in the Malnad.
9. Cultivation of essential oil plants (Scheme 93).

Special :—i. An Areca Board and a Cardamom Board on the lines of the Cotton and the Cocoanut Boards should be established for Mysore for organising and controlling research and for improved marketing, and All-India organisations should also be pressed for.
ii. The feasibility of growing a subsidiary crop in paddy fields after harvest of paddy should be investigated.
iii. At least three Agricultural colonies should be established in the interior for malnad students passing out of the agricultural schools.

The Director of Agriculture, who was consulted in the matter, reports that the recommendations of the Malnad Development Committee have been anticipated and provided for in the various post-war schemes of the Agricultural Department recently sanctioned by Government; that these schemes are being implemented as quickly as possible and that in this connection the special requirements of the Malnad are being kept in view and met as indicated below :—

In regard to the scheme of seed multiplication, sites for basic central farms in the Malnad are being selected.

A large number of seed farms have been opened in paddy tracts in the Malnad.

The opening of a large number of Agricultural sub-depots in the Malnad is on the programme. Improved ploughs are also being supplied.

Two or three out of five Regional Farms will be located in the Malnad.

Three out of five Demonstration Farms to be opened this year will be located in the Malnad.

The villages of the Malnad would be included in the operation of the Rural Waste Compost Scheme.

The question of opening Kannada Agricultural Schools Tarikere and Saklespur, in the Malnad area, is being pursue

The possibility of raising a second paddy crop in padd lands in the Malnad is proposed to be examined in the Region Farms.

The cultivation of essential oil plants and the growing o seed potatoes in the Malnad, as recommended by the Com mittee, will be tried in the Regional Farms.

As regards the colonisation of the educated unemploye in the Malnad, the Committee have suggested the establish ment of three agricultural colonies in the interior for the benefit of students passing out of the Agricultural Schools. On this matter there is a difference of opinion between the Commissioner of Economic Development and Planning and the Director of Agriculture. While the Commissioner of Economic Development and Planning supports the recommendation of the Committee, the Director of Agriculture feels that as the colonisation of the educated unemployed in the Maidan has not been very successful. It would be premature to consider the suggestion of the Committee in the case of the Malnad.

The Director of Agriculture is of the opinion that the recommendation of the Committee for the formation of an Areca and Cardamom Board on the lines of the Cotton and Cocoanut Boards should first be raised with the Central Government and their reactions to it considered before action could be taken.

The development of agricultural education has been provided for by the establishment of the Agricultural College at Hebbal.

In regard to the recommendations for the improvement of the existing crops, introduction of new crops, planting of subsidiary crops, scientific assistance, such as soil analysis and selection of manures, schemes have been already sanctioned in respect of each of them.

The recommendations under 'Live-stock' have been provided for in the post-war development schemes of the Veterinary Department.

A scheme for the establishment of a Cardamom bleaching and grading factory is engaging the attention of the Industrial Policy Committee.

In the circumstances mentioned above, Government agree with the views of the Director of Agriculture except in respect of the colonisation scheme. Government consider that it is necessary to attract settlers of the right type to the sparsely populated areas in the malnad area more especially as after the operation of the various health schemes, the area is bound to become more congenial. Further with the expansion of electrical power, more and more lucrative and attractive opportunities will be available to the people. This question is reserved for special examination and orders.

Government direct that while executing the various post-war sanctioned schemes, the Director should give special attention to the requirements of the malnad area and he should take steps to implement the various suggestions of the Malnad Improvement Committee.

Directs that the name of "Kadur" District be changed to "Chikmagalur" District with effect from 1st October 1947.

READ—

Correspondence ending with letter No. Al. C. 5318—45-46, dated 25th December 1946, from the Deputy Commissioner, Kadur District, recommending that in the circumstances stated the name of the District may be changed to Chikmagalur District.

2. Un-official Note No. C. 10. 338—46-47, dated 6th February 1947, from the Revenue Commissioner, furnishing his views on the proposal of the Deputy Commissioner, Kadur.

3. Correspondence ending with letter No. R. F. 142-47—G., dated 23rd April 1947, from the Secretary to the Honourable the Resident in Mysore furnishing the remarks of the Officer-in-charge of Survey of India, Bangalore, on the proposal.

4. Un-official Note No. 28, dated 31st May 1947, from the Commissioner for Settlement and Land Records in Mysore also furnishing his remarks on the proposal of the Deputy Commissioner.

ORDER No. R. 1965-2057—R. M. 87-45-8, DATED BANGALORE, THE 11TH AUGUST 1947.

The Kadur District Conference of 1946 urged that while all the other Districts have been named after the Headquarters of the District, an exception has been made in the case of the Kadur District and that it may also be named "Chikmagalur" District as Chikmagalur is the Headquarters of the District. Both the Revenue Commissioner and the Deputy Commissioner support the proposal.

The authorities of the Survey of India and the Commissioner for Settlement and Land Records in Mysore have no objection to the proposal, but the latter reports that the change of name involves corrections in the Survey Records of the District.

Government consider that it is an anachronism to call the District after Kadur, when the Headquarters is not located at Kadur, but at Chikmagalur. They are therefore pleased to

direct that the name of the District be changed from Kadur to "Chikmagalur" with effect from 1st October 1947. A notification will also issue in the matter separately.

Meanwhile, the Superintendent for Settlement and Land Records is requested to take needful action to get the necessary changes made in the survey records and maps of the District.

EDUCATION SECRETARIAT

Accords sanction to the opening of a Municipal High School at Kadur Town.

READ—

Letter No. H3. 6634-508—46-47, dated 26th May 1947, from the Director of Public Instruction, submitting proposals for the opening of a Municipal High School at Kadur Town.

ORDER NO. E. 1491-93—EDN. 44-46-43, DATED BANGALORE, THE 13TH AUGUST 1947.

Both the Director of Public Instruction and the Deputy Commissioner, Kadur District, state that there is need for a High School at Kadur.

The Municipal Council, Kadur, have agreed to deposit a sum of Rs. 5,000 towards the stability fund and Rs. 3,000 towards non-recurring charges for the initial equipment. They are agreeable to meet their share of the recurring expenditure. The Municipal Council, Kadur, have also agreed to deposit a sum of Rs. 17,456 towards the building fund and to collect by donations and subscriptions the balance required to make up Rs. 30,000 for the purpose. The School is proposed to be housed temporarily in the local Town Hall building pending construction of a new building.

In the circumstances, the Director of Public Instruction recommends that sanction may be accorded to the opening of a Municipal High School at Kadur with effect from the school year 1947-48 on condition that if the balance towards the building fund of Rs. 30,000 is not raised and deposited as early as possible the sanction accorded to the opening of the school will be withdrawn. He also states that pending sanction of Government, he has permitted the opening of the school and requests approval to his action.

The recommendation of the Director of Public Instruction is sanctioned. The action taken by him is also approved.

A statement showing the classes to be started, the recurring and non-recurring expenditure required and the Government grant admissible is appended hereto. The grant accounting to the revised rule will be paid with effect from 1st July 1947 as directed in Government Order No. E. 8978-88—Edn. 90-46-5, dated 19th June 1947. The cost required for meeting the Government share of the expenditure during the year 1947-48 will be met out of the lumpsum provision of Rs. 50,000 made in the budget of the Education Department for payment of grants to new Municipal High Schools and the necessary provision will be made in the budgets of the succeeding years.

FINANCIAL SECRETARIAT

Sanctions advance of one month's pay as on 1st August 1947 to all the non-gazetted servants of the State including Railway employees.

READ—

Government Order No. 2484-2569—C. B. 178-46-1, dated 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and the ministerial (non-gazetted) and inferior service of the several departments of Government.

ORDER NO. FL. 1155-1224—S. & A. 34-47-2, DATED BANGALORE, THE 14TH AUGUST 1947.

This Committee has since submitted its report to Government and it is now under their consideration. The final orders of Government in this matter are expected to be issued by 15th September 1947 and it is proposed to give effect to the decisions on the recommendations of the Committee with effect from 1st January 1947.

2. Some of the non-gazetted officers of Government have since represented that they may be given one month's pay as advance against the credit they may be entitled to when the new scales of pay are brought into force. Government agree to this proposal and they are accordingly pleased to direct that an advance of one month's pay as it stood on 1st August 1947 be paid to all non-gazetted servants in the State including Railway employees. This amount will, in due course, be set off against any arrears of pay that would accrue by giving retrospective effect to the revised scales of pay.

3. In respect of daily rated staff, wages as on 1st August 1947 may be taken as pay for the purposes of calculation. In the case of piece-workers, the average earnings of July 1947 may be adopted on the assumption what they would have got if they had earned wages for all the working days.

4. For purpose of calculating the amount of advance, the term pay may be taken to include substantive pay, temporary pay and acting allowances.

5. The Comptroller and the Deputy Commissioners of Treasury Departments are requested to give immediate effect to the above proposals, the amount being permitted to be drawn on A.C. bills.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Sanctions a modified procedure for the recovery of audit charges from the Local Bodies.

READ—

Government Order No. 5380-400—MI. 168-17-1, dated the 28th March 1918, directing among other things, that one-half of the cost for doing the audit of the accounts of Municipal Councils and Local Boards be rateably distributed on the several Municipal Councils and District Boards and the other half debited to State Funds.

2. Correspondence ending with letter No. 287—C. L. A. D. dated 5th April 1947, from the Comptroller to Government, submitting certain modified proposals for the recovery of audit charges from the Local Bodies in the State.

ORDER NO. L. 2667-85—L.B. 83-45-3, DATED BANGALORE, THE 14TH AUGUST 1947.

In his letter dated 5th April 1947 read above, the Comptroller reports that the procedure now in vogue for the recovery of one-half of the audit charges from the Local Bodies in the State as contemplated in the Government Order dated 28th March 1918 read above, calls for revision.

The arguments advanced by him for revising the existing mode of calculation are that (1) the enormous time and labour involved in collecting the necessary information from various sources could be minimised, (2) the consideration for levying only 50 per cent of the actual post-audit charges no longer exists in view of the fact that the finances of Local Bodies in recent years have steadily improved and that therefore they are in a position to bear the entire cost of audit and (3) the present method of calculation resorts to approximation. He has now evolved a simple and yet suitable method of levy of the audit charges and it is that the audit charges for any year should include only the direct charges which may be based on the average cost actually incurred during the previous three years. In other words, they include pay and travelling allowance of the auditors detailed for such work together with the proportionate pay of the Gazetted Officer in charge for the period occupied in doing review or inspection work plus his actual travelling allowance expenses to which may be added a small percentage of cost on account of the miscellaneous clerk's pay and audit office contingencies which may be computed at 2½ per cent.

In the circumstances stated, Government are pleased to approve of the adoption of the modified procedure suggested by the Comptroller for the recovery of the audit charges from Local Bodies.

DEVELOPMENT SECRETARIAT

Sanctions the Abolition of the Post of the Director of Engineering and Chemical Industries.

READ—

G.O. No. D. 7844.7910—I. & C. 601-43-1, dated 8th June 1944, sanctioning certain arrangements for the conduct of work in Industrial Concerns and directing that Mr. B. Viswanath, B.E., be posted as Director of Engineering and Chemical Industries.

2. G.O. No. D. 46-110—I. & C. 601-43-5, dated 3rd July 1944, transferring among other things the control of the Central Industrial Workshop from the Director of Engineering and Chemical Industries to the Director of Industries and Commerce.

3. G.O. No. D. 5921-35—I. & C. 175-43-26, dated 8th March 1945, sanctioning the conversion of the Government Industrial and Testing Laboratory into a joint-stock company under the name of "The Mysore Industrial and Testing Laboratory, Ltd."

4. Government Notifications Nos. 1004—C. B. 91-46-2, dated 3rd September 1946 and 1408—C. B. 91-46-2, dated 20th September 1946, sanctioning the grant of privilege leave to Mr. B. Viswanath, Director of Engineering and Chemical Industries and permitting Mr. M. S. Ramachandran, Convener, Board of Management of Industrial Concerns, to look after the routine duties connected with the Industrial Concerns under the former's charge.

5. G.O. No. D. 2670-5—I. & C. 167-46-3, dated 12th November 1946, appointing Mr. E. V. Ganapati Iyer, Director of Sandal Wood Oil Factories, as Chairman of—

(1) The Mysore Chemicals and Fertilisers, Ltd., and
(2) The Mysore Kirloskar, Ltd.

6. G. O. No. D. 4138-41—I. & C. 129-46-6, dated 8th January 1947, directing that the charge of the Government Soap Factory be transferred to the Director of Industries and Commerce.

7. G.O. No. D. 5506-11—I. & C. 52-45.11, dated 5th March 1947, sanctioning the conversion of the Government Lac and Paint Works, Mysore, into a joint-stock company under the name of "Mysore Lac and Paint Works, Ltd."

1. G.O. No. D. 6846-50—I. & C. 48-46-11, dated 8th May 1947, directing that the charge of the Mysore Implement Factory, Hassan, be transferred to the Director of Industries and Commerce.

ORDER No.D. 856-935—I. & C. 74-47-2, DATED BANGALORE, THE 12TH AUGUST 1947.

In G.O. No. D. 7844-7910—I. & C. 601-43-1, dated 8th June 1944, read above, the post of the Director of Engineering and Chemical Industries was created and the late Mr. B. Viswanath, B.E., was appointed to the said post with the charge of the following Government Industrial Concerns :—

1. The Central Industrial Workshop,
2. The Government Soap Factory,
3. The Government Industrial and Testing Laboratory,
4. The Mysore Implements Factory,
5. The Government Lac and Paint Works,
6. The Government Dichromate Factory.

Since the demise of Mr. B. Viswanath in September 1946, the post of the Director of Engineering and Chemical Industries has not been filled up, but Mr. M. S. Ramachandran, Convenor, Board of Management of Industrial Concerns, has been placed in charge of the routine duties of the Director of Engineering and Chemical Industries in addition to his own duties.

Of the concerns under the control of the Director of Engineering and Chemical Industries, the Government Industrial and Testing Laboratory has since been converted into a joint-stock company, and it has also been ordered that the Government Lac and Paint works should be handed over to a joint-stock company formed for the purpose. Mr. E. V. Ganapati Iyer, Director of Sandal Wood Oil Factories, has been appointed Government Director and Chairman of the Mysore Chemicals and Fertilisers, Ltd., and the Mysore Kirloskar, Ltd. The remaining concerns except the Government Dichromate Factory, have been transferred to the control of the Director of Industries and Commerce.

Thus, almost all the Government owned and aided concerns which were under the control of the Director of Engineering and Chemical Industries have since been transferred to the charge of other officers, Government feel that there is no necessity to continue the post of the Director of Engineering and Chemical Industries. They are, therefore, pleased to direct that the post of the Director of Engineering and Chemical Industries be abolished and the charge of the Dichromate Factory be transferred to the control of the Director of Sandal Wood Oil Factories, who will also attend to any matters connected with the Government Lac and Paint Works, till this concern is finally transferred to the Company to be floated for the purpose.

(2) Letter No. C. F. 420—45-46, dated 25th March 1947, from the Secretary, Coordination and Finance Committee, on the subject.

(3) Government Order No. A. F. 6542-47—Agri. 190-46-2, dated 19th May 1947, according administrative sanction to this scheme, among other schemes pertaining to the Agricultural Department.

Correspondence ending with letter No. C. T. 75—46-47, dated 17th June 1947, from the Director of Agriculture, submitting detailed proposals for the implementing of the scheme.

ORDER No. A. F. 810-26—AGRI. 45-47-2, DATED BANGALORE, THE 21ST AUGUST 1947.

The Director of Agriculture states that the need for intensive investigations on the methods of utilising certain existing beneficial parasites in the successful control of the pests of paddy, potato, sugarcane and cotton is very urgent because of the importance of these crops and the seriousness of the havoc played by these pests. He has drawn up a five-year scheme with a view to investigating the possible methods of the mass production of the egg and larval parasites (several of which are already known) in the Laboratory for large scale release in the affected fields in order to raise the density of the population of the parasites in the fields so as to effectively check, if not completely eradicate, the pests.

The scheme is estimated to involve a total expenditure of Rs. 43,840 (recurring) and Rs. 15,000 (non-recurring) spread over a period of five years *the details for which are noted below* :—

Recurring charges.—Details of staff—

	1st year Rs.	2nd year Rs.	3rd year Rs.	4th year Rs.	5th year Rs.

The Director of Agriculture has proposed the following staff for the successful working of the scheme :—

1. One Senior Assistant Entomologist on Rs. 125—25/2—300.
2. One Junior Assistant Entomologist on Rs. 70—10/2—120.
3. Four Supervisors on Rs. 40—3—70.
4. One Clerk on Rs. 30—5/2—50.
5. Four Attenders on Rs. 12 each.
6. Two Laboratory men on Rs. 25 each.

The Scheme has been considered and approved by the Committee for Agriculture as well as the Co-ordination and Finance Committee.

Administrative sanction has also been conveyed to this scheme in Government Order dated 19th May 1947, read above.

After a careful consideration of the proposals, Government are pleased to accord sanction to the scheme which will be worked under the direction and guidance of the Entomologist of the Agricultural Department.

The cost on account of the scheme will be debited to the provision made for Post-war Schemes in the Budget.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions the appointment of a full-time Inspector-General of Prisons in the State.

ORDER No. 918-15—C.B. 61-47-1, DATED BANGALORE, THE 20TH AUGUST 1947.

At present, the Senior Surgeon is also the *Ex-officio* Inspector-General of Prisons in the State. The Office of the Senior Surgeon is in itself too heavy a charge and the Senior Surgeon naturally finds it difficult to devote as much time and attention to the Prisons Department and its administration as the circumstances require.

Government also consider it necessary that, with the introduction of Borstal and Juvenile Offender Reforms, special attention should be paid to the problem of Prison Administration including an urgent examination of the Rules and Regulations relating to it.

In the circumstances, Government are of the opinion that a full-time appointment of Inspector-General of Prisons should be created and are accordingly pleased to sanction the post of a full-time officer designated Inspector-General of Prisons, on a salary of Rs. 1,000—50—1,200.

Separate orders will issue regarding the posting of an officer.

V. VEDAVYASACHARYA, *Chief Secy.*

ANNEXURE.

Annual Return under the Mysore Workmen's Compensation Act for the year 1945-46.

During the year under report, there were in all 2,729 cases of injuries by accident as against 3,278 cases during the previous year, in respect of which compensation was paid under the Mysore Workmen's Compensation Act by employers of labour. Out of these, the Kolar Gold Mining Companies exclusively have recorded a high water mark of 2,040 cases as against 2,452 in the previous year.

A sum amounting to Rs. 2,95,485-8-9 was paid as compensation under the Workmen's Compensation Act as against Rs. 3,73,837-9-4 in the previous year. The Gold Mining Companies shared the burden of it, to the extent of Rs. 2,51,875-4-0; Industrial concerns in Bangalore District, Rs. 35,281-15-3 and other concerns in the rest of the State, Rs. 8,328-5-6. Details with regard to the accidents and compensation amount paid by employers in the various districts are furnished in Statement No. I appended hereto.

Out of the total number of 2,729 cases of accidents registered during the year compensation paid to the survivors of the deceased in 37 cases amounts to Rs. 45,060 as against 25 and Rs. 26,340-3-0, respectively, in the previous year.

The cases of permanent disablement have decreased by more than 50 per cent, the total being 463 as against 816 in the previous year. Out of these, 381 belonged to the silicosis category which numbered 702 in the previous year. Compensation paid in respect of these 463 cases amounted to Rs. 2,18,656-3-9 as against Rs. 3,12,917-14-0 in the previous year. Of this, silicosis cases only were compensated to the extent of Rs. 1,86,801-0-0 as compared to Rs. 2,71,073-15-0 in the previous year.

The total number of accidents resulting in temporary disablement decreased to 2,229 as against 2,437 during the previous year, involving a payment of Rs. 31,769-5-0 as against Rs. 34,579-8-4 in the previous year.

The average amount of compensation paid during the year in respect of each fatal accident was 1,217·8, permanent disablement 472·3, and temporary disablement 14·3; the corresponding figures for the previous year being 1,053·6, 383·4 and 14·1, respectively, particulars of which are furnished in the Statement No. II appended hereto.

No new compulsory range is required to be started.				
4	Nanjangud ...	Nil	Nil	Nil	Nil
	The compulsory Urdu Range, Mysore, has now 25 Urdu Primary Schools of Mysore Taluk and 17 of Chamarajanagar Taluk. Since Chamarajanagar and Nanjangud Taluks can be clubbed together, it is proposed to take away the 17 schools of Chamarajnagar Taluk and put them along with the 11 Urdu Primary Schools of Nanjangud Taluk and form a separate Urdu Range (Compulsory) at Nanjangud for 28 schools utilising for the purpose the provision of the existing Urdu Range there (non-compulsory). The compulsory Urdu Range, Mysore, will then have only 25 Urdu Schools and the rest of the Urdu Schools in the existing non-compulsory Urdu Range, Nanjangud, *viz.*, 5 of the Gundlupet Taluk and 10 of T.-Narsipur Taluk and 5 of Yelandur Taluk and none of Heggaddevankote Taluk (since there are at present no Urdu Schools in that Taluk) will go to the control of the non-compulsory area Inspector of Urdu Schools, Mysore District, Mysore, who has already 13 Urdu Schools of Krishnarajanagar Taluk, 9 of Hunsur Taluk and 11 of Periyapatna Taluk making a total of 53 Urdu Primary Schools in the non-compulsory Urdu Range, Mysore District, Mysore. No additional Urdu Range is proposed to be opened in this taluk.				
5	Chikballapur ...	Nil	Nil	Nii	Nil
	The 11 Urdu Primary Schools in Chikballapur Taluk will be added on the 28 such schools in Kolar Taluk under the control of the Inspector of Urdu Schools (Compulsory Range) Kolar Taluk, Kolar, making the total number under his control 39. There is no need for an additional Urdu Range now in this taluk as the number of Urdu Schools in the taluk is small (*i.e.*, 11)				
6	Thirthahalli ...	Nil	Nil	Nil	Nil
	The compulsory taluk Urdu Range, Shimoga has 26 Urdu Schools of that taluk and 4 of Sagar Taluk. The only 5 Urdu Schools in Thirthahalli Taluk will also be added to the Shimoga Taluk Urdu Range (Compulsory). There will then be 35 Urdu Primary Schools in the Compulsory Range. No additional range is therefore necessary.				
7	Krishnarajpet—	Mandya Urdu Range	Mandya ... 5 Maddur ... 14 Krishnarajpet... 14	33 Schools	... Mandya.
	The Inspector of Urdu Schools, Mandya District, has under his control 5 Urdu Primary Schools of Mandya Taluk (Compulsory area), 14 of Maddur Taluk (Also compulsory area) and 14 schools of Krishnarajpet Taluk could be added to them and the new compulsory Urdu Range opened at Mandya for all these 33 Urdu Schools. The remaining Urdu Schools in the rest of the non-compulsory taluk in the district, *viz.*, 5 of Seringapatam Taluk, 6 of French-Rocks Taluk, 8 of Nagamangala Taluk and 15 of Malvalli Taluk will be converted into a separate non-compulsory urdu range with headquarters at Malvalli, utilising for the purpose the provision of the existing Urdu Range at Mandya.				
8	Chennapatna ...	Nil	Nil	Nil	Nil
	During the year 1946-47 an additional Urdu Compulsory Range was started at Closepet with 14 Urdu Schools of Bangalore North Taluk and 14 such schools of Closepet Taluk itself. Since Chennapatna is close to Closepet 18 Urdu Schools in that taluk may also be transferred to the control of the Inspector of Urdu School (Compulsory area) Closepet, making the total number of schools in that range 46. No additional Urdu Range is proposed to be started.				
9	Tarikere ...	Nil	Nil	Nil	Nil
	The present Inspector of Urdu Schools, (Non-compulsory) Tarikere Range, Tarikere, has under his control 18 Urdu Primary Schools of Tarikere Taluk and 17 such schools in all the other taluks put together in that range, *viz.*, Koppa, Narasimharajapura, Mudigere and Sringeri. Since the number of schools (*viz.*, 18) is too small to be formed into a new Urdu Compulsory Range and the remaining schools (*viz.*, 17) are also too few to be formed into a non-compulsory range, the existing Inspector of Urdu Schools, Tarikere, will attend to the compulsory work also of the 18 Urdu Schools of Tarikere Taluk in addition to the General Administration of the remaining 17 schools under his control.

Suspension of Pre-Audit of Salary and Establishment Bills payable at Bangalore as a temporary measure.

READ—

Letter No. 78—B. II, dated 7th August 1947 from the Comptroller, requesting in the circumstances explained, sanction for temporarily suspending the system of pre-audit of salary and establishment bills payable at Bangalore.

ORDER NO. FL. 1804-1854—S. & A. 58-47-2, DATED BANGALORE, THE 6TH SEPTEMBER 1947.

Under the existing rules, all salary, establishment, travelling allowance, contingent and other bills payable at Bangalore, are subject to pre-audit. The Comptroller to Government brings to the notice of Government that in view of the enormous increase in expenditure during the recent years coupled with inadequate staff to cope with the increased work it has not been possible to make arrangements for the prompt and efficient pre-audit of salary, establishment, contingent and travelling allowance bills payable at Bangalore. The location of the different sections of the audit office in several buildings for want of suitable accommodation is stated to have also contributed to the delay in the passing of bills submitted for pre-audit.

Under these circumstances, the Comptroller has suggested that the system of pre-audit of salary and establishment bills (both permanent and temporary) payable at Bangalore may be suspended temporarily, all such bills being permitted to be cashed after a preliminary scrutiny in the Pay Section of the Comptroller's Office.

The proposal of the Comptroller is approved.

Sanctions the Revision of Scales of Pay of the Non-Gazetted Executive and Ministerial Staff of the Police Department.

Government Order No. 2484-2569—C.B. 178-46-1, dated the 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the Subordinate Executive and Ministerial (Non-Gazetted) and inferior services establishments in the several Departments of Government.

Report, dated the 5th July 1947 of the above Committee, recommending revision of scales of pay of the Non-Gazetted Establishment of the several Departments of Government.

Government Order No. Fl. 1865-1925—S & A. 25-47-3, dated 6th September 1947, sanctioning the revision of scales of pay of certain classes of non-gazetted posts in the several Departments of Government.

ORDER NO. FL. 1979-82—S. & A. 25-47-4, DATED BANGALORE, THE 13TH SEPTEMBER 1947.

The Committee have felt that in view of the re-organisation of the scales of pay of the Executive Staff of the Police Department in June 1946 at a heavy extra cost of over Rs. 8 lakhs per annum, further improvement in the scales of pay of the Executive Cadre need not be taken up so soon except in the case of Police Constables in the light of the proposed revision of the scales of pay of Peons. The Committee have accordingly suggested revision of scales of pay of Ministerial and inferior establishments as also of Police Constables at an extra cost of about Rs. 2·18 lakhs per annum in the case of permanent staff.

Government have carefully examined these conclusions in the light of certain proposals made by the Inspector-General of Police and are pleased to sanction the revision of scales of pay of the non-gazetted staff of the Police Department as indicated in the annexure hereto entailing an extra cost of about Rs. 4·08 lakhs per annum over the existing scales. The extra cost would be however more as the scales of pay now sanctioned will be applicable in the case of temporary establishments also.

The existing ratio of the number in the several classes and grades in the case of Police Inspectors, Sub-Inspectors and Duffedars will remain unchanged. Regarding clerical staff, separate orders will issue fixing the proportion to be maintained as between the I and II Division.

The Stenographers need not be necessarily graduates. The grade of Rs. 75—5—150 may be given to those Stenographers who are qualified in Senior Grade Examinations in Shorthand and those who have passed Proficiency Examination in Shorthand may be given the grade pay of Rs. 100—10—200. The Stenographers of the Special Branch should be normally those who have passed the Proficiency Examination. In consideration of their arduous and special nature of work, the Stenographers of the Special Branch may also be given an allowance of Rs. 30 per mensem.

The revised scales of pay as now sanctioned will have effect from 1st January 1947.

ORDER NO. FL. 1999-2003—S. & A. 25-47-5, DATED BANGALORE, THE 15TH SEPTEMBER 1947.

The Committee constituted for the Revision of Scales of Pay have recommended revisions only in the case of the Ministerial Staff of the Military Department. The Chief Commandant has brought to the notice of Government the immediate need for the revision of scales of pay of Indian Officers and other ranks of the Mysore State Troops on the basis of the Pay recently sanctioned in the Indian Army. He has also proposed the revision of scales of pay of Followers and other Miscellaneous posts of the various units on the basis of the scales of pay recommended by the Pay Revision Committee for similar classes of employees in other Departments of Government.

2. After considering the proposals of the Pay Revision Committee and also of the Chief Commandant, Government are pleased to sanction the Revision of Scales of Pay of the several classes of employees of the Military Department as shown in the Annexure.

3. The Revision of Scales as now sanctioned will have effect from 1st January 1947.

Government Order No. Fl. 2010-70—S. & A. 25-47-6, dated the 21st September 1947, sanctioning the revision of scales of pay of the Non-Gazetted Employees in the several Departments of Government.

ORDER No. FL. 2108-70—S. & A. 25-47-7, DATED BANGALORE, THE 23RD SEPTEMBER 1947.

In modification of the principles enunciated in the Government Order read above, in the matter of fixing the pay of the incumbents in the revised scales of pay now sanctioned, Government are pleased to direct that the following revised instructions should be followed :—

(1) Where the revised scale of pay of any post is not an enhancement over the existing scale, the officer holding the post shall have the option to retain the old scale or to come into new scale.

(2) The pay of an officer in the revised scale shall be fixed at the stage next above his pay in the existing scale on 1st January 1947. If the present pay is less than the minimum of the revised scale, the pay shall be fixed at such minimum.

(3) After the pay is fixed as above, increments may be granted in the revised scale as under :—

(*a*) For a total service of 5 years ... One increment.
(*b*) For a service of above 5 years and up to 10 years ... Two increments.
(*c*) For a service of 10 years and above ... Three increments.

[*N.B.*—For calculating the increments the *entire* service of an official has to be taken into account.]

(4) The immediate benefit to accrue per mensem by fixing the initial pay as above to any individual shall not exceed the following limits :—

	Rs.
(*a*) Officials who are drawing in the existing scales up to Rs. 100 ...	10
(*b*) Officials drawing from Rs. 100 to 150	15
(*c*) Officials drawing from Rs. 150 to 250	20
(*d*) Officials drawing Rs. 250 and above	25

2. In cases where the minimum pay as now fixed has conferred a larger benefit than the ceiling fixed above, no further increments need be added on to the minimum pay. The above principles shall apply in fixing the initial pay both in substantive and non-substantive appointments.

3. Government Order No. Fl. 1865-1925—S. & A. 25-47-3, dated 6th September 1947, sanctioning the revision of scales of pay of certain classes of non-gazetted posts in the several Departments of Government.

4. Government Order No. Fl. 1979-82—S. & A. 25-47-4, dated the 13th September 1947, sanctioning the revision of scales of pay of the non-gazetted executive and ministerial staff of the Police Department.

5. Government Order No. Fl. 1999-2003—S. & A. 25-47-5, dated 15th September 1947, sanctioning the revision of scales of pay of the several classes of employees of the Military Department.

ORDER NO. FL. 2010-70—S. & A. 25-47-6, DATED BANGALORE, THE 21ST SEPTEMBER 1947.

After considering the proposals of the Pay Revision Committee, Government are pleased to sanction the Revision of Scales of Pay of the several classes of Non-gazetted Employees in the different Departments of Government as shown in the Annexure. The Revision of Scales of Pay, as now sanctioned, will have effect from 1st January 1947.

2. The following general principles should be followed in fixing the number and pay of the incumbents:—

(i) Except in the case of Departments where the numbers of I and II grade clerks have already been fixed in the existing scales, the ratio of I and II Division Clerks in all other cases should be 1 : 5 respectively. The graduates in the lower scales should be allocated against the I Division without affecting the officials already promoted. If the above ratio should work as a hardship in fixing the graduates in the I Division, supernumerary posts in the I Division may be temporarily created for them, keeping equal number of posts in the II Division vacant and the future recruitment should be so regulated that the ratio is brought down to the level of 1 : 5 at the earliest opportunity.

(ii) In the case of an official whose pay in the existing scale fits exactly into a stage pay in the revised scale, he may be allowed to draw the next increment in the revised scale on the date on which he would have drawn it had he continued in the existing scale.

(iii) In the case of an official whose pay in the existing scale falls between two stages in the revised scale, he may be allowed to draw the next higher stage pay in the revised scale.

(iv) In cases where an increment has already accrued after 1st January 1947, the benefit of the increment may be given in the revised scale from the date of such accrual, the pay in the revised scale being fixed on the basis of the above principles.

(v) Other cases of specific hardships may be referred for orders of Government while sending up the allocation statement.

3. In the case of Steno-typists and Typists, the Heads of Departments will examine the needs of their Departments and fix up with the approval of Government the number of Steno-typists actually required for attending to dictations or reporting. The Steno-typists whose number is thus limited will draw a grade pay of Rs. 75—5—150 provided they are qualified in Senior Typewriting and Senior Shorthand. Those who have passed Proficiency Examination in Shorthand may be given the grade pay of Rs. 100—10—200. In all other cases where the Steno-typists and Typists are merely required to attend to typing work, they will draw the grade pay of clerks, *viz.*, I Division if they are Graduates and II Division if they are S.S.L.C.s The existing scales of allowances fixed for Typists and Steno-typists according to their qualifications will continue, except in the case of Stenographers of the Special Branch of the Police Department where the allowance has been enhanced to Rs. 30 per mensem.

4. The Heads of Departments are requested to take immediate action to submit the proposition and allocation statements for early orders of Government through the Comptroller who will forward them after verification as expeditiously as possible.

M. SHAMANNA,
Secretary to Government,
Finance Department.

IMPORTANT GOVERNMENT ORDERS

EDUCATION SECRETARIAT

Placing Mr. B. Jayaram Naidu, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore, in-charge of all the Tuberculosis Institutions in the State.

READ—

Government Order No. 376-78—C. B. 58-42-7, dated 10th August 1943, directing that Mr. B. Jayaram Naidu be re-entertained in service as a Specialist on a pay of Rs. 750 per mensem in a special grade of Rs. 750—50/2—1,000 and posted as Medical Officer of the Princess Krishnajammanni Sanatorium, Mysore.

2. Government Order No. M. 4545-7—Med. 74-44-4, dated 17th November 1944, directing that the Lady Willingdon Tuberculosis Clinic and Dispensary at Bangalore and the Tuberculosis Hospital at Davangere be placed under the administrative control of the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore.

ORDER NO. 1707-8—C.B. 94-47-1, DATED BANGALORE, THE 24TH SEPTEMBER 1947.

The Policy Committee for Public Health have, under the Post-war Development, recommended the following schemes:—

1. Establishment of a well equipped and up-to-date Tuberculosis Sanatorium in Bangalore.
2. Tuberculosis Survey in Mysore, Bangalore and Tumkur Districts.
3. Providing Tuberculosis Wards as annexes to all the District Hospitals.
4. Establishing Tuberculosis after-care Colonies.
5. Improvement to the Princess Krishnajammanni Sanatorium, Mysore and provision of additional beds.
6. Sanctioning additional equipment and staff to the existing Tuberculosis Hospitals and Clinics.
7. Deputing Medical Officers to foreign countries or Indian Universities for specialising in Tuberculosis work.

Some of the above schemes have already reached the stage of completion and others are under the sanction of Government. It is considered that the planned development of Tuberculosis work and the expeditious execution of the various schemes would be greatly facilitated if the work relating to this section is placed under the independent charge of an officer.

Government are, therefore, pleased to direct that Mr. B. Jayaram Naidu, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore, be placed in-charge of all the Tuberculosis Institutions in the State and that his pay be raised to Rs. 1,000 per mensem with effect from 26th August 1947, in addition to the allowances which he is drawing at present.

The District Hospitals which are under the control of the Senior Surgeon, the tuberculosis wards and any annexures made and to be made and any developments made, either in respect of tuberculosis or any other speciality at District Headquarter Hospitals, will continue to be under the administrative charge of the District Medical Officers under the direction of the Senior Surgeon.

REVENUE SECRETARIAT

Orders the Enhancement of Potgi to Shanbhogs and Patels by a further four annas in the Rupee with effect from the year 1946-47.

READ—

Government Order No. R. 23-77—L.R. 69-42-5, dated 16—18th October 1942, directing that the Potgi to Shanbhogs and Patels be increased by four annas in the rupee.

ORDER NO. R. 3919-4007—L.R. 155-47-1, DATED BANGALORE, THE 24TH SEPTEMBER 1947.

Representations have been made recently urging that the Shanbhogs and Patels may be given a further increase in the remuneration paid to them in view of the increase in the cost of living. The subject was also discussed at the last Budget Session of the Representative Assembly and an assurance was given that the question would be examined. In consideration of the prevailing high cost of living, Government are pleased to direct that the potgi to Shanbhogs and Patels be increased by a further four annas in the rupee, calculated on the basis of the potgi fixed at the last potgi settlement, with effect from the year 1946-47.

2. A demand for a supplementary grant to the extent of the expenditure involved, will be placed before the Legislative Council, if necessary.

SYED ABDUL ALEEM, *Rev. Secy*

DEVELOPMENT SECRETARIAT

Passes orders on the Establishment of a Second Sugar Factory for Mysore in Shimoga District.

ORDER No. D. 1640-80—I. & C. 447-44-30, DATED BANGALORE, THE 22ND SEPTEMBER 1947.

The existing Sugar Factory at Mandya of The Mysore Sugar Co., Ltd., has a production capacity of about 30,000 tons of sugar per annum. With a view to utilising the facilities available for the manufacture of sugar in other parts of the State, the Government of India were requested to permit the establishment of another factory in the State, as this is one of the planned industries whose expansion the Government of India control by their power to grant import licenses for capital goods. The Government of India have been pleased to allot a unit with a crushing capacity of 800 to 1,000 tons a day or an annual production capacity of 10,000 to 12,000 tons.

2. Government have decided to locate this second factory in or near Shimoga Town within easy reach of which a sufficient acreage of sugarcane is available immediately, and later on, when the Tunga and other irrigation projects materialise the acreage would be considerably increased. They have also decided to float a joint-stock company for the purpose with an authorised capital of Rupees fifty lakhs and issued capital of Rupees forty lakhs, of which Government would take 55 per cent of the shares, as in the case of The Mysore Sugar Company, Ltd. In allocating the remaining shares, Government desire that, as far as possible, preference should be given to those who own lands in the Shimoga District. They also consider it desirable that the company should itself have a minimum holding of land for planting sugarcane so that it may have an independent source of the raw material.

3. Government are accordingly pleased to appoint a Provisional Board of Directors composed of the following members to proceed with the work of floating the company, selecting a site for the factory and deciding upon the kind of machinery to be purchased, etc :—

1. Mr. P. R. Balakrishnan, B.A., Director and Vice Chairman, Mysore Iron and Steel Works. (*Chairman*).
2. Mr. B. G. Appadorai Mudaliar, B.A., B.Sc. etc., Director of Industries and Commerce in Mysore.
3. Mr. B. S. Raghavendra Rao, M.A. (Hons.), Commissioner of Economic Development and Planning in Mysore.
4. Mr. Bhoopalam R. Chandrasekhariah, B.A., M.R.A. Managing Director, The Mysore Agricultural and Allied Industries, Ltd.
5. The Deputy Commissioner, Shimoga District.
6. Mr. B. T. Kempanna, B.A., LL.B., Chairman, The Mysore Sugar Co., Ltd.
7. Mr. M. Hayath, B.E. (Mec.) B.S.E.E., Chief Electrical Engineer to the Government of Mysore.
8. Mr. K. H. Halappa, B.A., Merchant and Zamindar, Nallur.
9. Mr. H. S. Manjappa Gowda, Arecanut Merchant and Zamindar, Shimoga Town.

4. A sum of Rs. 10,000 from the Industrial Development Fund is placed at the disposal of the Provisional Board for preliminary expenses, to be adjusted later on by the company when it is formed.

FOOD SECRETARIAT

Passes orders nominating the President, Memon Merchants' Association, Bangalore, as a Member of the Central Food Council.

READ—

Government Order No. SD. 3174-92—A. 37-45-25, dated the 28rd November 1945, reconstituting the Central Food Council, Bangalore.

2. Government Order No. SD. 1692-712—A. 37-45-71, dated the 15th August 1946, nominating Mr. Haji Abdul Latiff Tayab, President, Memon Merchants' Association, as a member of the Central Food Council.

3. Letter No. F. 1184—47-48, dated the 30th August 1947, from the Director of Food Supplies, recommending that Mr. Habib Haji Abdul Latift, the acting President of the Memon Merchants' Association, may be nominated as a member of the Central Food Council in place of Mr. Haji Abdul Latiff Tayab who has pleaded his inability to attend the meetings of the Central Food Council as he would be leaving homewards and would return to Bangalore after 4 or 5 months.

ORDER No. SD. 2268-96—R. 26-47-2, DATED BANGALORE, THE 25TH SEPTEMBER 1947.

In the circumstances reported, Government are pleased to nominate the President of the Memon Merchants' Association, Bangalore, as a member of the Central Food Council in place of Mr. Haji Abdul Latiff Tayab.

Present.

1. Revenue and Muzrai Commissioner in Mysore (*Chairman*).
2. Mr. G. M. Madappa, Silk Merchant, Mudigundam, Kollegal Taluk (Donor).
3. *Rao Sahib* Mr. G. P. Mallappa, Kollegal.
4. Mr. S. Sivaswami, B.A., B.L., Advocate, Mysore.

Absent.

Director of Public Instruction in Mysore, Bangalore.

I. (*a*) Proceedings of the first meeting held on 26th November 1946 were read and recorded.

(*b*) RESOLVED that the award of scholarships be made with effect from 1st July 1947 tenable for eight months

II. U. O. Reference No. 205—46-47, dated 9th April 1947, from the Secretary to Government, Education Department, regarding amendments to rules 3 and 8 of the draft rules for the management of the charities in the light of the resolutions of the University Academic Council passed during the meeting held on 20th January 1947.

(*a*) RESOLVED that as regards the scholarships tenable to the students studying in the Mysore University, the Registrar, University of Mysore, Mysore, be requested to receive the applications of students (which will be called for by the Committee itself) and send the same to the Committee with information regarding their merits, etc., and that the committee should select the names of students to whom scholarships are payable and that as regards the scholarships payable to the students who are Mysoreans, studying in the Universities outside the Mysore State, the applications be received direct by the Committee.

(*b*) RESOLVED also that the Vice-Chancellor need not be the Chairman of the Committee for the award of scholarships, as per resolution of the University Academic Council and that the Revenue and Muzrai Commissioner in Mysore may be the Chairman of the Committee.

In the light of the above resolution of the Committee, the question of amendment of rules 3 and 8 of the draft rules, does not arise.

III. (*a*) D. O. Letter No. P. S. 302—46-47, dated 6th May 1946, from the Director of Public Instruction in Mysore, informing that he will not be able to attend the Second Meeting of the Committee, as he has to attend another meeting at 3 P.M. on the same day.

Recorded.

(*b*) U. O. Reply No. 59—46-47, dated 1st April 1947, furnished to Government by the Director of Public Instruction in Mysore, stating that the award of scholarships to Veerasaiva Girl Students studying in High Schools in Mysore State (Rs. 562-8-0) will be made by him independently of the Committee after calling for applications directly, if 15 per cent of the income is placed at his disposal or as an alternative that the entire work may be entrusted to the Committee as the interest on the endowment is drawn by the Muzrai Commissioner and that as regards the award of scholarships to the students studying Vedas and Sanskrit it cannot be administered by the Education Department as the Vedic subjects are not taught in the Sri Chamarajendra Sanskrit College, Bangalore, which is the only college in the State, under the control of the Department.

RESOLVED that, as regards the scholarships tenable to Veerasaiva Girl Students studying in High Schools in the Mysore State, the applications (which will be called for by the Committee itself) be received by the Director of Public Instruction in Mysore and sent to the Committee with information as to the merits, etc., and that the Committee should select the names of the students for award of scholarships and that as regards the scholarships to be awarded to the students studying Vedas and Sanskrit, the applications be received directly by the Committee.

IV. RESOLVED that the applications for scholarships, be in the form prescribed in the appendix—*vide* enclosure —and that scholarships awarded to boys be in the name of—

"SRI MUDIGUNDAM GURUKAR P. MADAPPA SCHOLARSHIPS" and those awarded to girls in the name of—
"SRI VASANTAKUMARI SCHOLARSHIPS."

V. G. O. No. E. 7306-09—Edn.163-43-24, dated 3rd—5th April 1947, directing that the interest on the endowment be paid at rate allowed on Charitable Deposits, with effect from 31st July 1944.

Recorded.

PUBLIC WORKS SECRETARIAT

Directs that the Ferry Establishment at Jog be transferred from the control of the Executive Engineer, Jog Division, to the control of the Executive Engineer, Shimoga Divisio n, from 1st July 1948.

READ—

Government Order No. P.W. 6940-5—Est. 20-46-27, dated 10th April 1947, sanctioning the continuance of the marginally noted Ferry Establishment at Jog till the end of June 1948, with the direction to intimate the head to which the charges on account of the above Ferry Establishment were being debited prior to the starting of the Jog Power Scheme Works.

One Boatman for 12 months on Rs. 18.
Two Boatmen for 8 months on Rs. 18.

2. Letter No. 2004—J.A., dated 9th May 1947, from the Auditor, Jog Power Scheme, stating that the information called for is not available in his office.

3. Letter No. 977, dated 14th July 1947, from the Chief Engineer for Roads and Buildings, stating that the cost of the Ferry Establishment may be debited to "24-A. Communications—1 Roads—Repairs".

4. Letter No. 239—S., dated 9th August 1947, from the Chief Engineer for Irrigation, stating that the cost of the Ferry Establishment may be met under "24-A. Communications—Roads—Repairs" and suggesting that the establishment may be transferred to the control of the Executive Engineer, Shimoga Division, from the Executive Engineer, Jog Division.

ORDER THEREON No. P.W. 2840-6—EST. 20-46-46, DATED BANGALORE, THE 13TH SEPTEMBER 1947.

The establishment attached to the Ferry at Jog is now under the control of the Executive Engineer, Jog Division and the charges thereof are being debited to the provision made under "Establishment" in the Jog Power Scheme estimate. This establishment is practically of a permanent nature and was under the control of the Executive Engineer, Shimoga Division, prior to the starting of the Jog Works. As the maintenance work of the Jog Power Scheme will start in the year 1948, the ferry establishment will have to revert to the control of the Shimoga Division, as the roads on either side of the ferry are still being maintained by the Shimoga Division.

2. As reported by both the Chief Engineers, the charges on account of the ferry establishment were being met under "24-A. Communications—1 Roads—Repairs".

3. In the above circumstances, Government direct that the ferry establishment at Jog be transferred from the control of the Executive Engineer, Jog Division, to the control of the Executive Eegineer, Shimoga Division, with effect from 1st July 1948, the charges thereof being debited to "24-A. Communications—1 Roads—Repairs" and the realisations from the ferry being credited to Public Works Department receipts.

Records the Annual Report on the Administration of the Mysore Workmen's Compensation Act for the year 1945-46

READ—

Letter No. K. 28—47-48, dated 8th July 1947, from the Commissioner of Labour in Mysore, forwarding the Annual Report on the Administration of the Mysore Workmen's Compensation Act for the year 1945-46.

ORDER No. S. R. 1112-1123—L.W. 5-47-2, DATED BANGALORE, THE 25TH SEPTEMBER 1947.

1. Recorded, with the observation that there was considerable delay in the submission of the Report, which should be avoided in future.

2. Particulars relating to the number of cases disposed of under the Act, the amount of compensation distributed, etc., are printed as annexure.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

ANNEXURE

REPORT ON THE ADMINISTRATION OF THE WORKMEN'S COMPENSATION ACT FOR THE YEAR 1945-46.

There were 23 cases pending disposal in the Courts of the Commissioners for Workmen's Compensation at the beginning of the year under report. During the year 528 cases were filed, of which 52 related to fatal accidents, 41 to the non-fatal cases and 435 to Memorandum of Agreements, as against 803 cases in 1944-45 (34 fatal, 53 non-fatal and 785 Memorandum of Agreements). A majority of the total, numbering up to 437 cases, was filed in the Court of the Commissioner of Workmen's Compensation, Kolar District, Champion Reefs. Thus, the total number of cases for disposal during the year including the cases pending at the commencement of the year was 551 (fatal 58, non-fatal 46 and Memorandum of Agreements 447), of which 514 were disposed of during the year (fatal 44, non-fatal 26 and Memorandum of Agreements 444). Particulars of the cases filed, disposed of and pending are furnished in Statement No. I.

Distribution Proceedings.

The total amount of compensation deposited in the Courts for Commissioners of Workmen's Compensation during the year amounted to Rs. 72,241-3-0 and a sum of Rs. 5,599-4-0 pending distribution at the commencement of the year enhanced the total amount for distribution to Rs. 77,840-7-0. An amount of Rs. 62,418-10-0 was distributed leaving a balance of Rs. 14,561-13-0 pending distribution at the end of the year. The figures in the statement refer only to deposits made in the Courts of Commissioners for Workmen's Compensation. In all Memorandum of Agreements and non-fatal cases where deposits in Courts are not compulsory, the injured persons are paid directly by the employers.

Particulars of compensation, money deposited in the Courts of the Commissioners of Workmen's Compensation, sums distributed in fatal and non-fatal cases and the amount pending disposal at the end of the year are furnished in Statement No. II.

Annual Return under Section 15 of the Mysore Workmen's Compensation Act is sent separately.

Court Fees.

The Court fees collected during the year in respect of proceedings in Courts amounted to Rs. 122-15-0 as against Rs. 123-3-0, in the previous year.

Compensation money invested in Savings Bank.

A sum of Rs. 20,184-8-7 was in deposit in Savings Bank at the beginning of the year and an amount of Rs. 2,635-14-0, was invested in Savings Bank during the year thus bringing the total amount of deposit to Rs. 22,820-7-5 including the amount of interest accrued which was Rs. 17-11-7. The amount drawn and distributed to parties was Rs. 1,993-7-3 only leaving a balance of Rs. 20,827-0-2 in deposit at the end of the year.

The Mining Companies in Kolar Gold Fields continued to account for a large number of cases and for deposits of amount of compensation under the Act which would have risen to an even higher degree, had not the calamity of strike by labourers which ranged over a period of two and half months from the middle of January 1946 to the end of March crippled the continuity of the working of the Mines. Hence, the number of cases dealt with by the Commissioner for Workmen's Compensation, Kolar District, descended from 802 cases in the previous year to 437 during the year excluding 17 cases pending at the beginning of the year 1945-46. A Statement (III) containing the comparative figures of the amount of compensation pending distribution at the beginning of the year, amount deposited, disbursements made, amount returned and amount pending distribution from the year 1939-40 to 1945-46 is appended to this report.

Passes orders reducing the scale of food-grain rations with effect from the 1st October 1947.

Government Order No. S. D. 1663-73—R. 55-46-8, dated the 14th August 1946, revising the scale of rations throughout the State.

2. Government Order No. S. D. 10565-76—R. 55-46-19. dated the 21st June 1947, reducing the general scale of rations to 10 ozs. with effect from 25th June 1947.

3. Correspondence ending with letter No. B1-C. 1250—47-8, dated the 26th September 1947, from the Director of Food Supplies in the matter.

ORDER NO. S. D. 2403-424—R. 13-47-6, DATED BANGALORE, THE 1ST OCTOBER 1947.

As a first step towards conserving the stocks of foodgrains available with Government so as to enable the food distribution arrangements in the State being carried on till the coming in of the next harvest, Government directed in the second of the orders read above an overall reduction of the scale of food rations from 12 ozs. to 10 ozs. per head per day. It was expected at that time that with the assistance of the Government of India, Food Department, it would be possible to continue the rations at the reduced level till the next harvest. Since then, however, the supply position has been deteriorating from day to day, owing to the very limited allocations made to us by the Government of India. Even such scanty allotments as are made are not reaching the State in time, due to a multiplicity of causes. The supply position during the last few days has thus become very critical and is causing grave anxiety. The present stocks of all foodgrains are far lower than they were at any time previously. At the recent Food Budget Conference at Bombay it was particularly stressed that the prospects of supplies particularly rice, during the next two months are very very poor, and it has been made clear at the Conference that each administration should consider how best it could carry on its rationing arrangements till the next harvest by reducing the scales of rations, if necessary. This has been emphasized by subsequent authoritative pronouncements also. In these circumstances, Government are obliged to take further unavoidable measures to conserve the existing stocks by a further reduction of the scale of rations, as has already been done in several parts of India. Government therefore direct that the scale of rations be revised as under with effect from 1st October 1947 :—

	Scale of rations per head per day			
	Rice	Wheat or millets	Millets	Total
	Ozs.	Ozs.	Ozs.	Ozs.
"A" Class	6·4	1·6	...	8·0
"B" Class	1·2	...	6·8	8·0
Heavy Manual Labour ...	1·2	...	10·8	12·0
Plantation Labour ...	6·4	...	1·6	8·0

(Children below 8 years of age will be allowed half the above scale of rations).

EDUCATION SECRETARIAT

Sanctions the opening of a Municipal High School at Sidlaghatta.

READ—

Correspondence ending with letter No. H. 3. 5605-426 of 46-47, dated 6th June 1947 from the Director of Public Instruction, regarding the opening of a Municipal High School at Sidlaghatta, Kolar District.

ORDER NO. E. 2614-16—EDN. 44-46-47, DATED, BANGALORE, THE 25TH SEPTEMBER 1947.

Both the Director of Public Instruction and the Deputy Commissioner, Kolar District, state that there is need for the opening of a High School at Sidlaghatta, Kolar District.

The Municipal Council, Sidlaghatta, have agreed to deposit a sum of Rs. 5,000 towards the stability fund and Rs. 3,000 towards the non-recurring charges for the initial equipment of the school. They have also agreed to bear their share of the recurring and non-recurring expenditure of the school from time to time. Mr. B. Virupakshappa one of the leading gentlemen of the town has offered a donation of Rs. 30,000 towards the construction of a building for the school. The school is proposed to be housed temporarily in a building agreed to be given to the school by Mr. Virupakshappa.

In the circumstances, the Director requests that sanction may be accorded for the opening of a Municipal High School at Sidlaghatta with the first year class from the school year 1947-48 and for naming it as "Virupakshappa High School, Sidlaghatta." He also states that he has permitted the opening of the school in anticipation of sanction of Government and requests approval to his action.

The proposal of the Director of Public Instruction is sanctioned with a direction that the Municipality should endeavour to improve its finances by levying fresh taxes, etc. The action taken by the Director is also approved.

A statement showing the details of recurring and non-recurring expenditure and the Government grants admissible in respect of the school is appended hereto. The grant will be paid as per old rules till the end of June 1947 and as per revised rules from 1st July 1947 as directed in G. O. No. E. 8978-88—Edn. 90-46-5, dated 19th June 1947. The cost required during the year 1947-48 will be met out of the lump-sum provision of Rs. 50,000 made in the Departmental Budget for payment of grants to new Municipal High Schools and the necessary provision will be made in the Budgets of the subsequent years.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Sanctions the continuance of the Scheme of Subsidisation of Irrigation Wells for a further period of three years.

READ—

Government Order No. R. 6349-62—R. M. 87-45-152, dated 12th March 1946, sanctioning the scheme for the grant of subsidy for sinking irrigation wells in connection with Distress Relief.

2. Government Order No. R. 148-61—R. M. 96-45-2, dated 4th July 1946, directing that the time limit for granting the benefit of the above scheme may be extended to wells completed before the end of September 1946.

3. Government Order No. R. 5228-41—R. M. 96-45-5, dated 26th November 1946, directing that the period for payment of subsidy on completion of wells may be extended till the end of the official year 1946-47 and that the applications received till the end of January 1947, may be treated as eligible for consideration under the scheme.

4. Letter No. A4. 1769—46-47, dated 28th July 1947, from the Revenue Commissioner in the matter of continuance of the scheme referred to above.

ORDER No. R. 4733-46—R. M. 20-47-2, DATED BANGALORE, THE 9TH OCTOBER 1947.

Under the scheme sanctioned in Government Order dated 12th March 1946, a subsidy not exceeding 50 per cent of the estimated cost of irrigation wells, subject to a maximum of Rs. 500 per well, was to be paid in the Districts of Chitaldrug, Tumkur and Kolar. The benefit of the scheme was extended to the other districts also with the modification that the amount of subsidy in those cases was to be limited to 25 per cent of the estimated cost and the concessions were also made applicable to cases of deepening of existing wells.

The continuance of this scheme was urged during the sessions of both the Representative Assembly and the Legislative Council and the reply given was that the question would be favourably considered.

The Revenue Commissioner has recommended the continuance of the Scheme, the subsidy payable per well being Rs. 500 uniformly all over the State. He has also stated that the provision of Rs. 5 (five) lakhs made in the budget may be raised to Rs. 10 lakhs.

As the scheme has been popular and as it is desirable to increase irrigational facilities of all kinds in the State, Government are pleased to direct that the scheme be continued for a further period of three years and that a uniform basis, *viz.*, 50 per cent of the cost subject to a maximum of Rs. 500 per well be adopted in all the districts throughout the State for the grant of subsidy. The necessity for and the desirability of further continuing the scheme for another term will be examined at the end of the period in the light of results achieved and the demand still prevailing.

Government consider that no date for the receipt of applications may be prescribed but the wells should be generally completed before the close of the official year in cases where subsidy is sanctioned before the end of January or within six months from the date of sanction in other cases. Where delay is unavoidable, the Deputy Commissioner may grant extension of time for a period not exceeding three months, if the subsidy has been sanctioned by the Sub-Division Officer, the latter officer exercising similar power in cases in which the Amildar has sanctioned the subsidy.

Government further direct that applications for subsidy should be disposed of within one month after due enquiry by the Amildars themselves in as many cases as possible and that such applications should be rejected only for valid and material grounds and not for flimsy or trivial reasons.

It is observed that the provision regarding grant of loans at reduced rate of interest for meeting the balance of cost of wells has not been availed of to any appreciable extent till now, probably due to lack of publicity to this concession. The Deputy Commissioners are requested to instruct the subordinate officers to apprise the applicants of these concessions and to be as liberal as possible in sanctioning these loans.

The Revenue Commissioner may apply for additional allotment of funds to the extent necessary in January or February next.

GENERAL SECRETARIAT

Sanctions a scheme for the Re-organisation of the Section of Agricultural Statistics and Agricultural Meteorology in the Agricultural Department.

READ—

Letter No. E. C. Agri. 540—45-46, dated 11th January 1946, from the Secretary, Committee for Agriculture, submitting a Scheme for the Re-organisation of the Section of Agricultural Statistics and Agricultural Meteorology in the Agricultural Department.

Letter No. C. F. 419—45-46, dated 25th March 1946 from the Secretary, Co-ordination and Finance Committee on the subject.

Correspondance ending with letter No. C. T. 6—46-47, dated 16th May 1947, from the Director of Agriculture, submitting certain detailed proposals in the matter for the consideration of Government.

G. O. No. A. F. 6542-47—Agri. 190-16-2, dated 19th May 1947, conveying the administrative sanction of Government to this scheme.

ORDER NO. A. F. 1650-57—AGRI. 76-47-2, DATED BANGALORE, THE 7TH OCTOBER 1947.

With a view to improving the yield statistics of crops, the Government of India have, through the I. C. A. R., been conducting crop-cutting experiments in a number of Provinces, the main object aimed at being the evolution of a randum sampling technique for conducting these experiments, capable of being handled by the existing Provincial Staff of Agriculture and Revenue Departments as part of their departmental routine and the revision of the present set of district normal yields. These experiments were till now conducted by the Government of India as a part of the "Grow More Food Campaign." As, however, the term of this campaign expired with March 1947, it has been suggested by the Government of India that such experiments should be included in the Provincial and States' Interim and long-term development plans and that the Government of Mysore might consider the feasibility of taking action on this suggestion.

A scheme was accordingly got prepared by the Director of Agriculture for the re-organisation of the Statistical and Agricultural Meteorological Section of the Department, as a Post-war plan, spread over a period of five years.

The main activities of this section are proposed to be as noted below :—

1. Crop surveys by sampling technique for estimation of crop yields (by crop-cutting experiments) as required by the Government of India.
2. Sample surveys for estimation of diseases and pests of crops.
3. Planning of experiments and interpretation of experimental data in Agricultural Research.
4. Co-ordination of results of Agricultural Research and their application on the raiyats' yields.
5. Experimental and statistical work in Agricultural Meteorology.
6. Agricultural Meteorological studies to find out the relation between weather and crops.
7. Micro and Macro climatic studies for important crops of the State.
8. Forecasting of crop-yields, diseases and pests of crops on an objective basis.
9. Issue of warning to raiyats regarding abnormal weather based on forecasts to adjust the cropping programme and to anticipate protective measures against pests, diseases and vagaries of nature.
10. Investigations in sampling methods and experimental technique.
11. Studies on consumption and production of food and fodder to properly balance the areas for the different crops of the districts to ensure self-sufficiency.

The scheme was considered by the Committee for Agriculture and approved by them with an expenditure during five years of Rs. 20,000 non-recurring and Rs. 1,19,400 recurring. It was then considered by the Co-ordination and Finance Committee which suggested that a beginning might be made with a staff consisting of one Statistician and Agricultural Meteorological Assistant Meteorologist, one Statistical Assistant, two Computors, three Observers, three Crop Estimaters and three Watchmen, one Accountant, one Typist, one Clerk and two Peons, involving an expenditure during a period of five years of Rs. 20,000 non-recurring and Rs. 91,636 recurring.

The Director of Agriculture has, however, proposed slightly modified proposals for the successful working of the scheme which are noted below :—

1. Statistician and Agricultural Meteorologist (Rs. 125—25/2—300) (Gazetted Post).
2. Statistical Assistant (Rs. 80—10/2—120).
3. One Agricultural Meteorological Assistant (Rs. 80—10/2—120).
4. Two Computors (Rs. 50—5—80).
5. Three Crop-weather Estimators (Rs. 50—5—80).
6. Three Crop-weather Observers (Rs. 50—5—80).
7. One Accountant (Rs. 50—5—80).
8. One Steno-typist (Rs. 50—5—80).
9. One Clerk (Rs. 40—5/2—60).
10. Three Peons for office and three Watchmen for Observatories (Rs. 11—½—15).

The Director of Agriculture has also proposed that the scheme may be taken up in the middle of this year, when Mr. Ananthapadmanabha Rao, who will be placed in charge of the scheme, will have returned from U. S. A. after completion of his training. It is further proposed that, in the meanwhile, the two Assistants referred to above, may be appointed and sent to Pusa for training for a period of six months so that they may come back trained when the scheme is started. As regards the other posts, the Director of Agriculture says, that the candidates will be selected and appointed at the time of starting the scheme.

After a careful consideration of the scheme, Government are pleased to sanction the proposals of the Director of Agriculture with the following modifications :—

1. The Statistical Assistants will be placed in grade Rs. 70—10/2—120 corresponding to the grade of the Scientific Assistants in the Agricultural Department.
2. The Steno-typist and Clerks will each be put in grade Rs. 30—2—50/E. B. 2—60.
3. The Computors, Crop-weather Observers and Estimaters will each be given Rs. 40—3—70.

The Director of Agriculture is requested to take all further action to give effect to the scheme.

3. Notification No. E. 998—Edn. 158-46-4, dated 28th July 1947, issuing rules for carrying out the purpose of Chapter VI of the Elementary Education Act, 1941 referred to in the Notification read above.

ORDER NO. E. 2755-65—EDN. 158-46-7, DATED BANGALORE, 1ST OCTOBER 1947.

At the December Session of the Legislative Council in 1946, Government gave an assurance to the House that Total Compulsion will be introduced early in certain selected areas and that the consensus of feeling in both the Legislatures of the Representative Assembly and the Legislative Council is that the Total Compulsion Scheme should be tried.

2. Having this end in view, the Director of Public Instruction has submitted draft rules for the Compulsory Education Scheme to be brought into effect from 1st August 1947, and has requested sanction for the introduction in the nine selected Hoblis referred to in the first of the Notification read above, of Compulsory enrolment of all the children of the age of 6 plus, living within a radius of one mile from the School as contemplated in Section 25 of Chapter VI of the Elementary Education Act, 1941 (Act No. VI of 1941).

3. As timely action had to be taken a Notification dated 28th July 1947 read above, was issued directing that the provisions of Chapter VI of the Elementary Education Act shall come into force in the nine Hoblis referred to from 1st August 1947.

4. Rules to carry out the purpose of Chapter VI of the said Act were also issued.

5. The Director of Public Instruction has stated that one of the chief causes of the failure of compulsion in areas where it was tried in the past was the non-provision of the necessary administrative machinery, *viz.*, an adequate staff of Attendance Officers. He has, therefore, urged the desirability of appointing suitable Attendance Officers and sought permission for selecting them from among the teachers of the Department in grade Rs. 35—3—50 who are working in Rural Middle Schools.

6. The proposals of the Director of Public Instruction are sanctioned.

7. The expenditure on this account is estimated to be Rs. 92, 317 per annum recurring and Rs. 4,63,650 non-recurring as detailed in the statements A and B appended hereto. As buildings will be put up only in places where there are no suitable buildings, the Director of Public Instruction states that the total cost during the year 1947-48 both recurring and non-recurring may be taken to be Rs. 1,92,317 and proposes that this may be met from the provision made under the "Postwar Schemes during 1947-48."

8. Government direct that the recurring cost be met from out of the provision made for Post-war Schemes in the Budget of 1947-48 and the non-recurring cost be met out of the balance of the building grant at the credit of the Elementary Education Fund.

Necessary provision will be made in the budgets of the succeeding years.

Letter No. H3. 6485-499 of 1946-47, dated 19th June 1947 from the Director of Public Instruction in Mysore, submitting proposals for opening of a Municipal High School in Chitaldrug Town.

ORDER No. E. 2707-9—EDN. 44-46-48, BANGALORE, DATED THE 30TH SEPTEMBER 1947.

The Director of Public Instruction states that there is an immediate need for the opening of another High School in Chitaldrug Town as the present Government High School for Boys at the place has four sections in each of the three classes, the total strength of the School being 758 during the year 1946-47.

It is stated that the Municipal Council, Chitaldrug, have come forward to open a Municipal High School in the Town. The Municipal Council are agreeable to deposit a guarantee fund of Rs. 5,000 and to pay a sum of Rs. 3,000 towards the non-recurring charges for the initial equipment of the School. They are also agreeable to meet their share of the recurring expenditure of the school and to collect a sum of Rs. 30,000 towards the building fund. The School is proposed to be housed in the local Town Hall till a new building is constructed.

The Director recommends that sanction may be accorded to the opening of a Municipal High School in Chitaldrug Town with the first year class from the School year 1947-4 on the condition that if the building fund of Rs. 30,000 is n deposited within one year from the date of sanction of t school, the sanction accorded for the opening of the sch

will be withdrawn. He also states that he has issued instructions to the opening of the School pending sanction of Government and requests approval of his action.

The recommendation of the Director of Public Instruction is sanctioned. The action taken by him is also approved.

A statement showing the details of the classes to be opened, the recurring and non-recurring expenditure and the Government Grants admissible in respect of the School is appended hereto. The grant will be paid according to the old rules till the end of June 1947 and as per revised rule fro 1st July 1947, as directed in Government Order No E. 8979-88—Edn. 90-46-5, dated 19th June 1947. The cost required during the year 1947-48 will be met out of the lumpsum provision of Rs. 50,000 made in the Budget of the Education Department for payment of grants to new municipal high schools and the necessary provision will be made in the Budgets of the succeeding years.

Correspondence ending with letter No. H. 3. 5185-562 of 46-47, dated 19th August 1947, from the Director of Public Instruction, submitting the proposals for the opening of a Municipal High School at Saklespur.

ORDER NO. E. 2710-12—EDN. 148-46-5, DATED BANGALORE, THE 30TH SEPTEMBER 1947.

In January 1947 the Municipal Councillors, Saklespur Municipality represented to Government that the Municipality is not in a position to start and maintain a Municipal High School and request that a Government High School for Boys may be opened at the place. The Director of Public Instruction who was consulted in the matter stated that the declared policy of Government in the matter of High School Education being the encouragement of private enterprise on grant-in-aid basis, he was not in favour of making any exception in this case.

Thereupon the Director was told that Government would be prepared to meet, as an exceptional case, the entire expenditure of the Municipal High School at Saklespur for the year 1947-48, but the Municipality must be prepared to meet

its share of the expenditure from 1948-49 by which time its resources must be improved. The Director reports that the Municipal Council, Saklespur, have agreed to bear their share of the expenditure from the year 1948-49 in respect of the school and have resolved to deposit Rs. 30,000 towards the building fund, Rs. 5,000 towards the stability fund and Rs. 1,500 towards the non-recurring expenditure for equipment for the year 1948-49. The Municipal Council have agreed to provide a suitable building for housing the school temporarily till a new building is constructed. They have also resolved not to request Government at any time in future for the conversion of the school into a Government one.

In the circumstances, the Director requests sanction to the opening of a Municipal High School at Saklespur with one section in the First Year Class from 1947-48, the entire recurring and non-recurring expenditure required during that year (1947-48) being met out of the Departmental Funds, as an exceptional case, on the condition that the local municipality should meet their share of the recurring and non-recurring expenditure from the year 1948-49 and that the entire amount of tuition, admission and re-admission fees collected by the management of the School during the year 1947-48 should be credited to Government. He also states that pending sanction of Government he requested the Deputy Commissioner, Hassan, in his letter, dated 15th July 1947 to make the necessary arrangements to start the Municipal High School at Saklespur with one section in the first year class during 1947-48.

The proposal of the Director of Public Instruction is sanctioned. The action taken by him is also approved.

A statement showing the details regarding the recurring and non-recurring charges required for the school, the cost to Government during the year 1947-48 and the Government grants admissible in respect of this school from the year 1948-49 is appended hereto. The cost required during the year 1947-48, *viz.*, Rs.5,576 (Rs. 2,576 recurring and Rs. 3,000 non-recurring) will be met out of the lumpsum provision of Rs. 50,000 made in the Departmental Budget for payment of grants to new Municipal High Schools and the necessary provision will be made in the Budgets for 1948-49 and onwards.

Letter No. H3. 6609-502 of 1946-47, dated 26th June 1947 from the Director of Public Instruction submitting proposals for the opening of a Municipal High School at Belur, Hassan District.

ORDER NO. E. 2713-15—EDN. 44-47-4, DATED BANGALORE, THE 30TH SEPTEMBER 1947.

Both the Deputy Commissioner, Hassan District and the Director of Public Instruction state that there is urgent need for a High School at Belur.

The Municipal Council, Belur, have agreed to deposit a sum of Rs. 5,000 towards the stability fund and Rs. 3,000 towards the non-recurring charges for initial equipment of the School. They are also agreeable to meet their share of the recurring and non-recurring expenditure from time to time. A sum of Rs. 13,000 has been deposited by the Municipal Council towards the building fund. They are agreeable to deposit a further sum of Rs. 17,000 for the purpose. Accommodation for the School is proposed to be provided in the Municipal Office Building temporarily till the new building is put up.

The Director of Public Instruction requests sanction for the opening of a Municipal High School at Belur with the I Year Class from the School year 1947-48 on the condition that if the balance towards the building fund of Rs. 30,000 is not deposited by the Municipal Council before the end of March 1948 as agreed to by them, the sanction accorded to the opening of the School will be withdrawn. He also states that he has, pending sanction of Government, granted permission to open the School with one Section in the I Year Class from the current school year and requests approval to his action.

The proposal of the Director of Public Instruction is sanctioned. The action taken by him is also approved.

A statement showing the details regarding the classes to be started, the recurring and non-recurring charges required and the Government grant admissible in respect of the School as per Government Order No. E. 8997-88—Edn. 90-46-5, dated 19th June 1947 is appended hereto. The cost required for meeting the Government share of the expenditure during the year 1947-48 will be met out of the lumpsum provision of Rs. 50,000 made in the budget of the Education Department for payment of grants to new Municipal High Schools and the necessary provision will be made in the budgets of the succeeding years.

Government Order No. Fl. 2108-70—S. & A. 25-47-7, dated 23rd September 1947, issuing instructions in the matter of the fixation of Initial Pay in the revised grades.

ORDER NO. FL. 2682-2741—S. & A. 25-47-20, DATED BANGALORE, THE 14TH OCTOBER 1947.

Several representations have been made to Government that the Government Order of 23rd September 1947 works as a hardship in the case of officials who have put in long service and that the restrictions imposed therein may be suitably modified. The Non-Gazetted Officers' Association has also urged for improved weightage to officers who have put in long service.

After considering these requests, Government are pleased to direct that the following revised instructions be followed in fixing the pay in the revised scales.

(1) Where the revised scale of pay of any post is not an enhancement over the existing scale, the officer holding the post shall have the option to retain the old scale or to come into the new scale.

(2) The pay of an officer be fixed at the next higher stage in the revised scale over the pay in the existing scale on 1st January 1947.

(3) After the pay is fixed as above, increments may be granted in the revised scale as under :—

(*a*) For a total service of 5 years ... ... One increment.
(*b*) For a total service above 5 years and up to 10 years ... ... Two increments.
(*c*) For a total service above 10 years and up to 15 years ... ... Three increments.
(*d*) For a total service above 15 years ... Four increments.

N.B.—For calculating increments the entire service may be taken.

The benefit to accrue per mensem after the pay is fixed according to clause (2) above should not exceed Rs. 25 per mensem in any case.

(4) In cases where the minimum pay of the revised grade has to be granted as per rules, the benefit of increments according to clause (3) above shall not accrue when the increase in the minimum pay over the existing pay exceeds Rs. 25 *plus* one increment in the revised scale. In other cases the benefit shall be limited to Rs. 25 *plus* one increment in the revised scale.

(5) The above principles shall apply in fixing the initial pay both in substantive and non-substantive appointments.

(6) In order to clarify the above principles the following examples are indicated :—

	Rs.		Rs.
Existing scale ...	30-2-50 ...	Pay in the existing scale on 1-1-1947.	44
Revised scale ...	40-2-50-EB-3-80	Service	above 15 years.

	Rs.
Next stage pay according to clause 2	46
Result of increments according to clause 3	10

			Rs.
Existing Scale ...	40-5-90-6-150 ...	Pay in the existing scale on 1-1-1947	102
Revised scale ..	60-5-90-EB-8-130-10-180	Service ..	above 15 years.

	Rs.
Next stage pay according to clause 2 ...	106
Result of increments according to clause 3 limited to Rs. 25	25
Initial Pay in the revised grade on 1st January 1947	130+1 P.A.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Raising the maximum pension admissible to a Minister from Rs. 600 to Rs. 700 per mensem.

ORDER No. 2164-2228—C. B. 110-47-2, DATED, (CAMP) MYSORE, THE 22ND OCTOBER 1947.

Under the existing rules [Article 320 (c) of the Mysore Service Regulations], the rate of pension in the case of Ministers will be Rs. 600 per mensem, provided the following conditions are complied with :—

(i) Thirty years of qualifying service;
(ii) Three years' service as Minister;
(iii) Proof of special energy and efficiency while holding office of a Minister.

His Highness the Maharaja is pleased to direct that the maximum pension admissible to a Minister be raised from Rs. 600 to Rs. 700 per mensem.

Necessary amendment to the Mysore Service Regulations will issue separately.

V. VEDAVYASACHARYA, *Chief Secy.*

Revision of the strength in the three grades in the Cadre of Deputy Commissioners.

ORDER No. 2224-2283—C. B. 111-47-1, DATED (CAMP) MYSORE, THE 22ND OCTOBER 1947.

Under the existing orders, the sanctioned strength of the cadre of Deputy Commissioners is eighteen (16+2 Temporary) and these eighteen posts are allocated as indicated below :—

I Class : 4
II Class : 5
III Class : 7+2 Temporary.

An examination of the actual composition of the cadre as it stands at present shows that there are 39 Officers against the sanctioned strength of 18 Officers. The large increase in the number of Officers is due to temporary additions to the cadre and also due to the fact that some of the Officers are holding special appointments outside the cadre. Additions which have been made to the cadre of Deputy Commissioners have been only in the III Class, the number in the I and II Classes remaining the same. There has, therefore, been no scope for easy flow of promotions from class to class and many Officers in the lowest class are drawing the same pay for a long time.

With a view to relieve this hardship, Government are pleased to direct that the strength in the cadre of Deputy Commissioners be fixed as below :—

Deputy Commissioners	I Class ...	7
Do	II „ ...	7
Do	III „ ...	10

Raising the maximum limit of Pension in the case of Officers whose scale of pay is above Rs. 1,000.

ORDER No. 2113-63—C. B. 110-47-1, DATED (CAMP) MYSORE, THE 22ND OCTOBER 1947.

Under the existing rules [Art. 320 (*b*) of the Mysore Service Regulations] the maximum amount of pension admissible to any officer is limited to Rs. 500 per mensem except in the case of Judges of the High Court, whose cases are governed by special rules, and of Ministers in whose case

the maximum is fixed at Rs. 600, subject to certain restrictions. Even an officer who has rendered 30 years of approved service and drawn a pay of Rs. 1,400 per mensem for at least 36 months prior to the date of retirement from service would be eligible to a pension of Rs. 500 only as indicated below :—

Length of service ... 30 years.
Scale of pension ... $\frac{30}{60} \times 1,400 = 700$, but restricted to Rs. 500 per mensem.

Any higher scale of pay in excess of Rs. 1,000 drawn by officers does not, therefore, in any way benefit them from the pension point of view.

Government are, therefore, pleased to direct that the maximum limit of pension in the case of officers whose scale of pay is above Rs. 1,000 per mensem be raised from Rs. 500 to Rs. 600 per mensem.

Necessary amendment to the Mysore Service Regulations will issue separately.

V. VEDAVYASACHARYA, *Chief Secy.*

Appointment of Gazetted Probationers in the Police, Commerce and Co-operative Departments.

ORDER NO. 2348-51—C. B.1117-47-1, DATED BANGALORE, THE 24TH OCTOBER 1947.

Government are pleased to approve of the appointment of the undermentioned candidates as Probationers to the Gazetted cadre in Departments mentioned below :—

1. Mr. S. G. Neelakanta Rao, B.Sc., Probationary Assistant Superintendent of Police.
2. ,, R. P. Shivanna ... Commerce Department.
3. ,, H. K. Chinde Gowda ... Co-operative Department.
4. ,, G. Rudrappa ... Co-operative Department.

The above candidates will be under probation and training for a period of two years. The pay which the candidates posted to the several Departments will draw during the period of probation, is indicated below :—

	Rs.
1. Police ...	150 per mensem.
2. Commerce ...	100 do
3. Co-operative ...	100 do

The Heads of Departments to which the candidates are posted will make suitable arrangements to give them necessary training in the various items of work relating to the departments concerned. Detailed programme of training proposed may be sent for the information of Government, as also quarterly reports *re* the progress made by the Probationers from time to time.

GENERAL SECRETARIAT

Passes orders regarding the issue of the IX Series of Debentures by the Mysore Central Co-operative Land Mortgage Bank, Limited, Bangalore, of the value of Rupees Fifteen lakhs.

READ—

Letter No. 11972—C.S. dated 8th May 1947, from the Registrar of Co-operative Societies, recommending that the Mysore Central Co-operative Land Mortgage Bank, Limited, Bangalore, be permitted to float the Ninth Series of debentures of the value of Rupees Fifteen lakhs carrying interest at 3 per cent per annum subject to certain conditions

ORDER NO. A.F. 1459-56—C. S. 63-46-2, DATED BANGALORE, THE 27TH SEPTEMBER 1947.

The Mysore Central Co-operative Land Mortgage Bank, Limited, Bangalore, was permitted in the Government Orders noted below to float eight series of debentures at varying rates of interest. The Bank has issued debentures in all the eight series to the extent of Rs. 32,09,900 at rates of interest varying from 5 per cent to 3 per cent out of which debentures to the extent of Rs. 4,87,100 have been redeemed.

1. G. 6941—LM. 14-29-1, dated 4th December 1929.
2. G. 12215-5—LM. 21-29-2, dated 11th April 1930.
3. D. 2624-7—LM. 2-33-7, dated 30th November 1933.
4. D. 4535-8—LM. 16-34-3, dated 18th January 1935.
5. D. 4189-92—LM. 7-36-2, dated 6th—7th January 1937.
6. AF. 284-5—LM. 21-38-2, dated 7th January 1939.
7. AF. 7144-5—CS. 46-40-5, dated 10th April 1941.
8. AF. 662-3—CS. 85-42-7, dated 5th August 1943.
9. AF. 5898-900—CS. 14-46-2, dated 11th May 1946.

With the rapid development of the Bank's activities and the extension of the Land Mortgage Scheme to almost all the Taluks in the State, the Central Land Mortgage Bank is reported to be in need of additional funds to finance a large number of transactions involved and the Bank has accordingly requested permission to issue the IX Series of debentures of the value of Rs. 15 lakhs on the same terms as in the case of the VIII Series :—

The Registrar of Co-operative Societies has, in forwarding the above proposal, reported that including the debentures of about Rupees Two lakhs and odd still available for sale in the VIII Series, the total amount of the debenture capital of the Bank (excluding the value of the debentures redeemed) comes to Rs, 29,79,000 and that with the addition of Rs. 15 lakhs under the IX Series, the debentures will aggregate Rs. 44,79,000 which is admissible under Bye-law 28 of the Bank. He has recommended the acceptance of the proposal of the Bank to float the IX Series of debentures of the value of Rs. 15 lakhs subject to the following conditions :—

1. The debentures will carry Interest at 3 per cent per annum.
2. The debentures will be redeemable at par not later than 20 years from the date of flotation.
3. The repayment of the principal amount of the debentures as well as the interest as and when it falls due will be guaranteed by Government.
4. The other concessions granted by Government in respect of the previous series will also apply to this Series.

In the circumstances, Government are pleased to accept the recommendation of the Registrar that the Mysore Central Co-operative Land Mortgage Bank, Ltd., be permitted to float the IX Series of debentures of the value of Rupees fifteen lakhs subject to the conditions noted above.

The debentures are exempt from Stamp duty. The bonds shall be deemed to be negotiable instruments to which the provisions of the Mysore Negotiable Instruments Regulation 1917, apply and shall be included amongst securities in which a trustee may invest trust funds under any law for the time being in force in Mysore.

FINANCIAL SECRETARIAT

Sanctions the Revision of Scales of Pay of the Subordinate Gazetted Officers of the Several Departments.

READ—

Government Order No. 2484-2569—C. B. 178-46-1, dated the 27th November 1946, constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and ministerial (non-gazetted) and inferior services establishments in the several departments of Government and also of the scales of pay of the subordinate gazetted staff.

2. Report, dated 5th July 1947, of the above Committee, recommending revision of scales of pay of the non-gazetted establishments of the several departments of Government.

ORDER NO. FL. 2779-2838—S. & A. 25-47-21, DATED BANGALORE, THE 21ST OCTOBER 1947.

In the light of the revisions of scales of pay of several classes of non-gazetted employees, the Pay Committee has also suggested revisions in respect of the scales of pay of the several classes of posts of the subordinate gazetted staff. After considering these proposals and also in the light of the revisions already sanctioned in the case of non-gazetted staff, Government are pleased to sanction the revision of the scales of pay of the several classes of gazetted staff as shown in the Annexure to the Government Order. The revision of scales of pay as now sanctioned will have effect from 1st September 1947.

The following principles shall be followed in fixing the pay into the revised grades :—

(1) In the case of officers on existing pay of Rs. 250 and above—

Increments as under may be added on to the existing pay on 1st September 1947 :—

(a) For a total service of 7½ years and above ...	One increment.
(b) For a total service of 15 years and above ...	Two increments.

The above being subject to a ceiling limit of Rs. 50.

(2) In the case of officers on existing pay less than Rs. 250, increments may be added on as under to the existing pay on 1st September 1947 :—

(a) For a service of 5 years	One increment.
(b) For a service of above 5 years and up to 10 years ...	Two increments.
(c) For a service of above 10 years and up to 15 years ...	Three increments.
(d) For a service of above 15 years	Four increments.

The above being subject to a ceiling limit of Rs. 40.

(3) In cases where the fixing of pay on 1st September 1947, as above, would involve a reduction in the pay that the officer might have earned after 1st September 1947 in the existing scale, then such pay may be given from the date the officer has reached it.

5. Correspondence ending with Memo No. 8861, dated 12th April 1947, from the Chief Engineer for Roads and Buildings, recommending the formation of additional Circle of Superintendence and to the re-distribution of jurisdiction among the circles in the State.

6. Letter No. 9114—E., dated 23rd June 1947, from the Chief Engineer for Irrigation, on the subject.

7. Further letter No. 5086—E., dated 23rd January 1947, from the Chief Engineer for Irrigation, regarding posting of a Superintending Engineer to work out the scheme both of restoration and maintenance of minor tanks in the State.

ORDER THEREON No. P. W. 4449-54—EST. 147-46-2, DATED BANGALORE, THE 30TH SEPTEMBER 1947.

There are at present two circles of Superintendence in the State excluding the Irrigation Circle which is in charge of all the Irrigation Divisions in Mysore, Mandya and Hassan Districts. The Superintending Engineer, Mysore Circle, is in charge of all the Divisions in Bangalore, Tumkur and Kolar Districts and all the roads and buildings in Mysore and Mandya Districts. The Superintending Engineer, Shimoga Circle, is in charge of all the divisions in Shimoga, Chikmagalur, Chitaldrug and Hassan Districts including the Irrigation Division at Chitaldrug. The Chief Engineer for Roads and Buildings has reported that on account of a large number of road and building works undertaken in recent times and also of a large number of irrigation works taken up in Chitaldrug District, the work in both the circles has increased enormously involving great delay in the scrutiny and submission of estimates to the Central Office. He has, therefore, proposed that an additional circle may be constituted to give relief to the two existing circles by appropriately distributing the work among the three circles.

2. The Chief Engineer for Irrigation has forwarded proposals for redistributing the work among the existing two circles and the Irrigation Circle, tacking on the Roads and Buildings Divisions of Mysore and Mandya Districts also to the Irrigation Circle with headquarters at Mysore. He further proposes to shift the headquarters of the Mysore Circle Office to Bangalore with jurisdiction over all the Division Offices in Bangalore, Kolar and Tumkur Districts, a new circle being left solely in charge of special ranges constituted for restoring minor tanks in the State.

3. The arrangement proposed by the Chief Engineer for Irrigation gives no relief whatsoever to the Superintending Engineer, Shimoga Circle. Government, therefore, consider that the Irrigation Circle may be allowed to remain as it is with jurisdiction over the Krishnarajasagara Works and all the divisions in Mysore and Mandya Districts, which are in charge of irrigation works and old and new channels in Mysore, Mandya and Hassan Districts and all the minor tank restoration ranges in Mysore District. The old channels like the Hullahally Channel, Ramaswami Channel, Uddur and Hanumanthapur Channels require re-modelling immediately. In addition the Irrigation Circle is in charge of the Nugu Reservoir—Project costing Rs. 81·0 lakhs recently sanctioned by Government. In these circumstances, Government feel that it is not desirable to tack on any more work to that circle.

4. Government are therefore, pleased to direct that the divisional charges be re-distributed among the existing two circles at Shimoga and Mysore and the new circle sanctioned in the Government Order dated 6th December 1946 read above with headquarters at Tumkur as noted hereunder :—

The Mysore Circle of Superintendence (Mysore Headquarters) Permanent.

(*i*) Mysore Division; Buildings Division, Mysore, Mandya Division, Bangalore Division, Bangalore Buildings Division and all minor tanks restoration ranges in Mandya and Bangalore Districts.

Shimoga Circle of Superintendence (Shimoga Headquarters) Permanent.

(*ii*) Shimoga Division; Kadur Division; Hassan Division and all minor tanks restoration ranges in these districts.

Tumkur Circle of Superintendence (Tumkur Headquarters) Temporary (Newly constituted).

(*iii*) Tumkur Division, Kolar Division, Chitaldrug Division, Irrigation Division at Chitaldrug and all minor tanks restoration ranges in these districts.

5. Sanction is accorded to the entertainment of staff as noted in the annexure on account of the formation of another Circle of Superintendence.

6. With the redistribution of jurisdiction of the circles, Government feel that the work in the Mysore Circle will be comparatively reduced. The Chief Engineer is, therefore, requested to submit proposals for redistribution of establishment among the three circles as now reconstituted, taking the present sanctioned strength of establishment of the Mysore and Shimoga Circles and that now sanctioned for the third circle.

7. The Lakkavalli Reservoir Circle and J. P. S. Circle with their divisions will continue as hitherto, as per existing sanction.

EDUCATION SECRETARIAT

Sanctions the opening of a Municipal High School at Kankanhalli.

READ—

Correspondence ending with letter No. H9. 7054-526—46-47, dated 25th June 1947, from the Director of Public Instruction in Mysore, submitting proposals for the opening of a Municipal High School at Kankanhalli.

ORDER No E. 3140-42—EDN. 41-46 50, DATED BANGALORE, THE 20TH OCTOBER 1947.

It is reported that the Rural High School at Kankanhalli is overcrowded and that there is a real need for the opening of one additional High School at the place.

The Municipal Council, Kankanhalli, have agreed to deposit the security amount of Rs. 5,000 and to pay a sum of Rs. 3,000 towards the initial equipment of the High School proposed to be opened at the place. They are also agreeable to bear their share of the recurring and non-recurring expenditure of the school from time to time.

A sum of Rs. 10,000 has been deposited towards the building fund. The Municipal Council, Kankanhalli, have agreed to deposit a further sum of Rs. 20,000 for the purpose and to provide accommodation for the school till a new building is constructed.

The Director of Public Instruction requests sanction to the opening of a Municipal High School at Kankanhalli with effect from the school-year 1947-48. He also states that he has accorded permission to open the Municipal High School pending formal sanction of Government.

The proposal of the Director of Public Instruction is sanctioned. The action taken by him is also approved.

A statement showing the classes to be started, the recurring and non-recurring expenditure required and the grants admissible to the school as per G. O. No. E. 8978-88—Edn. 90-46-5, dated 19th June 1947, is appended hereto. The Government share of the cost during the year 1947-48 will be met out of the lumpsum provision of Rs. 50,000 made in the budget for payment of grants to new Municipal High Schools and necessary provision will be made in the budgets of the Department for 1948-49 and subsequent years.

G. O. No. 3365-924—C. B. 30-40-4, dated 21st April 1941, revising the course of training to be undergone by the Probationary Assistant Commissioners during the period of their probation.

2. G. O. No. 4514-73—C. B. 328-46-1, dated 17th April 1947, revising the course of training of Probationary Assistant Commissioners as Magistrates.

ORDER No. 2649-2703—C. B. 126-47-1, DATED BANGALORE, THE 6TH NOVEMBER 1947.

The course of training prescribed at present for Probationary Assistant Commissioners is as under:—

1.	Training in the District and Sub-Division Offices ...	Three months
2.	Training in Treasury work ...	Two months
3.	Taluk Office training ...	One month
4.	Training in the Accounts Department ...	Four months
5.	Survey training ...	Two months
6.	Training as Third Class Magistrate	Four months
7.	Training as Second Class Magistrate	Two months
8.	Engineering training ...	Three months
9.	Independent charge of a Taluk ...	Three months
	Total ...	Twenty-four months

2. Experience has shown that a training in the Police and Agricultural Departments is necessary to enable these officers to get sufficient insight into the working of these departments, which would be of great help to them while in charge of Sub-Divisions.

With this object in view, Government are pleased to direct that the course of training to be undergone by Probationary Assistant Commissioners be revised as follows:—

(1)	Training in the District and Sub-Division Offices including Treasury work (during this period they will also be associated with District Development Officers in regard to training in Rural Reconstruction work) ...	Four months
(2)	Police training ...	One month
(3)	Taluk Office training ...	One month
(4)	Training in Accounts Department	Three months
(5)	Survey training ...	Two months
(6)	Agricultural training ...	One month
(7)	Training as Third Class Magistrate	Four months
(8)	Training as Second Class Magistrate	Two months

REVENUE SECRETARIAT

Bifurcation of Shimoga Taluk and the conversion of the Bhadravati Hobli into a Taluk.

READ—

Correspondence ending with letter No. C.L.C.—28th May 1947, from the Revenue Commissioner in Mysore, submitting proposals for the bifurcation of Shimoga Taluk and the conversion of the Bhadravati Hobli into a Taluk.

ORDER No. R. 3797-875—L. R. 291-46-11, DATED BANGALORE, THE 24TH SEPTEMBER 1947.

In accordance with the policy of Government to gradually convert Sub-Taluks into pukka Taluks and in view of the representations made in both the Houses of Legislature in the matter of conversion of the Kumsi Sub-Taluk in Shimoga District into a Taluk, the Revenue Commissioner was requested to furnish a report in the matter.

After examining the question in all its bearings, the Deputy Commissioner, Shimoga District, reported that, while the present Shimoga Taluk with its area and annual revenue demand was too heavy for a single Amildar to manage efficiently, Kumsi was a small town, with no chances of expansion and that the conversion of the Sub-Taluk into a Taluk with headquarters at Kumsi would cause avoidable confusion by disturbing the territorial jurisdiction of several taluks in the District, without any administrative convenience; and that, on the other hand, its absorption in the adjacent Shimoga Taluk, would be more advantageous. The Deputy Commissioner reported further that Bhadravati is growing in importance as an industrial centre and has at present a population of over 20,000 and that it would be desirable from every point of view to form a new Taluk with Bhadravati as its headquarter. The proposal was also stated to go a long way to remove the present anamolous position of the Channagiri Sub-Division having its headquarters at Bhadravati, over which the Sub-Division Officer has no jurisdiction, as the new Taluk could also go into the Sub-Division along with the Channagiri Taluk. The people of the locality as well as the members of the Municipal Council, Bhadravati, have also made repeated representations in this respect. Agreeing with the Deputy Commissioner, the Revenue Commissioner has proposed—

(1) the abolition of the present Kumsi Sub-Taluk;

(2) the bifurcation of the present Shimoga Taluk into two Taluks, *viz.*, Shimoga and Bhadravati Taluks, the two Hoblis of Kumsi Sub-Taluk being absorbed in the former;

(3) the inclusion, after its constitution, of the Bhadravati Taluk, in the administrative jurisdiction of the Channagiri Sub-Division.

The Deputy Commissioner has also suggested that pending the construction of a new building, on a site to be selected within the Municipal limits, the new Taluk Office at Bhadravati may be housed in a portion of the building now being used for the storage of foodgrains, after effecting the necessary alterations and repairs.

Government agree that Bhadravati is growing rapidly and with the projected developments and expansion will become very soon an important industrial centre and that for administrative and other reasons it is necessary and desirable to make it the headquarters of a Taluk. They are therefore pleased to sanction the proposals of the Revenue Commissioner in regard to the reconstitution of the Shimoga Taluk and the constitution of Bhadravati Taluk, as under, merging the present Kumsi Sub-Taluk in the Shimoga Taluk :—

The villages comprising the several hoblis in the two taluks will be notified separately.

The scale of establishment proposed for the two taluks, involving an average extra recurring cost of Rs. 8,692 per annum is sanctioned and appended to this order.

The new taluk at Bhadravati will come into existence as soon as the portion of the Zinc-sheet building intended to be used for the purpose is renovated and made available.

Channagiri Sub-Division will be renamed Bhadravati Sub-Division with Bhadravati and Channagiri Taluks included in it.

The Deputy Commissioner, Shimoga District, is requested to take necessary action for the acquisition of the site for locating the new Taluk Office Buildings and for getting the necessary buildings put up thereon in consultation with the Chief Engineer for Roads and Buildings.

EDUCATION SECRETARIAT

Sanctions the opening of a Municipal High School at Saligrama, Krishnarajanagar Taluk.

READ—

Correspondence ending with letter No. H3. 6633-507—46-47, dated 29th June 1947, from the Director of Public Instruction, submitting proposals for the opening of a Municipal High School at Saligrama, Krishnarajanagar Taluk.

ORDER No. E. 3137-9—EDN. 44-46-49, DATED BANGALORE, THE 20TH OCTOBER 1947.

Both the Director of Public Instruction and the Deputy Commissioner, Mysore District, state that there is urgent need for opening of a High School at Saligrama.

The Municipal Council, Saligrama, have agreed to deposit a sum of Rs 5,000 towards the stability fund and Rs. 3,000 towards the non-recurring charges for the initial equipment of the High School and also to bear all the recurring and non-

recurring charges devolving on them from time to time towards the maintenance of the school.

It is reported that a sum of Rs 25,000 has been deposited towards the building fund and a further sum of Rs. 5,000 has been promised by the Municipal Council, Saligrama, to be collected and deposited. The school is proposed to be housed in the local Travellers' Bungalow given by the District Board till a new building is constructed. The Director of Public Instruction states that the Deputy Commissioner has advised the Municipality to improve its finances by opening toll-gates, levying octroi on some more commodities and levying professional tax.

In the circumstances the Director requests sanction for the opening of a Muncipal High School at Saligrama with effect from the school year 1947-48. He also states that in anticipation of sanction of Government he has permitted the opening of the school and requests approval to his action.

The proposal of the Director of Public Instruction is sanctioned with the observation that the Municipality should improve its finances by opening toll-gates, etc., as advised by the Deputy Commissioner. The action taken by him is also approved.

A statement showing the details regarding the classes to be opened, the recurring and non-recurring expenditure required and the Government grants admissible with effect from 1st July 1947 as per G. O. No. E. 8978-88—Edn. 90-46-5, dated 19th June 1947, is appended hereto. The Government share of the cost required during the year 1947-48 will be met out of the lumpsum provision of Rs. 50,000 made in the budget of that year for payment of grants to new Municipal High Schools and necessary provision will be made in the budgets of the Education Department for the years 1948-49 and onward.

Issues Rules for the hiring out of vehicles of the General Transport Company to Civil Departments.

READ—

Letter No. 218—C2—827—46, dated 2nd September 1947, from the Chief Commandant, Mysore State Troops, forwarding for approval a draft set of rules for the hiring out of 3-ton vehicles of the G. T. Company to Civil Departments of Government and requesting sanction for an additional clerk on Rs. 30—2—50 to attend to the clerical work relating to this scheme.

ORDER No. P. 3734-3810—MILY. 106-47-2, DATED BANGALORE, THE 29TH OCTOBER 1947.

Government Direct that the hire charges of the vehicles be fixed at Re. 0-13-6 per mile and that the work relating to this scheme be attended to by the existing clerks of the Unit.

The rules for the hiring out of the vehicles as approved by Government are appended.

A separate circular will be issued to the several heads of Departments to make use of these vehicles in preference to private vehicles whenever they are available.

K. THIPPERUDRIAH, *Edn. Secy.*

APPENDIX.

RULES FOR THE HIRING OUT OF THE VEHICLES OF THE MYSORE GENERAL TRANSPORT COMPANY (MYSORE STATE TROOPS) TO OTHER DEPARTMENTS OF THE MYSORE GOVERNMENT.

1. Three-ton vehicles of Mysore General Transport Company can be made available for use by Civil Departments of Government, at the following places, when they are not required for internal security, or other Military duties.

		Approximate number available.
Bangalore	...	72 vehicles.
Mysore	...	30 "
Harihar	...	30 "
Kolar Gold Fields	...	6 "
Bhadravati	...	12 "

2. The Civil Departments of Government requiring the use of Military vehicles should send to the Chief Commandant, by the end of each month, a forecast of their requirements of vehicles during the succeeding month, showing the number of vehicles and approximate period.

3. When the provision of vehicles by the Military Department is agreed upon, detailed indent for vehicles will be sent at least 3 days before the date from which it is required. Emergent indents will also be complied with if possible. The indent will be addressed to the Officer Commanding, Mysore General Transport Company at Bangalore, and in other places to the Officer Commanding, Detachment, General Transport Company, at their respective places.

Whenever vehicles are required to be sent out of station, *i.e.*, outside the Headquarters, where they are stationed, previous notice of at least 24 hours should be given direct to the officer in charge of the vehicles.

4. The rate for each running mile or fraction thereof will be thirteen annas six pies and mileage will be calculated from garage to garage. The officer responsible for hiring out vehicles will be deciding authority in determining the mileage travelled. Rupees 10 will be charged per day of 24 hours for vehicles, if it is kept idle except for defect in the vehicle. If vehicles are taken outside Headquarters a minimum fee of Rs. 10 has to be paid for each day if it will be less than the hire charges at thirteen annas six pies a mile.

5. Drivers in charge of the vehicles should not be entrusted with the task of loading or unloading the vehicles. The Departments which hire vehicles will be responsible for loading and unloading of stores and also for any loss or damage thereto during transit.

6. The Military Department reserves the right of withdrawing the vehicles hired out for the following reasons :—

(*a*) If they are required in the interest of Military Work ;

(*b*) If it is considered to do so in the interest of the vehicle ;

(*c*) If it is found that the vehicle is being misused *i.e.*, used for the purpose other than it was intended to be used.

The Military Department will not hold itself liable for any loss that may be sustained by the other party, if the vehicles are withdrawn for any of the reasons mentioned above. The Department will, however, undertake to replace as early as possible, the vehicle or vehicles withdrawn for reasons stated in (*b*) above. The Military Department will also levy such additional charges that will be fixed by the Chief Commandant, Mysore State Troops, for the portion of the period or mileage, the vehicle was found to have been misused, and the decision of the Chief Commandant, Mysore State Troops, will be final in all such cases.

LAW SECRETARIAT

Directs that the price of Copying Sheets be increased to Re. 0-2-6 and Re. 0-3-6 per sheet and that the remuneration payable to the Copyists and Examiners of all the Civil and Criminal Courts be regulated as specified in the order.

READ—

Government Order No. Law 2859-59—Cts. 126-46-6, dated 11th March 1947, directing that the remuneration to the copyists of the Civil and Criminal Courts in the State be raised by 4 pies and 6 pies per sheet in the case of manuscript and typed sheets respectively with effect from 1st February 1947.

2. Letter No. R. O. C. 448—44-45, dated 24th March 1947, from the Registrar, High Court of Mysore, in the matter of payment of remuneration to the copyists and examiners to the Civil and Criminal Courts in the State.

ORDER No. 37—CTS. 126-46-10, DATED CAMP MYSORE, THE 23RD OCTOBER 1947.

In their order dated 11th March 1947 read above, Government were pleased to direct that the remuneration to the copyists of the Civil and Criminal Courts in the State be raised by 4 pies and 6 pies per sheet in the case of manuscript and typed sheets respectively with effect from 1st February 1947.

2. The High Court have since brought to the notice of Government that the Government Order referred to above does not provide for payment of remuneration to the examiners either at enhanced rates in the case of two annas sheets or at the existing rates in the case of three annas sheets. This state of affairs has not only caused much hardship to the examiners but also discontentment among them.

3. In consideration of the arduous and responsible work attended to by the examiners and with a view to afford them adequate relief as in the cases of copyists, the High Court have recommended the payment of certain enhanced rates of remuneration to these officials.

4. In the circumstances brought to notice, the question has been reconsidered by Government and on a careful consideration of all the aspects of the case, Government consider that it is not only necessary to improve the prospects of the examiners who are also adversely affected by the high cost of living but also to enhance the price of copying sheets in view of the abnormal cost of paper as also of the printing charges.

5. They are accordingly pleased to direct that the price of copying sheets be increased to Re. 0-2-6 and Re. 0-3-6 per sheet and that in modification of the Government Order, dated 11th March 1947 read above, the remuneration payable in future to the copyists and examiners of all the Civil and Criminal Courts in the State be regulated as hereunder :—

	Copyists Rs. a. p.	*Examiners* Rs. a. p.
1. For each Re. 0-2-6 sheet ...	0 1 8 per sheet	0 0 6 per sheet
2. For each Re. 0-3-6 sheet ...	0 2 8 per sheet	0 0 6 per sheet

6. This order will have effect from 1st November 1947.

DEVELOPMENT SECRETARIAT

Re-employment of labourers in Government Industrial Concerns who were dismissed or discharged in connection with the 1942 "Quit India" Movement.

ORDER No. D. 2603-16—I. & C. 142-47-3, DATED BANGALORE, THE 21ST NOVEMBER 1947.

The Quit India Movement of 1942 was an All-India Movement in which the people of the States also took their part. The labourers of the Mysore Iron and Steel Works, Bhadravati and certain other Industrial Concerns also participated in the movement. The Government Industrial Concerns at the time viewed such activities with disfavour and quite a large number of the labourers, particularly of the Mysore Iron and Steel Works, Bhadravati, were dismissed on the ground of alleged misconduct. There were no charges framed against them nor any explanations taken and dealt with. The conduct of these labourers who actively participated in the freedom movement of India in 1942, cannot be deemed to be misconduct, in any case, in the altered situation in the State and India.

Labourers who took part in the recent "Satyagraha" and whose services were dispensed with on that account have all been re-entertained without prejudice to their places and other rights.

On a further consideration of the matter, Government are pleased to direct that such of those labourers of Government Industrial Concerns as have been dismissed or whose services have been dispensed with in connection with the 1942 "Quit India" Movement should be re-employed in their original posts as far as possible, if they apply for such posts.

ORDER NO. M 6729-57—P. H. 1-47-4, DATED BANGALORE, THE 11TH DECEMBER 1947.

Recorded.

2. *Public Health.*—Public Health in the State was generally satisfactory. There was appreciable decrease in the incidence of Malaria and Cholera and Plague. Two thousand eight hundred and ninety-four deaths from plague were reported during the year as against 8,016 deaths during the previous year. With a view to prevent the spread of this disease, anti-plague inoculation, Cyano-gasing and fumigation works were undertaken. A total of 2,44,428, houses were Cyano-gased in the two cities, 42 towns and 981 villages as against three lakhs thirty-seven thousand and forty-one (3,37,041) during the previous year. Two lakhs eighty-six thousand eight hundred and twenty-eight persons were protected against plague (2,86,828) as against 6,52,946 during the previous year. Deaths due to cholera were 590 as against 786 in the previous year. The number of deaths due to small-pox was 1,772 against 864 in the previous year. A total of 22,690 deaths occurred due to malaria as against 34,356 in the previous year. Of these, 6,282 occurred in Malnad areas and 17,221 in Midan areas. Effective Malaria control works were in progress. Eighty-eight rural health units were working during the year.

3. *Vital Statistics.*—The scheme of centralisation of compilation of vital statistics worked satisfactorily in the three districts of Bangalore, Shimoga and Mandya and in the three cities of Bangalore, Mysore and Kolar Gold Fields. This scheme was extended to the remaining districts and brought into effect with effect from 1st January 1947.

During the year under report, the total number of births exceeded the number of deaths by 49,022. The total number of live births during the year was 1,26,540 as against 1 13 385

during the previous year, the birth-rate being 16·7 as against 75·1 during the last year. The total number of deaths was 71,518 as against 99,768 during the previous year, the death rate being 10·2 as against 13·3 during the last year.

4. *Public Health Institute.*—During the year a total of 14,657 specimens were examined in the Bacteriological Section, 2,706 in Chemical Section and 245 cases with 1,295 articles in Medico-legal Section. A total of 1,86,660 doses of anti-cholera vaccine, 8,03,300 doses of anti-plague vaccine and 49,330 doses of T. A. B. Vaccine were prepared.

5. *Vaccine Institute.*—The total quantity of Vaccine lymph produced at the Institute during the year was 14,19,200 and 12,84,320 doses of vaccine were issued.

6. *Bureau of Health Education.*—During the year 29 Cinema shows were organished in different rural places as against 36 in the previous year. A Health Exhibition was arranged in Bangalore City during December 1946. Small exhibitions were also arranged during the District Conference at Mandya, at Bannur on the occasion of the opening Ceremony of the Maternity Home and at the Village Officers' Conference at Dodballapur. The permanent Health Museum at the Exhibition Buildings, Mysore, was kept open for the visiting public during the Dasara Festivities.

7. *Bureau of Malariology and Epidemiology.*—The control of Malaria is an important Public Health Problem in the State. Malaria Control work was continued in the two cities of Bangalore and Mysore, Belur Town, Tiptur Town, Maralvadi, Banavar, Taverekere, Boovanahalli, Kanagal Thippagondanahalli and Princess Krishnarajammanni Tuberculosis Sanitorium. Malaria Control works were continued in several health units during the year under report. Special malaria survey work was undertaken in Malvalli, Maralvadi and Nagu Project areas. Special attention was paid for the control of Malaria in Kempapur Agrahar and in Bangalore City Municipal limits.

The guinea worm staff visited 402 villages examined 305 wells. One hundred and forty-three wells and nurseries were restocked with Cyclopes and fish.

8. *Maternity and Child-Welfare.*—The Superintendent visited 77 Maternity Homes in all Districts and the work of the Midwives was inspected. A Lecture on Maternity and Child-Welfare was delivered in Mahila Seva Samaj, Bangalore City.

9. *General.*—The Director of Public Health attended the Nutrition Sub-Committee of the Regional Rationing Advisory Committee and the Superintendent, Bureau of Malariology, was deputed to Delhi for attending the meeting of the Malaria Advisory Committee of the Indian Research Fund Association.

The work of the department was satisfactory during the year.

Under Section 106 of the Mysore Land Revenue Code (Act IV of 1888) as amended from time to time the Government of His Highness the Maharaja are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Act to Jodi Doddakallahalli Village in the Amruthur Hobli of the Kunigal Taluk.

5039

Dated 9th January 1947.

No. R. 6302—L. S. 28-46-4. It is notified for general information that, under section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to the Jodi Doddakallaballi Village, Kunigal Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will then be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Commissioner of Land Records, Survey and Settlement or by the Deputy Commissioner in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to the village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the form prescribed, to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under his signature stating the fact of its production and the date thereof.

DEVELOPEMENT SECRETARIAT

Dated 17th January 1947.

No. D. 4364. The following Press Note dated 11th July 1946, regarding the registration of Post-war requirements of capital goods, issued by the Government of India, is re-published for general information in continuation of the previous notifications on the subject, published in the *Mysore Gazette* dated 14th March 1946. The open general licence No. VII referred to in the Press Note has already been re-published in the *Mysore Gazette*, dated 9th May 1946.

PRESS NOTE.

CAPITAL GOODS REGISTRATION—REVISED LIST OF ITEMS RETAINED.

In pursuance of their general policy of relaxation of import controls the Government of India have decided to revise the present list of capital goods for which Registration has hitherto been required before an import licence could be obtained. All items except those covered by Serial Number below under the head "Items Retained," are being removed from the list. It will not be necessary for importers to apply for Registration in respect of the items now excluded.

It will, however, still be necessary to apply for import licences for the capital goods which have under this revision been removed from the purview of the Registration Scheme. Applications for import license for such capital goods should be hereafter made to the licensing authority concerned, and not necessarily to the Chief Controller of Imports, New Delhi. Licenses will not, however, be necessary for import of certain items from the Sterling areas of the British Empire. which have been included in open general license No. VII. The question of including more items in open general license No. VII is also under active consideration.

ITEMS RETAINED.

The following serial numbers in the schedules attached to the Commerce Department Import Trade Control Notification No. 23—ITC.—43, dated July 1943 and the Machine Tool Control Order (as amended up-to-date) will be retained :—

(*a*) *Part I of Schedule.*—Iron and Steel Structures (Serial No. 20) and Wire Rope and Wire Strand only when required for ropeways, transmission lines and similar purposes (Serial No. 29).

Part II of Schedule—Prime Movers, Locomotives, Machines, Apparatus and Appliances and Control Gear, etc., included in Serial Nos. 36 (1), 36 (2), 36 (3) and 36 (4).

Part III of Schedule.—Prime Movers, Locomotives. Machines, Control Gear, etc., needed for Textile Industry other than Jute and Hemp, included in Serial Nos 4 (1), 4 (2), with the exception of Dyeing, Bleaching, Mercerising and Calendering Machines), 4 (4), 5 (1) only the following machinery will be included in the Scheme :—

Looms, Wool Carding machines, Wool Spinning machines, Hosiery machinery, Coir mat shearing machines, Coir fibre willowing machines, Silk looms Silk throwing and reeling machines, Silk twisting machines, Cumbli finishing machinery, Cotton Carding and Spinning machines, Comber boards and picking bands.

Part V of Schedule.—Prime Movers, Locomotives, Machines, Apparatus and Appliances and Control Gear, etc., included in Serial Nos. 65 (1), 65 (2), 65 (3), 65 (4).

(*b*) All types of complete machine tools covered by the Schedule to the Machine Tool Control Order, 1941, with exception of items enumerated in Sections 22 and 23 of that Schedule. Machine Tool requirements of oil companies are, however, excluded from the purview of the Scheme, as these are screened by the Patroleum Division of the Ministry of Fuel and Power, London.

In respect of the items enumerated above, which are being retained under the Capital Goods Registration Scheme, precisely the same procedure will continue to be followed as at present *i. e.*, applications for Registration should be addressed to the Chief Controller of Imports, New Delhi, for all plant other than Cotton Textile Machinery, for which applications should be addressed to the Deputy Chief Controller of Imports, Bombay.

No. R. 6802—L. S. 30-46-3. Under Section 106 of the Mysore Land Revenue Code (Act IV of 1888) as amended from time to time, the Government of His Highness the Maharaja are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Act to the Inam portion (Jodi) of Gumbahalli village of Yelandur Sub-Taluk.

5462

Dated 24th January 1947.

No. R. 6806—L. S. 30-46-4. It is notified for general information that, under section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to the undermentioned five villages of Yelandur Jahagir area.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Commissioner of Land Records, Survey and Settlement or by the Deputy Commissioner in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to the village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

DEVELOPMENT SECRETARIAT

Dated 17th January 1947.

No. D. 4364. The following Press Note dated 11th July 1946, regarding the registration of Post-war requirements of capital goods, issued by the Government of India, is re-published for general information in continuation of the previous notifications on the subject, published in the *Mysore Gazette* dated 14th March 1946. The open general licence No. VII referred to in the Press Note has already been re-published in the *Mysore Gazette*, dated 9th May 1946.

PRESS NOTE.

CAPITAL GOODS REGISTRATION—REVISED LIST OF ITEMS RETAINED.

In pursuance of their general policy of relaxation of import controls the Government of India have decided to revise the present list of capital goods for which Registration has hitherto been required before an import licence could be obtained. All items except those covered by Serial Number below under the head "Items Retained," are being removed from the list. It will not be necessary for importers to apply for Registration in respect of the items now excluded.

It will, however, still be necessary to apply for import licences for the capital goods which have under this revision been removed from the purview of the Registration Scheme. Applications for import license for such capital goods should be hereafter made to the licensing authority concerned, and not necessarily to the Chief Controller of Imports, New Delhi. Licenses will not, however, be necessary for import of certain items from the Sterling areas of the British Empire, which have been included in open general license No. VII. The question of including more items in open general license No. VII is also under active consideration.

ITEMS RETAINED.

The following serial numbers in the schedules attached to the Commerce Department Import Trade Control Notification No. 23—ITC.—43, dated July 1943 and the Machine Tool Control Order (as amended up-to-date) will be retained :—

Part II of Schedule—Prime Movers, Locomotives, Machines, Apparatus and Appliances and Control Gear, etc., included in Serial Nos. 36 (1), 36 (2), 36 (3) and 36 (4).

Part III of Schedule.—Prime Movers, Locomotives, Machines, Control Gear, etc., needed for Textile Industry other than Jute and Hemp, included in Serial Nos. 4 (1), 4 (2), with the exception of Dyeing, Bleaching, Mercerising and Calendering Machines), 4 (4), 5 (1) only the following machinery will be included in the Scheme :—

Looms, Wool Carding machines, Wool Spinning machines, Hosiery machinery, Coir mat shearing machines, Coir fibre willowing machines, Silk looms Silk throwing and reeling machines, Silk twisting machines, Cumbli finishing machinery, Cotton Carding and Spinning machines, Comber boards and picking bands.

Part V of Schedule.—Prime Movers, Locomotives, Machines, Apparatus and Appliances and Control Gear, etc., included in Serial Nos. 65 (1), 65 (2), 65 (3), 65 (4).

(*b*) All types of complete machine tools covered by the Schedule to the Machine Tool Control Order, 1941, with exception of items enumerated in Sections 22 and 23 of that Schedule. Machine Tool requirements of oil companies are, however, excluded from the purview of the Scheme, as these are screened by the Patroleum Division of the Ministry of Fuel and Power, London.

In respect of the items enumerated above, which are being retained under the Capital Goods Registration Scheme, precisely the same procedure will continue to be followed as at present *i. e.*, applications for Registration should be addressed to the Chief Controller of Imports, New Delhi, for all plant other than Cotton Textile Machinery, for which applications should be addressed to the Deputy Chief Controller of Imports, Bombay.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

New Delhi, dated the 25th September 1946.

PRESS NOTE.

Capital Goods Registration Scheme.
Machine Tools.

The capital Goods Registration Scheme has so far been applicable to Machine tools covered by the Machine Tool Control Order, 1941, only if the f.o.b. value of the tools is expected to exceed Rs. 10,000. The Government of India have been considering the possibility of raising this minimum limit with a view to facilitate the expeditious disposal of a larger number of applications for imports which are generally required only for maintenance and replacement purposes and they have now decided to raise the limit to Rs. 25,000. As a result of this decision only machine tools whose f.o.b. values exceed Rs. 25,000 will henceforth require to be registered under the Capital Goods Registration Scheme and applications for licenses for the importation of machine tools of lesser value should be addressed direct to the Machine Tool Controller, New Delhi.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

New Delhi, dated the 19th December 1946.

PRESS NOTE.

Import of Capital Goods: Revision in Procedure.

The Capital Goods Registration Scheme which was introduced in December 1944, has been abolished. In future, therefore, it will not be necessary for intending importers of capital goods to apply for prior registration of their requirements. They may now apply straightaway for licences.

Applications for capital goods which relate to industries for which post-war planning has been approved by the Government of India will be dealt with in accordance with such plans. Those relating to industries for which plans have not yet been approved by the Government of India will be considered on merits by the Chief Controller of Imports in consultation with the Government of India, Inter Departmental Capital Goods Import Committee which meets once a fortnight. Applications relating to the Cotton Textile Industry, which is a planned industry, will continue to be dealt with by the Deputy Chief Controller of Imports, Bombay, and those relating to other capital goods will be dealt with by the Chief Controller of Imports as heretofore. The definition of the term "Capital Goods" will remain the same as at present.

GENERAL SECRETARIAT

Dated 8th March 1947.

No S. R. 3421—L. W. 184-46-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore, Bangalore, in respect of the failure of conciliation proceedings in the dispute between the Mysore Iron and Steel Works Labourers' Association, Bhadravati, and the Management of the Iron and Steel Works, in regard to the four demands (mentioned in the accompanying report) made by the said Association.

6711 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 8th February 1947.

To,

The Secretary to Government of Mysore,
General Department,
Bangalore.

Sir,

No. C. C. 19—46. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Mysore Iron and Steel Works Labourers' Association, Bhadravati, and the concerned works Management in regard to the following four demands asked for by the Association:—

(1) That the contract system of work in the Pipe Foundry Section of the works may be abolished;

(2) That the night shift workers may, while on the night shift, be paid an allowance of four annas each per day;

(3) That temporary workers may also be granted sick leave as in the case of permanent workers;

and (4) That the jobs of Stove tender, First Helper and Tapper may be raised from the second and third grades to the first grade of appointments for purposes of wages.

2. The President and the Secretary of the Labour Association gave to the concerned works Management a notice of change on the 10th December 1946, making the above four demands. As the Management could not agree demands and as the parties did not come to a settlement during the negotiations conducted by the Assistant Commissioner of Labour, Mysore Division, the Commissioner of Labour, referred the case to this office for initiating conciliation proceedings under Section 10 (3) of the Labour Act.

3. The case was accordingly registered and intimations to the parties were issued for hearing. I held Conciliation Proceedings at Bangalore on the 7th February 1947 and heard the case. The Management was represented by Mr. M. K. Narasimhan, Acting General Manager and Mr. M. K. Ganapathi, Chief Welfare and Labour Officer. While on behalf of the Labour Association, were present the following Office bearers:—

Mr. N. Venkata Rao, President;
Mr. K. Nisamuddin, Assistant Secretary;
Mr. A. S. John, Treasurer.

4. The Assistant Commissioner of Labour, Mysore Division (Mr. C.N. Nanjappa), was also present throughout the Conciliation Proceedings.

5. The four demands were taken up one by one and discussed on both sides at some length.

6. Demand No. ( ) asking for the abolition of the Contract System of work in the Pipe Foundry Section. The Labour President urged that this system was introduced newly since 1945 contrary to the provisions of the Labour Act and was detrimental to the interests of the workers and should be abolished. The Management refused this and pointed out that "Piece work on contract basis is a system all along in vouge in different sections of the works and that this is adopted only whenever conditions justify and the concerned workers are willing or come forward and that no one is forced to do piece work on contract basis and that in fact several workers had realised the benefits of this contract system and even given a written representation to the Management, for the retention and continuance of this contract system of work. Not satisfied with this explanation of the Management, the Association wanted that this contract system should go. The Management contended that such system of work was prevalent in other sections of the works and that no distinction could be made from section to section and that the whole works should be taken as a unit and there was no point in this demand. Finally, Association President pressed the demand, but the Management could not agree.

7. *Demand No.* 2:—Asking for payment of Night Shift allowance of four annas per worker per day. The Association urged that in view of the extra strain involved in the night shifts the workers should be paid extra allowance of four annas per worker per day and that this was necessary in the interests of health of these workers and that in the Binny's and the Minerva Mills at Bangalore, such a payment was made. The Management on their part pointed out that the wages have been fixed taking into consideration all aspects including night shifts, in the terms of employment and that on account of the nature of operations, the workers have to rotate in all the three shifts by turns and that this system is going on for over quarter of a century and there is no complaint and that it is not possible to accept this demand. Still, the Association pressed this demand. The Management regretted that no extra or special allowance for night shifts is possible.

8. *Demand No.* 3:—asking for grant of sick leave to temporary workers also. The Association President stated that this was necessary for the sake of health of the temporary workers and that no distinction should be made between temporary and permanent workers in this respect, as they were all liable alike to sickness. The Management explained that sick leave is granted only to the daily rated permanent employees is accordance with Government Order No. D. 5614-23—I. W 67-43-7, dated 28th January 1946, and that temporary employees are not eligible to sick leave under the Rules and that the distinction was incidental to temporary employees. It was also pointed out by the Management that the Works being a Government concern, to which "work

service rules framed by Government in respect of all Government Industrial Concerns in the State" apply, no deviation in respect of these works alone could be made. The Labour representatives are not satisfied with the explanation of the Management and they press the demand. The Management regret, it is not possible to accept this demand.

9. *Lastly, Demand No.* 4:—Asking for the raising of the jobs of Stove tender, First Helper and Tapper to the first grade of appointments. The Labour representatives urged that these jobs were attendant with risk and should be raised to the first grade of wages and that these workers were stagnating without promotion in the second and third grades. The Management pointed out that the wages in various sections have all been fixed after detailed consideration of the type of work and that the scale wages was introduced as recently as July 1942 and that no revision is possible now, and that individual cases of hardship are considered and decided from time to time and necessary relief given on the merits of each case. The Association representatives are not satisfied with this explanation and they press this demand. The Management regret, it is not possible to accede to this demand.

10. All possible ways of settlement were explored, but the parties did not come to a settlement in respect of any of these demands. The Proceedings thus ended in failure, which I hereby report.

11. I request that this report may be published in the Gazette, as required in the Sub-Section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

NAVANEETHAM,
Chief Conciliator.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

New Delhi, dated the 25th September 1946.

PRESS NOTE.

Capital Goods Registration Scheme. Machine Tools.

The capital Goods Registration Scheme has so far been applicable to Machine tools covered by the Machine Tool Control Order, 1941, only if the f.o.b. value of the tools is expected to exceed Rs. 10,000. The Government of India have been considering the possibility of raising this minimum limit with a view to facilitate the expeditious disposal of a larger number of applications for imports which are generally required only for maintenance and replacement purposes and they have now decided to raise the limit to Rs. 25,000. As a result of this decision only machine tools whose f.o.b. values exceed Rs. 25,000 will henceforth require to be registered under the Capital Goods Registration Scheme and applications for licenses for the importation of machine tools of lesser value should be addressed direct to the Machine Tool Controller, New Delhi.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

New Delhi, dated the 19th December 1946.

PRESS NOTE.

Import of Capital Goods: Revision in Procedure.

The Capital Goods Registration Scheme which was introduced in December 1944, has been abolished. In future, therefore, it will not be necessary for intending importers of capital goods to apply for prior registration of their requirements. They may now apply straightaway for licences.

Applications for capital goods which relate to industries for which post-war planning has been approved by the Government of India will be dealt with in accordance with such plans. Those relating to industries for which plans have not yet been approved by the Government of India will be considered on merits by the Chief Controller of Imports in consultation with the Government of India, Inter Departmental Capital Goods Import Committee which meets once a fortnight. Applications relating to the Cotton Textile Industry, which is a planned industry, will continue to be dealt with by the Deputy Chief Controller of Imports, Bombay, and those relating to other capital goods will be dealt with by the Chief Controller of Imports as heretofore. The definition of the term "Capital Goods" will remain the same as at present.

B. S. NARASINGA RAO, *P. W. Secy.*

GENERAL SECRETARIAT

Notification dated Bangalore, the 20th March 1947.

No. S. R. 3652—L. W. 196-46-2. Under Section 12 (4) of the Mysore Labour Act, XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in respect of the failure of the conciliation proceedings in the dispute between the Labour Association of the Mysore Iron and Steel Works, Bhadravati and the concerned Works Management in regard to a notice of change given by the said Association putting forth certain demands set forth therein.

6996 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 8th March 1947.

To

The Secretary to the Government of Mysore.
General Department,
Bangalore.

Sir,

No. C. C. 15—46. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Mysore Iron and Steel Works Labour Association, Bhadravati, and the concerned Works Management, in regard to a notice of change given by the said Association putting forth the following nine demands :—

Demand No. 1.—*Re* grant of a heat allowance of Re. 0-4-0 per day, and also grant of a day's 'off' (with pay) per week, to all the employees working in heat departments;

Demand No. 2.—*Re* sanction of a bonus of four months' salary to all the employees who have worked hard so that the works may earn more profit.

Demand No. 3.—*Re* payment of 15 months' salary as gratuity to all the retired employees, along with the Provident Fund.

Demand No. 4.—*Re* enhancement of salaries and wages by 25 per cent and grant of increments each year

Demand No. 5.—*Re* providing of houses (works' quarters) to each of the employees within a year.

Demand No. 6.—*Re* the minimum earnings of each employee not to be less than one rupee per day.

Demand No. 7.—*Re* grant of an Industrial court with two representatives of the labourers, two representatives of the Management and a Judge appointed by Government.

Demand No. 8.—*Re* confirmation of temporary employees working for one year and more in their appointments.

Demand No. 9.—*Re* full pay and dearness allowance to employees who meet with accidents during the period of their disablement.

(2) The Secretary of the Labour Association gave to the concerned Works Management a notice of change in respect of the above case, desiring several changes as set out above. As the Management did not accept these demands and as the parties did not come to an agreement during the negotiations conducted by the Assistant Commissioner of Labour, Mysore Division, the Commissioner of Labour referred the case to this Office for initiating conciliation proceedings under Section 10 (3) of the Labour Act.

(3) The case was accordingly registered and intimations to the parties were issued for hearing. I held conciliation proceedings at Bangalore on 7th March 1947 and discussed at some length the several items of Demands.

(4) The Management was represented by Mr. M. K. Narasimhan, General Manager of the Works assisted by Mr. Ganapathi, Chief Welfare and Labour Officer of the Works, while Mr. N. Venkata Rao, President of the Association assisted by the Vice-President and the Secretary represented the Association. The Assistant Commissioner of Labour, Mysore Division (Mr. C. N. Nanjappa) was present throughout.

(5) The several items of demands were considered one by one and discussed fully on both sides with the following result :—

Demand No. 1.—*Re grant of heat allowance and the grant of a day's off (with pay) per week to all the employees working in heat department.*—The Association representative stated that this is very necessary and that heat allowance is being paid in the Heat Departments in other similar works and that the same should be paid here also. He quoted Tata's as an instance where such allowance is being paid. The Management representative states that the wages in various sections have all been fixed after detailed consideration of the

types of work and that it is not possible to grant further special allowance. Regarding the grant of a 'day off' (with pay) per week, the Management's view is that the ruling principle for paying the daily rated staff is payment for the hours of work actually done, and as no work is done by them on 'off days' no payment is due for these days. The Association representative contended that there should be no distinction between the monthly rated employees and the daily rated employees. The Management representative does not accept the stand taken by the Labour representative. After further discussion, the actual position was explained and it was suggested that the Labour representative might withdraw this demand as brought and consider the question under other aspects. But the Labour representative not being satisfied with the explanation, presses both the points in the demand. The Management representative is not able to accept this demand. Hence no agreement is possible in respect of this demand.

Demand No. 2.—Re sanction of a bonus of 4 months salary to all the employees.—The Management representative explains that bonus is an extra gratuity paid to the employees and that it depends upon many other consideration apart from the financial result of the operations and that further it is a point for decision by the Management every year. The Association representative does not accept this contention and he presses the demand. The Management representative says, the Management cannot agree to this demand. Thus no agreement is possible in respect of this demand.

Demand No. 3.—Re payment of 15 months' salary as gratuity to all the retired employees, along with the Provident Fund.—The Management representative explains that this is governed by the Work Service Rules applicable to all Government Industrial Establishments in the State, that gratuity is being paid for the period not covered by the Provident Fund Benefits, and that this demand cannot be accepted. The Association representative presses the demand. Hence no agreement is possible in regard to this demand.

Demand No. 4.—Re enhancement of salaries and wages by 25 per cent.—The Management representative explains that incremental scales of wages have been introduced only recently after detailed examination of all aspects of the question and that further revision is not possible now. The Association representative is not satisfied with the reply and he presses the demand. The Management r presentative regrets that it is not possible to concede this demand. So, no agreement could be reached in respect of this demand.

Demand No. 5.—Re providing of houses (Workers' quarters) to each of the employees within a year.—The Management representative states that although work was started some years ago with a view to provide more housing accommodation particularly for labourers, the work is seriously hampered by scarcity of building materials and skilled labour. He further says that the Works have also granted facilities from time to time for the employees to build their own houses. He further states that house building works have again been started and this question is being viewed sympathetically and efforts will be made to speed up a provision of more housing accommodation for all classes of employees. The Association President is not satisfied with the explanation and he presses the demand, as brought. Hence no agreement is possible in regard to this demand.

Demand No. 6.—Re minimum earnings to employees.—The Management side put forth the same agreement as in respect of demand No. 4. They say that incremental scales of wages were introduced recently and it was too early to revise them. The Association representative presses the demand. The Management's representative says it is not possible to accept this demand. As such no agreement is possible in respect of this demand.

Demand No. 7.—Re constitution of Industrial Court.—The Management side explained the position. The Association representative agrees to the suggestion to withdraw this demand. So, this demand is withdrawn.

Demand No. 8.—Re confirmation of temporary employees.—The Management representative stated that temporary employees working for a year or more against permanent sanctions will be confirmed and the matter is being examined. The Association representative wants that all the temporary employees working for one year or more should be confirmed in their appointments. The Managements side say that it is not possible to accept the demand as it is. The Labour representative presses the demand. So, no agreement is possible on this demand either.

Demand No. 9.—Re payment of full pay and dearness allowance to be paid to employees who meet with accidents during the period of their disablement.—The Management representative explains that payment of compensation in respect of cases of injuries by accidents is governed by the Workmen's Compensation Act and that the works have liberalised the Rules by waiving the waiting period of 7 days. He added that overtime and acting allowances, if any, and dearness allowance are taken into account for assessing the compensation. The Association representative is not satisfied with this explanation and he presses the demand as put forth cannot be conceded.

All possible ways of settlement were explored, but the parties did not come to a settlement in regard to any of the demands, except demand No. 7 which is withdrawn.

(7) Thus, of the nine demands in this case, one demand (*i.e.*, No. 7) was withdrawn and the other eight demands were pressed by the Association but could not be accepted by the Management.

(8) The conciliation in regard to these eight demands thus ended in failure, which I hereby report.

(9) I request that this report may be published in the Gazette as required in Sub-Section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.

Dated 20th March 1947.

No. S. R. 3653—L. W. 195-46-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in respect of the failure of conciliation proceedings in the dispute between the Labour Association of the Suryodaya Mills Labour Association, Pit Colony, Malleswaram, P. O. and the concerned Mills Management at Yesvanthapur in regard to the notice of change given by the said Labour Association setting forth ten demands mentioned therein.

Sir,

No. C. C. 14—46. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Suryodaya Mills Labour Association, Pit Colony, Malleswaram, P. O., and the concerned Mills Management at Yesvanthapur in regard to the following ten demands :—

(1) Reduction in the working hours from 10 hours to 8 hours per day;

(2) Grant of holiday on Saturday and thus reduce the weekly hours of work to 40 hours ;

(3) Reduction in the Daily wages as a result of reduction of daily hours of work and the enhancement of the piece rates by 20 per cent ;

(4) Grant of privilege leave with full pay ;

(5) Grant of sick-leave with full pay ;

(6) Appointment of a woman maistry to supervise women workers ;

(7) Grant of minimum daily wages of Re. 1—per worker ;

(8) Grant of Service Bonus to each piece rate worker ;

(9) Enhancement of Dearness Allowance ;

and (10) Grant of three months' salary or wages as annual bonus.

2. The Secretary of the Labour Association gave to the concerned Mills Management a notice of change desiring the above changes. As the Management did not accept these demands and as the parties did not come to an agreement during the negotiations conducted by the Assistant Commissioner of Labour, Bangalore Division, the Commissioner of Labour referred the case to this office for initiating conciliation proceedings under Section 10 (3) of the Labour Act.

3. The case was accordingly registered and intimations to the parties were issued for hearing. I held conciliation proceedings at Bangalore on the 4th March 1947 and discussed the several items of Demands.

4. The Management was represented by Mr Srinivasan, Manager of the Mills, while Mr. Papalu, President of the

Association represented the Association. In the absence of the Assistant Commissioner of Labour, Bangalore Division, on leave, the Labour Gazetted Probationer (Mr. K. H. Ramadas, B.A.,) was present throughout.

5 The case was taken up and all the demands discussed at some length with the following resalt.—

Demand No. 1:—Re: reduction in the number of working hours per day:—The Management stated that 8 hours shift had since been introduced and, as such, the Association has got what they asked. In view of this, the Association representative does not press the demand. So, this is treated as withdrawn by the Association.

Demand No. 2:—Re: Grant of holiday on Saturday and the reduction of working hours to 40 hours a week:—The Association representative does not press the demand. So, this is treated as withdrawn.

Demand No. 3:—Re: Reduction of wages as the result of reduction in the hours of work and re; the enhancement of wages for piece work by 20 per cent:—The Management representative stated that no reduction in wages has been effected though the number of working hours per day have been reduced to 8 hours. In view of this explanation, the Association representative does not press this portion of the demand.

As regards increase of wages to piece-workers by 20 per cent, the Management representative contended that it was open to piece worker to avail of the full hours of their shift and work without waste of time and earn more and that there was no justification for demanding more. After further discussion, the Association representative not being satisfied with the explanation of the Management representative and with the suggestion to consider further, press this portion of the demand. The Management does not concede. Hence, a failure in regard to this portion of this demand.

Demand No. 4—Re: Grant of privilege leave with full pay: The Management representative stated that this matter is before the Proprietor for consideration and it could not be decided earlier on account of the proprietor being busy with other urgent matters. He promises to have the question decided in about two months time. It is suggested to the Association representative that some two months time may be allowed to the Management and that if no decision is reached by the Management by then, the Association, may then issue a fresh notice of change. The Association representative agrees to this suggestion and does not press the demand. So, this demand is treated as withdrawn.

Demand No. 5.—Re. Grant of sick leave with pay.—The Management's representative regrets it is not possible to grant sick leave of one month with full pay (including allowances as demanded). He adds that in no textile mill sick leave of one month with full pay is given and that for sickness on account of accidents happening in the Mills, the Management is incurring the charges for the medical treatment as a matter of concession and allowing at discretion half the pay to the sick worker during the period. After further discussion the Association representative states that he does not press the demand as it is, but presses the grant of sick leave with full pay at least for a week in a year. The Management representative states that since this is a fresh demand, though a modification of the original demand, he would place the demand before the Proprietor for consideration and orders, and that two months time may be allowed. The Association representative has no objection for the grant of time asked for by the Management, on the understanding that if the Management does not come to a decision within the time of two months or if the decision is not acceptable to the Association, it would be open to the Association to give a fresh notice of change to the Management urging for the grant of sick leave with full pay for one week per year. In the result, the Labour representative withdraws the demand, as put forward, in the Notice of Change. So this demand is treated as closed.

Demand No 6.—Re. appointment of woman supervisor.—The Association representative says that this demand is made in order to see that women workers are not treated in a derogatory or unbecoming way by men supervisors. The Management representative stated that no such instances have been brought to their notice either by the workers or the Association and that if any such instances are brought to their notice, it would be enquired into and suitable action taken. In view of this assurance the Association representative withdraws the demand.

Demand No. 7.—Re. grant of daily minimum wages of rupee one—per worker with annual in rements—The Management representative explained that they were now paying a minimum wage of Re. 0-6-6 per worker and that the same is being increased according to efficiency of the worker. The subject was discussed at some length. Finally the Association representative urges that at least eight annas per day may be paid. The Management representative states that the Association representative has not made out any case for demanding enhancement in wages. The Association representative is not able to explaim the demand by statistics. He says that he would collect statistics and then put up this as a fresh demand and that he withdraws the present demand now. Hence it is treated as withdrawn and closed.

Demand No. 8.—Re. Grant of Service Bonus.—The demand is not intelligible. The Labour representative is not able to explain the demand. As such the Management is not able to give any reply. This is pointed out to the Association representative. He is agreeable to treat this demand as withdrawn.

Demand No. 9.—Re. Grant of Dearness Allowance of Rs. 30 per mensem.—The Association representative explains that the cost of living has gone up very high and that the present rates of Dearness Allowance are inadequate and should be enhanced. He also urges that Messrs. Binny & Co., and other Mills are paying higher rates of Dearness Allowance. The Management representative states that they are paying Rs. 8 per mensen per worker who earns Rs. 8 or less; Rs. 10 per mensen per worker who earns above Rs. 8 and less than Rs. 12; and Rs. 12-8-0 per mensen per worker who earns Rs. 12 and more per month and that any enhancement at present is not possible in view of their bad financial position. Finally, after discussion, the Labour representative wants at least Rs. 20 per mensen per worker to be given. The Management representative says that the Management is not in a position to concede this, in view of heavy loss to the Management for the last two years. The Labour representative is not satisfied with the explanation of the Management and he presses the demand. The Management regret their inability to concede the demand. Hence no settlement in respect of this demand, could be reached.

Demand No. 10.—Re. Grant of 3 months salary as bonus.—The Management representative says that they are paying one month's pay or wages as bonus every year and the demand of the Association is exhorbitant and cannot be conceded. The Association representative is not able to substantiate their demand with reference to any statistics and facts but still presses the demand. The Managemant representative regrets that it is not possible to concede this demand. Hence no settlement could be reached in regard to this demand.

All possible ways of settlement were explored, but the parties did not come to a settlement in respect of second part of demand No. 3 and of demands Nos. 9 and 10 (the other demands being treated as withdrawn and closed).

Thus, of the ten demands in this case, 7 demands and a portion of another demand were withdrawn and the other two demands (No. 9 & 10 and a portion of Demand No. 3 were pressed by the Association but were not accepted by the Management.

7. The conciliation in regard to latter portion of demand No. 3 and to demands Nos. 9 and 10 thus ended in failure, which I hereby report.

I request that this report may be published in the Gazette as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.

PRESS NOTE.

Malayan Refugees Thank India.

In a communication received by the Government of India, from His Excellency the Governor of the Malayan Union, the latter has conveyed the thanks of his Government to all persons who rendered voluntary service to those unfortunate people, mostly women and children, who had to leave Malaya with very limited resources in 1941-42 and to the civil and military personnel after their liberation from Japanese prisons in 1945.

His Excellency adds that with the return of these people to Malaya, he had heard frequent praise of the kindness and care shown to them by organisations in India and desires that the keen appreciation felt in Malaya for these acts of kindness may be communicated to the persons and organisations concerned.

REVENUE SECRETARIAT.

Dated 22th March 1947.

No. S. R. 3748—Ex. 72-46-8. In exercise of the powers conferred under Sections 9 and 13-A of the Mysore Excise Act V of 1901, and in partial modification of Notification No. S. R. 2545—Ex. 72-46-6 dated 7th January 1947, the Government of His Highness the Maharaja of Mysore are pleased to prohibit the possession and transport of special liquors and of foreign liquors into the Prohibition areas of Pavagada and Molakalmuru Taluks with effect from the date of this notification.

2449

Dated 8th April 1947.

No. L. 13612—Ml. 188-46-10. Under Section 48 (1) of the Mysore Land Acquisition Act, 1894, as amended from time to time, the Government are pleased to withdraw the acquisition of a portion of Door No. 33, Taluk Catchery Road, IV Division, Bangalore City, for opening a Conservancy lane, sanctioned in Notification No. L. 11051—Ml. 22-41-53, dated 20th May 1942, as the said property is no longer required for the purpose originally intended.

7539

Dated 9th April 1947.

No. R. 9824—L. S. 25-46-5. It is notified for general information that, under Section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to Khayamgutta Honnaganahalli Mutt Village in Mandya Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Commissioner of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to the village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgement therefore in the form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

GENERAL SECRETARIAT

Dated 16th April 1947.

No. S. R. 3964—L. W. 212-46-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore, Bangalore, in respect of the failure of conciliation proceedings in a dispute between the Mysore Paper Mills Labour Association, Bhadravathi and the Management of the said Mills in regard to four demands mentioned in the accompanying report made by the said Association.

7766 MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Notification dated 26th March 1947.

To

The Secretary to Government of Mysore,
General Department,
Bangalore.

Sir,

No. C. C. 16—46. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Mysore Paper Mills Labour Association, Bhadravati, and the concerned Mills Management in regard to the following four demands asked for by the Association :—

(1) That the daily wages of all the workers of the Factory should be enhanced with effect from 1st July 1945;

(2) That the workers who are being supplied with boots twice a year should be supplied thrice a year in future;

(3) That the workers working in Heat (Boiler, Soda recovery, Digesters) Sections should be given a heat allowance; and

(4) That a creche should be opened for the benefit of the women workers.

2. The Secretary of the Labour Association gave to the concerned Mills Management a Notice of change, making the above four demands. As the Management could not agree to the demands and as the parties did not come to a settlement during the negotiations conducted by the Assistant Commissioner of Labour, Mysore Division, the Commissioner of Labour referred the case to this Office for initiating Conciliation Proceedings under Section 10 (3) of the Labour Act.

3. The case was accordingly registered and intimations to the parties were issued for hearing. I held Conciliation Proceedings at Bangalore on the 25th March 1947 and heard the case. The Management was represented by Mr. K. Umanatha Rao, General Manager; while, on behalf of the Labour Association, were present, the following two office bearers :—

(i) Mr. Ahmed Sheriff, Vice-President,
(ii) Mr. K. Seshagiri Sastry, Secretary.

4. The Assistant Commissioner of Labour, Mysore Division (Mr. C. N. Nanjappa) was also present throughout the Conciliation Proceedings.

5. The demands were taken up one by one and discussed on both sides.

6. With regard to Demand No. (1) asking for increase in the daily wages for all the workers in the Factory, it was pointed out that the demand was vague and it was not clear whether it referred to basic wages or to increments. There was also no mention or indication as to the extent of increase desired in the daily wages. The Labour Association Secretary stated first that the demand referred to the question of raising the basic wages of all the labourers. He then explained that what the Association wanted was a uniform increase of the daily wages of all the workers by one anna per day per head, with effect from 1st July 1946.

7. The Management explained their position thus. It is usual to give increments once in two years. The last increment having been given on 1st July 1945, the matter could be taken up for consideration only on and after 1st July 1947. Further, the payments made to both skilled and unskilled labour compares favourably with wages paid to such labour not only in the Mysore State but also with that obtained in other Paper Mills, which have been in existence very much longer. General Manager pointed out (by reference to the Report published by the Government of India) that for example, the average wages of the workers in the Titaghar Paper Mills, was five annas ten pies, while that in the Mysore Paper Mills is nine annas and one pies, and that the Mysore Paper Mills are giving extra facilities (such as bonus) not given in other Paper Mills. He added that the demand for a general increase of the daily wages by one anna per head in the case of all workers of all the sections of the factory could not be agreed to, and that increase in wages could only be considered on the ground of efficiency, good attendance and conduct, etc., of each worker.

The Association representative next contended that increment in wages had been given every year since 1942 and it should be given for the year 1946 also. The Management refused it and explained that no increments were given in 1943 and that increments were given in 1945 as a special case and with the definite understanding that the next increment would be given only after July 1947, *i.e.* after two years, and that the Management were unable to agree to the revision of wages from 1st July 1946.

Finally, after further discussion, the Association representative, not being satisfied with the explanation given by the Management pressed the demand. The Management's representative regretted, it was not possible for the Management to accept the demand. So, there was no settlement possible in regard to this Demand No (1).

The next Demand No. 2, urging for the supply of boots thrice a year, was withdrawn by the Association Representatives.

Coming to the Demand No. 3, for grant of heat allowance in the Soda recovery plant and in the digesters and in boilers, the Management explained the position as follows :—

"That an additional wage of one anna per day is given to employees of Soda recovery section who work near the furnace and that this has been in practice since 1st July 1944 and it is not understood why a Notice of Change is given in this respect."

"In regard to boilers, there is automatic feeding of coal and it is not necessary to open the fire door and shovel coal as in other boilers; the Boiler House is facing East and in order to avoid too much draught of cold air, we have at the instance of employees walled up the front; and this clearly shows that they do not suffer for too much heat but want protection against cold.

"In regard to disgesters, we do one cook per shift and the man need operate valves for only one or two hours during the whole eight hours. In order, however, to minimise the heat of radiation, we have lagged one digestor and we shall be lagging 2 more shortly. We have also placed orders for man cooler fans for a constant flow of fresh air.

"We do not see any justification for allowance in digestors and boilers."

Further, the Management stated that such an allowance is not paid in any Factory.

The Association representative not being satisfied with the explanation of the Management pressed the demand. The Management regret, it is not possible to accept this demand for heat allowance in boilers and digestors. So, no settlement was possible between the parties in regard to this Demand No. 3.

The next and last Demand No. 4. for the setting up of a creche, the Association representative withdrew this demand, in the light of the Management's explanation and assurance that a creche will be opened immediately the room built for this purpose and used now for accommodating some of the labourers, on account of fire accident in the labour sheds is vacated.

All possible ways of settlement were explored, but the parties did not come to a settlement in regard to Demands Nos. 1 and 3, while Demands Nos. 2 and 4 were withdrawn.

Thus, of the four Demands, the two Demands Nos. 2 and 4 were withdrawn and the remaining two Demands Nos. 1 and 3 were pressed by the Association but were not accepted by the Management.

8. The conciliation in regard to these two Demands (*viz.*, 1 and 3) thus ended in failure, which I hereby report.

9. I request that this report may be published in the *Mysore Gazette* as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

7766 NAVANEETHAM, *Chief Conciliator.*

LAW SECRETARIAT.

Dated 18th—21st April 1947.

No. Fl. 7608—I. T. 28-46-7. The following draft rules which the Government of His Highness the Maharaja propose to make in exercise of the powers conferred by Section 27 of the Mysore Excess Profits Tax Act, 1946 (XI of 1946), are hereby published for the information of all persons likely to be affected thereby, as required by the said section.

Notice is hereby given that objections or suggestions, if any, may be forwarded to the Legal Remembrancer and Secretary to Government, Law Department, on or before 29th April 1947 for consideration.

Objections or suggestions received after the said date will not be considered.

Draft Rules.

EXCESS PROFITS TAX (POST-WAR REFUNDS) RULES, 1946.

In exercise of the powers conferred by Section 27 (2) (d) read with Section 4 (2) of the Mysore Excess Profits Tax Act, 1946, the Government of His Highness the Maharaja of Mysore, are pleased to make the following rules :—

1. An application for refund of the Excess Profits Tax repayable under sub-section (2) of Section 4 of the Act shall be made in the form (Form E. P. 21) appended to these rules to the Excess Profits Tax Officer, not later than 31st March 1948, and that officer shall as soon as practicable refund the amount due under the Act, together with simple interest at 2 per cent per annum to the person who paid the tax ;

Provided that,—

(1) in the case of an individual who, at the time when the amount is refundable, is dead, refund shall be made to the person, who under a letter of administration, probate or succession certificate is entitled thereto ;

(ii) in the case of a company which, at the time when the amount is refundable, is in course of winding up, refund shall be made to the liquidator of the company ;

(iii) in the case of a Hindu undivided family which, at the time when the amount is refundable, has been disrupted, the refund shall be made to the person or persons to whom the amount was assigned upon such disruption ;

(iv) in the case of a firm, the constitution of which at the time when the amount is refundable, is different from the constitution during the chargeable accounting period in respect of which the amount was paid, refund shall be made to the firm as constituted when the refund is due and

(v) in the case of a firm which, at the time when the amount is refundable, is no longer in existence, refund shall be made jointly to the persons who were partners in the firm during the chargeable accounting period in respect of which the amount was paid, or to any person jointly nominated by them to receive the refund, with the substitution in the case of a deceased partner of the administrator or other legal representative.

Provided further that, if the identity of the person entitled under the preceding provisions to receive a refund is in dispute or if any substantial question of title is, in the opinion of the Excess Profits Tax Officer, involved, such officer may require the production of an order of the competent Civil Court, determining the person entitled to receive the refund or any part thereof.

2. Any refund made in accordance with Rule 1 shall be deemed to be a full and valid discharge of the liability of the Government under the Act and the person to whom the refund is made shall be responsible for any liability arising out of a claim by any other person in respect of such refund.

ANNEXURE.

FOOD AND CIVIL SUPPLIES SECRETARIAT

Dated 5th May 1947.

No. C. 8179. The following Press Note issued by the Government of India, regarding prices of paper imported since April 1947, is re-published for the information of the public:—

PRICES OF PAPER IMPORTED SINCE APRIL 1947.

With effect from April 1st 1947, the protective rate of customs duty of 10 4/5 pies per lb. on writing and printing paper has been replaced by the revenue duty at the rate of 30 per cent *ad valorem*. This will have the effect of increasing the incidence of duty in certain cases. The existing ceilings for imported varieties of writing and printing papers are based on the figures of landed cost which are substantially higher than the average of the audited landed cost figures furnished by different importers for the period September 15th to December 15th, 1946. The existing ceilings include, therefore sufficient margin for the enhanced duty and importers should be able to sell the consignments of writing and printing papers that may now be received with a reasonable margin. In cases, however, where paper imported after April 1st 1947, cannot be sold at a reasonable margin or without incurring loss, importers should apply to the Government of India in the Department of Industries and Supplies for *ad hoc* fixation of prices. In such cases invoices and other documents in original together with the sample of paper should be submitted along with the applications.

PUBLIC WORKS SECRETARIAT

Dated 25th April 1947.

No. P. W. 7575-7—B. 24-46-17. Whereas it appears to the Government of His Highness the Maharaja of Mysore, that the undermentioned lands situated in Mudlapanne Village, Kortagere Taluk, Tumkur District, are needed for a public purpose to construct the taluk office building; notice to that effect is hereby given to all whom it may concern, in accordance with the provisions of Section 4 (1) of the Land Acquisition Act of 1894, as amended by the Land Acquisition Amendment Act No. I of 1927 and the Government hereby authorise the Deputy Commissioner, Tumkur and his subordinates and also Assistant Commissioner, to exercise the powers conferred by Section 4 (2) of the Act. Under sub-section (4) of Section 17 of the Land Acquisition Act of 1894, as amended by Act No. I of 1927, the Government direct that, in view of the urgency of the case, the provisions of Section 5-A of the Act shall not apply to the acquisition of the lands noted below.

Dated 17th March 1947.

No. P. W. 6184-8—K.R.S. 1-46-166. Under Section 6 of the Land Acquisition Act of 1894, as amended by the Land Acquisition Amendment Act No. I of 1927, the Government of His Highness the Maharaja of Mysore declare that the lands measuring 20 acres and 3¾ guntas be the same a little more or less, are needed for a public purpose, to wit, Antimalarial Works; and under Sections 4 and 7 of the same Act, the Assistant Commissioner in charge of Special Land Acquisition Officer is appointed to perform the functions of a Deputy Commissioner under the Act and directed to take orders for the acquisition of the said lands. Under sub-section (1) of Section 17 of the Act, the Government further direct that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Act. A plan of the lands is kept in the Office of the Special Land Acquisition Officer and may be inspected at any time during office hours.

No. L. 16134—V. P. 10-46-34. It is hereby notified for the information of all those concerned, that the acquisition, proceedings instituted in respect of 2 acres and 8 guntas of land in Survey No. 22 of Valagerehally, Hamlet of Aralasandra Village, Kankanhalli Taluk, for the formation of an extension to the village, as per Notification No. L. 3685, dated 20th October 1944, are cancelled, as the said property is no longer required for the purpose for which it was originally intended.

8578

Dated 19th May 1947.

No. R. 11344—L. S. 74-46-3. Under Section 106 of the Mysore Land Revenue Code (Act IV of 1888) as amended from time to time, the Government of His Highness the Maharaja are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Act to Khayamgutta Srikantapura Village in Nelamangala Taluk.

8576

Dated 19th May 1947.

No. R. 11348—L. S. 74-46-4. It is notified for general information that, under Section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to Khayamgutta Srikantapura, Nalamangala Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Commissioner of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to a village to measure the hissas and to conduct enquiries in cases disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

PUBLIC WORKS SECRETARIAT

Dated 11th March 1947.

No. P. W. 6000-4.—K. R. S. 1-46-145. Whereas it appears to the Government of His Highness the Maharaja of Mysore, that the undermentioned lands, situated in S. I. Honnaligere Village, Maddur Taluk, Mandya District, are needed for a public purpose, to wit, 23rd Distributary of Hebbakawadi Branch; notice to that effect is hereby given to all whom it may concern, in accordance with the provisions of Section 4 (1) of the Land Acquisition Act of 1894, as amended by the Land Acquisition Amendment Act No. I of 1927 and the Government hereby authorise the Deputy Commissioner, Mandya District and his subordinates to exercise the powers conferred by Section 4 (2) of the Act. Under Sub-section 4 of Section 17 of the Land Acquisition Act of 1894 as amended by Act No. I of 1927, the Government direct that in view of the urgency of the case the provisions of Section 5-A of the Act shall not apply to the acquisition of the lands noted below.

REVENUE SECRETARIAT

Dated 22nd May 1947.

No. R. 11579—L. S. 76-46-3. Under Section 106 of the Mysore Land Revenue Code (Act IV of 1888) as amended from time to time, the Government of His Highness the Maharaja are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Act to Khayamgutta Settikunte Village in Kolar Taluk.

8756

Dated 22nd May 1947.

No. R. 11583—L. S. 76-46-4. It is notified for general information that, under Section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to Khayamgutta Settikunte Village, Kolar Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Commissioner of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to a village to measure the hissas and to conduct enquiries in cases disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

GENERAL SECRETARIAT

Dated 2nd June 1947.

No. S. R. 4517—L. W. Under Section 12(4) of the Mysore Labour Act XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in respect of the failure of conciliation proceedings in the dispute between the Labour Association of Mysore Chemicals and Fertilisers, Belagola and the Management of the Company regarding the four demands of the Association mentioned therein.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR AND EXCISE COMMISSIONER IN MYSORE.

Notification dated 1st May 1947.

To

The Secretary to Government of
His Highness the Maharaja of Mysore,
General Department,
Bangalore.

Sir,

No. C. C. 22—46. I have the honour to make the following report under Section 12(4) of the Mysore Labour Act, relating to a dispute between the Mysore Chemicals and Fertilisers Labour Association, Belagola, and the concerned Works Management in regard to the following four demands put forth by the Association:—

I. The management be requested to grant two months' Bonus 'either as War and Victory Bonus or Victory Bonus' as in the case of other industrial concerns.

II. (*a*) A change be made in the working hours for the shift staff to facilitate forty-eight hours of work per week.

(*b*) That Sundays be declared a holiday for the shift staff as well; the management making separate arrangement for work on Sundays.

(*c*) That the following holidays, be declared as holidays applicable to the shift workers as well, by making suitable arrangements for work on such holidays:—

(1) New Year's Day.
(2) Lunar New Year's Day.
(3) Good Friday.
(4) King Emperor's Birthday.
(5) His Highness the Maharaja's Birthday.
(6) Ganesha Festival.
(7) Vijayadasami.
(8) Last Day of Moharum.
(9) Christmas Day
(10) Bakrid.

(*d*) That an "Overtime Allowance" of twice the wages per hour be paid to all the workers for "Extra hours of work."

III. The Management is requested to prepare, publish and maintain "A Schedule of Wages" for all the employees in the factory with an annual increment of two annas below one rupee wages; and three annas above one rupee wages paid to the employees for regular and approved service, for each year.

IV. The Management is requested to have "a Definite Plan" for housing all its employees, and in the meantime, to pay each employee a "Conveyance Allowance" of rupees five per head per month, as many of the workers have to come from a long distance.

2. The President of the Labour Association gave to the concerned Works Management a notice of change, dated 13th January 1947, making these above four demands. As the management could not agree to the demands as the parties did not come to a settlement during the negotiations conducted by the Assistant Commissioner of Labour, Mysore Division, the Commissioner of Labour referred the case to this office for initiating conciliation proceedings under Section 10(3) of the Labour Act.

3. The case was accordingly registered and intimations to the parties were issued for hearing. I held conciliation proceedings at Bangalore on the 30th April 1947 and heard the case at some length. The Management was represented by Dr. K. L. Ramaswamy, General Manager of the Works, assisted by Mr. N. G. Narayan, Labour and Welfare Officer of the Works; while, on behalf of the Labour Association were present, Mr. M. S. Joseph, President of the Association and the following Office Bearers:—

(1) Mr. A. Subrahmani Iyer, Vice-President.
(2) ,, Y. N. Madhava Rao, Secretary.
(3) ,, R. S. Nivas, Assistant Secretary.
(4) ,, K. Ramachandran, Treasurer.

4. The Assistant Commissioner of Labour, Mysore Division (Mr. C. N. Nanjappa), was also present throughout the conciliation proceedings.

5. The demands were taken up one by one and discussed on both sides.

6. With regard to Demand No. (i) asking for the grant of two months' pay as Bonus, the General Manager of the Works stated that what is asked for is for the period of War, the accounts for which period have already been closed and the funds pertaining to that period have been appropriated as per approved Balance Sheets of those years, and as such, no funds pertaining to that period were now available for disbursement. And he further stated that the Management had paid one month's pay as Bonus during 1945-46 and that they would consider this question after the close of the current year while considering the current year's Balance Sheet. The Association's representative contended that what was paid in 1945-46 was profit bonus which had nothing to do with the War and Victory Bonus. In addition, he stated that the Company had declared the interim dividends and this question which was pending then could have been considered. The Management's side pleaded that they were unable to promise or say anything further until the current year's Balance Sheet was prepared and the profit or loss position known definitely. He added that the accounts of the previous years having been closed, nothing could be done in respect of that period now. After further discussion the Management Representative said that they would consider the question as sympathetically as possible while considering the Balance Sheet for the current year and that beyond that they could not say anything. The Association representative, not being satisfied with the replies given by the Management, pressed the demand. The Management's representative regretted, it was not possible for the Management to accept the damand. So, there was no settlement possible in regard to this Demand No. (1).

7. In regard to the next Demand (No. 2 (a)), urging a change in the working hours for the shift staff, the Management contended that the amendment in the Act (Section 34) referred to by the Association did not affect the proviso to that Section. In view of the demand of the Association the matter has been referred to the Chief Inspector of Factories for instructions and that his reply is awaited. The Association representative contended that when a section was amended the proviso should also be taken as being amended and as such, there was no need to refer the matter to the Chief Inspector of Factories which meant unnecessary delay. The General Manager replied that they neither intended to delay matters nor were they unwilling to follow the Act but wanted to make sure of the scope of the amendment to the said Section by getting a ruling from the competent authority. He said that they would write again to the Chief Inspector of Factories referring to the to-day's discussions and request for a very early reply. In view of this assurance, the Association representatives agree that this demand may be taken as withdrawn. So, this is treated as withdrawn by the Association.

8. In respect of Demand No. 2 (b) and No. 2 (d), urging that Sundays be declared as holiday for the shift staff and that the payment of Overtime Allowance at twice their wages respectively, the Association representatives seeing that this depends on the disposal of the Demand No. II (a), which has been withdrawn, are agreeable to withdraw. Accordingly, these demand items are treated as withdrawn.

9. Next coming to Demand No. 2 (c) *re* the grant of certain holidays to shift workers, the subject was fully discussed on both sides. The position is that the distinction between the permanent and temporary establishments has to continue and these holidays with pay will be holidays with pay to Permanent Establishment only; and so far as daily rated temporary staff is concerned, it will be a holiday involving loss of wages, except for the specified religious holidays. This position is explained and this issue is not further pressed by the Association representatives. Hence this demand is treated as withdrawn by the Association.

10. As regards Demand No. 3 (preparation of schedule of wages and grant of increments), the Management replied that they were preparing the schedule of wages and would publish it shortly. As regards the grant of progressive scales of wages, the Management said that since this involved financial implications they required time before they could give their final decision. The Association representative stated that the Management had sufficient time inasmuch as the notice of change was given in January 1947 and that asking for more time was not acceptable to them. The Association pressed the demand. The Management representative pleaded his inability to accept the demand. So, no settlement was possible between the parties in regard to this demand.

11. Finally, in regard to Demand No. 4 *re* Preparation of "Definite Plan" for housing the Labour and in the meanwhile pay a conveyance allowance, the Management representative stated that they could not take up the Housing Scheme vigorously owing to the difficulty in securing materials during the war period and that the matter is now under the active consideration of the Company, and in the meanwhile they were prepared to consider the question of granting conveyance allowance if concrete proposals already called for from the Association and which had not yet been complied, are sent up. The Association representative stated that the information had been furnished during discussions at the earlier stages and that the Association's proposals are (1) that the employees coming from Mysore with Railway Pass may be given a Conveyance Allowance of Rs. 5 a month, and (2) that the employees coming from the surrounding villages of a distance of three miles or more may be given a conveyance allowance of Rs. 5 a month. The General Manager stated that the Management was agreeable to grant in the case of those coming from Mysore with a pass, a conveyance allowance equal to the cost of the pass and that, in the case of those coming from the surrounding villages from a distance of 5 miles and beyond a conveyance not exceeding that given to those coming by train from Mysore would be considered after further examination and verification of the financial implications. The President of the Association after consulting the other Office Bearers present, stated that they were not agreeable to the offer made by the General Manager. They pressed the demand. The Management's representative stated that he could say nothing further than the offer made. However, no settlement was possible on this issue.

12. All possible ways of settlement were explored, but the parties did not come to a settlement in regard to Demands Nos. 1, 3 and 4, while Demand No. 2(*a*), (*b*), (*c*) and (*d*) was withdrawn.

13. Thus, of the four demands, one demand, No. 2(*a*) (*b*), (*c*) and (*d*), was withdrawn and the remaining three demands, Nos. 1, 3 and 4, were pressed by the Association, but were not accepted by the Management.

14. The conciliation in regard to these three demands (*viz.*, 1, 3 and 4), thus ended in failure, which I hereby report.

15. I request that this report may be published in the *Mysore Gazette* as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
M. NAVANEETHAM,
Chief Conciliator in Mysore.

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

Dated 13—16th June 1947.

Subject :—Recruitment of Hindustani Reporters in the Central Assembly.

No. P. 7214—Pll. 37-46-2. The following communique received by the Government of India, Legislative Assembly Department, is republished for information of the public :—

It is notified for general information that the Government of India, Legislative Assembly Department, New Delhi, will shortly appoint six Hindustani Reporters for the purpose of maintaining a verbatim record of Hindustani speeches made in the Central Legislative Assembly. Recruitment is being made through the Federal Public Service Commission, Simla. The Commission will conduct a competitive examination for this purpose and will advertise full particulars. Meanwhile prospective candidates are hereby warned to improve their efficiency in preparation for the examination.

The posts are permanent in the scale of Rs. 300-20-500, but appointments will be made, in the first instance, on a temporary basis. Candidates who show high skill will be considered for confirmation in due course. Unless the selected candidates show the requisite standard of reporting Hindustani speeches they will be given a pay lower than the minimum of the time scale mentioned above.

Preference will be given to those who can take shorthand notes of both Urdu and Hindi speeches and can transcribe their notes in Urdu and Devanagari scripts but the Commission is being asked to select such candidates also who can only take down either Hindi or Urdu speeches and can transcribe their shorthand notes in one script only.

A knowledge of shorthand writing in English will be an additional qualification.

Subjects of Indian States are also eligible for appointment to these posts, if they are otherwise qualified.
